

### Accountants Statement

#### Basis Of Opinion

An audit includes an examination on a test basis the evidence relevant to the amounts and disclosures in this return. It also includes an assessment of the significant estimates and judgements made by the Church Treasurer in the preparation of this return and whether they are consistently applied and adequately disclosed.

I planned and performed my audit so as to obtain all the information and explanations which I considered necessary in order to provide me sufficient evidence to give me reasonable assurance that the financial information provided in this return is free from material misstatement whether occurred by fraud or other irregularity or error.

#### Opinion

In my opinion the information provided in the return properly presents the receipts and payments of the Church Treasurers Account, General Repair Account and Organisation Accounts, on pages 1 to 5, for the year ended 31 December 2024.
