Trustees report for the year ended 31 March 2025

The Trustees present their report along with the financial statements of the charity for the year ended 31 March 2025. The financial statements have been prepared in accordance with the accounting policies set out of page 11.

Constitution

REACT is a non-incorporated body and is an accepted charity by HM Revenue and Customs. REACT was registered as a charity by the Charity Commission Northern Ireland on the 12 May 2016 under number 104972.

Organisation

The Trustees who have served during the year are detailed out on page 3.

Who are REACT

REACT first opened in Armagh in February 1999. The organisation, known originally as EPIC Mid Ulster, was established to work with ex-prisoners and their families. Due to the changes in local need the organisation became REACT, (Reconciliation, Education and Community Training) in 2002. The organisation has successfully evolved from working with a single identity group to working cross community with groups and individuals from all backgrounds, religions, or cultures.

REACT operates primarily in the County Armagh, Mourne and Tyrone areas, and is registered as a charity under The Charity Commission for Northern Ireland.

REACT has 25 years experience of successfully delivering a range of community support, development and relations projects. REACT currently delivers a range of support services to victims and survivors of the Northern Ireland Troubles and to children and young people primarily identified as at risk, vulnerable or disadvantaged.

The organisation adheres to the Code of Good Governance as set out by the Charity Commission for Northern Ireland. The Management Committee have the ultimate responsibility for ensuring the successful delivery of all REACT services, exercising appropriate controls and ensuring accountability.

REACT recognises that addressing all the needs of victims and survivors, children and young people is not easily or effectively achieved by working alone, and that by working in partnership and collaboration with a range of statutory and community agencies we can better meet the needs of service users and our community.

Service user engagement is core to our ethos. Communicating with and involving our service users at every stage of service development, delivery and evaluation is fundamental. REACT's Victims and Survivors Steering Group, Youth Committee and Youth Mentoring Working Group provide platforms for service users to have their voices heard and influence the direction and development of the organisation.

Notes to the accounts for the year ended 31 March 2025

1 Principal accounting policies

The financial statements have been prepared in accordance with applicable Accounting Standards in the United Kingdom and the Charities Act (Northern Ireland) 2008. A summary of the more important accounting policies, which have been applied consistently, is set out below.

Basis of accounting

The financial statements are prepared in accordance with the historical cost convention modified by the revaluation of certain fixed assets.

Taxation

The charity is exempt from tax on its charitable activities.

Restricted Funds

Restricted funds are accounted for in accordance with the particular terms of trust arising from the express or implied wishes of the donors in so far as these are intended to be binding on the charity. Where such wishes are not intended to be binding, they are taken into account and recognised in appropriately designated funds.

The Trustees have designated £8,000 for Redundancy, £3,000 for Legal Fees and £2,000 for Development from the money held within their General No 2 Account.

Unrestricted Free Reserves

Free Reserves represent amount which are expendable at the discretion of the trustees in furtherance of the objectives of the charity and which have not been designated for any other purpose. Such funds may be held in order to finance working capital or capital expenditure.

Incoming Resources

Voluntary income or capital is included in the Statement of Financial Activities when the charity is legally entitled to it, its financial value can be quantified with reasonable certainty and there is reasonable certainty of its ultimate receipt. Entitlement to legacies is considered established when the charity has been notified of a distribution to be made by the executors. Income received in advance of due performance under a contract is accounted for as deferred income until earned. Grants for activities are recognised as income when the related conditions for legal entitlement have been met. All other income is accounted for on an accrual basis.

Resources Expended

All resources expended are accounted for on an accrual basis. Charitable activities include costs of services and grants, support costs and depreciation on related assets. Costs of generating funds similarly include fundraising activities. Non –staff costs not attributed to one category of activity are allocated or apportioned pro-rat to the staffing of the relevant service. Finance, HR and administrative staff costs are directly attributable to individual activities by objective. Governance costs are those associated with constitutional and statutory requirements.

Government grants

Grants that relate to specific capital expenditure are treated as deferred income, which is then credited to the Statement of Financial Activities over the related asset's useful life. Revenue grants are credited to the Statement of Financial Activities in the same year as the related expenditure is incurred.

Tangible fixed assets

The cost of tangible fixed assets is their purchase cost, together with any incidental expenses of acquisition.

Depreciation is calculated so as to write off the cost, or valuation of tangible fixed assets, over the expected useful economic lives of the assets concerned. The principal annual rates used for this purpose are:

Trustees report for the year ended 31 March 2024

The Trustees present their report along with the financial statements of the charity for the year ended 31 March 2024. The financial statements have been prepared in accordance with the accounting policies set out of page 11.

Constitution

REACT is a non-incorporated body and is an accepted charity by HM Revenue and Customs. REACT was registered as a charity by the Charity Commission Northern Ireland on the 12 May 2016 under number 104972.

Organisation

The Trustees who have served during the year are detailed out on page 3.

Who are REACT

REACT first opened in Armagh in February 1999. The organisation, known originally as EPIC Mid Ulster, was established to work with ex-prisoners and their families. Due to the changes in local need the organisation became REACT, (Reconciliation, Education and Community Training) in 2002. The organisation has successfully evolved from working with a single identity group to working cross community with groups and individuals from all backgrounds, religions, or cultures.

REACT operates primarily in the County Armagh, Mourne and Tyrone areas, and is registered as a charity under The Charity Commission for Northern Ireland.

REACT has 25 years experience of successfully delivering a range of community support, development and relations projects. REACT currently delivers a range of support services to victims and survivors of the Northern Ireland Troubles and to children and young people primarily identified as at risk, vulnerable or disadvantaged.

The organisation adheres to the Code of Good Governance as set out by the Charity Commission for Northern Ireland. The Management Committee have the ultimate responsibility for ensuring the successful delivery of all REACT services, exercising appropriate controls and ensuring accountability.

REACT recognises that addressing all the needs of victims and survivors, children and young people is not easily or effectively achieved by working alone, and that by working in partnership and collaboration with a range of statutory and community agencies we can better meet the needs of service users and our community.

Service user engagement is core to our ethos. Communicating with and involving our service users at every stage of service development, delivery and evaluation is fundamental. REACT's Victims and Survivors Steering Group, Youth Committee and Youth Mentoring Working Group provide platforms for service users to have their voices heard and influence the direction and development of the organisation.

Most importantly, REACT continues to rise to the challenge of dealing with developing needs within the community, promoting empowerment and peace, and being mindful of how best to provide accessible and responsive services that support and transform the lives of those most in need, vulnerable and disadvantaged.

Statement of Public Benefit

The Trustees believe that both our purposes and the activities undertaken in this last financial year clearly satisfy elements of the public benefit requirement.

Notes to the accounts for the year ended 31 March 2024

1 Principal accounting policies

The financial statements have been prepared in accordance with applicable Accounting Standards in the United Kingdom and the Charities Act (Northern Ireland) 2008. A summary of the more important accounting policies, which have been applied consistently, is set out below.

Basis of accounting

The financial statements are prepared in accordance with the historical cost convention modified by the revaluation of certain fixed assets.

Taxation

The charity is exempt from tax on its charitable activities.

Restricted Funds

Restricted funds are accounted for in accordance with the particular terms of trust arising from the express or implied wishes of the donors in so far as these are intended to be binding on the charity. Where such wishes are not intended to be binding, they are taken into account and recognised in appropriately designated funds.

The Trustees have designated £8,000 for Redundancy, £3,000 for Legal Fees and £2,000 for Development from the money held within their General No 2 Account.

Unrestricted Free Reserves

Free Reserves represent amount which are expendable at the discretion of the trustees in furtherance of the objectives of the charity and which have not been designated for any other purpose. Such funds may be held in order to finance working capital or capital expenditure.

Incoming Resources

Voluntary income or capital is included in the Statement of Financial Activities when the charity is legally entitled to it, its financial value can be quantified with reasonable certainty and there is reasonable certainty of its ultimate receipt. Entitlement to legacies is considered established when the charity has been notified of a distribution to be made by the executors. Income received in advance of due performance under a contract is accounted for as deferred income until earned. Grants for activities are recognised as income when the related conditions for legal entitlement have been met. All other income is accounted for on an accrual basis.

Resources Expended

All resources expended are accounted for on an accrual basis. Charitable activities include costs of services and grants, support costs and depreciation on related assets. Costs of generating funds similarly include fundraising activities. Non –staff costs not attributed to one category of activity are allocated or apportioned pro-rat to the staffing of the relevant service. Finance, HR and administrative staff costs are directly attributable to individual activities by objective. Governance costs are those associated with constitutional and statutory requirements.

Government grants

Grants that relate to specific capital expenditure are treated as deferred income, which is then credited to the Statement of Financial Activities over the related asset's useful life. Revenue grants are credited to the Statement of Financial Activities in the same year as the related expenditure is incurred.

Trustees report for the year ended 31 March 2024

The Trustees present their report along with the financial statements of the charity for the year ended 31 March 2024. The financial statements have been prepared in accordance with the accounting policies set out of page 11.

Constitution

REACT is a non-incorporated body and is an accepted charity by HM Revenue and Customs. REACT was registered as a charity by the Charity Commission Northern Ireland on the 12 May 2016 under number 104972.

Organisation

The Trustees who have served during the year are detailed out on page 3.

Who are REACT

REACT first opened in Armagh in February 1999. The organisation, known originally as EPIC Mid Ulster, was established to work with ex-prisoners and their families. Due to the changes in local need the organisation became REACT, (Reconciliation, Education and Community Training) in 2002. The organisation has successfully evolved from working with a single identity group to working cross community with groups and individuals from all backgrounds, religions, or cultures.

REACT operates primarily in the County Armagh, Mourne and Tyrone areas, and is registered as a charity under The Charity Commission for Northern Ireland.

REACT has 25 years experience of successfully delivering a range of community support, development and relations projects. REACT currently delivers a range of support services to victims and survivors of the Northern Ireland Troubles and to children and young people primarily identified as at risk, vulnerable or disadvantaged.

The organisation adheres to the Code of Good Governance as set out by the Charity Commission for Northern Ireland. The Management Committee have the ultimate responsibility for ensuring the successful delivery of all REACT services, exercising appropriate controls and ensuring accountability.

REACT recognises that addressing all the needs of victims and survivors, children and young people is not easily or effectively achieved by working alone, and that by working in partnership and collaboration with a range of statutory and community agencies we can better meet the needs of service users and our community.

Service user engagement is core to our ethos. Communicating with and involving our service users at every stage of service development, delivery and evaluation is fundamental. REACT's Victims and Survivors Steering Group, Youth Committee and Youth Mentoring Working Group provide platforms for service users to have their voices heard and influence the direction and development of the organisation.

Most importantly, REACT continues to rise to the challenge of dealing with developing needs within the community, promoting empowerment and peace, and being mindful of how best to provide accessible and responsive services that support and transform the lives of those most in need, vulnerable and disadvantaged.

Statement of Public Benefit

The Trustees believe that both our purposes and the activities undertaken in this last financial year clearly satisfy elements of the public benefit requirement.

Notes to the accounts for the year ended 31 March 2023

1 Principal accounting policies

The financial statements have been prepared in accordance with applicable Accounting Standards in the United Kingdom and the Charities Act (Northern Ireland) 2008. A summary of the more important accounting policies, which have been applied consistently, is set out below.

Basis of accounting

The financial statements are prepared in accordance with the historical cost convention modified by the revaluation of certain fixed assets.

Taxation

The charity is exempt from tax on its charitable activities.

Restricted Funds

Restricted funds are accounted for in accordance with the particular terms of trust arising from the express or implied wishes of the donors in so far as these are intended to be binding on the charity. Where such wishes are not intended to be binding, they are taken into account and recognised in appropriately designated funds.

Unrestricted Free Reserves

Free Reserves represent amount which are expendable at the discretion of the trustees in furtherance of the objectives of the charity and which have not been designated for any other purpose. Such funds may be held in order to finance working capital or capital expenditure.

Incoming Resources

Voluntary income or capital is included in the Statement of Financial Activities when the charity is legally entitled to it, its financial value can be quantified with reasonable certainty and there is reasonable certainty of its ultimate receipt. Entitlement to legacies is considered established when the charity has been notified of a distribution to be made by the executors. Income received in advance of due performance under a contract is accounted for as deferred income until earned. Grants for activities are recognised as income when the related conditions for legal entitlement have been met. All other income is accounted for on an accrual basis.

Resources Expended

All resources expended are accounted for on an accrual basis. Charitable activities include costs of services and grants, support costs and depreciation on related assets. Costs of generating funds similarly include fundraising activities. Non-staff costs not attributed to one category of activity are allocated or apportioned pro-rata to the staffing of the relevant service. Finance, HR and administrative staff costs are directly attributable to individual activities by objective. Governance costs are those associated with constitutional and statutory requirements.

Government grants

Grants that relate to specific capital expenditure are treated as deferred income, which is then credited to the Statement of Financial Activities over the related asset's useful life. Revenue grants are credited to the Statement of Financial Activities in the same year as the related expenditure is incurred.
