REPORT OF THE DIRECTOR (INCORPORATING TRUSTEE'S REPORT)

The Director (who is also the trustee) are pleased to present their annual report together with the financial statements of the charity for the year ending 31 December 2024, which are prepared to meet the requirements for a director's report and accounts for Companies Act purposes. The directors have adopted the provisions of the Companies Act 2006 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (Charities SORP – FRS102), in preparing the annual report and financial statements of the charity.

Financial review and funds policy

During the year the Charity's total income was £2,428, with its expenses totalling £34,769. The net outgoing resources for the year amounting to £32,341 as shown in the statement of financial activities on page 6 have been deducted from the company's funds.

At the year end the Charity had £62,294 of cash funds available for distribution.

The company plans to continue its activities in the forthcoming years.

Objectives and Activities (and how they deliver public benefit)

The Objects of the Charity are:

- To promote the benefit of the inhabitants of Northern Ireland without distinction of sex, sexual orientation, race or of political, religious or other opinion by associating together with the said inhabitants and the local authorities, voluntary and other organisations in a common effort to relieve poverty and advance education and to provide facilities in the interests of social welfare for the recreation and leisure-time occupation with the object of improving the conditions of life for the said inhabitants.
- To advance the Christian religion.

The main aim of the Charity is to reach out to both individuals and charities in the local community and practically express God's Love. The Charity financially supports organisations whose objective is to advance the Christian faith without prejudice or discrimination. As a result of this financial assistance, and the endeavours of the employees of the Charity, we believe that we positively impact and improve lives of both individuals and families for the better. The Charity and its employees are willing to help anyone who finds themselves in hardship or distress. This in turn allow us to witness and share our Christian faith, and through this, lives are improved. People move away from poverty, addiction and deprivation to live new lives and come to know Jesus Christ. One of the objectives of the Charity is to promote the benefit of the public of Northern Ireland by associating with local authorities, voluntary and other organisations including churches in a common effort to relieve poverty, to advance education and to provide facilities in the interests of social welfare for recreation and leisure time occupation. This is achieved through assisting people from areas of social and economic deprivation both financially and practically as well as encouraging children and adults to develop as individuals and become active members of the community thereby increasing feelings of confidence and self-worth.

It also seeks to provide children, young people, adults and elderly members of the community with the opportunity to take part in recreational and creative events which is a direct benefit to individuals by providing a platform for people to interact, socialise and build relationships with their peers: this is also an indirect benefit for the public as there is an improvement in social behaviour. The Charity will also meet the public benefit by seeking to advance the Christian faith which will be a direct benefit to people and an indirect benefit to the public due to the teaching of moral standards. This strengthens families and encourages individuals to become more active citizens and make better lifestyle choices leading to a reduction in homelessness, addiction and poverty. Please note we hereby confirm that there is no private benefit or potential harm from the objects of the Charity.

The Trustee has had regard to the Charity Commission's Public Benefit requirement.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST DECEMBER 2024

1. Company information

The Company is limited by guarantee and is incorporated in Northern Ireland. The address of the registered office is 42 Tully Road, Portglenone, Ballymena, Co Antrim BT44 8DG. The financial statements were authorised for issue by the Board on 26th September 2025.

2. Accounting policies

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

Basis of preparation

The financial statements have been prepared on a going concern basis in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) – (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006. The accounts are prepared in sterling, which is the functional currency of the charity.

The Company meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost and transaction value unless otherwise stated in the relevant accounting policy note(s).

Preparation of accounts on a going concern basis

The Charity generally meets its day to day working capital requirements from its annual income. The Trustee has obtained and reviewed cash flow forecasts for the coming year and based on these are satisfied that the Charity has resources to provide a reasonable expectation that it can continue to meet its financial obligations as they fall due for the foreseeable future. Therefore, these financial statements have been prepared on a going concern basis.

Incoming resources

Donations received comprises all cash receivable for the accounting period, including any related tax recoverable under Gift Aid. Income is recognised when the Charity has established an entitlement to the income. For donations this is typically upon receipt. Gift aid income is accrued in respect of charitable donations already receipted.

Resources expended

Resources expended are recognised in the period in which they are incurred.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services to its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Short-term debtors and creditors

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Financial assets, including debtors, are reviewed at the reporting date to determine if there is any evidence of potential impairment. Any losses arising from impairment are recognised in the income statement in operating expenses.

Cash and cash equivalents

Cash and cash equivalents include cash in hand and cash at banks.

Financial instruments

The Charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction price and subsequently measured at their settlement value.

THE SALIGHT FOUNDATION LIMITED

NOTES TO THE FINANCIAL STATEMENTS *(continued)*

2. Accounting policies *(continued)*

Funds

Unrestricted funds are expendable at the discretion of the trustee in furtherance of the objects of the charity. If parts of the unrestricted funds are earmarked at the discretion of the trustee for a particular purpose, they are designated as a separate fund. This designation has an administrative purpose only and does not legally restrict the trustee's discretion to apply the fund.

3. Critical accounting judgements and estimation uncertainty

Estimates and judgments made in the process of preparing the financial statements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. The Trustee does not consider that there are any critical judgments made in applying the Company's accounting policies or that there are any critical accounting estimates or assumptions which may have a significant risk of causing a material adjustment to carrying amounts of assets and liabilities within the next financial year.
