A summary of the Charity's main activities to further its purposes for the public benefit and the main achievements in the year

Throughout the year we had 10 girls taking part in a weekly programme of activities.

We resumed weekly face to face meetings in September 2022. Numbers had to be restricted for face-to-face meetings due to available leaders to meet Girlguiding quota limits. Girls on waiting list were accommodated in Sept. 2022 when older girls moved to Brownies.

We worked on Skills Builders, and interest badges from the programme. We carried out various crafts, cooking activities, bible stories and challenges throughout the year and the girls learnt a number of new skills. Six girls progressed to Brownies in September.

There was no harm flowing from the Charities purposes and that there was no private benefit.
