Governance

- The Group's governing documents are those of The Scout Association. They consist of a Royal Charter, which in turn gives authority to the Bye Laws of the Association and The Policy, Organisation and Rules of The Scout Association.
- The Group is a trust established under its rules which are common to all Scouts.
- The Trustees are appointed in accordance with the Policy, Organisation and Rules of The Scout Association.
- The Group is managed by the Group Executive Committee, the members of which are the 'Charity Trustees' of the Scout Group which is an educational charity. As charity trustees they are responsible for complying with legislation applicable to charities. This includes the registration, keeping proper accounts and making returns to the Charity Commission as appropriate.
- The Committee consists of 3 independent representatives, Chair, Treasurer and Secretary together with the Group Scout Leader, individual section leaders (if opted to take on the responsibility) and parent's representation and meets every 4 months.
- Members of the Executive Committee complete 'Essential Information for Executive Committee' training within the first 5 months of joining the committee.

This Group Executive Committee exists to support the Group Scout Leader in meeting the responsibilities of the appointments and is responsible for:

- The maintenance of Group property;
- The raising of funds and the administration of Group finance;
- The insurance of persons, property and equipment;
- Group public occasions;
- Assisting in the recruitment of leaders and other adult support;
- Appointing any sub committees that may be required;
- Appointing Group Administrators and Advisors other than those who are elected.

Public Benefit

The Group meets the Charity Commission's public benefit criteria under both the advancement of education and the advancement of citizenship or community development headings.

Reserves Policy

The Group's policy on reserves is to hold sufficient resources to continue the charitable activities of the group should income and fundraising activities fall short. The Group Executive Committee considers that the group should hold a sum equivalent to 12 months running costs, circa £3500.

Risk and Internal Control

The group has in place systems of internal controls that are designed to provide reasonable assurance against material mismanagement or loss, these include 2 signatories for all payments and a comprehensive insurance policy to ensure that insurable risks are covered.

Investment Policy

The Group does not have sufficient funds to invest in longer term investments. The Group has therefore adopted a risk averse strategy to the investment of its funds. All funds are held in cash using only mainstream banks or building societies

The Purpose of Scouting

Scouting exists to actively engage and support young people in their personal development, empowering them to make a positive contribution to society.

The Values of Scouting

As Scouts we are guided by these values:

Integrity - We act with integrity; we are honest, trustworthy and loyal.

Respect - We have self-respect and respect for others.

Care - We support others and take care of the world in which we live.

Belief - We explore our faiths, beliefs and attitudes.

Co-operation - We make a positive difference; we co-operate with others and make friends.

Squirrels

The Squirrels have a fantastic year filled with fun laughter and learning new things. They have played many new games and tried new things. The Squirrels showed how wonderful they were when learning about giving Emergency Aid with the help of a Pilot. Baloo (from Cubs) came to chat about our Local heroes as she told them the stories about how scouting started and the early days of scouting.

This is only possible with the continued support of the team of adults who help the Squirrels on a weekly basis

A huge 'Thank you' to all the Leaders and members of the Group Trustee Board who give up their 'free' time to help deliver the exciting, challenging and fun programmes across all the sections.

It is not just the 'hour a week' when they are at Sectional Meetings but the various planning meetings, text messages, phone calls and the training that happens in the background that keep them busy!

Each year on 31 January, we do our Annual Census to 'count' the number of Young People and Adult Volunteer, and you can see, the Scout Group has been growing steadily after our 18-month hiatus!

We want to be able to provide as a many young people the opportunity to experience scouting but we are limited due to size of the Community Hall and Adult Volunteers to keep the Young People safe on an activity or providing support through management of the Group.

As such there are always volunteering opportunities across the various sections in the Scout Group - whether you want to help out and be one of the Leaders Team at a sectional meeting, have a hobby or a skill that you can share with the Beaver Colony or Scout Troop, be part of the Group Management Team or have few free night a month to help manage the equipment, please get in touch with Simon Brown (Group Scout Leader) at
