

3rd Antrim Brownies Annual Report 2020

Charity number 104943

In March 2020 we had to stop meeting face to face due to COVID-19 but just before this the brownies raised £405 for their choose charity the princess trust by making a short video and showing it in church to raise awareness of this charity.

The rest of the year we were able to keep some girls interested on zoom and able to complete several badges and two girls got silver badges for completing four theme badges.

Due to COVID-19 in September we were able to meet face to face outside for two meetings before bad weather got the better of us so we went back to zoom meetings
