The Trustees of the Thomas Devlin Fund are pleased to present the annual report for the year ended 31 March 2023.

### **Achievements and Performance**

In this document we are reporting on activities including grants awarded in the 2022/2023 round for the Thomas Devlin Fund Individual Bursaries.

### **Summary**

In 2022-2023 the Fund was in its sixteenth year of operation, offering awards of up to £1750 to young people between the ages of 15 and 19 in order to pursue a career or study in fine and creative art including moving images.

### **Grant Analysis and Applications Supported**

In January 2022 and following a discussion with CFNI the Trustees agreed to re-open the Fund for applications for individual bursaries. The Fund had been closed for two years during the COVID-19 Pandemic. The application process was opened on 7 March 2022 and closed on 18 April 2022.

The Guidance notes had been reviewed and revised in discussion with CFNI. The Advisory Panel met on 9 May 2022 to review applications and allocate the bursaries.

A total of 11 applications were received and 5 were approved. The amount awarded in this round was £6325 and the average award was £1265.

Following the closure of the Fund for two years the Advisory Panel were pleased with the number and quality of the applications.

Feedback has been received from both the individual bursary winners. The individual award winners have sent feedback on their use of the bursaries to the Trustees via responses through CFNI together with information as to how the bursary has benefitted them as individuals.

Examples of bursaries awarded include:

- Support for study of French Horn at Royal Conservatoire in Scotland
- Support for study at Urdang Dance Academy in London
- Support for attendance to a printmaking course in Chichester

A further meeting of the Trustees and CFNI was held on 8<sup>th</sup> February 2023 to discuss the application process for 2023. It was agreed that the Fund would open for applications on 6 March 2023 and close on 5 April 2023 with a date of 17 May 2023 set for a meeting of the Advisory Panel to consider applications. The outcome of this process will be reported in the Annual Report ending on 31 March 2024
