### **STRUCTURE AND MANAGEMENT**

#### **The Kirk Session**

The charity trustees of the congregation are the members of its Kirk Session. Under the congregation's governing document, The Code, the book of the constitution and government of the Presbyterian Church in Ireland, the Kirk Session seeks to watch over and promote the spiritual interest of the congregation and of persons not connected with any congregation who are within its bounds. It ensures pastoral care is in place in the congregation and seeks to further the contribution of the Church to Christian witness and service in the local community. The Kirk Sessions has delegated to its Congregational Committee the temporal affairs of the congregation including administering all funds and property belonging to the congregation. Members of the Kirk Session are ex-officio members of the Congregational Committee.

The Kirk Session consists of the ordained minister and the ruling elders of the congregation. All members are entitled to propose, speak and exercise equal votes at meetings, except that the Moderator, the minister in active duty in the congregation, has no deliberative but only a casting vote.

Stated meetings of the Kirk session are held every other month.

To be chosen for the office of the eldership in the congregation a person must be a voting member and a regular attendant on its ordinances. The selection of those proposed to be called to the office can be either by the congregation or by the Kirk Session. Members are elected if they obtain two-thirds of those who vote.

#### **Presbytery**

Under the Presbyterian Church in Ireland form of governance the corporate oversight of a congregation is the responsibility of a Presbytery which superintends generally the spiritual and temporal affairs of the congregations assigned to it by the General Assembly of the Presbyterian Church in Ireland. Greystone Road congregation of the Presbyterian Church has been assigned to the Templepatrick Presbytery of the Presbyterian Church in Ireland. The membership of the Presbytery consists mainly of the active ministers of congregations assigned to it by the General Assembly, ministers who have retired from active duty and an elder appointed by the Kirk Session of the congregation.

### **The General Assembly**

The General Assembly is the supreme court of the Church, representing in one body the whole Church and acting as its supreme legislative, administration and judicial authority, in dealing with all matters brought before it. The General Assembly is normally constituted during the first week in June for worship and to conduct its business. At the end of business it is dissolved. The membership of the General Assembly consists mainly of the active ministers of each congregation, retired ministers and a representative elder appointed by the Kirk Session of each congregation.

### **DESCRIPTION AND PURPOSE**

The charitable purpose of the congregation is the advancement of religion.

Greystone Road congregation of the Presbyterian Church is a congregation of the Presbyterian Church in Ireland. The Presbyterian Church in Ireland, as a Reformed Church within the wider body of Christ is grounded in the Scriptures and exists to love and honour God through faith in His Son and by the power of His Spirit, and to enable her members to play their part in fulfilling God's mission to our world.

On the 31 December 2024 there were 202 communicant members, 281 families are connected with the congregation and the total attendance at morning and evening worship is approximately 245 plus those who watch online.

The congregation aims to live out its Mission and Vision as a family of God's people by being:

- A Covenant Community: where our relationships are rooted in the promises of God by living faithfully toward Him and toward one another.
- An Intergenerational Community: where adults intentionally take the lead to engage with, encourage and nurture younger members to maturity in Christ.
- An Outward looking Community: where we want the blessings of God that belong to us in the gospel to become blessings for others beyond the bounds of our community.
- As a congregation of the Presbyterian Church in Ireland, we believe that the Bible is the supreme authority over all we do, and that the Westminster Confession of Faith, along with the Larger and Shorter Catechisms set out what we understand the Bible teaches on key matters of Christian faith and practice.

### **Mission and outreach**

The congregation supports the United Appeal for Mission which is a central fund of the Presbyterian Church in Ireland. This fund enables congregations to support the wider mission of the denomination and to do mission and outreach on a denominational basis beyond what the congregation could do on its own. The United Appeal Fund provides financial support for mission personnel at home and overseas, assists congregations with the deployment of locally based staff, enables church planting, provides grant support for the upkeep of church premises, assist with the running costs of Union Theological College, the Church's training college for ministry students, and financially supports congregation in the areas of worship, discipleship, global mission, outreach, leadership and pastoral care.

In Greystone Road we support a number of missions through finance and prayer: Tearfund; Asia Link; Middle East Reformed Fellowship; Child Evangelism Fellowship in Romania and Moldova; the Reid family working with the Maasai people in Kenya; M CCP and Destiny Academy church plant Myanmar and SU E3 schools' project.

We have been blessed as a congregation to see many of our young folk actively involved in summer outreach work as well as more long term missionary work at home and overseas. Members of our congregation are involved with Antrim Food Bank and Christians' Against Poverty.

### **Volunteers**

The Trustees wish to acknowledge their deep appreciation of those who give freely of their time by serving on committees, helping run our organisations, those involved with the live streaming of services together with our music teams who lead our praise.

### **PUBLIC BENEFIT STATEMENT**

The Presbyterian Church in Ireland meets the public benefit requirement by providing benefit to its members and the general public by making known the Christian Gospel of the Lord Jesus Christ through the advancement of religion.

The direct benefits which flow from the purposes of the Church include the gaining of an understanding in Christian beliefs as set out in the Bible and in the Church's subordinate standards (the Westminster Confession of Faith and the Shorter and Larger Catechisms) leading to spiritual and moral development and opportunities for response to Bible teaching. In turn, this framework leads to practical expressions of Christian beliefs and standards in the local community such as through the care of those in need (including the sick, disabled and bereaved).

## **GREYSTONE ROAD CONGREGATION OF THE PRESBYTERIAN CHURCH IN IRELAND TRUSTEES ANNUAL REPORT**

Generally the above benefits are delivered locally by congregations and their members, or are facilitated through presbyteries or are organised and delivered centrally. Local delivery is facilitated by central resources in almost all cases. Public access is made known through the use of notice boards, printed material, press advertisement, websites, and social media or in other ways.

The benefits are demonstrated through regular evaluation of the services and informal and ad-hoc feedback from members, their families, and members of the public.

The charitable purpose of the advancement of religion does not lead to harm. The only private benefit flowing from our purpose is related to Ministers, Missionaries, Deaconesses, Irish Mission workers and Lay Agents who receive benefits as a result of their holding office or employment. However, this is incidental and necessary in order to further our charitable purpose. There are no other private benefits. The beneficiaries of this purpose are members, their families, other individuals that the Presbyterian Church in Ireland is in direct and indirect contact with, the community in which pastoral services are provided and other communities throughout Northern Ireland, the Republic of Ireland, and worldwide which benefit from our engagement with and support for both Christian and other secular organisations, charities and individual members of the public.

The Kirk Session has had regard to the Charity Commission's Public benefit requirement statutory guidance.

### **Presbytery**

The congregation is represented at Presbytery by our minister and / or one of the elders. This provides an important link between the congregations and the wider structures of the church. The representative Elder appointed this year for Greystone Road congregation is Mr. Graeme Lutton.

### **General Assembly**

The minister and one of the elders are nominated to attend the meeting of the General Assembly of the Presbyterian Church in Ireland held in Assembly Buildings, Belfast. The representative Elder appointed this year for Greystone Road congregation is Mr. James Warwick.

### **Property**

Our Church buildings and internal furnishings are kept in good condition. This year a considerable amount of lighting was changed to LED fittings and to comply with Health and Safety regulations the emergency lighting was replaced. Our electrical switch room was updated and a large amount of internal painting was carried out. This was overseen by our property convener Mr. Ian Higgins and his team on the property committee.

## **GREYSTONE ROAD CONGREGATION OF THE PRESBYTERIAN CHURCH IN IRELAND TRUSTEES ANNUAL REPORT**

### **Data Protection**

To comply with Data Protection policy the Trustees adopted our own Data protection policy which is reviewed each year this ensures that we comply with data protection law and follow good practice. It protects the rights of members and adherents, staff, volunteers and other people we have a relationship with or may need to contact. Mr. Richard Cairns is our Data Protection Officer for Greystone Road Presbyterian Church.

### **FINANCIAL REVIEW**

The congregation's main source of income is members' contributions through the Weekly Freewill Offering. There were 180 contributors during the year (184 in previous year, 2023) donating a total of £169,987 (£156,020 in previous year, 2023). This increase of almost £14,000 combined with a related increase in gift aid received of almost £2,500 contributed to the significant increase in total income received during the year which rose from £216,074 in 2023 to £241,257 in 2024. An increase in fundraising activities and donations towards a planned trip to Myanmar in January 2025, including funds raised by Ballyclare Presbyterian Church, as well as increased money and grants received by church organisations accounts for the remainder of the additional receipts.

Total expenditure decreased from £355,299 to £250,124, mainly due to the completion of a major refurbishment of our Manse with only the final payment being made to the contractors during 2024. Unforeseen essential electrical work, however, was required to the church building during the year, resulting in a deficit of £16,820 in the property fund at the end of the financial year. It is anticipated that this deficit will be cleared during 2025 provided that no further essential work is required.

The Elders meeting wish to have in hand an amount equal to six months regular expenditure as free reserves to meet future shortfalls in income and unexpected expenses. This has been achieved as the balance of free reserves as at 31 December 2024 was £134,295 (£118,996 in previous year 2023) and some of these reserves have been used to temporarily offset the additional expenditure from the property fund.
