STRUCTURE AND MANAGEMENT

The Kirk Session

The charity trustees of the congregation are the members of its Kirk Session. Under the congregation's governing document, The Code, the book of the constitution and government of the Presbyterian Church in Ireland, the Kirk Session seeks to watch over and promote the spiritual interest of the congregation and of persons not connected with any congregation who are within its bounds. It ensures pastoral care is in place in the congregation and seeks to further the contribution of the Church to Christian witness and service in the local community. The Kirk Session has delegated to its Congregational Committee the temporal affairs of the congregation including administering all funds and property belonging to the congregation. Members of the Kirk Session are ex-officio members of the Congregational Committee.

The Kirk Session consists of the ordained minister and the ruling elders of the congregation. All members are entitled to propose, speak and exercise equal votes at meetings, except that the Moderator, the minister in active duty in the congregation, has no deliberative but only a casting vote.

Stated meetings of the Kirk Session are held every fourth Tuesday of the calendar month except June, July, August and December. Other meetings of the Kirk Session are arranged as required.

To be chosen for the office of the eldership in the congregation a person must be a voting member and a regular attendant on its ordinances. The selection of those proposed to be called to the office can be either by the congregation or by the Kirk Session. Members are elected if they obtain two-thirds of the votes off those who vote.

Presbytery

Under the Presbyterian Church in Ireland form of governance the corporate oversight of a congregation is the responsibility of a Presbytery which superintends generally the spiritual and temporal affairs of the congregations assigned to it by the General Assembly of the Presbyterian Church in Ireland. McQuiston Memorial congregation of the Presbyterian Church has been assigned to the East Belfast Presbytery of the Presbyterian Church in Ireland. The membership of the Presbytery consists mainly of the active ministers of congregations assigned to it by the General Assembly, ministers who have retired from active duty and an elder appointed by the Kirk Session of the congregation.

The General Assembly

The General Assembly is the supreme court of the Church, representing in one body the whole Church and acting as its supreme legislative, administration and judicial authority, in dealing with all matters brought before it. The General Assembly is normally constituted during June for worship and to conduct its business. This year the meeting was held from 22 June to 25 June 2022. At the end of business it is dissolved. The membership of the General Assembly consists mainly of the active ministers of each congregation, retired ministers and a representative elder appointed by the Kirk Session of each congregation.

DESCRIPTION AND PURPOSE

The charitable purpose of the congregation is the advancement of religion.

McQuiston Memorial congregation of the Presbyterian Church is a congregation of the Presbyterian Church in Ireland. The Presbyterian Church in Ireland, as a Reformed Church within the wider body of Christ is grounded in the Scriptures and exists to love and honour God through faith in His Son and by the power of His Spirit, and to enable her members to play their part in fulfilling God's mission to our world.

The congregation's mission purpose is "Jesus centred – People focused". This is demonstrated as follows that by the grace of God, to help people of all ages become fully devoted followers of Jesus Christ. Our vision is, by the grace of God, to be an inclusive, welcoming community of Christ's people of all ages, which:

- is increasingly characterised by love for God, and love and concern for others;
- is committed to the historic Christian gospel as revealed in the Bible;
- is relevant to people of this time and place.

The congregation aims to live out its Mission and Vision as a family of God's people by being:

- A Covenant Community: where our relationships are rooted in the promises of God by living faithfully toward Him and toward one another.
- Intergenerational Community: where adults intentionally take the lead to engage with, encourage and nurture younger members to maturity in Christ.
- An Outward looking Community: where we want the blessings of God that belong to us in the gospel to become blessings for others beyond the bounds of our community.

TRUSTEES ANNUAL REPORT (cont'd)

- As a congregation of the Presbyterian Church in Ireland, we believe that the Bible is the supreme authority over all we do, and that the Westminster Confession of Faith, along with the Larger and Shorter Catechisms set out what we understand the Bible teaches on key matters of Christian faith and practice.

1. ACHIEVEMENTS AND PERFORMANCE

Worship and Prayer

Progressing on from the devastation of Covid 19 the congregation continues to adapt and rebuild. We now meet for worship each Sunday at 11.00am and on the First and third Sundays each month at 7.00pm. The Bible Study (Discipleship Groups) provides an opportunity for members to meet together for fellowship, to study the scriptures and for a time of prayer. The Prayer Time and Discipleship groups meet on the second and fourth Wednesday evenings each month.

An essential and vital part of our Christian witness is prayer. Accordingly we meet for times of specific prayer.

As well as our regular services during the year we acknowledge God's gift of new life at Sacraments of Baptism but we had no baptisms this year. We had one celebration of Holy Matrimony. In addition we had 14 members who died during the year and sought to comfort those who had been bereaved during the year.

A Remembrance Day service was held in November. In December we held our annual carol service which was well attended and was also streamed live.

TRUSTEES ANNUAL REPORT (cont'd)

On 31 December 2022 there were 107 communicant members and over 206 families connected with the congregation. The average weekly attendance at morning worship was just over 70 persons. An average of 97 persons per week visited the on-line service.

A What's App prayer group (operating by mobile texting) continues faithful ongoing prayer cover for Church members and other non-members, as well as prayer for situations at home and overseas. A joy continues to be the many answers to prayer.

We continue to support our food bank with groceries/essential food items which are given to the needy in the area. Our Outreach worker continues to ensure that the food is distributed to European migrants and members of the local community in need. During the Easter and Christmas periods he and a number of Elders brought gifts to many within that migrant population.

Mission and outreach

The congregation supports the United Appeal for Mission which is a central fund of the Presbyterian Church in Ireland. This fund enables congregations to support the wider mission of the denomination and to do mission and outreach on a denominational basis beyond what the congregation could do on its own. The United Appeal Fund provides financial support for mission personnel at home and overseas, assists congregations with the deployment of locally based staff, enables church planting, provides grant support for the upkeep of church premises, assist with the running costs of Union Theological College, the Church's training college for ministry students, and financially supports congregations in the areas of worship, discipleship, global mission, outreach, leadership and pastoral care. It is pleasing to note that the congregation reached its "*Target of Honour*" set by the Presbytery.

The congregation also contributes to the denomination's annual World Development Appeal, The Presbyterian Children's Society, the Samaritans Purse Shoebox Appeal at Christmas and other special appeals.

During the Easter period our senior members received an Easter greetings card and a small gift. Our work with Elmgrove and Euston Street Primary schools continued as they held a lovely colouring competition and prizes were awarded to the winners.

Just prior to Christmas 70 bags of shortbread were distributed to local neighbours either side of the church building and shops/businesses on the Castlereagh Road.

Our outreach work continued to develop in two local primary schools. Two elders continue to undertake the "Better Reading Partnership" programme on three mornings with three children developing their reading ability. Working with P7 classes continued with cookie decorating, planting summer bedding plants and arts and crafts work. The annual Easter arts completion continues to be a popular event.

TRUSTEES ANNUAL REPORT (cont'd)

In October Belfast held its annual marathon and we deferred our morning worship whilst cups of water were offered to the runners and tea/coffee and bacon baps to the spectators.

Presbytery

The congregation was represented at the regular meetings of East Belfast Presbytery by our minister and / or one of the elders. This provides an important link between the congregations and the wider structures of the church. A report of each Presbytery meeting is given to the Kirk Session.

General Assembly

The minister and one of our elders were nominated to attend the meeting of the General Assembly of the Presbyterian Church in Ireland held in Assembly Buildings, Belfast. Our Minister and Clerk of Kirk Session attended and were greatly impressed by the way affairs were conducted. A report is given to Kirk Session on the work presented.

Mr JC Shivers reported on his attendance at General Assembly in June 2022. This year there was a new format with General Assembly commencing on a Wednesday and finishing on a Saturday. He highlighted the following :-

PCI Have 31 students in training

Guysmere is to be upgraded and used for the benefit of younger members of our church.

A document on allowing people with a learning disability to become full members of churches. A paper will go to Presbyteries and final decisions for next year's General Assembly.

Updating of the PCI Code.

Property

The general maintenance work carried out in and around the church and manse goes on in an effort to keep the property up to a high standard a high standard. Whilst it was agreed to replace the front doors with uPVC doors. This work has not yet proceeded and it has still to go to Presbytery and the General Assembly Architecture Committee before work can commence.

With the retirement of our minister, the manse is now vacant and there is work be carried out update it I.e. new kitchen and creation of a utility area.

Organisations

In the aftermath of Covid 19 some of the organisations that we would have traditionally had operating have yet to start. These are The Ladies Fellowship (Presbyterian Women), the Luncheon Club, The Mens Fellowship (SHED) and the film club Take Two.

Sunday

Our Services of worship and praise continued throughout the year as already detailed . In July our minister, Rev. Robert Beggs, retired after serving twenty one years with us and our congregation became a “vacant” pulpit. We came under the oversight of a Commission of East Belfast Presbytery who appointed the Rev. Richard McIlHatton as Vacancy Commission Convenor who managed the provision of preachers. The services were coordinated by our musical director Mark McKeown who organised the order of the services and managed a rota of service leaders who led the services up to the sermon.

Our praise group continued to meet and practise new pieces of praise with a view to introducing them to the congregation.

A crèche is available every Sunday morning for all pre-school children attending church. At present we have 2 babies and 4 toddlers who are looked after by women from our congregation. A rota system is in operation throughout the year to make sure every Sunday is covered.

Our Sunday school, known as MnM Kids continued and 2022 has been an interesting year for the young people in McQuiston with Messy Church being continued to supplement our children’s ministry. At all times we aim to provide a safe environment for the young people. God is at the centre of all we do and the activities we provide.

As the year continued it was proposed to return to a similar timetable for the young people as was observed before covid-19. Children would join the church service and leave during the service for their programme.

We have a consistent number of children weekly with 11 children attending. This number may vary slightly but we are prepared for an increase or decrease in our attendance. The weekly leaders Heather Sergeant and Kerry Sutton are also helped by a young teen in the church who faithfully attends every week and helps in many different ways. The programme theme each week is the same for all children but we have activities which are specific for both KS1 and KS2 to enhance and support the lessons. We have been working through the themes, “Jesus is our hero” and more recently “The life of Jesus” in accordance to the Gospel of Matthew.

Tuesday

Craic 'n' Coffee, our coffee drop in, continues to provide a warm and comfortable location for anyone to rest and have fellowship with friend and strangers alike. It available each Tuesday from 10.00am to 11.30am except in July and August The Senior Members Fellowship also resumed and now meets once a month on a Tuesday afternoon.

Wednesday

Redcar Crafts did start albeit in a reduced format in late November 2021 and has since moved from Wednesday evening to Wednesday morning.

Thursday

Coffee with Jesus

Coffee with Jesus is exactly what it claims to be, a time of studying God's word, prayer, alongside coffee and cake.

Women from the congregation meet at 9.30-10.30am in the Youth Room (two Thursdays a month) where we have a coffee and catch up and discuss the chapters of the book which we have read in advance.

We have recently completed Cathy Madavan's Digging for Diamonds. This book challenged us to discover more of the life-transforming treasures of our identity, strength, character and purpose that God has already placed within us.

Each time we meet we end with a time of prayer; praying for one another, the church, the world and anything/anyone else the Lord puts on our hearts.

This group has really been an encouragement to the women involved and their commitment to it has proven how important they think it is as part of their faith journey.

If you would be interested in coming along or would like some further information about the books we study, please speak to Paula McKeown

Transformers

We continue to meet in the church halls Thursday evenings. We have 16 children on our roll and most attend each week. As usual our night follows a routine of circle time where the children share what they have done from the previous Thursday. We then share a Bible story and either a quiz or craft. Games are always a favourite especially football and relay races. We end the night with juice and biscuits.

We have 4 faithful leaders each week and 2 helpers, without their help Transformers wouldn't function.

We pray with the children before the parents come back to collect them. No matter what we do each week God is with us, His love is so important to us.

Friday

McQuiston Toddlers

Following a great first year at toddlers, we look forward to seeing how God continues to bless us as we head into the next school year.

Over the past 12 months we have welcomed several new families through the doors of our church to join us each Friday morning for play time, music and snacks.

Many of the families returned week after week, which has been incredibly encouraging for the leaders. We are so grateful to God for the relationships that have been formed, and continue to pray for opportunities to reach out to those in our local community as we prepare for the year ahead.

Toddlers meet on Friday, of each week from 10.00-11.30. All toddlers of pre-school age and their parents, grandparents or carers are very welcome.

Boys Brigade

In 2022 the 19th Company Boys' Brigade, as we emerged from Covid restrictions, continued to operate as we had at the start of our last session in October 2021. We resumed the face-to-face activities at the church on a weekly basis, with restrictions such as social distancing, hand washing/sanitising, opening windows for ventilation are still in place. The programme has now been based on resources produced by Boys Brigade HQ, including themed programmes of physical, mental and spiritual activities. The themed programmes have been a great success, with the Anchors Boys enjoying dinosaur nights, Junior section enjoying World War 2, and Seniors enjoying a James Bond theme.

The boys continue to work for their badges and awards and prepare for our parents night in May which is great fun for both the boys and parents, who get involved in many of the games.

The highest award in the BB is the Queen's Badge is currently being worked toward by the 3 senior boys - Michael Greenwood, Aaron Greenwood and Ross Elliott.

It has been great to have the boys back to face-to-face activities in the church, watching them grow in their faith, and seeing them enjoying themselves with their friends.

We have a great team of dedicated leaders, and we are very grateful for all the work and passion they put into advancing Christ's Kingdom among boys.

Boys Brigade (con'd)

We would also be extremely grateful of new potential leaders who could prayerfully consider joining our team in our mission to advance Christ's Kingdom among boys in the local neighbourhood. Thanks for all your help, support and prayer for our BB in McQuiston; it means so much to all the boys and their leaders.

Miscellaneous

As in previous years around Christmas a number of Elders and Mr. McCandless prepared and packaged gifts for our senior members. These were delivered to their homes and were well received.

Gifts of shortbread biscuits were delved to the businesses in the local area.

Our Christmas Carols service at twilight was performed on Sunday evening 19 December with a large congregation. This service was also broadcast live on-line. Some light refreshments were served at its conclusion.

Volunteers

The Trustees wish to acknowledge their deep appreciation of those who give freely of their time by serving on committees and helping with organisations and other church activities.

PUBLIC BENEFIT STATEMENT

The Presbyterian Church in Ireland meets the public benefit requirement by providing benefit to its members and the general public by making known the Christian Gospel of the Lord Jesus Christ through the advancement of religion.

The direct benefits which flow from the purposes of the Church include the gaining of an understanding in Christian beliefs as set out in the Bible and in the Church's subordinate standards (the Westminster Confession of Faith and the Shorter and Larger Catechisms) leading to spiritual and moral development and opportunities for response to Bible teaching. In turn, this framework leads to practical expressions of Christian beliefs and standards in the local community such as through the care of those in need (including the sick, disabled and bereaved).

Generally the above benefits are delivered locally by congregations and their members, or are facilitated through presbyteries or are organised and delivered centrally. Local delivery is facilitated by central resources in almost all cases. Public access is made known through the use of noticeboards, printed material, press advertisement, websites, and social media or in other ways.

The benefits are demonstrated through regular evaluation of the services and informal and ad-hoc feedback from members, their families, and members of the public.

The purpose does not lead to harm. The only private benefit flowing from our purpose is related to Ministers, Missionaries, Deaconesses, Irish Mission workers and Lay Agents who receive benefits as a result of their holding office or employment. However, this is incidental and necessary in order to further our charitable purpose. There are no other private benefits. The beneficiaries of this purpose are members, their families, other individuals that the Presbyterian Church in Ireland is in direct and indirect contact with, the community in which pastoral services are provided and other communities throughout Northern Ireland, the Republic of Ireland, and worldwide which benefit from our engagement with and support for both Christian and other secular organisations, charities and individual members of the public.

The Kirk Session has had regard to the Charity Commissions Public benefit requirement statutory guidance.

RISK REVIEW

A review of major risks has been undertaken by the Trustees and systems and procedures implemented to manage identified risks. The principal risks are in relation to the likelihood of reputational damage and financial risks associated with the expectation of ongoing financial support from members. These risks are mitigated by the Trustees, and the Congregational Committee, regularly monitoring the various activities of the congregation at stated meetings and by encouraging members in their regular giving.
