North West Methodist Mission

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Directors' Report) *(continued)*

Year ended 31 December 2024

Structure, governance and management

North West Methodist Mission is part of the Methodist Church in Ireland and is a charitable company limited by guarantee, incorporated on 1st October 2012, accepted as a charity by HM Revenue & Customs under reference XT39218 and registered with the Charity Commission for Northern Ireland on 8th February 2017 under charity number NIC104734.

The company was established under a Memorandum of Association which states the objects and powers of the charitable company and is governed under its Articles of Association. In the event of the company being wound up, members are required to contribute an amount not exceeding £1.

North West Methodist Mission is a provider of Supporting People services, as accredited by the Northern Ireland Housing Executive.

Governance

During the year the Mission Board met quarterly. The Board membership as a whole is noted annually at the Methodist Conference in Ireland. The Board continues to monitor its membership. A skills audit of the Board membership has taken place and is reviewed on a regular basis. A Register of Interests for Board Members is also maintained. Declaration of interests is a standing item on all of the agendas for Board meetings. The Board has devised a Conflicts of Interests Policy as well as financial policies and procedures.

The Board provides training to Trustees in various areas to ensure good governance. Board members must always act in the best interests of NWMM and as such are covered by qualifying for third party indemnity provision, which has been in place throughout the past year and will remain in place.

Good Governance training, delivered by NICVA, was undertaken during the year by Board Members and the Senior Management team. Following the training two new subcommittees have been established, a Finance and General Purposes Committee and a Human Resource and Terms of Service Committee. These replace the Office Bearers group and will serve to enhance the good governance practice already established and support the work of the Board.

The Board commissioned an independent Salary and Benefits Benchmarking report undertaken by Consult HR. It is pleasing to be able to report the exercise confirmed the Mission compares extremely favourably within our sector in relation to both rates of pay and terms & conditions, with rates in some cases the highest or close to the highest paid. Terms & conditions included looking at benefits such as annual leave, occupational sick pay, pension, confidential counselling service and health benefits. Again it is pleasing to report the Mission compared well here also. We recently enhanced health benefits on renewal of our insurance cover and all staff now benefit from the enhanced AIG Smarthealth cover providing round the clock support to them and their family.

Policies are reviewed and updated on a circulatory basis and also in response to legislative changes, while new policies and procedures are devised as required. In line with new requirements the Board will review its Safeguarding of Vulnerable Adults and Children Policy on an annual basis.

North West Methodist Mission

Company Limited by Guarantee

Year ended 31 December 2024

Structure, governance and management *(continued)*

Primary Purposes

Mission

The purpose of NWMM is to demonstrate faith in action by responding effectively to the needs of people in the North West and enable them to achieve their potential

Vision

The vision of NWMM is of a society enriched by a commitment to promote social justice in all aspects of life

Values

Social justice

A commitment to the principles of equality, solidarity and human rights that recognises the dignity of every human being

Empowerment

Supporting the development of individuals and communities to take more responsibility for, and control of, their own lives

Compassion

Living our faith in action through selfless concern for others

Inclusion & Diversity

A commitment to a welcoming hospitality that treats everyone with dignity and respect, celebrates diversity, and enables the marginalized to feel they belong

Responsiveness

Respond effectively to the changing needs and aspirations of the local community

Integrity

Being open and transparent in all our activities - doing what we say and saying what we mean

Risk management

During 2024 the Mission Board and Senior Management considered the major risks that the charity faces through its strategic planning process. This enables compliance with relevant regulations and legislation. The Mission Board has devised a Risk Register, and this is reviewed at each of our meetings. During the year risk assessments for each occupational area were reviewed and updated as appropriate by the Senior Management team.

A Fixed Assets list has been completed.

In respect of financial risk, the Board receives regular financial reports with systems and controls in place to mitigate significant financial risks. Finance policies are reviewed and updated. During these uncertain economic conditions, we continue to review our business risks. The current external environment continues to have a significant impact due to inflation and cost of living crisis.

We continue to maintain positive relations with our clients, funders and stakeholders.

Objectives and activities

Primary Objectives

North West Methodist Mission has within its Strategic Plan 2022 - 2027 eight core objectives:

Homelessness

To respond effectively to homelessness in the North-West.

Community

To respond effectively to the needs of the local community in the North-West.

Collaboration

To ensure that NWMM collaborates effectively with other churches and organisations in achieving its mission.

Communications

To ensure effective communication with NWMM internal and external stakeholders

Finance

To ensure that NWMM has the financial resources it requires to achieve its plans and these resources are effectively and efficiently managed.

Human Resources

To ensure that NWMM has the staff and volunteers that it needs to achieve its plans and these volunteers and staff are effectively utilised, valued, supported and managed.

Premises and Physical Resources

To ensure that NWMM has the premises and other physical resources it requires to achieve its aims and priorities efficiently and effectively and these resources are well managed and maintained.

Governance

To ensure that the governance and structure of NWMM are fit for purpose and comply with the requirements of the law and best practice.

Public Benefit

The Trustees have considered relevant charity legislation, which sets out the requirements for charities to demonstrate their aims and activities are for public benefit. The Trustees confirm that they have had regard to the Charity Commission for Northern Ireland guidance on public benefit.

Homeless

The direct benefit flowing from our purposes include reduced numbers of men, women and children experiencing homelessness. The support of clients in our service to overcome the causes that lead to them becoming homeless in the first place, enabling them to integrate back into the community and sustain tenancies. This reduces the pressure on other statutory services as a result of harm reduction interventions whilst in our service. The wider community benefits due to a reduction in rough sleeping and anti social behaviour. Society benefits as clients acquire skills and become able to live independently and seek training and/or employment.

On the basis of an established track record of providing highly regarded and quality based services, continued accreditation by the NI Housing Executive, and financial reserves, the Trustees are satisfied that there are adequate resources available to continue operating for the foreseeable future.

Achievements and performance

Current need

The Department for Communities released the latest edition of its Housing Bulletin for September to December 2024. The statistics record yet another rise in the number of households on the social housing waiting list with homelessness status. In December 2024, there were 48,325 households on the social housing waiting list with 30,982 of those households having homelessness status.

Over the last decade, the number of households on the social housing waiting list has increased by 23% from 39,338 in March 2015 to 48,325 in December 2024. Over the same period, the number of households with homelessness status has grown from 13,644 households to 30,982. This is an increase of 127% over the last decade. In each of the last ten years, the number of households with homelessness status on the list has steadily increased year on year.

Belfast City Council has the highest number of households with homelessness status at 9,661. Over the last decade, the number of households in Belfast with homelessness status has more than doubled from 4,557 households in March 2015. This is followed by Derry and Strabane Council area with 4,344 households having homelessness status (up by 117% over the last decade) and then Newry, Mourne and Down with 2,780 households (up 110% over the last decade). Seven of Northern Ireland's eleven councils recorded an increase in the number of households with homelessness status compared to the figures recorded on September 30.

Performance

The delivery of services is against a backdrop of increasing demand.

Trustees' Annual Report (Incorporating the Directors' Report) *(continued)*

Year ended 31 December 2024

Achievements and performance *(continued)*

Achievements

NWMM has undertaken a review of investments and designated funds for the development of move on accommodation during the year.

Following the agreement reached with Clooney Hall Church and the Methodist Church in Ireland for the purchase of a property for the project No.34 Clooney Terrace was acquired. Since acquisition the ground floor of the building is being used as a family contact centre operated by the WHSCT. Discussions are ongoing involving a number of stakeholders on the future development and renovation of the property

Policy reviews have been completed with a range of policies having been reviewed and updated during the year.

Activities continue to be delivered and developed to enhance the support provided to our clients, these include:

- Afternoon tea's, themed meal nights & quizzes
- Daytrips
- MENTALK Programme aimed at addressing loneliness and social isolation.
- Cooking nutritious meals on a budget
- Marking key days and events such as International Women's Day, Mental Health Awareness Day, Volunteers Week, Healthy Eating Week and Homeless Awareness Week

We continue to fundraise and develop our social media profile and presence with several key events delivered during the year:

- The Mission was instrumental in hosting a number of events with key partners in Derry-Londonderry to mark White Ribbon Day, the annual date on which campaigners seek to raise awareness about male violence against women and girls. Since 2020, more than 20 women have died in Northern Ireland as a result of gender-based violence.
- On Sunday 24th November 2024, a Twilight Service of Remembrance was held in Clooney Hall Methodist Church. This was an ecumenical service of prayer and remembrance of the women who have died as a result of gender-based violence. Also on Sunday 24th November, the Mayor of Derry City and Strabane District, Councillor Lilian Seenoi-Barr, hosted a civic reception for agencies working to support women and girls who have experienced violence and abuse, including White Ribbon NI. The event concluded with the directors and staff of NWMM, and its partners signing the White Ribbon Charter.
- On Tuesday 26th and Wednesday 27th November - with the mayor's support - North West Methodist Mission hosted the 'Breaking Through to Freedom' exhibition in the Guildhall. 'Breaking Through to Freedom' depicts the artist and poet Talia Sena's individual creative journey through her own experience of domestic abuse.

North West Methodist Mission

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Directors' Report) *(continued)*

Year ended 31 December 2024

Achievements and performance *(continued)*

- Rev. Dr Stephen Skuce, speaking on behalf of the city's church leaders prior to the White Ribbon events, said: "As Christians, we know that there are no circumstances where violence against women or girls is acceptable. We are committed to helping to create a society where all women and girls can live without fear."
- The Director of North West Methodist Mission, Liam Milligan, said at the time: "As a provider of temporary accommodation services and support to women and children fleeing domestic abuse and finding themselves homeless, the Mission is determined to shine a light on the subject and encourage conversation about how we can all help eradicate it from society. We hope the planned events create greater public awareness of the epidemic of violence, abuse, and harm against women and girls, and encourage society to work together to help end it."
- The Tour de Foyle, our annual cycling fundraiser was back bigger and better with a family fun run added. A huge thank you to all who took part and to volunteers, marshalls, the Rapid Relief Team and the Executive Office without whose support we could not run the event
- We held a breakfast event during Homelessness Awareness Week which included very moving testimonies from past and present Service Users of their experience of homelessness and the valuable support provided by the Mission

We continue our Partnership with the United Methodist Church Global Ministries welcoming a second Global Mission Fellow to the Mission and the City to assist with social media, communications, and our Homelessness Awareness Outreach Programme. We are grateful Tino for his vocation and presence in our Mission.

We hosted a meeting of the Committee for Communities in our Clooney Centre and highlighted our concerns on the upward trend in homelessness figures and the impact the recent budget will have particularly in relation to increase in ENIC and the increase to the NMW

What our clients say about us.

Clarendon Shelter Women & Children

"Thank you for all your help and support. It is very much appreciated"

"Thank you to all the girls from Ashmore house for being so kind and helpful. lots of love"

"Thanks for all you do and special thanks for your support"

" To the Ashmore team. God bless you for your support and kindness. Keep up the good work. I will keep you in my prayers"

" As a mum I am eternally grateful to your staff for helping my daughter get better"

"Thank you, Ashmore family.

*Let this plaque remind you that you are all so special through and through
and thought about so warmly and very often too.*

*You are all so helpful and supportive in a way that warms the heart,
whatever happens you are there to play your thoughtful part.*

*Thank you for your kindness, which can never be repaid,
and for your understanding and the difference it made.*

We would be lost without you.

Love a mother and 2 sons"

Men's Hostel.

"staff are friendly"

"was very worried about coming into a hostel for the first time. This is not what I expected."

"Staff are always there to talk to"

"I feel safe here"

"Staff helped me get an appointment with my GP to get my medication sorted"

North West Methodist Mission

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Directors' Report) *(continued)*

Year ended 31 December 2024

Financial review

Review of activities 2024

The Statement of Financial Activities for the year ended 31 December 2024 is set out on page 16 of the Financial Statements. The company returned a surplus for the year of £106,186 after other recognised gains and losses. Income generated from the company's activities was £1,702,380 (2023 - £1,636,999) of which 63% was grants from the NI Housing Executive and the Western Health Social Care Trust.

Support services are regulated and funded by the Supporting People policy and funding framework, which is administered by the Northern Ireland Housing Executive. The Mission Board share collective responsibility and are committed to good stewardship of funds received, a high standard of service provision and a prudent reserves policy. The aims and objectives for 2024 included continuing enhancement of quality services, greater participation of residents, the strengthening of resettlement services, actively supporting residents to "move- on" and to sustain more independent tenancies.

The Mission Board is pleased to report that significant progress has been made to meet the aims and objectives during 2024. A budget income and expenditure account including the above objectives is prepared at the start of each financial year and the 2024 objectives were met. A decision was taken by the Trustees to separate the finances of Clooney Hall Church from NWMM in order to streamline reporting and reduce the burden on church volunteers. The accounts for 2024 reflect this change.

The NWMM Board considers it prudent to hold funds in reserve in case unforeseen circumstances should lead to financial difficulties, which might put the future of its employment capacity, residents' well-being, general mission work and property in jeopardy. Reserves may be defined as restricted or unrestricted. Restricted reserves relate to surpluses accumulated as a result of a binding restriction by the donor over the use of the income donated. Unrestricted reserves relate to surpluses accumulated from all other sources of income and will be applied to general purposes within the company at the discretion of the Board. Designated reserves refer to that portion of unrestricted reserves which the Board has allocated for a specific purpose.

The Board considers 100% of unrestricted annual operating costs to be adequate reserves. Accumulated reserves as at 31 December 2024 were £1,478,892, (2023 - £1,427,552) of which £799,884 were designated funds and £96,880 (2023 - £42,034) were restricted funds.

Plans for future periods

- Continue to provide high quality temporary accommodation and support to homeless men including harm reduction support through our Men's Hostel.
- Continue to provide refuge and temporary accommodation to women fleeing domestic abuse, homeless single women and children via our Clarendon Shelter services.
- Continue to work in partnership and build sustainability.
- Explore and research longer-term accommodation solutions for our service users.
- Continue to provide other services such as the Drop-in Centre and the Parent & Toddler Group.
- Further develop Clooney Centre as a community resource
- Further develop and communicate the work of the Five Missions Forum
- Continue to develop and deliver our homelessness education and awareness programme to schools and community organisations within the region
- Continue to invest in the skills and development of our Trustees, staff and volunteers through appropriate training and development opportunities both on and off the job
- Continue to ensure quality standards are understood and met across the organisation
- Ensure our core values and clients are at the centre of all we do

North West Methodist Mission

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Directors' Report) *(continued)*

Year ended 31 December 2024

Trustees' responsibilities statement

The trustees, who are also directors for the purposes of company law, are responsible for preparing the trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charitable company and the incoming resources and application of resources, including the income and expenditure, for that period.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the applicable Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Auditor

Each of the persons who is a trustee at the date of approval of this report confirms that:

- so far as they are aware, there is no relevant audit information of which the charity's auditor is unaware; and
- they have taken all steps that they ought to have taken as a trustee to make themselves aware of any relevant audit information and to establish that the charity's auditor is aware of that information.

The auditor is deemed to have been re-appointed in accordance with section 487 of the Companies Act 2006.

Small company provisions

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption.

North West Methodist Mission

Company Limited by Guarantee

Independent Auditor's Report to the Members of North West Methodist Mission

Year ended 31 December 2024

Opinion

We have audited the financial statements of North West Methodist Mission (the 'charity') for the year ended 31 December 2024 which comprise the statement of financial activities (including income and expenditure account), statement of financial position, statement of cash flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 December 2024 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and the provisions available for small entities, in the circumstances set out in note 28 to the financial statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

North West Methodist Mission

Company Limited by Guarantee

Independent Auditor's Report to the Members of North West Methodist Mission (continued)

Year ended 31 December 2024

Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the trustees' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the trustees' report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charity and its environment obtained in the course of the audit, we have not identified material misstatements in the trustees' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the trustees were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemptions in preparing the directors' report and from the requirement to prepare a strategic report.

North West Methodist Mission

Company Limited by Guarantee

Independent Auditor's Report to the Members of North West Methodist Mission (continued)

Year ended 31 December 2024

Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement, the trustees (who are also the directors for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

As part of an audit in accordance with ISAs (UK), we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.

North West Methodist Mission

Company Limited by Guarantee

Independent Auditor's Report to the Members of North West Methodist Mission (continued)

Year ended 31 December 2024

Conclude on the appropriateness of the trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the charity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the charity to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Use of our report

This report is made solely to the charity's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charity's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's members as a body, for our audit work, for this report, or for the opinions we have formed.

North West Methodist Mission

Company Limited by Guarantee

Notes to the Financial Statements

Year ended 31 December 2024

1. General information

The charity is a public benefit entity and a private company limited by guarantee, registered in Northern Ireland and a registered charity in Northern Ireland. The address of the registered office is 36 Clooney Terrace, Londonderry, BT47 6AR.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Companies Act 2006.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

North West Methodist Mission

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 31 December 2024

3. Accounting policies *(continued)*

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

North West Methodist Mission

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 31 December 2024

3. Accounting policies *(continued)*

Tangible assets *(continued)*

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other recognised gains and losses, unless it reverses a charge for impairment that has previously been recognised as expenditure within the statement of financial activities. A decrease in the carrying amount of an asset as a result of revaluation, is recognised in other recognised gains and losses, except to which it offsets any previous revaluation gain, in which case the loss is shown within other recognised gains and losses on the statement of financial activities.

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Buildings	-	2% straight line
Fixtures & fittings	-	20% straight line
Motor Vehicles	-	33% straight line
Equipment	-	33% straight line

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the charity are assigned to those units.

Financial instruments

A financial asset or a financial liability is recognised only when the charity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

North West Methodist Mission

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 31 December 2024

3. Accounting policies *(continued)*

Financial instruments *(continued)*

Where investments in shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in income and expenditure. All other such investments are subsequently measured at cost less impairment.

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value, with any changes recognised in the statement of financial activities, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

Defined contribution plans

Contributions to defined contribution plans are recognised as an expense in the period in which the related service is provided. Prepaid contributions are recognised as an asset to the extent that the prepayment will lead to a reduction in future payments or a cash refund.

When contributions are not expected to be settled wholly within 12 months of the end of the reporting date in which the employees render the related service, the liability is measured on a discounted present value basis. The unwinding of the discount is recognised as an expense in the period in which it arises.

4. Limited by guarantee

North West Methodist Mission is a company limited by guarantee and accordingly does not have a share capital.

Every member of the company undertakes to contribute such amount as may be required not exceeding £1 to the assets of the charitable company in the event of its being wound up while he or she is a member, or within one year after he or she ceases to be a member.

Notes to the Financial Statements *(continued)*

Year ended 31 December 2024

27. Related parties *(continued)*

As detailed above, during the year North West Methodist Mission made payments to and received amounts from the Londonderry, Inishowen, Limavady and Strabane Mission Circuit, an organisation which is also governed by the Methodist Church in Ireland and which has some officials who are also directors of North West Methodist Mission.

North West Methodist Mission is under the direction of the Methodist Church in Ireland. During the year the Methodist Church in Ireland continued to invest funds with Epworth Investment Management on behalf of the company. At the year end these funds were valued at £633,970 (2023: £606,968).

28. Ethical standards

In common with many other charities of our size and nature we use our auditors to assist with the preparation of the financial statements.

North West Methodist Mission

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 31 December 2023

Structure, governance and management

North West Methodist Mission is part of the Methodist Church in Ireland and is a charitable company limited by guarantee, incorporated on 1st October 2012, accepted as a charity by HM Revenue & Customs under reference XT39218 and registered with the Charity Commission for Northern Ireland on 8th February 2017 under charity number NIC104734.

The company was established under a Memorandum of Association which states the objects and powers of the charitable company and is governed under its Articles of Association. In the event of the company being wound up, members are required to contribute an amount not exceeding £1.

North West Methodist Mission is a provider of Supporting People services, as accredited by the Northern Ireland Housing Executive.

Governance

During the year the Mission Board met quarterly. The Board membership as a whole is noted annually at the Methodist Conference in Ireland. The Board continues to monitor its membership. A skills audit of the Board membership has taken place and is reviewed on a regular basis. A Register of Interests for Board Members is also maintained. Declaration of interests is a standing item on all of the agendas for Board meetings. The Board has devised a Conflicts of Interests Policy as well as financial policies and procedures.

The Board provides training to Trustees in various areas to ensure good governance. Board members must always act in the best interests of NWMM and as such are covered by qualifying for third party indemnity provision, which has been in place throughout the past year and will remain in place.

Policies are reviewed and updated on a circulatory basis and also in response to legislative changes, while new policies and procedures are devised as required. In line with new requirements the Board will review its Safeguarding of Vulnerable Adults and Children Policy on an annual basis. The Board has devolved some of its powers to the Executive Board, comprising the Office Bearers, which meets when necessary.

North West Methodist Mission

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 31 December 2023

Structure, governance and management *(continued)*

Primary Purposes

Mission

The purpose of NWMM is to demonstrate faith in action by responding effectively to the needs of people in the North West and enable them to achieve their potential

Vision

The vision of NWMM is of a society enriched by a commitment to promote social justice in all aspects of life

Values

Social justice

A commitment to the principles of equality, solidarity and human rights that recognises the dignity of every human being

Empowerment

Supporting the development of individuals and communities to take more responsibility for, and control of, their own lives

Compassion

Living our faith in action through selfless concern for others

Inclusion & Diversity

A commitment to a welcoming hospitality that treats everyone with dignity and respect, celebrates diversity, and enables the marginalized to feel they belong

Responsiveness

Respond effectively to the changing needs and aspirations of the local community

Integrity

Being open and transparent in all our activities - doing what we say and saying what we mean

Risk management

During 2023 the Mission Board and Senior Management considered the major risks that the charity faces through its strategic planning process. This enables compliance with relevant regulations and legislation. The Mission Board has devised a Risk Register, and this is reviewed at each of our meetings. During the year risk assessments for each occupational area were reviewed and updated as appropriate by the Senior Management team.

A Fixed Assets list has been completed.

In respect of financial risk, the Board receives regular financial reports with systems and controls in place to mitigate significant financial risks. Finance policies are reviewed and updated. During these uncertain economic conditions, we continue to review our business risks. The current external environment continues to have a significant impact due to inflation and cost of living crisis.

We continue to maintain positive relations with our clients, funders and stakeholders.

Objectives and activities

Primary Objectives

North West Methodist Mission has within its Strategic Plan 2020 - 2025 eight core objectives:

Homelessness

To respond effectively to homelessness in the North-West.

Community

To respond effectively to the needs of the local community in the North-West.

Collaboration

To ensure that NWMM collaborates effectively with other churches and organisations in achieving its mission.

Communications

To ensure effective communication with NWMM internal and external stakeholders

Finance

To ensure that NWMM has the financial resources it requires to achieve its plans and these resources are effectively and efficiently managed.

Human Resources

To ensure that NWMM has the staff and volunteers that it needs to achieve its plans and these volunteers and staff are effectively utilized, valued, supported and managed.

Premises and Physical Resources

To ensure that NWMM has the premises and other physical resources it requires to achieve its aims and priorities efficiently and effectively and these resources are well managed and maintained.

Governance

To ensure that the governance and structure of NWMM are fit for purpose and comply with the requirements of the law and best practice.

Public Benefit

The Trustees have considered relevant charity legislation, which sets out the requirements for charities to demonstrate their aims and activities are for public benefit. The Trustees confirm that they have had regard to the Charity Commission for Northern Ireland guidance on public benefit.

Homeless

The direct benefit flowing from our purposes include reduced numbers of men, women and children experiencing homelessness. The support of clients in our service to overcome the causes that lead to them becoming homeless in the first place, enabling them to integrate back into the community and sustain tenancies. This reduces the pressure on other statutory services as a result of harm reduction interventions whilst in our service. The wider community benefits due to a reduction in rough sleeping and anti social behaviour. Society benefits as clients acquire skills and become able to live independently and seek training and/or employment.

On the basis of an established track record of providing highly regarded and quality based services, continued accreditation by the NI Housing Executive, and financial reserves, the Trustees are satisfied that there are adequate resources available to continue operating for the foreseeable future.

North West Methodist Mission

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Directors' Report) *(continued)*

Year ended 31 December 2022

Strategic report

The following sections summarise the key achievements, performance and financial review of the charity.

Achievements and performance

Current need

The statistics in the DfC Bulletin paint a bleak picture for the state of homelessness in Northern Ireland as the number of households living in temporary accommodation continues to increase. Over the last five years, the number of households in temporary accommodation has more than doubled. In January 2024 over 4,500 households were living in temporary accommodation, an increase of over 600 since January 2023 and a rise of almost 121% since 2019.

Between July and December 2023, just under 8,200 households presented to the Housing Executive as homeless. This was an increase of 9% on the same period in 2022. Just over 5,300 households were accepted as homeless, a rise of over 9% when compared to the same period in 2022.

The Bulletin also reveals that in January 2024, the number of children living in temporary accommodation in Northern Ireland rose to over 4,800 - an increase of 6% since July 2023. Of these children, over 3,100 were aged nine and under. 482 of these children were aged under 1. In January 2019, just over 2,400 children were living in temporary accommodation. The number of children living in temporary accommodation has increased by 99% since then.

In addition to highlighting the continued increase in those seeking temporary accommodation, the DfC Bulletin provides a geographical breakdown of homelessness presentations. Between July and December 2023, Belfast City Council area recorded the highest number of presentations at a rate of 7 presentations per 1,000 people (2,425 people). This was followed by Derry and Strabane Council who had 6.4 presentations per 1,000 people (964 people) and then Antrim and Newtownabbey Council with 4.6 presentations per 1,000 people (678 people).

Performance

The delivery of services is against a backdrop of increasing demand.

Year ended 31 December 2022

Achievements and performance *(continued)*

Achievements

NWMM has undertaken a review of investments and designated funds for the development of move on accommodation during the year.

Agreement was also reached with Clooney Hall Church and the Methodist Church in Ireland for the purchase of a property for the project.

Policy reviews have been completed with the organisations HR and Operational Policies all having been reviewed and updated during the year.

A range of activities continue to be delivered and development to enhance the support provided to our clients, these include:

- Afternoon tea's, themed meal nights & quizzes
- Daytrips
- MENTALK Programme aimed at addressing loneliness and social isolation.
- Cooking nutritious meals on a budget
- Marking key days and events such as International Women's Day, Mental Health Awareness Day, Volunteers Week, Healthy Eating Week and Homeless Awareness Week

We continue to fundraise and develop our social media profile and presence with several key events delivered during the year:

- The Mission was instrumental in bringing Still Somebody - Voices for Change Photographic Exhibition to the city in May. The images are powerful, evocative and speak the truth about some of the circumstances and factors that force people into homelessness. The aim is to stress the scale and scope of the problem and show that it can happen to anyone. The event was held over four days in the Guildhall with Guest speakers including the Mayor Sandra Duffy, Nicole Lappin, Chair of the Housing Executive, Liam Milligan, Mission Director and Cormac McArt, Director of Westcourt Centre, Belfast and curator of the exhibition.

- Successful return of Tour de Foyle after two years with over 90 participants. A huge thank you to all who took part and to volunteers, Marshalls and all the Rapid Relief Team, the Executive Office without whose support we could not run the event.

- London Marathon - a huge thank you to Pauline Mullan from Limavady who ran the London marathon donating all the proceeds to support our Clarendon Shelter Service for Women and Children.

- We secured £25,000 from the Joseph Rank Trust to assist our clients through the cost of living crisis.

- We ran a marketing and awareness campaign during Homelessness Awareness Week which included high profile billboards across the city and a social media campaign featuring former residents video testimonials on their lived experience of homelessness and the support they received from the Mission.

North West Methodist Mission

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Directors' Report) *(continued)*

Year ended 31 December 2022

Achievements and performance *(continued)*

We continue our Partnership with the United Methodist Church Global Ministries welcoming a second Global Mission Fellow to the Mission and the City to assist with social media, communications, and our Homelessness Awareness Outreach Programme. We are grateful both to Camille and Tino for their vocation and presence in our Mission.

We attended a meeting with the Department for Communities and the Northern Ireland Housing Executive in October to discuss the budget and ongoing pressures for organisations in the sector as a result of the cost-of-living crisis and lack of an Assembly. We continue to lobby on key issues experienced by our sector and our clients.

We hosted a visit to the Mission by Mr. Colum Boyle, Permanent Secretary, Department for Communities at the beginning of November 2023. Colum met with both staff and residents and reflected on his visit saying:

"I was extremely impressed with your scheme and noted that it offers tenants a much-needed feeling of security along with a significant level of independence. I believe this is vital for all our supporting people tenants and your scheme demonstrates how well it addresses the core aim of the SP policy by really supporting people to live more independently in the community.

I was especially pleased to talk to John and Sean and meet the other men who live at Crawford Square. I could see how restful and lively an environment it is, not only in the lounge but also in the gym too! Your facilities and your staff really do go above and beyond to ensure vulnerable people in our society feel cared for and vital."

What our clients say about us.

Clarendon Shelter Women & Children

"I reached out for help, and I decided to come to Clarendon, and it was the best decision of my life". - Andrea

"Thank you for all you have done for me and the boys. From having my bad days to good days you were always there. I thank you from the bottom of my heart always". - Lauren

"Thank you to all the girls in Ashmore for being so kind and helpful". - Roisin

"Thank you so much for the presents. They really helped me out at Christmas". - Susan

"Thank you for your kindness that can never be repaid and your understanding and the difference it makes". - Kerry

"Thank you for all you do for us. Through every dark cloud you helped me see a brighter day". - Demi

Men's Hostel.

"You really felt loved within the Hostel. There wasn't a day passed where you really felt self-worth where I never had that." - Robert

"If it wasn't for the staff at the hostel I don't where I would be today". - Gerard

"The hostel gave me a chance to get my life back on track". - Enrico

"The staff at the hostel treated me with respect and never judged me, I will never forget what they have done for me". - Noel

"The Men's Hostel saved my life and gave me a chance to live independently again". - Keith

North West Methodist Mission

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Directors' Report) *(continued)*

Year ended 31 December 2022

Financial review

Review of activities 2023

The Statement of Financial Activities for the year ended 31 December 2023 is set out on page 15 of the Financial Statements. The company returned a surplus for the year of £72,275 after other recognised gains and losses. Income generated from the company's activities was £1,636,999 (2022 - £1,646,113) of which 67% was grants from the NI Housing Executive and the Western Health Social Care Trust.

Support services are regulated and funded by the Supporting People policy and funding framework, which is administered by the Northern Ireland Housing Executive. The Mission Board share collective responsibility and are committed to good stewardship of funds received, a high standard of service provision and a prudent reserves policy. The aims and objectives for 2023 included continuing enhancement of quality services, greater participation of residents, the strengthening of resettlement services, actively supporting residents to "move-on" and to sustain more independent tenancies.

The Mission Board is pleased to report that significant progress has been made to meet the aims and objectives during 2023. A budget income and expenditure account including the above objectives is prepared at the start of each financial year and the 2023 objectives were met. A decision was taken by the Trustees to separate the finances of Clooney Hall Church from NWMM in order to streamline reporting and reduce the burden on church volunteers. The accounts for 2023 reflect this change.

The NWMM Board considers it prudent to hold funds in reserve in case unforeseen circumstances should lead to financial difficulties, which might put the future of its employment capacity, residents' well-being, general mission work and property in jeopardy. Reserves may be defined as restricted or unrestricted. Restricted reserves relate to surpluses accumulated as a result of a binding restriction by the donor over the use of the income donated. Unrestricted reserves relate to surpluses accumulated from all other sources of income and will be applied to general purposes within the company at the discretion of the Board. Designated reserves refer to that portion of unrestricted reserves which the Board has allocated for a specific purpose.

The Board considers 100% of annual operating costs to be adequate reserves. Accumulated reserves as at 31 December 2023 were £1,432,958, (2022 - £1,520,919) of which £744,490 were designated funds and £36,628 (2022 - £69,356) were restricted funds.

Plans for future periods

- Continue to provide high quality temporary accommodation and support to homeless men including harm reduction support through our Men's Hostel.
- Continue to provide refuge and temporary accommodation to women fleeing domestic abuse, homeless single women and children via our Clarendon Shelter services.
- Continue to work in partnership and build sustainability.
- Explore and research longer-term accommodation solutions for our service users.
- Continue to provide other services such as the Drop-in Centre, Parent & Toddler Group, and Luncheon Club.
- Further develop Clooney Centre as a community resource
- Further develop and communicate the work of the Five Missions Forum
- Continue to develop and deliver our homelessness education and awareness programme to schools and community organisations within the region
- Continue to invest in the skills and development of our Trustees, staff and volunteers through appropriate training and development opportunities both on and off the job
- Continue to ensure quality standards are understood and met across the organisation
- Ensure our core values and clients are at the centre of all we do

Trustees' responsibilities statement

The trustees, who are also directors for the purposes of company law, are responsible for preparing the trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charitable company and the incoming resources and application of resources, including the income and expenditure, for that period.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the applicable Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

North West Methodist Mission

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 31 December 2023

Auditor

Each of the persons who is a trustee at the date of approval of this report confirms that:

- so far as they are aware, there is no relevant audit information of which the charity's auditor is unaware; and
- they have taken all steps that they ought to have taken as a trustee to make themselves aware of any relevant audit information and to establish that the charity's auditor is aware of that information.

The auditor is deemed to have been re-appointed in accordance with section 487 of the Companies Act 2006.

The trustees' annual report and the strategic report were approved on 22 May 2024 and signed on behalf of the board of trustees by:

Mr M Johnston (Treasurer)
Trustee

North West Methodist Mission

Company Limited by Guarantee

Independent Auditor's Report to the Members of North West Methodist Mission

Year ended 31 December 2023

Opinion

We have audited the financial statements of North West Methodist Mission (the 'charity') for the year ended 31 December 2023 which comprise the statement of financial activities (including income and expenditure account), statement of financial position, statement of cash flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 December 2023 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and the provisions available for small entities, in the circumstances set out in note 27 to the financial statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

North West Methodist Mission

Company Limited by Guarantee

Independent Auditor's Report to the Members of North West Methodist Mission (continued)

Year ended 31 December 2023

Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the trustees' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the trustees' report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charity and its environment obtained in the course of the audit, we have not identified material misstatements in the trustees' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

North West Methodist Mission

Company Limited by Guarantee

Independent Auditor's Report to the Members of North West Methodist Mission (continued)

Year ended 31 December 2023

Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement, the trustees (who are also the directors for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

As part of an audit in accordance with ISAs (UK), we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.

North West Methodist Mission

Company Limited by Guarantee

Independent Auditor's Report to the Members of North West Methodist Mission (continued)

Year ended 31 December 2023

- Conclude on the appropriateness of the trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the charity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the charity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Use of our report

This report is made solely to the charity's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charity's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's members as a body, for our audit work, for this report, or for the opinions we have formed.

North West Methodist Mission

Company Limited by Guarantee

Notes to the Financial Statements

Year ended 31 December 2023

1. General information

The charity is a public benefit entity and a private company limited by guarantee, registered in Northern Ireland and a registered charity in Northern Ireland. The address of the registered office is 36 Clooney Terrace, Londonderry, BT47 6AR.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Companies Act 2006.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

North West Methodist Mission

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 31 December 2023

3. Accounting policies *(continued)*

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

North West Methodist Mission

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 31 December 2023

3. Accounting policies *(continued)*

Tangible assets *(continued)*

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other recognised gains and losses, unless it reverses a charge for impairment that has previously been recognised as expenditure within the statement of financial activities. A decrease in the carrying amount of an asset as a result of revaluation, is recognised in other recognised gains and losses, except to which it offsets any previous revaluation gain, in which case the loss is shown within other recognised gains and losses on the statement of financial activities.

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Fixtures & fittings	-	20% straight line
Motor Vehicles	-	33% straight line
Equipment	-	33% straight line

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the charity are assigned to those units.

Financial instruments

A financial asset or a financial liability is recognised only when the charity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

North West Methodist Mission

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 31 December 2023

3. Accounting policies *(continued)*

Financial instruments *(continued)*

Where investments in shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in income and expenditure. All other such investments are subsequently measured at cost less impairment.

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value, with any changes recognised in the statement of financial activities, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

Defined contribution plans

Contributions to defined contribution plans are recognised as an expense in the period in which the related service is provided. Prepaid contributions are recognised as an asset to the extent that the prepayment will lead to a reduction in future payments or a cash refund.

When contributions are not expected to be settled wholly within 12 months of the end of the reporting date in which the employees render the related service, the liability is measured on a discounted present value basis. The unwinding of the discount is recognised as an expense in the period in which it arises.

4. Limited by guarantee

North West Methodist Mission is a company limited by guarantee and accordingly does not have a share capital.

Every member of the company undertakes to contribute such amount as may be required not exceeding £1 to the assets of the charitable company in the event of its being wound up while he or she is a member, or within one year after he or she ceases to be a member.

	<u>1,612,552</u>	<u>(19,692)</u>	<u>1,592,860</u>

26. Related parties

During the year the charity entered into the following transactions with related parties:

	Transaction value		Balance owed by/(owed to)	
	2023 £	2022 £	2023 £	2022 £
Payment in respect of church assessment contributions	36,570	42,313	—	—
Payment in respect of pastoral support	30,180	21,730	—	—
Receipts in respect of administration expenses recharged	<u>(103)</u>	<u>(1,918)</u>	<u>—</u>	<u>38</u>

As detailed above, during the year North West Methodist Mission made payments to and received amounts from the Londonderry, Inishowen, Limavady and Strabane Mission Circuit, an organisation which is also governed by the Methodist Church in Ireland and which has some officials who are also directors of North West Methodist Mission.

North West Methodist Mission is under the direction of the Methodist Church in Ireland. During the year the Methodist Church in Ireland continued to invest funds with Epworth Investment Management on behalf of the company. At the year end these funds were valued at £606,968 (2022: £642,522).

27. Ethical standards

In common with many other charities of our size and nature we use our auditors to assist with the preparation of the financial statements.

Year ended 31 December 2023

Structure, governance and management

North West Methodist Mission is part of the Methodist Church in Ireland and is a charitable company limited by guarantee, incorporated on 1st October 2012, accepted as a charity by HM Revenue & Customs under reference XT39218 and registered with the Charity Commission for Northern Ireland on 8th February 2017 under charity number NIC104734.

The company was established under a Memorandum of Association which states the objects and powers of the charitable company and is governed under its Articles of Association. In the event of the company being wound up, members are required to contribute an amount not exceeding £1.

North West Methodist Mission is a provider of Supporting People services, as accredited by the Northern Ireland Housing Executive.

Governance

During the year the Mission Board met quarterly. The Board membership as a whole is noted annually at the Methodist Conference in Ireland. The Board continues to monitor its membership. A skills audit of the Board membership has taken place and is reviewed on a regular basis. A Register of Interests for Board Members is also maintained. Declaration of interests is a standing item on all of the agendas for Board meetings. The Board has devised a Conflicts of Interests Policy as well as financial policies and procedures.

The Board provides training to Trustees in various areas to ensure good governance. Board members must always act in the best interests of NWMM and as such are covered by qualifying for third party indemnity provision, which has been in place throughout the past year and will remain in place.

Policies are reviewed and updated on a circulatory basis and also in response to legislative changes, while new policies and procedures are devised as required. In line with new requirements the Board will review its Safeguarding of Vulnerable Adults and Children Policy on an annual basis. The Board has devolved some of its powers to the Executive Board, comprising the Office Bearers, which meets when necessary.

Structure, governance and management *(continued)*

Primary Purposes

Mission

The purpose of NWMM is to demonstrate faith in action by responding effectively to the needs of people in the North West and enable them to achieve their potential

Vision

The vision of NWMM is of a society enriched by a commitment to promote social justice in all aspects of life

Values

Social justice

A commitment to the principles of equality, solidarity and human rights that recognises the dignity of every human being

Empowerment

Supporting the development of individuals and communities to take more responsibility for, and control of, their own lives

Compassion

Living our faith in action through selfless concern for others

Inclusion & Diversity

A commitment to a welcoming hospitality that treats everyone with dignity and respect, celebrates diversity, and enables the marginalized to feel they belong

Responsiveness

Respond effectively to the changing needs and aspirations of the local community

Integrity

Being open and transparent in all our activities - doing what we say and saying what we mean

Risk management

During 2023 the Mission Board and Senior Management considered the major risks that the charity faces through its strategic planning process. This enables compliance with relevant regulations and legislation. The Mission Board has devised a Risk Register, and this is reviewed at each of our meetings. During the year risk assessments for each occupational area were reviewed and updated as appropriate by the Senior Management team.

A Fixed Assets list has been completed.

In respect of financial risk, the Board receives regular financial reports with systems and controls in place to mitigate significant financial risks. Finance policies are reviewed and updated. During these uncertain economic conditions, we continue to review our business risks. The current external environment continues to have a significant impact due to inflation and cost of living crisis.

We continue to maintain positive relations with our clients, funders and stakeholders.

Objectives and activities

Primary Objectives

North West Methodist Mission has within its Strategic Plan 2020 - 2025 eight core objectives:

Homelessness

To respond effectively to homelessness in the North-West.

Community

To respond effectively to the needs of the local community in the North-West.

Collaboration

To ensure that NWMM collaborates effectively with other churches and organisations in achieving its mission.

Communications

To ensure effective communication with NWMM internal and external stakeholders

Finance

To ensure that NWMM has the financial resources it requires to achieve its plans and these resources are effectively and efficiently managed.

Human Resources

To ensure that NWMM has the staff and volunteers that it needs to achieve its plans and these volunteers and staff are effectively utilized, valued, supported and managed.

Premises and Physical Resources

To ensure that NWMM has the premises and other physical resources it requires to achieve its aims and priorities efficiently and effectively and these resources are well managed and maintained.

Governance

To ensure that the governance and structure of NWMM are fit for purpose and comply with the requirements of the law and best practice.

Public Benefit

The Trustees have considered relevant charity legislation, which sets out the requirements for charities to demonstrate their aims and activities are for public benefit. The Trustees confirm that they have had regard to the Charity Commission for Northern Ireland guidance on public benefit.

Homeless

The direct benefit flowing from our purposes include reduced numbers of men, women and children experiencing homelessness. The support of clients in our service to overcome the causes that lead to them becoming homeless in the first place, enabling them to integrate back into the community and sustain tenancies. This reduces the pressure on other statutory services as a result of harm reduction interventions whilst in our service. The wider community benefits due to a reduction in rough sleeping and anti social behaviour. Society benefits as clients acquire skills and become able to live independently and seek training and/or employment.

On the basis of an established track record of providing highly regarded and quality based services, continued accreditation by the NI Housing Executive, and financial reserves, the Trustees are satisfied that there are adequate resources available to continue operating for the foreseeable future.

North West Methodist Mission

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Directors' Report) *(continued)*

Year ended 31 December 2022

Strategic report

The following sections summarise the key achievements, performance and financial review of the charity.

Achievements and performance

Current need

The statistics in the DfC Bulletin paint a bleak picture for the state of homelessness in Northern Ireland as the number of households living in temporary accommodation continues to increase. Over the last five years, the number of households in temporary accommodation has more than doubled. In January 2024 over 4,500 households were living in temporary accommodation, an increase of over 600 since January 2023 and a rise of almost 121% since 2019.

Between July and December 2023, just under 8,200 households presented to the Housing Executive as homeless. This was an increase of 9% on the same period in 2022. Just over 5,300 households were accepted as homeless, a rise of over 9% when compared to the same period in 2022.

The Bulletin also reveals that in January 2024, the number of children living in temporary accommodation in Northern Ireland rose to over 4,800 - an increase of 6% since July 2023. Of these children, over 3,100 were aged nine and under. 482 of these children were aged under 1. In January 2019, just over 2,400 children were living in temporary accommodation. The number of children living in temporary accommodation has increased by 99% since then.

In addition to highlighting the continued increase in those seeking temporary accommodation, the DfC Bulletin provides a geographical breakdown of homelessness presentations. Between July and December 2023, Belfast City Council area recorded the highest number of presentations at a rate of 7 presentations per 1,000 people (2,425 people). This was followed by Derry and Strabane Council who had 6.4 presentations per 1,000 people (964 people) and then Antrim and Newtownabbey Council with 4.6 presentations per 1,000 people (678 people).

Performance

The delivery of services is against a backdrop of increasing demand.

Year ended 31 December 2022

Achievements and performance *(continued)*

Achievements

NWMM has undertaken a review of investments and designated funds for the development of move on accommodation during the year.

Agreement was also reached with Clooney Hall Church and the Methodist Church in Ireland for the purchase of a property for the project.

Policy reviews have been completed with the organisations HR and Operational Policies all having been reviewed and updated during the year.

A range of activities continue to be delivered and development to enhance the support provided to our clients, these include:

- Afternoon tea's, themed meal nights & quizzes
- Daytrips
- MENTALK Programme aimed at addressing loneliness and social isolation.
- Cooking nutritious meals on a budget
- Marking key days and events such as International Women's Day, Mental Health Awareness Day, Volunteers Week, Healthy Eating Week and Homeless Awareness Week

We continue to fundraise and develop our social media profile and presence with several key events delivered during the year:

- The Mission was instrumental in bringing Still Somebody - Voices for Change Photographic Exhibition to the city in May. The images are powerful, evocative and speak the truth about some of the circumstances and factors that force people into homelessness. The aim is to stress the scale and scope of the problem and show that it can happen to anyone. The event was held over four days in the Guildhall with Guest speakers including the Mayor Sandra Duffy, Nicole Lappin, Chair of the Housing Executive, Liam Milligan, Mission Director and Cormac McArt, Director of Westcourt Centre, Belfast and curator of the exhibition.
- Successful return of Tour de Foyle after two years with over 90 participants. A huge thank you to all who took part and to volunteers, Marshalls and all the Rapid Relief Team, the Executive Office without whose support we could not run the event.
- London Marathon - a huge thank you to Pauline Mullan from Limavady who ran the London marathon donating all the proceeds to support our Clarendon Shelter Service for Women and Children.
- We secured £25,000 from the Joseph Rank Trust to assist our clients through the cost of living crisis.
- We ran a marketing and awareness campaign during Homelessness Awareness Week which included high profile billboards across the city and a social media campaign featuring former residents video testimonials on their lived experience of homelessness and the support they received from the Mission.

North West Methodist Mission

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Directors' Report) *(continued)*

Year ended 31 December 2022

Achievements and performance *(continued)*

We continue our Partnership with the United Methodist Church Global Ministries welcoming a second Global Mission Fellow to the Mission and the City to assist with social media, communications, and our Homelessness Awareness Outreach Programme. We are grateful both to Camille and Tino for their vocation and presence in our Mission.

We attended a meeting with the Department for Communities and the Northern Ireland Housing Executive in October to discuss the budget and ongoing pressures for organisations in the sector as a result of the cost-of-living crisis and lack of an Assembly. We continue to lobby on key issues experienced by our sector and our clients.

We hosted a visit to the Mission by Mr. Colum Boyle, Permanent Secretary, Department for Communities at the beginning of November 2023. Colum met with both staff and residents and reflected on his visit saying:

"I was extremely impressed with your scheme and noted that it offers tenants a much-needed feeling of security along with a significant level of independence. I believe this is vital for all our supporting people tenants and your scheme demonstrates how well it addresses the core aim of the SP policy by really supporting people to live more independently in the community.

I was especially pleased to talk to John and Sean and meet the other men who live at Crawford Square. I could see how restful and lively an environment it is, not only in the lounge but also in the gym too! Your facilities and your staff really do go above and beyond to ensure vulnerable people in our society feel cared for and vital."

What our clients say about us.

Clarendon Shelter Women & Children

"I reached out for help, and I decided to come to Clarendon, and it was the best decision of my life". - Andrea

"Thank you for all you have done for me and the boys. From having my bad days to good days you were always there. I thank you from the bottom of my heart always". - Lauren

"Thank you to all the girls in Ashmore for being so kind and helpful". - Roisin

"Thank you so much for the presents. They really helped me out at Christmas". - Susan

"Thank you for your kindness that can never be repaid and your understanding and the difference it makes". - Kerry

"Thank you for all you do for us. Through every dark cloud you helped me see a brighter day". - Demi

Men's Hostel.

"You really felt loved within the Hostel. There wasn't a day passed where you really felt self-worth where I never had that." - Robert

"If it wasn't for the staff at the hostel I don't where I would be today". - Gerard

"The hostel gave me a chance to get my life back on track". - Enrico

"The staff at the hostel treated me with respect and never judged me, I will never forget what they have done for me". - Noel

"The Men's Hostel saved my life and gave me a chance to live independently again". - Keith

North West Methodist Mission

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Directors' Report) *(continued)*

Year ended 31 December 2022

Financial review

Review of activities 2023

The Statement of Financial Activities for the year ended 31 December 2023 is set out on page 15 of the Financial Statements. The company returned a surplus for the year of £72,275 after other recognised gains and losses. Income generated from the company's activities was £1,636,999 (2022 - £1,646,113) of which 67% was grants from the NI Housing Executive and the Western Health Social Care Trust.

Support services are regulated and funded by the Supporting People policy and funding framework, which is administered by the Northern Ireland Housing Executive. The Mission Board share collective responsibility and are committed to good stewardship of funds received, a high standard of service provision and a prudent reserves policy. The aims and objectives for 2023 included continuing enhancement of quality services, greater participation of residents, the strengthening of resettlement services, actively supporting residents to "move-on" and to sustain more independent tenancies.

The Mission Board is pleased to report that significant progress has been made to meet the aims and objectives during 2023. A budget income and expenditure account including the above objectives is prepared at the start of each financial year and the 2023 objectives were met. A decision was taken by the Trustees to separate the finances of Clooney Hall Church from NWMM in order to streamline reporting and reduce the burden on church volunteers. The accounts for 2023 reflect this change.

The NWMM Board considers it prudent to hold funds in reserve in case unforeseen circumstances should lead to financial difficulties, which might put the future of its employment capacity, residents' well-being, general mission work and property in jeopardy. Reserves may be defined as restricted or unrestricted. Restricted reserves relate to surpluses accumulated as a result of a binding restriction by the donor over the use of the income donated. Unrestricted reserves relate to surpluses accumulated from all other sources of income and will be applied to general purposes within the company at the discretion of the Board. Designated reserves refer to that portion of unrestricted reserves which the Board has allocated for a specific purpose.

The Board considers 100% of annual operating costs to be adequate reserves. Accumulated reserves as at 31 December 2023 were £1,432,958, (2022 - £1,520,919) of which £744,490 were designated funds and £36,628 (2022 - £69,356) were restricted funds.

Plans for future periods

- Continue to provide high quality temporary accommodation and support to homeless men including harm reduction support through our Men's Hostel.
- Continue to provide refuge and temporary accommodation to women fleeing domestic abuse, homeless single women and children via our Clarendon Shelter services.
- Continue to work in partnership and build sustainability.
- Explore and research longer-term accommodation solutions for our service users.
- Continue to provide other services such as the Drop-in Centre, Parent & Toddler Group, and Luncheon Club.
- Further develop Clooney Centre as a community resource
- Further develop and communicate the work of the Five Missions Forum
- Continue to develop and deliver our homelessness education and awareness programme to schools and community organisations within the region
- Continue to invest in the skills and development of our Trustees, staff and volunteers through appropriate training and development opportunities both on and off the job
- Continue to ensure quality standards are understood and met across the organisation
- Ensure our core values and clients are at the centre of all we do

Trustees' responsibilities statement

The trustees, who are also directors for the purposes of company law, are responsible for preparing the trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charitable company and the incoming resources and application of resources, including the income and expenditure, for that period.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the applicable Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

North West Methodist Mission

Company Limited by Guarantee

Year ended 31 December 2023

Auditor

Each of the persons who is a trustee at the date of approval of this report confirms that:

- so far as they are aware, there is no relevant audit information of which the charity's auditor is unaware; and
- they have taken all steps that they ought to have taken as a trustee to make themselves aware of any relevant audit information and to establish that the charity's auditor is aware of that information.

The auditor is deemed to have been re-appointed in accordance with section 487 of the Companies Act 2006.

The trustees' annual report and the strategic report were approved on 22 May 2024 and signed on behalf of the board of trustees by:

Mr M Johnston (Treasurer)
Trustee

Independent Auditor's Report to the Members of North West Methodist Mission

Year ended 31 December 2023

Opinion

We have audited the financial statements of North West Methodist Mission (the 'charity') for the year ended 31 December 2023 which comprise the statement of financial activities (including income and expenditure account), statement of financial position, statement of cash flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 December 2023 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and the provisions available for small entities, in the circumstances set out in note 27 to the financial statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

North West Methodist Mission

Company Limited by Guarantee

Independent Auditor's Report to the Members of North West Methodist Mission (continued)

Year ended 31 December 2023

Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the trustees' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the trustees' report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charity and its environment obtained in the course of the audit, we have not identified material misstatements in the trustees' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

North West Methodist Mission

Company Limited by Guarantee

Independent Auditor's Report to the Members of North West Methodist Mission

(continued)

Year ended 31 December 2023

Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement, the trustees (who are also the directors for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

As part of an audit in accordance with ISAs (UK), we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.

North West Methodist Mission

Company Limited by Guarantee

Independent Auditor's Report to the Members of North West Methodist Mission (continued)

Year ended 31 December 2023

- Conclude on the appropriateness of the trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the charity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the charity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Use of our report

This report is made solely to the charity's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charity's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's members as a body, for our audit work, for this report, or for the opinions we have formed.

North West Methodist Mission

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 31 December 2022

Structure, governance and management

North West Methodist Mission is part of the Methodist Church in Ireland and is a charitable company limited by guarantee, incorporated on 1st October 2012, accepted as a charity by HM Revenue & Customs under reference XT39218 and registered with the Charity Commission for Northern Ireland on 8th February 2017 under charity number NIC104734. The company was established under a Memorandum of Association which states the objects and powers of the charitable company and is governed under its Articles of Association. In the event of the company being wound up, members are required to contribute an amount not exceeding £1.

North West Methodist Mission is a provider of Supporting People services, as accredited by the Northern Ireland Housing Executive.

Governance

During the year the Mission Board met quarterly. The Board membership as a whole was approved by the Methodist Conference in Ireland. The Board continues to monitor its membership. A skills audit of the Board membership has taken place and is reviewed on a regular basis. A Register of Interests for Board Members has also been compiled. Declaration of interests is a standing item on all of the agendas for Board meetings. The Board has devised a Conflicts of Interests Policy as well as financial policies and procedures.

The Board provides training on various issues including recruitment and selection, appraisal, etc. Board members must always act in the best interests of NWMM and as such are covered by qualifying for third party indemnity provision, which has been in place throughout the past year and will remain in place.

Policies are reviewed and updated on a circulatory basis and also in response to legislative changes, while new policies and procedures are devised as required. In line with new requirements the Board will review its Safeguarding of Vulnerable Adults and Children Policy on an annual basis. The Board has devolved some of its powers to the Executive Board, which meets when necessary.

North West Methodist Mission

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 31 December 2022

Structure, governance and management *(continued)*

Primary Purposes

Mission

The purpose of NWMM is to demonstrate faith in action by responding effectively to the needs of people in the North West and enable them to achieve their potential

Vision

The vision of NWMM is of a society enriched by a commitment to promote social justice in all aspects of life

Values

Social justice

A commitment to the principles of equality, solidarity and human rights that recognises the dignity of every human being

Empowerment

Supporting the development of individuals and communities to take more responsibility for, and control of, their own lives

Compassion

Living our faith in action through selfless concern for others

Inclusion & Diversity

A commitment to a welcoming hospitality that treats everyone with dignity and respect, celebrates diversity, and enables the marginalized to feel they belong

Responsiveness

Respond effectively to the changing needs and aspirations of the local community

Integrity

Being open and transparent in all our activities - doing what we say and saying what we mean

Risk management

During 2022 the Mission Board and Senior Management considered the major risks that the charity faces through its strategic planning process. This enables compliance with relevant regulations and legislation. The Mission Board has devised a Risk Register, and this is reviewed at each of our meetings. A Fixed Assets list has been completed.

In respect of financial risk, the Board receives regular financial reports with systems and controls in place to mitigate significant financial risks. Finance policies are reviewed and updated. During these uncertain economic conditions, we continue to review our business risks. The current external environment continues to have a significant impact post pandemic.

We continue to maintain positive relations with our clients, funders and stakeholders.

North West Methodist Mission

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 31 December 2022

Objectives and activities

Primary Objectives

North West Methodist Mission has within its Strategic Plan 2020 - 2025 eight core objectives:

Homelessness

To respond effectively to homelessness in the North-West.

Community

To respond effectively to the needs of the local community in the North-West. Collaboration
To ensure that NWMM collaborates effectively with other churches and organisations in achieving its mission.

Communications

To ensure effective communication with NWMM internal and external stakeholders

Finance

To ensure that NWMM has the financial resources it requires to achieve its plans and these resources are effectively and efficiently managed.

Human Resources

To ensure that NWMM has the staff and volunteers that it needs to achieve its plans and these volunteers and staff are effectively utilized, valued, supported and managed.

Premises and Physical Resources

To ensure that NWMM has the premises and other physical resources it requires to achieve its aims and priorities efficiently and effectively and these resources are well managed and maintained.

Governance

To ensure that the governance and structure of NWMM are fit for purpose and comply with the requirements of the law and best practice.

Public Benefit

The Trustees have considered relevant charity legislation, which sets out the requirements for charities to demonstrate their aims and activities are for public benefit. The Trustees confirm that they have had regard to the Charity Commission for Northern Ireland guidance on public benefit.

Homeless

The direct benefit flowing from our purposes include reduced numbers of men experiencing homelessness. The support of clients in our service to overcome the causes that lead to them becoming homeless in the first place, enabling them to integrate back into the community and sustain tenancies. This reduces the pressure on other statutory services as a result of harm reduction interventions whilst in our service. The wider community benefits due to a reduction in rough sleeping and anti social behaviour. Society benefits as clients acquire skills and become able to live independently and seek training and/or employment.

North West Methodist Mission

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 31 December 2022

Objectives and activities *(continued)*

The Mission has been fortunate that there have been no major Covid outbreaks impacting service delivery however, there have been some instances of recorded positive cases. These resulted in periods of occupancy voids due to isolation requirements however Supporting People have provided funding support in respect of lost income. Supporting People Covid claims have also covered additional costs incurred and total around £342. There has been no major impact on income or expenditure as a result of Covid. On this basis, the Trustees are satisfied that there are adequate resources available to continue operating for the foreseeable future.

As we progressed through the year there was a significant easing of restriction and by the end of 2022, most restrictions have been lifted. We have continued to support blended working over the period for relevant staff.

Bookings at our Clooney Centre remain slow to return to pre pandemic levels and this is being kept under review.

On this basis, the Trustees are satisfied that there are adequate resources available to continue operating for the foreseeable future.

Strategic report

The following sections for achievements and performance and financial review form the strategic report of the charity.

Achievements and performance

Our homeless services continue to be delivered to high standards with the emphasis on person centred support.

Clarendon Shelter has been successfully integrated into the Missions structure and ethos whilst retaining its unique identity and caring approach to helping women and children experiencing homelessness.

Considerable preparation had been completed ahead of merger to ensure the harmonisation of systems and approaches and this has resulted in a relatively seamless transition for both Clarendon and the Mission benefiting both service users and staff alike.

The delivery of services is against a backdrop of increasing demand and challenging economic and financial circumstances, driven in large part by the cost-of-living crisis.

This has resulted in challenges to control costs and maximise revenue. As well as the expected cost increases, such as utilities, we have seen a sharp rise in bad debts from non-payment of services charges and rent. Given the vulnerable nature of the clients we serve it is unlikely this situation will improve and this issue is being highlighted with our funders and key stakeholders.

The Mission held an Awareness Event in December to reflect on the work over the year and provide greater awareness on homelessness issues to religious, civic, business and community leaders in the city which was very well attended.

Financial review

Review of activities 2022

The Statement of Financial Activities for the year ended 31 December 2022 is set out on page 13 of the Financial Statements. The company returned a deficit for the year of £71,758 after other recognised gains and losses. Income generated from the company's activities was £1,646,113 (2021 - £1,704,714) of which 63% was grants from the NI Housing Executive and the Western Health Social Care Trust. Supporting People provided additional funding support during the year via the Covid 19 emergency Funding in respect of lost income and additional costs incurred to maintain staff and resident safety - claims for the year totalled £342. Support services are regulated and funded by the Supporting People policy and funding framework, which is administered by the Northern Ireland Housing Executive. The Mission Board share collective responsibility and are committed to good stewardship of funds received, a high standard of service provision and a prudent reserves policy. The aims and objectives for 2022 included continuing enhancement of quality services, including staff restructuring, greater participation of residents, the strengthening of resettlement services, actively supporting residents to "move-on" and to sustain more independent tenancies and the development of management information reporting systems. The Mission Board is pleased to report that significant progress has been made to meet the aims and objectives during 2022. A budget income and expenditure account including the above objectives is prepared at the start of each financial year and the 2022 objectives were largely met despite the threat from Covid-19.

The NWMM Board considers it prudent to hold funds in reserve in case unforeseen circumstances should lead to financial difficulties, which might put the future of its employment capacity, residents' wellbeing, general mission work and property in jeopardy. Reserves may be defined as restricted or unrestricted. Restricted reserves relate to surpluses accumulated as a result of a binding restriction by the donor over the use of the income donated. Unrestricted reserves relate to surpluses accumulated from all other sources of income and will be applied to general purposes within the company at the discretion of the Board. Designated reserves refer to that portion of unrestricted reserves which the Board has allocated for a specific purpose.

The Board considers 100% of annual operating costs to be adequate reserves. Accumulated reserves as at 31 December 2022 were £1,520,919 (2021- £1,592,677) of which £771,242 (2020 - £687,064) were designated funds and £69,356 (2021 - £60,196) were restricted funds.

North West Methodist Mission

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 31 December 2022

Plans for future periods

- Continue to provide high quality temporary accommodation and support to homeless men including harm reduction support through our Men's Hostel.
- Continue to provide refuge and temporary accommodation to women fleeing domestic abuse, homeless single women and children via our Clarendon Shelter services.
- Continue to work in partnership and build sustainability.
- Explore and research longer-term accommodation solutions for our service users.
- Re-establish other services such as the Drop-in Centre, Parent & Toddler Group, Luncheon Club when it is safe to do so.
- Further develop Clooney Centre as a community resource
- Further develop and communicate the work of the Five Missions Forum
- Continue to develop and deliver our homelessness education and awareness programme to schools and community organisations within the region
- Continue to invest in the skills and development of our Trustees, staff and volunteers through appropriate training and development opportunities both on and off the job
- Continue to ensure quality standards are understood and met across the organisation
- Ensure our core values and clients are at the centre of all we do

At the time of writing this report we recognise the continued cost of living challenges, the impact of the absence of Stormont and the possibility of funding cuts given the recent budget announcement. This will have an impact on our ability to deliver on future plans and the management of risk in the coming year.

Trustees' responsibilities statement

The trustees, who are also directors for the purposes of company law, are responsible for preparing the trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charitable company and the incoming resources and application of resources, including the income and expenditure, for that period.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the applicable Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

North West Methodist Mission

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 31 December 2022

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Auditor

Each of the persons who is a trustee at the date of approval of this report confirms that:

- so far as they are aware, there is no relevant audit information of which the charity's auditor is unaware; and
- they have taken all steps that they ought to have taken as a trustee to make themselves aware of any relevant audit information and to establish that the charity's auditor is aware of that information.

The auditor is deemed to have been re-appointed in accordance with section 487 of the Companies Act 2006.

The trustees' annual report and the strategic report were approved on 18 May 2023 and signed on behalf of the board of trustees by:

Mrs J Doherty
Trustee

North West Methodist Mission

Company Limited by Guarantee

Independent Auditor's Report to the Members of North West Methodist Mission

Year ended 31 December 2022

Opinion

We have audited the financial statements of North West Methodist Mission (the 'charity') for the year ended 31 December 2022 which comprise the statement of financial activities (including income and expenditure account), statement of financial position, statement of cash flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 December 2022 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and the provisions available for small entities, in the circumstances set out in note 28 to the financial statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

North West Methodist Mission

Company Limited by Guarantee

Independent Auditor's Report to the Members of North West Methodist Mission (continued)

Year ended 31 December 2022

Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the trustees' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the trustees' report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charity and its environment obtained in the course of the audit, we have not identified material misstatements in the trustees' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

North West Methodist Mission

Company Limited by Guarantee

Independent Auditor's Report to the Members of North West Methodist Mission (continued)

Year ended 31 December 2022

Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement, the trustees (who are also the directors for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

As part of an audit in accordance with ISAs (UK), we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.

North West Methodist Mission

Company Limited by Guarantee

Independent Auditor's Report to the Members of North West Methodist Mission (continued)

Year ended 31 December 2022

- Conclude on the appropriateness of the trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the charity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the charity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Use of our report

This report is made solely to the charity's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charity's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's members as a body, for our audit work, for this report, or for the opinions we have formed.

North West Methodist Mission

Company Limited by Guarantee

Notes to the Financial Statements

Year ended 31 December 2022

1. General information

The charity is a public benefit entity and a private company limited by guarantee, registered in Northern Ireland and a registered charity in Northern Ireland. The address of the registered office is 36 Clooney Terrace, Londonderry, BT47 6AR.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Companies Act 2006.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

3. Accounting policies *(continued)*

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

North West Methodist Mission

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 31 December 2022

3. Accounting policies *(continued)*

Tangible assets *(continued)*

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other recognised gains and losses, unless it reverses a charge for impairment that has previously been recognised as expenditure within the statement of financial activities. A decrease in the carrying amount of an asset as a result of revaluation, is recognised in other recognised gains and losses, except to which it offsets any previous revaluation gain, in which case the loss is shown within other recognised gains and losses on the statement of financial activities.

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Fixtures & fittings	-	25% straight line
Motor Vehicles	-	33% straight line
Equipment	-	20% straight line

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the charity are assigned to those units.

Financial instruments

A financial asset or a financial liability is recognised only when the charity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

North West Methodist Mission

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 31 December 2022

3. Accounting policies *(continued)*

Financial instruments *(continued)*

Where investments in shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in income and expenditure. All other such investments are subsequently measured at cost less impairment.

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value, with any changes recognised in the statement of financial activities, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

Defined contribution plans

Contributions to defined contribution plans are recognised as an expense in the period in which the related service is provided. Prepaid contributions are recognised as an asset to the extent that the prepayment will lead to a reduction in future payments or a cash refund.

When contributions are not expected to be settled wholly within 12 months of the end of the reporting date in which the employees render the related service, the liability is measured on a discounted present value basis. The unwinding of the discount is recognised as an expense in the period in which it arises.

4. Limited by guarantee

North West Methodist Mission is a company limited by guarantee and accordingly does not have a share capital.

Every member of the company undertakes to contribute such amount as may be required not exceeding £1 to the assets of the charitable company in the event of its being wound up while he or she is a member, or within one year after he or she ceases to be a member.

Year ended 31 December 2022

Structure, governance and management

North West Methodist Mission is part of the Methodist Church in Ireland and is a charitable company limited by guarantee, incorporated on 1st October 2012, accepted as a charity by HM Revenue & Customs under reference XT39218 and registered with the Charity Commission for Northern Ireland on 8th February 2017 under charity number NIC104734. The company was established under a Memorandum of Association which states the objects and powers of the charitable company and is governed under its Articles of Association. In the event of the company being wound up, members are required to contribute an amount not exceeding £1.

North West Methodist Mission is a provider of Supporting People services, as accredited by the Northern Ireland Housing Executive.

Governance

During the year the Mission Board met quarterly. The Board membership as a whole was approved by the Methodist Conference in Ireland. The Board continues to monitor its membership. A skills audit of the Board membership has taken place and is reviewed on a regular basis. A Register of Interests for Board Members has also been compiled. Declaration of interests is a standing item on all of the agendas for Board meetings. The Board has devised a Conflicts of Interests Policy as well as financial policies and procedures.

The Board provides training on various issues including recruitment and selection, appraisal, etc. Board members must always act in the best interests of NWMM and as such are covered by qualifying for third party indemnity provision, which has been in place throughout the past year and will remain in place.

Policies are reviewed and updated on a circulatory basis and also in response to legislative changes, while new policies and procedures are devised as required. In line with new requirements the Board will review its Safeguarding of Vulnerable Adults and Children Policy on an annual basis. The Board has devolved some of its powers to the Executive Board, which meets when necessary.

North West Methodist Mission

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 31 December 2022

Structure, governance and management *(continued)*

Primary Purposes

Mission

The purpose of NWMM is to demonstrate faith in action by responding effectively to the needs of people in the North West and enable them to achieve their potential

Vision

The vision of NWMM is of a society enriched by a commitment to promote social justice in all aspects of life

Values

Social justice

A commitment to the principles of equality, solidarity and human rights that recognises the dignity of every human being

Empowerment

Supporting the development of individuals and communities to take more responsibility for, and control of, their own lives

Compassion

Living our faith in action through selfless concern for others

Inclusion & Diversity

A commitment to a welcoming hospitality that treats everyone with dignity and respect, celebrates diversity, and enables the marginalized to feel they belong

Responsiveness

Respond effectively to the changing needs and aspirations of the local community

Integrity

Being open and transparent in all our activities - doing what we say and saying what we mean

Risk management

During 2022 the Mission Board and Senior Management considered the major risks that the charity faces through its strategic planning process. This enables compliance with relevant regulations and legislation. The Mission Board has devised a Risk Register, and this is reviewed at each of our meetings. A Fixed Assets list has been completed.

In respect of financial risk, the Board receives regular financial reports with systems and controls in place to mitigate significant financial risks. Finance policies are reviewed and updated. During these uncertain economic conditions, we continue to review our business risks. The current external environment continues to have a significant impact post pandemic.

We continue to maintain positive relations with our clients, funders and stakeholders.

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 31 December 2022

Objectives and activities

Primary Objectives

North West Methodist Mission has within its Strategic Plan 2020 - 2025 eight core objectives:

Homelessness

To respond effectively to homelessness in the North-West.

Community

To respond effectively to the needs of the local community in the North-West. Collaboration
To ensure that NWMM collaborates effectively with other churches and organisations in achieving its mission.

Communications

To ensure effective communication with NWMM internal and external stakeholders

Finance

To ensure that NWMM has the financial resources it requires to achieve its plans and these resources are effectively and efficiently managed.

Human Resources

To ensure that NWMM has the staff and volunteers that it needs to achieve its plans and these volunteers and staff are effectively utilized, valued, supported and managed.

Premises and Physical Resources

To ensure that NWMM has the premises and other physical resources it requires to achieve its aims and priorities efficiently and effectively and these resources are well managed and maintained.

Governance

To ensure that the governance and structure of NWMM are fit for purpose and comply with the requirements of the law and best practice.

Public Benefit

The Trustees have considered relevant charity legislation, which sets out the requirements for charities to demonstrate their aims and activities are for public benefit. The Trustees confirm that they have had regard to the Charity Commission for Northern Ireland guidance on public benefit.

Homeless

The direct benefit flowing from our purposes include reduced numbers of men experiencing homelessness. The support of clients in our service to overcome the causes that lead to them becoming homeless in the first place, enabling them to integrate back into the community and sustain tenancies. This reduces the pressure on other statutory services as a result of harm reduction interventions whilst in our service. The wider community benefits due to a reduction in rough sleeping and anti social behaviour. Society benefits as clients acquire skills and become able to live independently and seek training and/or employment.

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 31 December 2022

Objectives and activities *(continued)*

The Mission has been fortunate that there have been no major Covid outbreaks impacting service delivery however, there have been some instances of recorded positive cases. These resulted in periods of occupancy voids due to isolation requirements however Supporting People have provided funding support in respect of lost income. Supporting People Covid claims have also covered additional costs incurred and total around £342. There has been no major impact on income or expenditure as a result of Covid. On this basis, the Trustees are satisfied that there are adequate resources available to continue operating for the foreseeable future.

As we progressed through the year there was a significant easing of restriction and by the end of 2022, most restrictions have been lifted. We have continued to support blended working over the period for relevant staff.

Bookings at our Clooney Centre remain slow to return to pre pandemic levels and this is being kept under review.

On this basis, the Trustees are satisfied that there are adequate resources available to continue operating for the foreseeable future.

Strategic report

The following sections for achievements and performance and financial review form the strategic report of the charity.

Achievements and performance

Our homeless services continue to be delivered to high standards with the emphasis on person centred support.

Clarendon Shelter has been successfully integrated into the Missions structure and ethos whilst retaining its unique identity and caring approach to helping women and children experiencing homelessness.

Considerable preparation had been completed ahead of merger to ensure the harmonisation of systems and approaches and this has resulted in a relatively seamless transition for both Clarendon and the Mission benefiting both service users and staff alike.

The delivery of services is against a backdrop of increasing demand and challenging economic and financial circumstances, driven in large part by the cost-of-living crisis.

This has resulted in challenges to control costs and maximise revenue. As well as the expected cost increases, such as utilities, we have seen a sharp rise in bad debts from non-payment of services charges and rent. Given the vulnerable nature of the clients we serve it is unlikely this situation will improve and this issue is being highlighted with our funders and key stakeholders.

The Mission held an Awareness Event in December to reflect on the work over the year and provide greater awareness on homelessness issues to religious, civic, business and community leaders in the city which was very well attended.

Financial review

Review of activities 2022

The Statement of Financial Activities for the year ended 31 December 2022 is set out on page 13 of the Financial Statements. The company returned a deficit for the year of £71,758 after other recognised gains and losses. Income generated from the company's activities was £1,646,113 (2021 - £1,704,714) of which 63% was grants from the NI Housing Executive and the Western Health Social Care Trust. Supporting People provided additional funding support during the year via the Covid 19 emergency Funding in respect of lost income and additional costs incurred to maintain staff and resident safety - claims for the year totalled £342. Support services are regulated and funded by the Supporting People policy and funding framework, which is administered by the Northern Ireland Housing Executive. The Mission Board share collective responsibility and are committed to good stewardship of funds received, a high standard of service provision and a prudent reserves policy. The aims and objectives for 2022 included continuing enhancement of quality services, including staff restructuring, greater participation of residents, the strengthening of resettlement services, actively supporting residents to "move- on" and to sustain more independent tenancies and the development of management information reporting systems. The Mission Board is pleased to report that significant progress has been made to meet the aims and objectives during 2022. A budget income and expenditure account including the above objectives is prepared at the start of each financial year and the 2022 objectives were largely met despite the threat from Covid-19.

The NWMM Board considers it prudent to hold funds in reserve in case unforeseen circumstances should lead to financial difficulties, which might put the future of its employment capacity, residents' wellbeing, general mission work and property in jeopardy. Reserves may be defined as restricted or unrestricted. Restricted reserves relate to surpluses accumulated as a result of a binding restriction by the donor over the use of the income donated. Unrestricted reserves relate to surpluses accumulated from all other sources of income and will be applied to general purposes within the company at the discretion of the Board. Designated reserves refer to that portion of unrestricted reserves which the Board has allocated for a specific purpose.

The Board considers 100% of annual operating costs to be adequate reserves. Accumulated reserves as at 31 December 2022 were £1,520,919 (2021- £1,592,677) of which £771,242 (2020 - £687,064) were designated funds and £69,356 (2021 - £60,196) were restricted funds.

Year ended 31 December 2022

Plans for future periods

- Continue to provide high quality temporary accommodation and support to homeless men including harm reduction support through our Men's Hostel.
- Continue to provide refuge and temporary accommodation to women fleeing domestic abuse, homeless single women and children via our Clarendon Shelter services.
- Continue to work in partnership and build sustainability.
- Explore and research longer-term accommodation solutions for our service users.
- Re-establish other services such as the Drop-in Centre, Parent & Toddler Group, Luncheon Club when it is safe to do so.
- Further develop Clooney Centre as a community resource
- Further develop and communicate the work of the Five Missions Forum
- Continue to develop and deliver our homelessness education and awareness programme to schools and community organisations within the region
- Continue to invest in the skills and development of our Trustees, staff and volunteers through appropriate training and development opportunities both on and off the job
- Continue to ensure quality standards are understood and met across the organisation
- Ensure our core values and clients are at the centre of all we do

At the time of writing this report we recognise the continued cost of living challenges, the impact of the absence of Stormont and the possibility of funding cuts given the recent budget announcement. This will have an impact on our ability to deliver on future plans and the management of risk in the coming year.

Trustees' responsibilities statement

The trustees, who are also directors for the purposes of company law, are responsible for preparing the trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charitable company and the incoming resources and application of resources, including the income and expenditure, for that period.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the applicable Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

North West Methodist Mission

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 31 December 2022

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

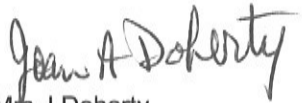

Auditor

Each of the persons who is a trustee at the date of approval of this report confirms that:

- so far as they are aware, there is no relevant audit information of which the charity's auditor is unaware; and
- they have taken all steps that they ought to have taken as a trustee to make themselves aware of any relevant audit information and to establish that the charity's auditor is aware of that information.

The auditor is deemed to have been re-appointed in accordance with section 487 of the Companies Act 2006.

The trustees' annual report and the strategic report were approved on 18 May 2023 and signed on behalf of the board of trustees by:

Mrs J Doherty

Independent Auditor's Report to the Members of North West Methodist Mission

Year ended 31 December 2022

Opinion

We have audited the financial statements of North West Methodist Mission (the 'charity') for the year ended 31 December 2022 which comprise the statement of financial activities (including income and expenditure account), statement of financial position, statement of cash flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 December 2022 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and the provisions available for small entities, in the circumstances set out in note 28 to the financial statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

North West Methodist Mission

Company Limited by Guarantee

Independent Auditor's Report to the Members of North West Methodist Mission (continued)

Year ended 31 December 2022

Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the trustees' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the trustees' report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charity and its environment obtained in the course of the audit, we have not identified material misstatements in the trustees' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

North West Methodist Mission

Company Limited by Guarantee

Independent Auditor's Report to the Members of North West Methodist Mission (continued)

Year ended 31 December 2022

Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement, the trustees (who are also the directors for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

As part of an audit in accordance with ISAs (UK), we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.

North West Methodist Mission

Company Limited by Guarantee

Independent Auditor's Report to the Members of North West Methodist Mission (continued)

Year ended 31 December 2022

- Conclude on the appropriateness of the trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the charity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the charity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Use of our report

This report is made solely to the charity's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charity's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's members as a body, for our audit work, for this report, or for the opinions we have formed.
