2023 Easter Vestry

PREFACE BY THE RECTOR

Rev. Dr. Adrian N. Stringer B.D., P.G.C.E., PhD.

EASTER 2023

Dear Parishioners,

COVID-19 in its numerous variants, is still affecting the way we live. Church congregations of many types, have found their numbers on a Sunday morning less than they were before the pandemic. Just as the virus was global, so too is the effect upon congregations across the globe. On average, attendances are lower than they were. On occasions there has been something of a bounce-back, but far less than anyone would like.

And again, consistent with other churches, our involvement with young people and families has been particularly hit. Before COVID-19 our informal family service in the Church Hall was by far the best attended. It even reached 80 on the last service before lockdown. Post-pandemic and although we are seeing a modest return to these family services – it is still a long way from what they were.

What has caused this? Lots of people have lots of answers, which is only to be expected. But there is no consensus on what has happened and therefore how to fix it. What can we do in response? Being negative or doom-laden isn't helpful. It's easy, but it doesn't get us very far.

Instead, the positive reaction is to draw on what we can do. The first of these is to pray. So pray, hold before God our congregations. Say out loud or in the silence of your heart all that you are thinking. Then, listen. What may God be saying to you? Second, go to church because there is no point in complaining about others when you don't attend yourself! If you can't attend, then join with all those who worship using our WhatsApp daily prayers and Sunday Services. Then finally, with regard to church activities, please value them, contribute to them and encourage others to do likewise.

There can also be found positivity in how the pandemic has pushed us into having an on-line presence which we never had before. Take the Bulletin. It used to be a sheet of paper given to people as they came into church, which meant that if you didn't go – you didn't know what was going on. Now, using the digital interface, over two hundred people each week, whether they attend church or not, receive a bigger, better and well-read edition. The WhatsApp groups also mean that we can worship together on a daily basis and ensure that those who can't attend can still worship.

What is also very good at the moment is the giving of all our faithful members. Through the difficulties of recent years, you, the faithful, have stepped up to the mark and made church ends meet. Of course, if you know of anyone who doesn't properly contribute to our parish, why not have a quiet word and encourage them!

Adrian

Trustees' Annual Report for the year ended 31 December 2022

The trustees present the annual report and statements of Receipts and Payments and Assets and Liabilities for St John's Desertlyn Parish Church for the year ended 2022.

Objectives and Activities

The charitable purpose of the Church of Ireland is the advancement of religion.

The principal function of St John's Desertlyn Parish Church is to support the advancement of the Christian religion by promoting, through the work of St John's Desertlyn Parish Church the whole mission of the Church, pastoral, evangelistic, social and ecumenical. Being open to and engaging with society as a whole and offering support for those needing help are fundamental to the practical delivery of the benefits of Christianity.

As a result of activity in the pursuit of the advancement of the Christian religion, St John's Desertlyn Parish Church has custody of property and of records, materials and artefacts of significance to the cultural and religious heritage and maintenance of which is undertaken by the select vestry of St John's Desertlyn Parish Church.

Achievements, Performance & Public Benefit

St John's Desertlyn Parish Church is under the incumbency of the Reverend Dr Adrian Stringer. As a church we provide a weekly service of Morning Prayer, and a once per month service of Holy Communion. We also provide for baptisms, weddings, funerals and pastoral support.

We have a weekly online bulletin which keeps our congregation up to date with our activities and those in the local community.

Our Child Protection Policy is in accordance with the Safeguarding Trust policies of the Church of Ireland.

Our "Mothers' Union" meets once a month.

The Parish holds an annual coffee party to raise funds for the church and its activities and we thank all those who support it. We also run a car boot sale and a farming fun day each year with the proceeds again going to church funds.

All of the above changed in March 2020 when the World Health Organisation officially declared COVID-19 a pandemic. The virus has had a devastating effect upon many households, to all of these we extend our sympathies.

During the pandemic we lost all in person activities and switched to mainly digital means of interaction.

A WhatsApp group of around 200 devices has facilitated uploading of video services, prayers, quizzes, notices, Bulletins and general chat. This means that Select Vestry members have been able to discuss important issues which need addressing, worship has continued whether the church building is to be open or not and people can chat about various issues with each other. This has resulted in more people being involved with Sunday Worship and church life than before.

We hope that once the virus has been effectively treated, we will be able to continue digital operations but also renew our in person ones within the church building and elsewhere.

Trustees' Annual Report for the year ended 2022 (continued)

Financial Review

- The results for the year are set out on page 7, which the Trustees consider to be satisfactory
- The reserves of the Parish are held for the advancement of its charitable purpose, other than restricted reserves which are held for a designated purpose – see note 12

Going Concern

The trustees have reviewed the budgets for the year ahead and are satisfied that there are adequate funds in place to ensure that the Parish can continue its activities and the financial statements for the year ended 31 December 2022 can be signed off as a going concern.

Structure, Governance and Management

Governing Document and Constitution of the Charity

Chapter III of the Constitution of the Church of Ireland governs Parishes and Parochial Organisation. The Select Vestry members are the Charity Trustees

Recruitment and Appointment of Select Vestry (Trustees)

All members of the Church of Ireland who are over the age of 18 and are either resident within the parish or live elsewhere but have been accustomed members of the congregation for at least three months, may register as members of the general vestry of the parish, allowing them to attend and vote at meetings of the general vestry and to stand for election to the select vestry. Meetings of the general vestry are held at least once a year. The Select Vestry is elected as part of this General Vestry meeting. The Select Vestry will hold their positions for a period of one year. Select Vestry members may be re-elected annually and there is no limit on the number of terms which may be served.

Pay and Remuneration

The Rector is not paid directly by the Parish. A monthly assessment is paid to the Diocese which comprises Stipend, Locomotory Allowance, Employer's National Insurance and Employers Clergy Pension Contributions.

Organisational Structure

The select vestry is responsible for the day to day management of the parish. The select vestry consists of the member of the clergy serving in the parish, the churchwardens, the glebe wardens and generally not more than twelve other members of the general vestry elected at the General Vestry.

The select vestry is chaired by the incumbent or other member of the clergy officiating in the parish. Select vestry members are responsible for making decisions on matters of general concern and importance to the parish including deciding how parish funds are to be applied.

The select vestry meets at times fixed by the members or by the diocesan synod. Special meetings may be convened at any time by the chairperson or the churchwardens. In 2022 the Select Vestry met 2 times in person and have had 8 virtual meetings since the pandemic. The average attendance was 14.

Trustees' Annual Report for the year ended 2022 (continued)

Compliance with Public Benefit

The Parish has given careful consideration to the Charity Commission for Northern Ireland's guidance on public benefit to ensure that the activities entered into during the year have helped to achieve the Parish's objectives and activities, as well as providing public benefit.

Statement of Trustees' Responsibilities

The trustees are responsible for preparing the Trustees' Report and the statement of receipts and payments and statement of assets and liabilities in accordance with applicable law and regulations.

The law applicable to charities in Northern Ireland with Income of less than £250,000 requires the trustees to prepare a statement of receipts and payments and a statement of assets and liabilities for each financial year.

The trustees are responsible for keeping accounting records that are sufficient to show and explain the Parish's transactions and disclose with reasonable accuracy at any time the assets and liabilities of the Parish. They are also responsible for safeguarding the assets of the Parish and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities
