A statement that the Trustees have had regard to the Commission's Public Benefit requirement statutory guidance

We started 2024 with only 2 Rangers having lost the older girls to Universities on the mainland. Unfortunately one girl left and rather than suspend the unit we used our one remaining Ranger as a Young Leader with the Guides, where she has gained invaluable experience writing up the programme, preparing resources and helping organise activities.

There was no harm flowing from the Charity's purposes and there was no private benefit.

All Trustees are aware of our Public benefit Statement on promoting young women to help them develop emotionally, mentally, and physically.
