

Throughout the year we had approximately 7 girls regularly attending with 2 adult leaders.

The academic year began with the sad news of the passing of Queen Elizabeth II. Brownies, who had finished the previous year celebrating the Platinum Jubilee, reflected on the life of the late Queen and looked forward to the reign of Charles III.

We then followed the Brownie programmes, completing skill builders and unit meeting activities. These included cookery, crafts and games. Special highlights of the year included celebrating Harvest, marking Remembrance, decorating a tree for the Christmas Tree Festival, hosting a Christmas Craft Fair, completing our Space Interest Badge, taking part in an Easter Escape room, a special visit and charity collection for Almost Home NI Animal Charity and a cinema visit with our Rainbows and Guides to see the new The Little Mermaid movie.

In mid-June, our 3 oldest Brownies attended an overnight residential event with our Guides unit. The event took place at Lorne in the Ranger's Cottage. We used this extra time to work on our teamwork skills and complete Skills Builder activities for the Have Adventures - Explore- Stage 2 badge.

At the end of the year our bank account was in credit and the financial position of the unit was secure.
