The Finances of Kildress Squirrel Drey are in a healthy condition, and means the Drey can do lots of activities. This makes it possible to have a very active group. All our outgoings are for crafts for our weekly meetings.

We thank all of the young, leaders and supporters involved in scouting for their support in the last year and hope that they will continue to support me in developing the future of our Drey by moving forward together.

The Drey continues to benefit the community by providing leadership and good citizenship to the young people within our Drey. The scouting method encourages volunteers to provide development opportunities to young people in an informal educational environment. The Drey continues to do this and expand its provision.
