The trustees present the annual report and statements of Receipts and Payments and Assets and Liabilities for Carrick Parish Church, Ballyquin Road, Limavady for the year ended 31 December 2024.

Charity Purpose and Activities

The charitable purpose of the Church of Ireland is the advancement of religion.

The principal function of the Carrick Parish Church is to support the advancement of the Christian religion by promoting, through the work of the parish, the whole mission of the Church, pastoral, evangelistic, social and ecumenical. Being open to and engaging with society as a whole and offering support for those needing help are fundamental to the practical delivery of the benefits of Christianity.

As a result of activity in the pursuit of the advancement of the Christian religion, the Carrick Parish Church has custody of property and of records, materials and artefacts of significance to the cultural and religious heritage and maintenance of which is undertaken by the Select Vestry of the Carrick Parish Church.

Achievements, Performance & Public Benefit

Carrick Parish Church provides weekly services of Morning Prayer along with Holy Communion, Baptisms, Weddings, Funeral Services and Pastoral Support. We hold Sunday School each week for the children prior to the morning service. During the year, Carrick Parish Church held their annual Harvest Thanksgiving Service, Orange Service and joint services for Easter and Christmas with its sister parishes which were well supported by the parishioners of the church and visitors.

We have numerous groups and clubs running in our parish which cater for all ages and interests, such as Mother's Union, Horse Shoe Fellowship, Monday Club, Bible Study, and Knit and Natter. These activities fulfil our objective and charitable purpose and have provided public benefit. Through our activities we aim to contribute not only to the spiritual well-being of people but their physical, practical, social and emotional needs also.

We have mitigated any potential harm from the activities i.e. we uphold the standards of the Church of Ireland's Child protection policy – Safeguarding Trust.

Financial Review

Financial reports are reviewed throughout the year and the year-end financial report is approved by the Trustees at the Easter Vestry. Total receipts of £78,965 for the year ended 31 December 2024 were more than total payments of £75,930, a surplus of £3,035, thereby increasing the total cash funds held as at 31 December 2024 to £66,872. Carrick Church also holds investment funds of £15,008.

Going Concern

The Trustees have reviewed the plans for the year ahead and are satisfied that there are adequate funds in place to ensure that the Parish can continue its activities. Furthermore, the Trustees have considered the consequences of the current economic climate and other events and conditions, and they have determined that they do not create a material uncertainty that casts significant doubt upon the Parish's ability to continue as a going concern.

Structure, Governance and Management

Governing Document and Constitution of the Charity

Chapter III of the Constitution of the Church of Ireland governs Parishes and Parochial Organisation. The Select Vestry members are the Charity Trustees.

1. Accounting policies

Set out below are the principal accounting policies which have been adopted in the compilation of the Receipts and Payments Account and the Statement of Assets and Liabilities:

(a) Receipts and Payments Account

As total income is less than £250k the Trustees have elected in accordance with the Provisions of The Charities (Accounts and Reports Regulations (Northern Ireland)) to prepare its accounts on a cash receipts basis.

(b) Classification of Funds

Funds are classified as either restricted funds or unrestricted funds, defined as follows:

- ◆ Restricted funds are funds subject to specific requirements as to their use which may be declared by the donor or with their authority or created through legal processes, but still within the wider objects of the Parish;
- ◆ Endowment funds are funds which have been given on the condition that the original capital sum is not reduced, but the income there from is used for the purpose defined in accordance with the objects of the Parish; and
- ◆ Unrestricted funds are expendable at the discretion of the trustees in furtherance of the objects of the charity. If parts of the unrestricted funds are earmarked at the discretion of the trustees for a particular purpose, they are designated as a separate fund. This designation has an administrative purpose only and does not legally restrict the trustees' discretion to apply the fund.

(c) Statement of Assets and Liabilities

Assets retained for the Parish's own use

The assets of the Parish, retained for its own use comprise:-

- ◆ Church Building
- ◆ Rectory

The Church Building is deemed to be Heritage assets as defined by the Charities SORP (FRS102). These Heritage assets are not included in the Statement of Assets and Liabilities as information on the cost or valuation is not available and such information cannot be obtained at a cost commensurate with the benefit to the users of the accounts and to the parish.

The Rectory is recognised at cost, being the estimated fair value of the property at 31 December 2024. No depreciation has been provided on the Rectory as the current estimated residual value is not less than its carrying value and remaining useful life currently exceeds 50 years.

Ultimate control of the Rectory is held in the following proportions between the Trustees of the three sister Parishes:

- Balteagh Parish Church (30%);
- Carrick Parish Church (30%); and
- Aghanloo & Tamlaghtard Parish Church (40%)

No asset value is included in the Statement of Assets and Liabilities for Carrick as the value is recognised in Balteagh Parish Church.

1. Accounting policies

Set out below are the principal accounting policies which have been adopted in the compilation of the Receipts and Payments Account and the Statement of Assets and Liabilities:

(a) Receipts and Payments Account

As total income is less than £250k the Trustees have elected in accordance with the Provisions of The Charities (Accounts and Reports Regulations (Northern Ireland) to prepare its accounts on a cash receipts basis.

(b) Classification of Funds

Funds are classified as either restricted funds or unrestricted funds, defined as follows:

- ◆ Restricted funds are funds subject to specific requirements as to their use which may be declared by the donor or with their authority or created through legal processes, but still within the wider objects of the Parish;
- ◆ Endowment funds are funds which have been given on the condition that the original capital sum is not reduced, but the income there from is used for the purpose defined in accordance with the objects of the Parish; and
- ◆ Unrestricted funds are expendable at the discretion of the trustees in furtherance of the objects of the charity. If parts of the unrestricted funds are earmarked at the discretion of the trustees for a particular purpose, they are designated as a separate fund. This designation has an administrative purpose only and does not legally restrict the trustees' discretion to apply the fund.

(c) Statement of Assets and Liabilities

Assets retained for the Parish's own use

The assets of the Parish, retained for its own use comprise:-

- ◆ Church Building
- ◆ Rectory

The Church Building is deemed to be Heritage assets as defined by the Charities SORP (FRS102). These Heritage assets are not included in the Statement of Assets and Liabilities as information on the cost or valuation is not available and such information cannot be obtained at a cost commensurate with the benefit to the users of the accounts and to the parish.

The Rectory is recognised at cost, being the estimated fair value of the property at 31 December 2023. No depreciation has been provided on the Rectory as the current estimated residual value is not less than its carrying value and remaining useful life currently exceeds 50 years.

Ultimate control of the Rectory is held in the following proportions between the Trustees of the three sister Parishes:

- Balteagh Parish Church (30%);
- Carrick Parish Church (30%); and
- Aghanloo & Tamlaghtard Parish Church (40%)

No asset value is included in the Statement of Assets and Liabilities for Carrick as the value is recognised in Balteagh Parish Church.

TRUSTEES' ANNUAL REPORT FOR THE YEAR ENDED 31ST DECEMBER 2023

The trustees present the annual report and statements of Receipts and Payments and Assets and Liabilities for Carrick Parish Church, Ballyquin Road, Limavady for the year ended 31 December 2023.

Charity Purpose and Activities

The charitable purpose of the Church of Ireland is the advancement of religion.

The principal function of the Carrick Parish Church is to support the advancement of the Christian religion by promoting, through the work of the parish, the whole mission of the Church, pastoral, evangelistic, social and ecumenical. Being open to and engaging with society as a whole and offering support for those needing help are fundamental to the practical delivery of the benefits of Christianity.

As a result of activity in the pursuit of the advancement of the Christian religion, the Carrick Parish Church has custody of property and of records, materials and artefacts of significance to the cultural and religious heritage and maintenance of which is undertaken by the Select Vestry of the Carrick Parish Church.

Achievements, Performance & Public Benefit

Carrick Parish Church provides weekly services of Morning Prayer along with Holy Communion, Baptisms, Weddings, Funeral Services and Pastoral Support. We hold Sunday School each week for the children prior to the morning service. During the year, Carrick Parish Church held their annual Harvest Thanksgiving Service, *Orange Service and joint services for Easter and Christmas with its sister parishes which were well supported* by the parishioners of the church and visitors.

We have numerous groups and clubs running in our parish which cater for all ages and interests, such as Mother's Union, Horse Shoe Fellowship, Monday Club, Bible Study, and Knit and Natter. These activities fulfil our objective and charitable purpose and have provided public benefit. Through our activities we aim to contribute not only to the spiritual well-being of people but their physical, practical, social and emotional needs also.

We have mitigated any potential harm from the activities i.e. we uphold the standards of the Church of Ireland's Child protection policy – Safeguarding Trust.

Financial Review

Financial reports are reviewed throughout the year and the year-end financial report is approved by the Trustees at the Easter Vestry. Total receipts of £55,056 for the year ended 31 December 2023 were more than total payments of £53,208, a surplus of £1,848, thereby increasing the total cash funds held as at 31 December 2023 to £63,836. Carrick Church also holds investment funds of £15,008.

Going Concern

The Trustees have reviewed the plans for the year ahead and are satisfied that there are adequate funds in place to ensure that the Parish can continue its activities. Furthermore, the Trustees have considered the consequences of the current economic climate and other events and conditions, and they have determined that they do not create a material uncertainty that casts significant doubt upon the Parish's ability to continue as a going concern.

1. Accounting policies

Set out below are the principal accounting policies which have been adopted in the compilation of the Receipts and Payments Account and the Statement of Assets and Liabilities:

(a) Receipts and Payments Account

As total income is less than £250k the Trustees have elected in accordance with the Provisions of The Charities (Accounts and Reports Regulations (Northern Ireland) to prepare its accounts on a cash receipts basis.

(b) Classification of Funds

Funds are classified as either restricted funds or unrestricted funds, defined as follows:

- ◆ Restricted funds are funds subject to specific requirements as to their use which may be declared by the donor or with their authority or created through legal processes, but still within the wider objects of the Parish;
- ◆ Endowment funds are funds which have been given on the condition that the original capital sum is not reduced, but the income there from is used for the purpose defined in accordance with the objects of the Parish; and
- ◆ Unrestricted funds are expendable at the discretion of the trustees in furtherance of the objects of the charity. If parts of the unrestricted funds are earmarked at the discretion of the trustees for a particular purpose, they are designated as a separate fund. This designation has an administrative purpose only and does not legally restrict the trustees' discretion to apply the fund.

(c) Statement of Assets and Liabilities

Assets retained for the Parish's own use

The assets of the Parish, retained for its own use comprise:-

- ◆ Church Building
- ◆ Rectory

The Church Building is deemed to be Heritage assets as defined by the Charities SORP (FRS102). These Heritage assets are not included in the Statement of Assets and Liabilities as information on the cost or valuation is not available and such information cannot be obtained at a cost commensurate with the benefit to the users of the accounts and to the parish.

The Rectory is recognised at cost, being the estimated fair value of the property at 31 December 2020. No depreciation has been provided on the Rectory as the current estimated residual value is not less than its carrying value and remaining useful life currently exceeds 50 years.

Ultimate control of the Rectory is held in the following proportions between the Trustees of the three sister Parishes:

- Balteagh Parish Church (30%);
- Carrick Parish Church (30%); and
- Aghanloo & Tamlaghtard Parish Church (40%)

No asset value is included in the Statement of Assets and Liabilities for Carrick as the value is recognised in Balteagh Parish Church.

The trustees present the annual report and statements of Receipts and Payments and Assets and Liabilities for Carrick Parish Church, Ballyquin Road, Limavady for the year ended 31 December 2022.

Charity Purpose and Activities

The charitable purpose of the Church of Ireland is the advancement of religion.

The principal function of the Carrick Parish Church is to support the advancement of the Christian religion by promoting, through the work of the parish, the whole mission of the Church, pastoral, evangelistic, social and ecumenical. Being open to and engaging with society as a whole and offering support for those needing help are fundamental to the practical delivery of the benefits of Christianity.

As a result of activity in the pursuit of the advancement of the Christian religion, the Carrick Parish Church has custody of property and of records, materials and artefacts of significance to the cultural and religious heritage and maintenance of which is undertaken by the Select Vestry of the Carrick Parish Church.

Achievements, Performance & Public Benefit

Carrick Parish Church provides weekly services of Morning Prayer along with Holy Communion, Baptisms, Weddings, Funeral Services and Pastoral Support. We hold Sunday School each week for the children prior to the morning service. During the year, Carrick Parish Church held their annual Harvest Thanksgiving Service, Orange Service and joint services for Easter and Christmas with its sister parishes which were well supported by the parishioners of the church and visitors.

We have numerous groups and clubs running in our parish which cater for all ages and interests, such as Mother's Union, Horse Shoe Fellowship, Monday Club, Bible Study, and Knit and Natter. These activities fulfil our objective and charitable purpose and have provided public benefit. Through our activities we aim to contribute not only to the spiritual well-being of people but their physical, practical, social and emotional needs also.

We have mitigated any potential harm from the activities i.e. we uphold the standards of the Church of Ireland's Child protection policy – Safeguarding Trust.

Financial Review

Financial reports are reviewed throughout the year and the year-end financial report is approved by the Trustees at the Easter Vestry. Total receipts of £47,356 for the year ended 31 December 2022 were more than total payments of £29,879, a surplus of £17,476, thereby increasing the total cash funds held as at 31 December 2022 to £61,988. Carrick Church also holds investment funds of £14,804.

Going Concern

The Trustees have reviewed the plans for the year ahead and are satisfied that there are adequate funds in place to ensure that the Parish can continue its activities. Furthermore, the Trustees have considered the consequences of the current economic climate and other events and conditions, and they have determined that they do not create a material uncertainty that casts significant doubt upon the Parish's ability to continue as a going concern.
