Annual report

STRANDTOWN PRIMARY SCHOOL PTA AGM

29th September 2023 ANNUAL REPORT – 2022 / 2023

School year 2022 / 23 - Post Covid

Firstly, a massive thanks, and a huge congratulations to everyone involved in the previous year of the PTA. Thanks to Gerry, Wendy, ALL of the teaching staff, the volunteers, and to the core members of the committee, that took on a momentous task, which seemed like a struggle and a full time job at times.

I feel that we delivered a lot of great experiences for the pupils, hopefully creating some lasting memories for their year at Strandtown.

In November 2022 we had a meeting to restart the PTA. It was the mammoth task of trying to resume the PTA after 3 years of the pandemic break, exaggerated by the fact that all of the previous members had moved on from the school. Roisin Maloney was incredibly helpful with time, resources, and information to kick start the process, for which we are very grateful.

We began by putting in place the relevant positions of Chair person, Deputy Chair person, Secretary, and Treasurer, as this was a formality required for the Charity Commission. It was incredibly difficult, and a huge task to work through the bureaucracy of getting the PTA as a charity up and running again. We managed it though, through many, many hours of effort.

The main agenda was to create a list of achievable events, coordinating with the teaching staff, and the workings of the school calendar.

The PTA put in place events that the pupils would hopefully enjoy, with the aim of raising some much needed funds for the school, and starting to rekindle a positive interaction with parents and the school environment.

We provided:

Meet and greet for the P4 concert taking names of potential volunteers
Disco tuck shop
Wacky hair day
Easter egg raffle
Donut day
Summer BBQ, with an inflatable extravaganza

The Treasurer shall provide accounts on the money raised, and how the funds were used.

The important thing is to acknowledge the experience and enjoyment of the pupils, and the ease of which these events fitted in with the daily routine and management of daily school day and curricular calendar.

The only disappointment is that we missed some great opportunities to create more events such as at Halloween, Christmas, or events for parents, which we hope will be captured in the coming school year.

Again, the PTA would like to acknowledge and thank the efforts of all the staff members of the school, the volunteers that made these events happen, and most importantly the parents for supporting the events. With your support the kids have such wonderful memories of Strandtown, and we hope that you felt engaged and have good memories too.

Thank you for your ongoing support and if you can help in any way, with time, talent, or ideas, please get in contact at "strandtownpta@gmail.com"

Many Thanks,
Gareth Nixon Chairman 2022 / 23

Annual report

**STRANDTOWN PRIMARY SCHOOL PTA
PTA Annual General Meeting
12th September 2018
ANNUAL REPORT – 2017/2018**

The school year 2017/18 was a successful one for Strandtown PTA, in all aspects of social, educational and financial terms. In addition, it was a year of very welcome growth for the PTA with last year's AGM being very well attended and a number of new faces joined the PTA and the Committee.

The PTA are a team of parents and teachers who work together with the common goal of assisting the school management team with the running of the school. We are committed to raising as much money as possible through a range of events and activities for pupils and families and spending it for the benefit of as many children as possible to strike a good balance between educational needs and fun.

The growing success of the PTA is due to the dedication and planning of the parents and teachers on the PTA committee and the wider group of parents, teachers and school office and caretaking staff who assist throughout the year to ensure the success of all the events run. The PTA Committee would like to take this opportunity to thank all involved for their efforts.

In addition to all the events run by PTA during the year, the PTA this year, thanks to increased volunteer numbers and support from the Board of Governors, established a funding sub-group. This has enabled us to apply for community funding grants and we very much hope to see some of this funding come our way very soon. It is hoped that PTA will be able to continue to develop this sub-group but it will only be possible with continued willing volunteers.

PTA have continued to support the Eco Club and School Council with funds to purchase gardening and new play equipment for the play boxes. Each year the Y7s are play leaders for the juniors and this year the PTA were pleased to provide two play leader awards in each Y7 class. These were presented by PTA at the Y7 leavers night in June.

It is now almost two years since the PTA became a charity registered with the NI Charity Commission on 17th November 2015. At the end of August PTA completed its first full financial year as a Charity and submitted our first annual return.

Full details of PTA finances – funds raised and how PTA spent its funds are found in the Treasurer's Report.

PTA were active from early in the 2016 autumn term with the sale of pantomime tickets for Cinderella at the Opera House. Due to purchasing a group rate means that PTA can offer the tickets at a big reduction compared to individual purchase and still fundraise on each ticket sold – a win for both families and PTA funds!

Activities kicked off with a non-uniform day in October, closely followed by the ever popular junior disco for the Y4 and Y5's in November, with our DJ ALDO making the first of two appearances of the school year. This is a major social event for the juniors and the tuck shop, nail and tattoo bar are very popular on the day and allow a quieter space for the kids (and helpers!) to spend some time.

Strandtown Primary School PTA

The lead up to Christmas is busy for the school and the PTA as there are a number of social and fundraising events.

The Christmas Craft Fair was held later on 15th December and was a very enjoyable social evening allowing talented parents and friends to sell their handmade crafts and gifts. The children again had great fun in the PTA craft room making Christmas decorations and cards. Parents and friends gather and chat in the mulled wine (non-alcoholic) and shortbread 'grotto'.

In December we had our usual Christmas Hampers where children bring items to fill hampers and one hamper is raffled per class.

Many families then attended the Grand Opera House panto on either the 9th or 16th December. As has become an annual event, the Christmas term ended with PTA funds being used for an outing for all of our pupils to the Strand Cinema.

2018 started with another non-uniform day, closely followed by the Senior Disco in March, entertainment again provided by ALDO and tuckshop and other stalls run by willing volunteers.

For the second year an Easter themed treasure grid was available in each class and pupils purchased squares on the grids. The winner in each class received a large Easter Egg. Again, the popularity of this activity exceeded all expectations!

The Summer Fair in May was as always a great morning for family and friends, with the Y7s showing how well they had learnt their entrepreneurial skills as they competed for business selling a range of treats, handmade items and even sunglasses that Mr Smith assured me were donated from a legitimate source and didn't fall off a lorry!

The income from this event is greatly boosted by the annual *Grand Draw*. This is only possible by the parents and local businesses who kindly donated prizes and the PTA volunteers who tirelessly chase up contacts and search out even more prizes!

A new event, a Family Fun Run, was introduced this year and took place on Friday the 9th of June. We had a great turn out for this with people of all ages and skill levels turning up to run a course around the grounds of the school laid out by the PE department. We have had great feedback on this event and hope to do it again in 2018.

The final PTA event was the Summer BBQ, which thankfully saw some sunshine and the great range of bouncy castles, slides and outdoor games went ahead as planned. Having out-sourced the cooking the cooking to a professional outfit the year before due to school contacts with the company 'Foodie Folk', this year as Mr McWilliams loves the cooking so much we brought the culinary skills back in house!

As in each year the Y7 had their own BBQ during a school day and this was funded by the PTA along with half the funding for the leavers' packs and photos, helping to make the Y7s last few weeks a very special memory.

The PTA also supported the School Council in the running of the Sal's Shoes collection at the end of summer term. Children brought in old pairs of shoes to donate to children overseas who are less fortunate.

Strandtown Primary School PTA

The PTA sorted all the (1,000+) pairs of shoes and delivered them to the charity drop off point. A huge thanks to a few of our own children who were cajoled into helping us with this massive job.

The PTA continued to support the running of the school in other ways through discussions around policies and new ways of communicating with parents; the equipment needs of the school.

As the charity's trustees you are responsible for the preparation of the accounts in accordance with the Charities Act (Northern Ireland) 2008.

It is my responsibility to:

- examine the accounts under section 65 of the Charities Act
- follow the procedures laid down in the general Directions given by the Commission under section 65(9)(b) of the Charities Act
- state whether particular matters have come to my attention.

Basis of independent examiner's report

I have examined your charity accounts as required under section 65 of the Charities Act and my examination was carried out in accordance with the general Directions given by the Charity Commission for Northern Ireland under section 65(9)(b) of the Charities Act.

My examination included a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also included consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as charity trustees concerning any such matters.

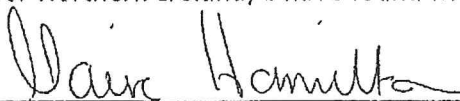

My role is to state whether any material matters have come to my attention giving me cause to believe:

1. That accounting records were not kept in accordance with section 63 of the Charities Act
2. That the accounts do not accord with those accounting records
3. That the accounts do not comply with the accounting requirements of the Charities Act
4. That there is further information needed for a proper understanding of the accounts to be reached.

Independent examiner's statement

I have completed my examination and have no concerns in respect of the matters (1) to (4) listed above and, in connection with following the Directions of the Charity Commission for Northern Ireland, I have found no matters that require drawing to your attention.
