Achievements, Performance & Public Benefit

The Parish holds public worship at a variety of services each week throughout the church year – Holy Communion, Morning Prayer, Baptisms, Marriages and Funerals. There are services focusing on Advent, Christmas, Lent, Easter, Harvest etc. At Christmas we held our first Candle lit Carol Service raising £1155 for Air Ambulance.

Our Rector has been off on sick leave and our thoughts and prayers are with him and his family. We are grateful to the Diocese Office for arranging cover and to all those who have taken our services throughout 2024.

Sunday School continues on Sunday mornings at 9.30AM and we are grateful to parents for bringing their children each week and to all our teachers for their dedication and support.

At all times we keep in mind our Safe Guarding Trust policy, Health and Safety requirements and regulations.

We are pleased that our carpark is now completed and are sure that it will prove to be a valuable asset to the Parish. We wish to express our thanks to all those who donated materials and their time to this project.

The purpose of our charitable fund raising is not only for our own costs, but also for a variety of need (see donations list note 8). This is a tangible demonstration of our mission and outreach – a reach that covers both home and abroad.

The Parish has given careful consideration to the Charity Commission for Northern Ireland's guidance on public benefit to ensure that the actives entered into during the year have helped to achieve the Parish's objectives and activities, as well as providing public benefit.

Financial Review

- The results for the year are set out on page 8, which the Trustees consider to be satisfactory.
- The reserves of the Parish are held for the advancement of its charitable purpose, other than restricted reserves which are held for a designated purpose – see note 9.

Going Concern

The trustees have reviewed the budgets for the year ahead and are satisfied that there are adequate funds in place to ensure that the Parish can continue its activities and the financial statements for the year ended 31 December 2024 can be signed off as a going concern.

Structure, Governance and Management

Governing Document and Constitution of the Charity

Chapter III of the Constitution of the Church of Ireland governs Parishes and Parochial Organisation. The Select Vestry members are the Charity Trustees.

Recruitment and Appointment of Select Vestry (Trustees)

All members of the Church of Ireland who are over the age of 18 and are either resident within the parish or live elsewhere but have been accustomed members of the congregation for at least three months, may register as members of the general vestry of the parish, allowing them to attend and vote at meetings of the general vestry and to stand for election to the select vestry. Meetings of the general vestry are held at least once a year. The Select Vestry is elected as part of this General Vestry meeting. The Select Vestry will hold their positions for a period of one year. Select Vestry members may be re-elected annually and there is no limit on the number of terms which may be served.

Organisational Structure

The select vestry is responsible for the day to day management of the parish. The select vestry consists of the member of the clergy serving in the parish, any curate assistant ("the curate"), the churchwardens, the glebe wardens and generally not more than twelve other members of the general vestry elected at the General Vestry.

The select vestry is chaired by the incumbent or other member of the clergy officiating in the parish. Select vestry members are responsible for making decisions on matters of general concern and importance to the parish including deciding how parish funds are to be applied.

The select vestry meets at times fixed by the members or by the diocesan synod. Special meetings may be convened at any time by the chairperson or the churchwardens. In 2024 the Select Vestry met 5 times during the year and the average attendance was 87%. Routine issues have also been discussed and dealt with in the Select Vestry WhatsApp Group

Compliance with Public Benefit

The Parish has given careful consideration to the Charity Commission for Northern Ireland's guidance on public benefit to ensure that the activities entered into during the year have helped to achieve the Parish's objectives and activities, as well as providing public benefit.

Statement of Trustees' Responsibilities

The trustees are responsible for preparing the Trustees' Report and the statement of receipts and payments and statement of assets and liabilities in accordance with applicable law and regulations.

The law applicable to charities in Northern Ireland with Income of less than £250,000 requires the trustees to prepare a statement of receipts and payments and a statement of assets and liabilities for each financial year.

They are also responsible for safeguarding the assets of the Parish and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Notes to the financial statements for the year ended 31 December 2024

1. Accounting policies

Set out below are the principal accounting policies which have been adopted in the compilation of the Receipts and Payments Account and the Statement of Assets and Liabilities

(a) Receipts and Payments Account

All items of income and expenditure included within the Receipts and Payments Account have been accounted for on a cash receipts basis.

(b) Statement of Assets and Liabilities

The congregation has reviewed the basis on which it has prepared its accounts and in order that these are prepared on a strict receipts and payments basis it has eliminated from its fund balances any funds which are not held in bank or cash balances. Any other funds, which the congregation holds, in particular investments, are disclosed on the Statement of Assets & Liabilities.

(i) *Assets retained for the Parish's own use*

The assets of the Parish, retained for its own use comprise:-

- Church Buildings and Graveyard
- Church Store & Toilet
- Glebe land
- Carpark

The Church Building and Graveyard are deemed to be Heritage assets as defined by the Charities SORP (FRS102). These Heritage assets are not included in the statement of assets and liabilities as information on the cost or valuation is not available and such information cannot be obtained at a cost commensurate with the benefit to the users of the accounts and to the parish.

The Church store and toilet was built in 2013. It is recognised at cost of construction. No depreciation has been provided on the store and toilet block as the current estimated residual value is not less than its carrying value and the remaining useful life currently exceeds 50 years.

Glebe land has been valued as 1 acre at agricultural value of £10,000 per acre.

Church Carpark is recognised at cost of construction.

ii) Investments

Fixed asset investments comprising investment properties, investments in equities (ordinary shares) and investment in RCB/CIT Unit Trusts are initially recorded at cost and are then subsequently stated at fair value at each year end date. Investments in unquoted investments are recorded at cost and are assessed annually for impairment.

Trustees' Annual Report for the year ended 31 December 2023

The trustees present the annual report and statements of Receipts and Payments and Assets and Liabilities for the Church for the year ended 31 December 2023

Objectives and Activities

The charitable purpose of the Church of Ireland is the advancement of religion.

The principal function of St Matthias' Church, Ballyeglish is to support the advancement of the Christian religion by promoting, through their work the whole mission of the Church, pastoral, evangelistic, social and ecumenical. Being open to and engaging with society as a whole and offering support for those needing help are fundamental to the practical delivery of the benefits of Christianity.

As a result of activity in the pursuit of the advancement of the Christian religion, St Matthias' Church, Ballyeglish has custody of property and of records, materials and artefacts of significance to the cultural and religious heritage and maintenance of which is undertaken by the select vestry of St Matthias' Church, Ballyeglish.

Achievements, Performance & Public Benefit

The Parish holds public worship at a variety of services each week throughout the church year – Holy Communion, Morning Prayer, Baptisms, Marriages and Funerals. There are services focusing on Advent, Christmas, Lent, Easter, Harvest etc. Our WhatsApp services continue each week for those unable to attend and every morning our rector continues to support parishioners with a daily Bible reading and prayers.

Sunday School continues on Sunday mornings at 9.30AM and we are grateful to parents for bringing their children each week and to all our teachers for their dedication and support.

At all times we keep in mind our Safe Guarding Trust policy, Health and Safety requirements and regulations.

The purpose of our charitable fund raising is not only for our own costs, but also for a variety of need (see donations list note 8). This is a tangible demonstration of our mission and outreach – a reach that covers both home and abroad.

The Parish has given careful consideration to the Charity Commission for Northern Ireland's guidance on public benefit to ensure that the actives entered into during the year have helped to achieve the Parish's objectives and activities, as well as providing public benefit.

Financial Review

- The results for the year are set out on page 8, which the Trustees consider to be satisfactory.
- The reserves of the Parish are held for the advancement of its charitable purpose, other than restricted reserves which are held for a designated purpose – see note 9.

Going Concern

The trustees have reviewed the budgets for the year ahead and are satisfied that there are adequate funds in place to ensure that the Parish can continue its activities and the financial statements for the year ended 31 December 2023 can be signed off as a going concern.

Structure, Governance and Management

Governing Document and Constitution of the Charity

Chapter III of the Constitution of the Church of Ireland governs Parishes and Parochial Organisation. The Select Vestry members are the Charity Trustees.

Recruitment and Appointment of Select Vestry (Trustees)

All members of the Church of Ireland who are over the age of 18 and are either resident within the parish or live elsewhere but have been accustomed members of the congregation for at least three months, may register as members of the general vestry of the parish, allowing them to attend and vote at meetings of the general vestry and to stand for election to the select vestry. Meetings of the general vestry are held at least once a year. The Select Vestry is elected as part of this General Vestry meeting. The Select Vestry will hold their positions for a period of one year. Select Vestry members may be re-elected annually and there is no limit on the number of terms which may be served.

Organisational Structure

The select vestry is responsible for the day to day management of the parish. The select vestry consists of the member of the clergy serving in the parish, any curate assistant ("the curate"), the churchwardens, the glebe wardens and generally not more than twelve other members of the general vestry elected at the General Vestry.

The select vestry is chaired by the incumbent or other member of the clergy officiating in the parish. Select vestry members are responsible for making decisions on matters of general concern and importance to the parish including deciding how parish funds are to be applied.

The select vestry meets at times fixed by the members or by the diocesan synod. Special meetings may be convened at any time by the chairperson or the churchwardens. In 2023 the Select Vestry met 7 times during the year and the average attendance was 85%. Routine issues have also been discussed and dealt with in the Select Vestry WhatsApp Group

Compliance with Public Benefit

The Parish has given careful consideration to the Charity Commission for Northern Ireland's guidance on public benefit to ensure that the actives entered into during the year have helped to achieve the Parish's objectives and activities, as well as providing public benefit.

Statement of Trustees' Responsibilities

The trustees are responsible for preparing the Trustees' Report and the statement of receipts and payments and statement of assets and liabilities in accordance with applicable law and regulations.

The law applicable to charities in Northern Ireland with Income of less than £250,000 requires the trustees to prepare a statement of receipts and payments and a statement of assets and liabilities for each financial year.

Trustees' Annual Report for the year ended 31 December 2023(continued)

Statement of Trustees' Responsibilities (continued)

They are also responsible for safeguarding the assets of the Parish and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Notes to the financial statements for the year ended 31 December 2023

1. Accounting policies

Set out below are the principal accounting policies which have been adopted in the compilation of the Receipts and Payments Account and the Statement of Assets and Liabilities

(a) Receipts and Payments Account

All items of income and expenditure included within the Receipts and Payments Account have been accounted for on a cash receipts basis.

(b) Statement of Assets and Liabilities

The congregation has reviewed the basis on which it has prepared its accounts and in order that these are prepared on a strict receipts and payments basis it has eliminated from its fund balances any funds which are not held in bank or cash balances. Any other funds, which the congregation holds, in particular investments, are disclosed on the Statement of Assets & Liabilities.

(i) Assets retained for the Parish's own use

The assets of the Parish, retained for its own use comprise:-

- Church Buildings and Graveyard
- Church Store & Toilet
- Glebe land

The Church Building and Graveyard are deemed to be Heritage assets as defined by the Charities SORP (FRS102). These Heritage assets are not included in the statement of assets and liabilities as information on the cost or valuation is not available and such information cannot be obtained at a cost commensurate with the benefit to the users of the accounts and to the parish.

The Church store and toilet was built in 2013. It is recognised at cost of construction. No depreciation has been provided on the store and toilet block as the current estimated residual value is not less than its carrying value and the remaining useful life currently exceeds 50 years.

Glebe land has been valued as 1 acre at agricultural value of £10,000 per acre.

ii) Investments

Fixed asset investments comprising investment properties, investments in equities (ordinary shares) and investment in RCB/CIT Unit Trusts are initially recorded at cost and are then subsequently stated at fair value at each year end date. Investments in unquoted investments are recorded at cost and are assessed annually for impairment.

Objectives and Activities

The charitable purpose of the Church of Ireland is the advancement of religion.

The principal function of St Matthias' Church, Ballyeglish is to support the advancement of the Christian religion by promoting, through their work the whole mission of the Church, pastoral, evangelistic, social and ecumenical. Being open to and engaging with society as a whole and offering support for those needing help are fundamental to the practical delivery of the benefits of Christianity.

As a result of activity in the pursuit of the advancement of the Christian religion, St Matthias' Church, Ballyeglish has custody of property and of records, materials and artefacts of significance to the cultural and religious heritage and maintenance of which is undertaken by the select vestry of St Matthias' Church, Ballyeglish.

Achievements, Performance & Public Benefit

The Parish holds public worship at a variety of services each week throughout the church year – Holy Communion, Morning Prayer, Baptisms, Marriages and Funerals. There are services focusing on Advent, Christmas, Lent, Easter, Harvest etc. Our WhatsApp services continue each week for those unable to attend and every morning our rector continues to support parishioners with a daily Bible reading and prayers.

Sunday School continues on Sunday mornings at 9.30AM and we are grateful to parents for bringing their children each week and to all our teachers for their dedication and support.

At all times we keep in mind our Safe Guarding Trust policy, Health and Safety requirements and regulations.

The purpose of our charitable fund raising is not only for our own costs, but also for a variety of need (see donations list note 8). This is a tangible demonstration of our mission and outreach – a reach that covers both home and abroad.

The Parish has given careful consideration to the Charity Commission for Northern Ireland's guidance on public benefit to ensure that the activities entered into during the year have helped to achieve the Parish's objectives and activities, as well as providing public benefit.

Financial Review

- The results for the year are set out on page 8, which the Trustees consider to be satisfactory.
- The reserves of the Parish are held for the advancement of its charitable purpose, other than restricted reserves which are held for a designated purpose – see note 9.

Going Concern

The trustees have reviewed the budgets for the year ahead and are satisfied that there are adequate funds in place to ensure that the Parish can continue its activities and the financial statements for the year ended 31 December 2023 can be signed off as a going concern.

Structure, Governance and Management

Governing Document and Constitution of the Charity

Chapter III of the Constitution of the Church of Ireland governs Parishes and Parochial Organisation. The Select Vestry members are the Charity Trustees.

Recruitment and Appointment of Select Vestry (Trustees)

All members of the Church of Ireland who are over the age of 18 and are either resident within the parish or live elsewhere but have been accustomed members of the congregation for at least three months, may register as members of the general vestry of the parish, allowing them to attend and vote at meetings of the general vestry and to stand for election to the select vestry. Meetings of the general vestry are held at least once a year. The Select Vestry is elected as part of this General Vestry meeting. The Select Vestry will hold their positions for a period of one year. Select Vestry members may be re-elected annually and there is no limit on the number of terms which may be served.

Organisational Structure

The select vestry is responsible for the day to day management of the parish. The select vestry consists of the member of the clergy serving in the parish, any curate assistant ("the curate"), the churchwardens, the glebe wardens and generally not more than twelve other members of the general vestry elected at the General Vestry.

The select vestry is chaired by the incumbent or other member of the clergy officiating in the parish. Select vestry members are responsible for making decisions on matters of general concern and importance to the parish including deciding how parish funds are to be applied.

The select vestry meets at times fixed by the members or by the diocesan synod. Special meetings may be convened at any time by the chairperson or the churchwardens. In 2023 the Select Vestry met 7 times during the year and the average attendance was 85%. Routine issues have also been discussed and dealt with in the Select Vestry WhatsApp Group

Compliance with Public Benefit

The Parish has given careful consideration to the Charity Commission for Northern Ireland's guidance on public benefit to ensure that the activities entered into during the year have helped to achieve the Parish's objectives and activities, as well as providing public benefit.

Statement of Trustees' Responsibilities

The trustees are responsible for preparing the Trustees' Report and the statement of receipts and payments and statement of assets and liabilities in accordance with applicable law and regulations.

The law applicable to charities in Northern Ireland with Income of less than £250,000 requires the trustees to prepare a statement of receipts and payments and a statement of assets and liabilities for each financial year.

The trustees present the annual report and statements of Receipts and Payments and Assets and Liabilities for the Church for the year ended 31 December 2022

Objectives and Activities

The charitable purpose of the Church of Ireland is the advancement of religion.

The principal function of St Matthias' Church, Ballyeglish is to support the advancement of the Christian religion by promoting, through their work the whole mission of the Church, pastoral, evangelistic, social and ecumenical. Being open to and engaging with society as a whole and offering support for those needing help are fundamental to the practical delivery of the benefits of Christianity.

As a result of activity in the pursuit of the advancement of the Christian religion, St Matthias' Church, Ballyeglish has custody of property and of records, materials and artefacts of significance to the cultural and religious heritage and maintenance of which is undertaken by the select vestry of St Matthias' Church, Ballyeglish.

Achievements, Performance & Public Benefit

The Parish holds public worship at a variety of services each week throughout the church year – Holy Communion, Morning Prayer, Baptisms, Marriages and Funerals. There are services focusing on Advent, Christmas, Lent, Easter, Harvest etc. Our WhatsApp services continue each week for those unable to attend and every morning our rector continues to support parishioners with a daily Bible reading and prayers.

Sunday School has been able to meet since September 2022.

At all times we keep in mind our Safe Guarding Trust policy, Health and Safety requirements and regulations.

The purpose of our charitable fund raising is not only for our own costs, but also for a variety of need (see donations list note 9). This is a tangible demonstration of our mission and outreach – a reach that covers both home and abroad.

The Parish has given careful consideration to the Charity Commission for Northern Ireland's guidance on public benefit to ensure that the activities entered into during the year have helped to achieve the Parish's objectives and activities, as well as providing public benefit.

Financial Review

- The results for the year are set out on page 8, which the Trustees consider to be satisfactory.
- The reserves of the Parish are held for the advancement of its charitable purpose, other than restricted reserves which are held for a designated purpose – see note 10.

Going Concern

The trustees have reviewed the budgets for the year ahead and are satisfied that there are adequate funds in place to ensure that the Parish can continue its activities and the financial statements for the year ended 31 December 2022 can be signed off as a going concern.

Notes to the financial statements for the year ended 31 December 2022

1. Accounting policies

Set out below are the principal accounting policies which have been adopted in the compilation of the Receipts and Payments Account and the Statement of Assets and Liabilities

(a) Receipts and Payments Account

All items of income and expenditure included within the Receipts and Payments Account have been accounted for on a cash receipts basis.

(b) Statement of Assets and Liabilities

The congregation has reviewed the basis on which it has prepared its accounts and in order that these are prepared on a strict receipts and payments basis it has eliminated from its fund balances any funds which are not held in bank or cash balances. Any other funds, which the congregation holds, in particular investments, are disclosed on the Statement of Assets & Liabilities.

(i) Assets retained for the Parish's own use

The assets of the Parish, retained for its own use comprise:-

- Church Buildings and Graveyard
- Church Store & Toilet
- Glebe land

The Church Building and Graveyard are deemed to be Heritage assets as defined by the Charities SORP (FRS102). These Heritage assets are not included in the statement of assets and liabilities as information on the cost or valuation is not available and such information cannot be obtained at a cost commensurate with the benefit to the users of the accounts and to the parish.

The Church store and toilet was built in 2013. It is recognised at cost of construction. No depreciation has been provided on the store and toilet block as the current estimated residual value is not less than its carrying value and the remaining useful life currently exceeds 50 years.

Glebe land has been valued as 1 acre at agricultural value of £10,000 per acre.

ii) Investments

Fixed-asset investments comprising investment properties, investments in equities (ordinary shares) and investment in RCB/CIT Unit Trusts are initially recorded at cost and are then subsequently stated at fair value at each year end date. Investments in unquoted investments are recorded at cost and are assessed annually for impairment.

Achievements, Performance & Public Benefit

The Parish holds public worship at a variety of services each week throughout the church year – Holy Communion, Morning Prayer, Baptisms, Marriages and Funerals. There are services focusing on Advent, Christmas, Lent, Easter, Harvest etc. Our WhatsApp services continue each week for those unable to attend and every morning our rector continues to support parishioners with a daily Bible reading and prayers.

Sunday School has been able to meet since September 2022.

At all times we keep in mind our Safe Guarding Trust policy, Health and Safety requirements and regulations.

The purpose of our charitable fund raising is not only for our own costs, but also for a variety of need (see donations list note 9). This is a tangible demonstration of our mission and outreach – a reach that covers both home and abroad.

The Parish has given careful consideration to the Charity Commission for Northern Ireland's guidance on public benefit to ensure that the actives entered into during the year have helped to achieve the Parish's objectives and activities, as well as providing public benefit.

Structure, Governance and Management

Governing Document and Constitution of the Charity

Chapter III of the Constitution of the Church of Ireland governs Parishes and Parochial Organisation. The Select Vestry members are the Charity Trustees.

Recruitment and Appointment of Select Vestry (Trustees)

All members of the Church of Ireland who are over the age of 18 and are either resident within the parish or live elsewhere but have been accustomed members of the congregation for at least three months, may register as members of the general vestry of the parish, allowing them to attend and vote at meetings of the general vestry and to stand for election to the select vestry. Meetings of the general vestry are held at least once a year. The Select Vestry is elected as part of this General Vestry meeting. The Select Vestry will hold their positions for a period of one year. Select Vestry members may be re-elected annually and there is no limit on the number of terms which may be served.

Organisational Structure

The select vestry is responsible for the day to day management of the parish. The select vestry consists of the member of the clergy serving in the parish, any curate assistant ("the curate"), the churchwardens, the glebe wardens and generally not more than twelve other members of the general vestry elected at the General Vestry.

The select vestry is chaired by the incumbent or other member of the clergy officiating in the parish. Select vestry members are responsible for making decisions on matters of general concern and importance to the parish including deciding how parish funds are to be applied.

The select vestry meets at times fixed by the members or by the diocesan synod. Special meetings may be convened at any time by the chairperson or the churchwardens. In 2022 the Select Vestry met 6 times during the year and the average attendance was 87%. Routine issues have also been discussed and dealt with in the Select Vestry WhatsApp Group

Compliance with Public Benefit

The Parish has given careful consideration to the Charity Commission for Northern Ireland's guidance on public benefit to ensure that the actives entered into during the year have helped to achieve the Parish's objectives and activities, as well as providing public benefit.

Statement of Trustees' Responsibilities

The trustees are responsible for preparing the Trustees' Report and the statement of receipts and payments and statement of assets and liabilities in accordance with applicable law and regulations.

The law applicable to charities in Northern Ireland with Income of less than £250,000 requires the trustees to prepare a statement of receipts and payments and a statement of assets and liabilities for each financial year.
