Trustees Report for Financial Year 1st January 2021 - 31st December 2021

Main Activities/Achievements

In this financial year, phase two of our restoration has been completed consisting of removal of asbestos slates and replacing with Spanish natural slates, also replacing any other roofing material as seen necessary. Work on phase three is currently underway.

Due to the easing of covid restrictions we have been able to recommence fundraising with a variety of events held mostly outside with safety in mind. This included a Vintage Rally, Tartan Festival, Christmas Wreath Making Demonstration and the unveiling of the Rose Window which was completed as part of phase one of the building work. Our Rector Rev. Peter Ferguson also ran a marathon around the local roads in which his parishioners reside.

Total raised from fundraising was £14,783.85.

Total Grants received during 2021 was £5,500 from National Churches Trust.

Our parishioners continue to use their monthly envelopes to support this project.
