The Trustees present the annual report and statements of Receipts and Payments and Assets and Liabilities for the Church for the year ended 31 December 2024

Objectives and Activities

The charitable purpose of the Church of Ireland is the advancement of religion.

The principal function of the Parish of Innisrush is to support the advancement of the Christian religion by promoting through their work the whole mission of the Church, pastoral, evangelical, social and ecumenical. Being open to engaging with society as a whole and offering support for those needing help are fundamental to the practical delivery of the benefits of Christianity.

As a result of activity in the pursuit of the advancement of the Christian religion, the Parish of Innisrush has custody of property and of records, materials and artefacts of significance to the cultural and religious heritage and maintenance of which is undertaken by the Select Vestry of the Parish of Innisrush.

Achievements, Performance & Public Benefit

The Parish holds public worship at services each week throughout the year – Holy Communion, Morning and Evening Prayer, Baptisms, Marriages and Funerals.

The purpose of our charitable fund raising is not only for our own costs, for example, building maintenance, but also for a variety of needs (see donations in Financial Report). This is a tangible demonstration of our mission and outreach.

Our Parish Hall is used regularly for the promotion of Church ethos – Café Church, Daffodil Tea and Coffee Evening, Beetle Drive, Irish Stew and Entertainment, Auction, all events are open to parishioners and non-parishioners as well as the wider community.

At all times we keep in mind our Safe Guarding Trust policy, Health and Safety requirements and catering regulations.

The Parish has given careful consideration to the Charity Commission for Northern Ireland's guidance on public benefit to ensure that the activities entered into during the year have helped to achieve the Parish's objectives and activities, as well as providing public benefit.

Financial Review

The results for the year are set out in the Financial Report, which the Trustees consider to be satisfactory.

The reserves of the Parish are held for the advancement of its charitable purpose.

Going Concern

The Trustees have reviewed the budgets for the year ahead and are satisfied that there are adequate funds in place to ensure that the Parish can continue its activity and the financial statements for the year ended 31 December 2024 can be signed off as a going concern.

1. Accounting policies

Set out below are the principal accounting policies which have been adopted in the compilation of the Receipts and Payments Account and the Statement of Assets and Liabilities

(a) Receipts and Payments Account

All items of income and expenditure included within the Receipts and Payments Account have been accounted for on a cash receipts basis.

(b) Statement of Assets and Liabilities

The congregation has reviewed the basis on which it has prepared its accounts and in order that these are prepared on a strict receipts and payments basis it has eliminated from its fund balances any funds which are not held in bank or cash balances. Any other funds, which the congregation holds, in particular investments, are disclosed on the Statement of Assets & Liabilities.

(i) Assets retained for the Parish's own use

The assets of the Parish, retained for its own use comprise:-

- Church Buildings and Graveyard
- Parish Hall
- Car Park
- Glebe land
- Disabled Toilet Block

The Church Building and Graveyard are deemed to be Heritage assets as defined by the Charities SORP (FRS102). These Heritage assets are not included in the statement of assets and liabilities as information on the cost or valuation is not available and such information cannot be obtained at a cost commensurate with the benefit to the users of the accounts and to the parish.

The Parish Hall is not included in the statement of assets and liabilities as information on the cost or valuation is not available and such information cannot be obtained at a cost commensurate with the benefit to the users of the accounts and to the parish.

The Glebe land has been recognised at a value which the select Vestry deem to represent the estimate fair value of the property at 1 January 2017.

The value of the car park has been recognised at cost.

The value of the disabled toilet block has been recognised at cost.

Trustees' Annual Report for the year ended 31 December 2023

The Trustees present the annual report and statements of Receipts and Payments and Assets and Liabilities for the Church for the year ended 31 December 2023

Objectives and Activities

The charitable purpose of the Church of Ireland is the advancement of religion.

The principal function of the Parish of Innisrush is to support the advancement of the Christian religion by promoting through their work the whole mission of the Church, pastoral, evangelical, social and ecumenical. Being open to engaging with society as a whole and offering support for those needing help are fundamental to the practical delivery of the benefits of Christianity.

As a result of activity in the pursuit of the advancement of the Christian religion, the Parish of Innisrush has custody of property and of records, materials and artefacts of significance to the cultural and religious heritage and maintenance of which is undertaken by the Select Vestry of the Parish of Innisrush.

Achievements, Performance & Public Benefit

The Parish holds public worship at services each week throughout the year – Holy Communion, Morning and Evening Prayer, Baptisms, Marriages and Funerals.

The purpose of our charitable fund raising is not only for our own costs, for example, building maintenance, but also for a variety of needs (see donations in Financial Report). This is a tangible demonstration of our mission and outreach.

Our Parish Hall is used regularly for the promotion of Church ethos – Beetle Drive, Daffodil Tea, Irish Stew and Entertainment, Christmas Dinner, Auction, all events are open to parishioners and non-parishioners as well as the wider community.

At all times we keep in mind our Safe Guarding Trust policy, Health and Safety requirements and catering regulations.

The Parish has given careful consideration to the Charity Commission for Northern Ireland's guidance on public benefit to ensure that the activities entered into during the year have helped to achieve the Parish's objectives and activities, as well as providing public benefit.

Financial Review

The results for the year are set out in the Financial Report, which the Trustees consider to be satisfactory.

The reserves of the Parish are held for the advancement of its charitable purpose.

Going Concern

The Trustees have reviewed the budgets for the year ahead and are satisfied that there are adequate funds in place to ensure that the Parish can continue its activity and the financial statements for the year ended 31 December 2023 can be signed off as a going concern.

Structure, Governance and Management

Governing Document and Constitution of the Charity

Chapter III of the Constitution of the Church of Ireland governs Parishes and Parochial Organisation. The Select Vestry members are the Charity Trustees.

Recruitment and Appointment of the Select Vestry (Trustees)

All members of the Church of Ireland who are over the age of 18 who are resident within the parish or live elsewhere but have been accustomed members of the congregation and may register as members of the general vestry of the parish, allowing them to attend and vote at meetings of the general vestry and stand for election to the Select Vestry. Meetings of the general vestry are held at least once a year. The Select Vestry is elected as part of this General Vestry meeting. The Select Vestry will hold their positions for a period of one year. Select Vestry members may be re-elected annually and there is no limit on the number of terms which may be served.

Organisational Structure

The Select Vestry takes responsibility for the managing of certain activities and decision making within the parish. The Select Vestry consists of the member of the clergy serving in the parish, any curate assistant ("the curate"), the churchwardens, the glebe wardens and generally not more than twelve other members of the general vestry elected at the General Vestry Meeting.

The Select Vestry is chaired by the incumbent or other member of the clergy officiating in the parish. Select Vestry members are responsible for making decisions on matters of general concern and importance to the parish including deciding how parish funds are to be applied.

The Select Vestry meets at times fixed by the members or by the diocesan synod. Special meetings may be convened at any time by the chairperson or the churchwardens.

Compliance with Public Benefit

The Parish has given careful consideration to the Charity Commission for Northern Ireland's guidance on public benefit to ensure that the activities entered into during the year have helped to achieve the Parish's objectives and activities, as well as providing public benefit.

Statement of Trustees' Responsibilities

The Trustees are responsible for preparing the Trustees' Report and the statement of receipts and payments and statement of assets and liabilities in accordance with applicable law and regulations.

The law applicable to charities in Northern Ireland with income of less than £250,000 requires the Trustees to prepare a statement of receipts and payments and a statement of assets and liabilities for each financial year.

Notes to the financial statements for the year ended 31 December 2023

1. Accounting policies

Set out below are the principal accounting policies which have been adopted in the compilation of the Receipts and Payments Account and the Statement of Assets and Liabilities

(a) Receipts and Payments Account

All items of income and expenditure included within the Receipts and Payments Account have been accounted for on a cash receipts basis.

(b) Statement of Assets and Liabilities

The congregation has reviewed the basis on which it has prepared its accounts and in order that these are prepared on a strict receipts and payments basis it has eliminated from its fund balances any funds which are not held in bank or cash balances. Any other funds, which the congregation holds, in particular investments, are disclosed on the Statement of Assets & Liabilities.

(i) Assets retained for the Parish's own use

The assets of the Parish, retained for its own use comprise:-

- Church Buildings and Graveyard
- Parish Hall
- Car Park
- Glebe land

The Church Building and Graveyard are deemed to be Heritage assets as defined by the Charities SORP (FRS102). These Heritage assets are not included in the statement of assets and liabilities as information on the cost or valuation is not available and such information cannot be obtained at a cost commensurate with the benefit to the users of the accounts and to the parish.

The Parish Hall is not included in the statement of assets and liabilities as information on the cost or valuation is not available and such information cannot be obtained at a cost commensurate with the benefit to the users of the accounts and to the parish.

The Glebe land has been recognised at a value which the select Vestry deem to represent the estimate fair value of the property at 1 January 2017.

The value of the car park has been recognised at cost.

ii) Investments

Fixed asset investments comprising investment properties, investments in equities (ordinary shares) and investment in RCB/CIT Unit Trusts are initially recorded at cost and are then subsequently stated at fair value at each year end date. Investments in unquoted investments are recorded at cost and are assessed annually for impairment.

At all times we keep in mind our Safe Guarding Trust policy, Health and Safety requirements and catering regulations.

The Parish has given careful consideration to the Charity Commission for Northern Ireland's guidance on public benefit to ensure that the activities entered into during the year have helped to achieve the Parish's objectives and activities, as well as providing public benefit.

Objectives and Activities

The charitable purpose of the Church of Ireland is the advancement of religion.

The principal function of the Parish of Innisrush is to support the advancement of the Christian religion by promoting through their work the whole mission of the Church, pastoral, evangelical, social and ecumenical. Being open to engaging with society as a whole and offering support for those needing help are fundamental to the practical delivery of the benefits of Christianity.

As a result of activity in the pursuit of the advancement of the Christian religion, the Parish of Innisrush has custody of property and of records, materials and artefacts of significance to the cultural and religious heritage and maintenance of which is undertaken by the Select Vestry of the Parish of Innisrush.

Achievements, Performance & Public Benefit

The Parish holds public worship at services each week throughout the year – Holy Communion, Morning and Evening Prayer, Baptisms, Marriages and Funerals.

The purpose of our charitable fund raising is not only for our own costs, for example, building maintenance, but also for a variety of needs (see donations in Financial Report). This is a tangible demonstration of our mission and outreach.

Our Parish Hall is used regularly for the promotion of Church ethos – Beetle Drive, Daffodil Tea, Irish Stew and Entertainment, Christmas Dinner, Auction, Table Top Sale, all events are open to parishioners and non-parishioners as well as the wider community.

At all times we keep in mind our Safe Guarding Trust policy, Health and Safety requirements and catering regulations.

The Parish has given careful consideration to the Charity Commission for Northern Ireland's guidance on public benefit to ensure that the activities entered into during the year have helped to achieve the Parish's objectives and activities, as well as providing public benefit.
