STRUCTURE AND MANAGEMENT

The Kirk Session

The charity trustees of the congregation are the members of its Kirk Session. Under the congregation's governing document, The Code, the book of the constitution and government of the Presbyterian Church in Ireland, the Kirk Session seeks to watch over and promote the spiritual interest of the congregation and of persons not connected with any congregation who are within its bounds. It ensures pastoral care is in place in the congregation and seeks to further the contribution of the Church to Christian witness and service in the local community. The Kirk Session has delegated to its Congregational Committee the temporal affairs of the congregation including administering all funds and property belonging to the congregation. Members of the Kirk Session are ex-officio members of the Congregational Committee.

The Kirk Session consists of the ordained minister and the ruling elders of the congregation. All members are entitled to propose, speak and exercise equal votes at meetings, except that the Moderator, the minister in active duty in the congregation, has no deliberative but only a casting vote. Stated meetings of the Kirk Session are held at least six times a year.

To be chosen for the office of the eldership in the congregation a person must be a voting member and a regular attendant on its ordinances. The selection of those proposed to be called to the office can be either by the congregation or by the Kirk Session. Members are elected if they obtain two-thirds of those who vote.

Presbytery

Under the Presbyterian Church in Ireland form of governance the corporate oversight of a congregation is the responsibility of a Presbytery which superintends generally the spiritual and temporal affairs of the congregations assigned to it by the General Assembly of the Presbyterian Church in Ireland. Legacurry Presbyterian Church has been assigned to the Dromore Presbytery of the Presbyterian Church in Ireland. The membership of the Presbytery consists mainly of the active ministers of congregations assigned to it by the General Assembly, ministers who have retired from active duty and an elder appointed by the Kirk Session of each congregation.

The General Assembly

The General Assembly is the supreme court of the Church, representing in one body the whole Church and acting as its supreme legislative, administrative and judicial authority, in dealing with all matters brought before it. The General Assembly is normally constituted during the first week in June for worship and to conduct its business. At the end of business it is dissolved. The membership of the General Assembly consists mainly of the active ministers of each congregation, retired ministers and a representative elder appointed by the Kirk Session of each congregation. The General Assembly met in June 2024.

DESCRIPTION AND PURPOSE

Legacurry Presbyterian Church is a congregation of the Presbyterian Church in Ireland. The Presbyterian Church in Ireland, as a Reformed Church within the wider body of Christ is grounded in the Scriptures, and exists to love and honour God through faith in His Son and by the power of His Spirit, and to enable her members to play their part in fulfilling God's mission to our world.

At Legacurry we have a simple Mission statement:

Acting on God's Word – Welcoming, Worshipping and Witnessing

The congregation aims to live out its Mission and Vision as a family of God's people by:

- Growing in faith through engagement with God's Word.
- Being a family of faith in which everyone is Welcome.
- Glorifying God through Christ-centred Worship.
- Spreading the Kingdom of God through our Witness.

ACTIVITIES AND OBJECTIVES

The congregation meets for worship every Sunday and visitors are welcome to join. The Sacrament of the Lord's Supper is normally observed on several occasions during the year and all those who have been baptised and who have made a profession of faith in the Lord Jesus Christ are admitted to the Lord's Supper. The congregation holds regular bible study meetings and has a wide range of organisations including:

- Boys' Brigade
- Family Room
- EveryWoman
- Flower Club
- Girls' Brigade
- Helping Hands Group
- Home Groups / Youth Cells
- Legacurry Tots
- Prayer Ministry team
- Sunday School
- Table Tennis Club
- Women's Book Group
- Youth Fellowship

ACHIEVEMENTS AND PERFORMANCE (cont'd)

Worship and prayer

The congregation normally meets for worship each Sunday at 11am, with evening services fortnightly at 6.30pm. Once a fortnight Home Groups provide an opportunity for members to meet together for fellowship, to study the scriptures and for a time of prayer. There is a corporate prayer time every Sunday morning before church and twice a month on a Thursday evening.

As well as our regular services during the year we acknowledged God's gift of new life at one Sacrament of Baptism. We gave thanks for faithful services and sought to comfort those who had been bereaved during the year. There were two weddings held during the year.

At 31 December 2024 there were 318 communicant members and 328 families connected with the congregation.

Pastoral care

Members of the congregation who are unable to attend church due to sickness or age are visited on a regular basis by the minister, elders or by one of the congregation's pastoral visitors. They are also provided with CDs each week to enable them to listen to the services in their own homes. All morning services are live streamed and available online.

Mission and outreach

At a local level the congregation continues to support several charities and is involved in community outreach. The main local projects supported included Belfast Christian Unions mission, Christian Aid, Christian Family Centre, Christians Against Poverty, Evangelical Alliance, Exodus Trust, Graham McClellan, Lisburn Food Bank and Youth for Christ Ballysillan.

Assisted by our part-time evangelist, Mr Graham McClellan, the church also holds a number of outreach and teaching courses throughout the year. These provide a wide range of people from different backgrounds with an opportunity to learn about the good news of Jesus Christ in an informal environment.

The congregation supports the United Appeal for Mission which is a central fund of the Presbyterian Church in Ireland. This fund enables congregations to support the wider mission of the denomination and to do mission and outreach on a denominational basis beyond what the congregation could do on its own. The United Appeal Fund provides financial support for mission personnel at home and overseas, assists congregations with the deployment of locally based staff, enables church planting, provides grant support for the upkeep of church premises, assist with the running costs of Union Theological College, the Church's training college for ministry students, and financially supports congregations in the areas of worship, discipleship, global mission, outreach, leadership and pastoral care.

Mission and outreach (cont'd)

The congregation supported international projects including the work of Brian and Maria Liggett through Impande Foundation in South Africa, Lagoa Christian Fellowship, the Morales family in Peru, Open Doors, Overseas Missionary Fellowship, Tearfund and Ukraine (Slavic Gospel Association and Faith in Action Ministries). We continue to support water well drilling, schools projects and Bethanie Medical Centre in Burkina Faso, via Transform Burkina and AEAD. Our Annual Harvest appeal in October supported PCI's West Belfast Project and raised £6,913.

Presbytery

The congregation is normally represented at the regular meetings of Presbytery by our minister and the relevant representative elder. This provides an important link between the congregation and the wider structures of the church.

General Assembly

The vacancy convener and representative elder attended the meeting of the General Assembly of the Presbyterian Church in Ireland held in Assembly Buildings, Belfast, in June 2024.

Property

The building of the new Church Manse began during 2024, with £160,000 spent during the year. The project is expected to be completed in Summer 2025 with a budget of £610,000, this being financed by existing reserves, sale of a site currently in the manse grounds, sale of the existing manse once it has been vacated and donations from the congregation. Any temporary shortfall in funds while the existing manse is being sold is expected to be met via interest-free loans from members of the congregation. At the year end £8,550 was held within restricted property funds as received for the manse building project.

During the year significant repairs were carried out to the church vestibule and the whole building was repainted in addition to general routine maintenance for the property and grounds, including Cabra Cottage.

The church continues to receive £3,160 in respect of solar panel income each year.

PUBLIC BENEFIT STATEMENT

The Presbyterian Church in Ireland meets the public benefit requirement by providing benefit to its members and the general public by making known the Christian Gospel of the Lord Jesus Christ through the advancement of religion.

The direct benefits which flow from the purposes of the Church include the gaining of an understanding in Christian beliefs as set out in the Bible and in the Church's subordinate standards (the Westminster Confession of Faith and the Shorter and Larger Catechisms) leading to spiritual and moral development and opportunities for response to Bible teaching. In turn, this framework leads to practical expressions of Christian beliefs and standards in the local community such as through the care of those in need (including the sick, disabled and bereaved).

Generally the above benefits are delivered locally by congregations and their members, or are facilitated through presbyteries or are organised and delivered centrally. Local delivery is facilitated by central resources in almost all cases. Public access is made known through the use of noticeboards, printed material, press advertisement, websites, and social media or in other ways.

The benefits are demonstrated through regular evaluation of the services and informal and ad-hoc feedback from members, their families, and members of the public.

The purpose does not lead to harm. The only private benefit flowing from our purpose is related to Ministers, Missionaries, Deaconesses, Irish Mission workers and Lay Agents who receive benefits as a result of their holding office or employment. However, this is incidental and necessary in order to further our charitable purpose. There are no other private benefits. The beneficiaries of this purpose are members, their families, other individuals that the Presbyterian Church in Ireland is in direct and indirect contact with, the community in which pastoral services are provided and other communities throughout Northern Ireland, the Republic of Ireland, and worldwide which benefit from our engagement with and support for both Christian and other secular organisations, charities and individual members of the public.

The Kirk Session has had regard to the Charity Commission's public benefit requirement statutory guidance.

FINANCIAL REVIEW

The congregation's main source of income is members' contributions through the weekly freewill offering and collections. There were 212 contributing families during the year (226 in 2023) donating a total of £365,804 (a 3% decrease on receipts of £376,475 in 2023). There have been several movements within this decrease with the main movement being decrease of £27k donations and legacies. There was also an increase in regular direct giving to the general fund and the missions funds of £16k.

The total income from all sources in 2024 was £415,185, an increase of 1% on 2023 (£411,851) .

Total expenditure of unrestricted funds in 2024 was £106,399 compared with £142,305 in 2023. There have been various small movements in this expenditure. The largest movement was a decrease of £38k for ministry and staff costs, the majority of which is due to our Minister retiring in September 2023. Donations to missions and charities decreased this year mainly due to the Africa Mission Projects in the previous year. Repairs, maintenance and equipment costs increased by £17k in the year - this was due to some large one off repairs including repairs to the front of the church building and the repainting of the whole church.

GOING CONCERN

The activities of the congregation are dependent on ongoing contributions from its members. The Trustees are of the opinion that the congregation has sufficient resources at the date of approval of these financial statements to meet commitments which will arise in the year from the date of signing this report and subject to the continuing support from members to fund on an ongoing basis the congregation's current activities and other financial commitments.

RESERVES POLICY

The Trustees have considered the level of unrestricted reserves that it is appropriate to hold taking account of current and ongoing commitments. It is the policy of the Trustees to hold at least six months normal expenditure. At the year end unrestricted reserves were £264,978, which represents a higher level of reserves. The Trustees however, consider it prudent to hold reserves at this level as the funding of its present activities is dependent of the ongoing financial support of members.

RISK REVIEW

A review of major risks has been undertaken by the Trustees and systems and procedures implemented to manage identified risks. The principal risks are in relation to the likelihood of reputational damage and financial risks associated with the expectation of ongoing financial support from members. These risks are mitigated by the Trustees, and the Congregational Committee, regularly monitoring the various activities of the congregation at stated meetings and by encouraging members in their regular giving.

The law applicable to charities in Northern Ireland requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, of the charity for that period. In preparing the financial statements, the trustees are required to:

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act (Northern Ireland) 2008 and The Charities (Accounts and Reports) Regulations (Northern Ireland) 2015. Legacurry Presbyterian Church
Notes to the Financial Statements
For the year ended 31 December 2024

1 Accounting policies

The principal accounting policies that have been adopted consistently throughout the year and the prior year are summarised below.

1.1 Basis of preparation

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and The Charities (Accounts and Reports) Regulations (Northern Ireland) 2015.

The financial statements have been prepared under the historical cost convention except for investment assets, which are shown at market value. The financial statements include all transactions, assets and liabilities for which the congregation is responsible in law. They do not include the accounts of church groups that owe their affiliation to another body, nor those that are informal gatherings of church members.

Legacurry Presbyterian Church meets the definition of a public benefit entity under FRS 102.

1.2 Fund accounting

Unrestricted income funds comprise those funds which the trustees are free to use for any purpose in furtherance of the charitable objects. Unrestricted funds are primarily from the receipt of Free Will Offerings and loose collections from the congregation.

Restricted funds comprise (a) restricted income funds and (b) restricted land and buildings fund. These are detailed below.

Restricted income funds are funds which are to be used in accordance with specific restrictions imposed by the donor. Restricted income funds are from the collection of congregational offerings to the Church's property account, the missions and charities account and for the Presbyterian Church in Ireland's (PCI) various appeals. The income received by the various church organisations is also restricted for use in the respective organisations.

Restricted land and buildings fund is the fund created on the initial recognition of the land and buildings owned by the church which have not previously been recorded. The only movement on this fund each year is the expensing of the depreciation on land and buildings and/or any fair value movements in respect of investment properties. Further details can be found at note 15.

1 Accounting policies (continued)

1.3 Income recognition

All income is recognised once the charity has entitlement to the income, it is virtually certain that the income will be received and the amount of income receivable can be measured reliably.

Where income received has related expenditure (as with fundraising income) the income and related expenditure are reported gross in the Statement of Financial Activities.

Regular direct giving

Regular direct giving receipts relate to offerings received from the congregation and are recognised on receipt when the church has unconditional entitlement to the income.

Donation and legacies

Donations and legacies are recognised on receipt unless otherwise notified of a settlement date. The nature of the charity as a church means that donations do not usually have conditions attached which may result in the deferral of recognising income.

Tax reclaims on donations and gifts

Income from Gift Aid (included under Regular direct giving) is included in the Statement of Financial Activities at the same time as the donation or gift to which they relate.

Investments

Interest on funds held on deposit is recognised when receivable and the amount can be measured reliably by the charity.

Gifts in kind

Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised. Gifts in kind for use by the charity are included in the Statement of Financial Activities as income when receivable.

Donated services and facilities

These are only included in income (with the equivalent amount in expenditure) where the benefit to the church is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the church of the service or facility received.

1.4 Expenditure and liabilities recognition

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

All expenditure is accounted for on an accruals basis.

1.5 Irrecoverable VAT

Irrecoverable VAT is charged against the expenditure heading for which it was incurred.

Legacurry Presbyterian Church
Notes to the Financial Statements
For the year ended 31 December 2024

1 Accounting policies (continued)

1.6 Governance costs

These are shown within charitable activities and include the costs of preparation and examination of the accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters.

1.7 Tangible fixed assets

Tangible fixed assets are stated at cost or valuation, net of depreciation and any provision for impairment. Assets for use by the church are capitalised if they can be used for more than one year and cost at least £2,500. They are valued at cost or, if gifted, at the value to the charity on receipt.

Depreciation is provided on all tangible fixed assets other than land at rates calculated to write off the cost or valuation, less estimated residual value, of each asset on a straight-line basis over its expected useful life, as follows:

Land:	No depreciation
Car parks, etc.:	50 years
Buildings:	50 years
Fixtures, fittings & equipment:	5 years
Solar panels:	20 years

1.8 Investment properties

Investment properties for which fair value can be measured reliably without undue cost or effort on an ongoing basis are measured at fair value annually with any gain or loss recognised in the statement of financial activities.

1.9 Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount.

1.10 Employee benefits

The minister of the congregation is a member of the Presbyterian Church in Ireland Pension Scheme (2009). This is a scheme operated by the Presbyterian Church in Ireland, a separate registered charity. The church pays an assessment to the Presbyterian Church in Ireland equivalent to the employer's pension contribution for the Scheme and based on the stipend paid to the minister. The Presbyterian Church in Ireland Pension Scheme (2009) is a funded Scheme of the defined benefit type, providing defined benefits based on career average revalued salary. The Scheme has assets held in a separately administered fund managed by the board of trustees. The Presbyterian Church and the Scheme trustees have agreed a funding plan to ensure the Scheme is sufficiently funded to meet current and future obligations. A formal schedule of contributions was drawn up on 25 November 2015 whereby the Presbyterian Church agreed to pay from 31 December 2015 contributions of 24% of pensionable salaries to cover accrual of benefits for future service, expenses, the cost of insuring death in service benefits and funding the scheme deficit.

The charity recognises a cost equal to their contribution payable for the period in their statement of financial activities.

STRUCTURE AND MANAGEMENT

The Kirk Session

The charity trustees of the congregation are the members of its Kirk Session. Under the congregation's governing document, The Code, the book of the constitution and government of the Presbyterian Church in Ireland, the Kirk Session seeks to watch over and promote the spiritual interest of the congregation and of persons not connected with any congregation who are within its bounds. It ensures pastoral care is in place in the congregation and seeks to further the contribution of the Church to Christian witness and service in the local community. The Kirk Session has delegated to its Congregational Committee the temporal affairs of the congregation including administering all funds and property belonging to the congregation. Members of the Kirk Session are ex-officio members of the Congregational Committee.

The Kirk Session consists of the ordained minister and the ruling elders of the congregation. All members are entitled to propose, speak and exercise equal votes at meetings, except that the Moderator, the minister in active duty in the congregation, has no deliberative but only a casting vote. Stated meetings of the Kirk Session are held at least six times a year.

To be chosen for the office of the eldership in the congregation a person must be a voting member and a regular attendant on its ordinances. The selection of those proposed to be called to the office can be either by the congregation or by the Kirk Session. Members are elected if they obtain two-thirds of those who vote.

Presbytery

Under the Presbyterian Church in Ireland form of governance the corporate oversight of a congregation is the responsibility of a Presbytery which superintends generally the spiritual and temporal affairs of the congregations assigned to it by the General Assembly of the Presbyterian Church in Ireland. Legacurry Presbyterian Church has been assigned to the Dromore Presbytery of the Presbyterian Church in Ireland. The membership of the Presbytery consists mainly of the active ministers of congregations assigned to it by the General Assembly, ministers who have retired from active duty and an elder appointed by the Kirk Session of each congregation.

The General Assembly

The General Assembly is the supreme court of the Church, representing in one body the whole Church and acting as its supreme legislative, administrative and judicial authority, in dealing with all matters brought before it. The General Assembly is normally constituted during the first week in June for worship and to conduct its business. At the end of business it is dissolved. The membership of the General Assembly consists mainly of the active ministers of each congregation, retired ministers and a representative elder appointed by the Kirk Session of each congregation. The General Assembly met in June 2023.

ACHIEVEMENTS AND PERFORMANCE (cont'd)

Worship and prayer

The congregation normally meets for worship each Sunday at 11am, with evening services fortnightly at 6.30pm. Once a fortnight Home Groups provide an opportunity for members to meet together for fellowship, to study the scriptures and for a time of prayer. There is a corporate prayer time every Sunday morning before church.

As well as our regular services during the year we acknowledged God's gift of new life at five Sacraments of Baptism and gave thanks for faithful services and sought to comfort those who had been bereaved during the year. There were five weddings held during the year.

At 31 December 2023 there were 320 communicant members and 335 families connected with the congregation.

Pastoral care

Members of the congregation who are unable to attend church due to sickness or age are visited on a regular basis by the minister, elders or by one of the congregation's pastoral visitors. They are also provided with CDs each week to enable them to listen to the services in their own homes. All morning services are live streamed and available online.

Mission and outreach

At a local level the congregation continues to support several charities and is involved in community outreach. The main local projects supported included Christian Family Centre, Christians Against Poverty, Evangelical Alliance, Graham McClellan, International Meeting Point, Jackie Burke, Lisburn Food Bank and Youth for Christ Ballysillan.

Our Annual car night in June 2023 raised funds for our Africa projects in Burkina Faso and South Africa. The church also ran local summer outreach in a neighbouring village (Ravernet).

Assisted by our part-time evangelist, Mr Graham McClellan, the church also holds a number of outreach and teaching courses throughout the year. These provide a wide range of people from different backgrounds with an opportunity to learn about the good news of Jesus Christ in an informal environment.

The congregation supports the United Appeal for Mission which is a central fund of the Presbyterian Church in Ireland. This fund enables congregations to support the wider mission of the denomination and to do mission and outreach on a denominational basis beyond what the congregation could do on its own. The United Appeal Fund provides financial support for mission personnel at home and overseas, assists congregations with the deployment of locally based staff, enables church planting, provides grant support for the upkeep of church premises, assist with the running costs of Union Theological College, the Church's training college for ministry students, and financially supports congregations in the areas of worship, discipleship, global mission, outreach, leadership and pastoral care.

Mission and outreach (cont'd)

The congregation supported international projects including the work of Brian and Maria Liggett and Impande Yotshani NPC in South Africa, the Morales family in Peru, Tearfund, Overseas Missionary Fellowship and the transport of medical equipment overseas. We continue to support water well drilling, schools projects and Bethanie Medical Centre in Burkina Faso, via Transform Burkina and AEAD. Our Annual Harvest appeal in October supported International Meeting Point and raised £5,610.

Throughout 2023 the congregation has been working in partnership with Brian & Maria Liggett and Impande Foundation in KwaZulu Natal, South Africa to support local community projects.

Presbytery

The congregation is normally represented at the regular meetings of Presbytery by our minister and the relevant representative elder. This provides an important link between the congregation and the wider structures of the church.

General Assembly

The minister and one of our elders were nominated to attend the meeting of the General Assembly of the Presbyterian Church in Ireland held in Assembly Buildings, Belfast, in June 2023.

Property

There were no significant refurbishments that took place to the church property during the year. There was £2,100 spent on audio-visual equipment for the church and £19,046 spent on architect and planning fees relating to the Church Manse site. The church continues to receive £3,540 in respect of solar panel income each year.

PUBLIC BENEFIT STATEMENT

The Presbyterian Church in Ireland meets the public benefit requirement by providing benefit to its members and the general public by making known the Christian Gospel of the Lord Jesus Christ through the advancement of religion.

The direct benefits which flow from the purposes of the Church include the gaining of an understanding in Christian beliefs as set out in the Bible and in the Church's subordinate standards (the Westminster Confession of Faith and the Shorter and Larger Catechisms) leading to spiritual and moral development and opportunities for response to Bible teaching. In turn, this framework leads to practical expressions of Christian beliefs and standards in the local community such as through the care of those in need (including the sick, disabled and bereaved).

Generally the above benefits are delivered locally by congregations and their members, or are facilitated through presbyteries or are organised and delivered centrally. Local delivery is facilitated by central resources in almost all cases. Public access is made known through the use of noticeboards, printed material, press advertisement, websites, and social media or in other ways.

The benefits are demonstrated through regular evaluation of the services and informal and ad-hoc feedback from members, their families, and members of the public.

The purpose does not lead to harm. The only private benefit flowing from our purpose is related to Ministers, Missionaries, Deaconesses, Irish Mission workers and Lay Agents who receive benefits as a result of their holding office or employment. However, this is incidental and necessary in order to further our charitable purpose. There are no other private benefits. The beneficiaries of this purpose are members, their families, other individuals that the Presbyterian Church in Ireland is in direct and indirect contact with, the community in which pastoral services are provided and other communities throughout Northern Ireland, the Republic of Ireland, and worldwide which benefit from our engagement with and support for both Christian and other secular organisations, charities and individual members of the public.

The Kirk Session has had regard to the Charity Commission's public benefit requirement statutory guidance.

FINANCIAL REVIEW

The congregation's main source of income is members' contributions through the weekly freewill offering and collections. There were 226 contributing families during the year (242 in 2022) donating a total of £376,475 (an 18.5% increase on receipts of £317,789 in 2022). There have been several movements within this increase with the main movement being the increase in regular direct giving to the missions funds.

The total income from all sources in 2023 was £411,851, an increase of 17% on 2022 (£351,892) .

Total expenditure of unrestricted funds in 2023 was £142,305 compared with £175,553 in 2022. There have been various small movements in this expenditure. The largest movement was a decrease of £30.5k for ministry and staff costs, the majority of which is due to our Minister retiring in September 2023. The comparative costs for 2022 also included staff costs for the Assistant Minister and Youth Work who left throughout 2022 and were not replaced. The Life and Work decrease is mainly due to there being no church weekend at Castlewellan Castle in 2023. Property and equipment costs increased by £8k in the year - utilities remained similar to 2022 however the main increase was within repairs and equipment which varies each year.

GOING CONCERN

The activities of the congregation are dependent on ongoing contributions from its members. The Trustees are of the opinion that the congregation has sufficient resources at the date of approval of these financial statements to meet commitments which will arise in the year from the date of signing this report and subject to the continuing support from members to fund on an ongoing basis the congregation's current activities and other financial commitments.

RESERVES POLICY

The Trustees have considered the level of unrestricted reserves that it is appropriate to hold taking account of current and ongoing commitments. It is the policy of the Trustees to hold at least six months normal expenditure. At the year end unrestricted reserves were £348,341, which represents a higher level of reserves. The Trustees however, consider it prudent to hold reserves at this level as the funding of its present activities is dependent of the ongoing financial support of members.

RISK REVIEW

A review of major risks has been undertaken by the Trustees and systems and procedures implemented to manage identified risks. The principal risks are in relation to the likelihood of reputational damage and financial risks associated with the expectation of ongoing financial support from members. These risks are mitigated by the Trustees, and the Congregational Committee, regularly monitoring the various activities of the congregation at stated meetings and by encouraging members in their regular giving.

Notes to the Financial Statements
For the year ended 31 December 2023

1 Accounting policies

The principal accounting policies that have been adopted consistently throughout the year and the prior year are summarised below.

1.1 Basis of preparation

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and The Charities (Accounts and Reports) Regulations (Northern Ireland) 2015.

The financial statements have been prepared under the historical cost convention except for investment assets, which are shown at market value. The financial statements include all transactions, assets and liabilities for which the congregation is responsible in law. They do not include the accounts of church groups that owe their affiliation to another body, nor those that are informal gatherings of church

Legacurry Presbyterian Church meets the definition of a public benefit entity under FRS 102.

1.2 Fund accounting

Unrestricted income funds comprise those funds which the trustees are free to use for any purpose in furtherance of the charitable objects. Unrestricted funds are primarily from the receipt of Free Will Offerings and loose collections from the congregation.

Restricted funds comprise (a) restricted income funds and (b) restricted land and buildings fund. These are detailed below.

Restricted income funds are funds which are to be used in accordance with specific restrictions imposed by the donor. Restricted income funds are from the collection of congregational offerings to the Church's property account, the missions and charities account and for the Presbyterian Church in Ireland's (PCI) various appeals. The income received by the various church organisations is also restricted for use in the respective organisations.

Restricted land and buildings fund is the fund created on the initial recognition of the land and buildings owned by the church which have not previously been recorded. The only movement on this fund each year is the expensing of the depreciation on land and buildings and/or any fair value movements in respect of investment properties. Further details can be found at note 15.

1 Accounting policies (continued)

1.3 Income recognition

All income is recognised once the charity has entitlement to the income, it is virtually certain that the income will be received and the amount of income receivable can be measured reliably.

Where income received has related expenditure (as with fundraising income) the income and related expenditure are reported gross in the Statement of Financial Activities.

Regular direct giving

Regular direct giving receipts relate to offerings received from the congregation and are recognised on receipt when the church has unconditional entitlement to the income.

Donation and legacies

Donations and legacies are recognised on receipt unless otherwise notified of a settlement date. The nature of the charity as a church means that donations do not usually have conditions attached which may result in the deferral of recognising income.

Tax reclaims on donations and gifts

Income from Gift Aid (included under Regular direct giving) is included in the Statement of Financial Activities at the same time as the donation or gift to which they relate.

Investments

Interest on funds held on deposit is recognised when receivable and the amount can be measured reliably by the charity.

Gifts in kind

Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised. Gifts in kind for use by the charity are included in the Statement of Financial Activities as income when receivable.

Donated services and facilities

These are only included in income (with the equivalent amount in expenditure) where the benefit to the church is reasonably quantifiable, measurable and material. The value placed on these resources is the

1.4 Expenditure and liabilities recognition

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

All expenditure is accounted for on an accruals basis.

1.5 Irrecoverable VAT

Irrecoverable VAT is charged against the expenditure heading for which it was incurred.

Legacurry Presbyterian Church
Notes to the Financial Statements
For the year ended 31 December 2023

1 Accounting policies (continued)

1.6 Governance costs

These are shown within charitable activities and include the costs of preparation and examination of the accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters.

1.7 Tangible fixed assets

Tangible fixed assets are stated at cost or valuation, net of depreciation and any provision for impairment. Assets for use by the church are capitalised if they can be used for more than one year and cost at least £2,500. They are valued at cost or, if gifted, at the value to the charity on receipt.

Depreciation is provided on all tangible fixed assets other than land at rates calculated to write off the cost or valuation, less estimated residual value, of each asset on a straight-line basis over its expected useful life, as follows:

Land:	No depreciation
Car parks, etc.:	50 years
Buildings:	50 years
Fixtures, fittings & equipment:	5 years
Solar panels:	20 years

1.8 Investment properties

Investment properties for which fair value can be measured reliably without undue cost or effort on an ongoing basis are measured at fair value annually with any gain or loss recognised in the statement of financial activities.

1.9 Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount.

1.10 Employee benefits

The minister of the congregation is a member of the Presbyterian Church in Ireland Pension Scheme (2009). This is a scheme operated by the Presbyterian Church in Ireland, a separate registered charity. The church pays an assessment to the Presbyterian Church in Ireland equivalent to the employer's pension contribution for the Scheme and based on the stipend paid to the minister. The Presbyterian Church in Ireland Pension Scheme (2009) is a funded Scheme of the defined benefit type, providing defined benefits based on career average revalued salary. The Scheme has assets held in a separately administered fund managed by the board of trustees. The Presbyterian Church and the Scheme trustees have agreed a funding plan to ensure the Scheme is sufficiently funded to meet current and future obligations. A formal schedule of contributions was drawn up on 25 November 2015 whereby the Presbyterian Church agreed to pay from 31 December 2015 contributions of 24% of pensionable salaries to cover accrual of benefits for future service, expenses, the cost of insuring death in service benefits and funding the scheme deficit.

The charity recognises a cost equal to their contribution payable for the period in their statement of financial activities.

STRUCTURE AND MANAGEMENT

The Kirk Session

The charity trustees of the congregation are the members of its Kirk Session. Under the congregation's governing document, The Code, the book of the constitution and government of the Presbyterian Church in Ireland, the Kirk Session seeks to watch over and promote the spiritual interest of the congregation and of persons not connected with any congregation who are within its bounds. It ensures pastoral care is in place in the congregation and seeks to further the contribution of the Church to Christian witness and service in the local community. The Kirk Session has delegated to its Congregational Committee the temporal affairs of the congregation including administering all funds and property belonging to the congregation. Members of the Kirk Session are ex-officio members of the Congregational Committee.

The Kirk Session consists of the ordained minister and the ruling elders of the congregation. All members are entitled to propose, speak and exercise equal votes at meetings, except that the Moderator, the minister in active duty in the congregation, has no deliberative but only a casting vote. Stated meetings of the Kirk Session are held at least six times a year.

To be chosen for the office of the eldership in the congregation a person must be a voting member and a regular attendant on its ordinances. The selection of those proposed to be called to the office can be either by the congregation or by the Kirk Session. Members are elected if they obtain two-thirds of those who vote.

Presbytery

Under the Presbyterian Church in Ireland form of governance the corporate oversight of a congregation is the responsibility of a Presbytery which superintends generally the spiritual and temporal affairs of the congregations assigned to it by the General Assembly of the Presbyterian Church in Ireland. Legacurry Presbyterian Church has been assigned to the Dromore Presbytery of the Presbyterian Church in Ireland. The membership of the Presbytery consists mainly of the active ministers of congregations assigned to it by the General Assembly, ministers who have retired from active duty and an elder appointed by the Kirk Session of each congregation.

The General Assembly

The General Assembly is the supreme court of the Church, representing in one body the whole Church and acting as its supreme legislative, administrative and judicial authority, in dealing with all matters brought before it. The General Assembly is normally constituted during the first week in June for worship and to conduct its business. At the end of business it is dissolved. The membership of the General Assembly consists mainly of the active ministers of each congregation, retired ministers and a representative elder appointed by the Kirk Session of each congregation. The General Assembly met in June 2023.

TRUSTEES' ANNUAL REPORT (cont'd)

DESCRIPTION AND PURPOSE

Legacurry Presbyterian Church is a congregation of the Presbyterian Church in Ireland. The Presbyterian Church in Ireland, as a Reformed Church within the wider body of Christ is grounded in the Scriptures, and exists to love and honour God through faith in His Son and by the power of His Spirit, and to enable her members to play their part in fulfilling God's mission to our world.

At Legacurry we have a simple Mission statement:

Acting on God's Word – Welcoming, Worshipping and Witnessing

The congregation aims to live out its Mission and Vision as a family of God's people by:

- Growing in faith through engagement with God's Word.
- Being a family of faith in which everyone is Welcome.
- Glorifying God through Christ-centred Worship.
- Spreading the Kingdom of God through our Witness.

ACTIVITIES AND OBJECTIVES

The congregation meets for worship every Sunday and visitors are welcome to join. The Sacrament of the Lord's Supper is normally observed on several occasions during the year and all those who have been baptised and who have made a profession of faith in the Lord Jesus Christ are admitted to the Lord's Supper. The congregation holds regular bible study meetings and has a wide range of organisations including:

TRUSTEES' ANNUAL REPORT (cont'd)

ACHIEVEMENTS AND PERFORMANCE (cont'd)

Worship and prayer

The congregation normally meets for worship each Sunday at 11am, with evening services fortnightly at 6.30pm. Once a fortnight Home Groups provide an opportunity for members to meet together for fellowship, to study the scriptures and for a time of prayer. There is a corporate prayer time every Sunday morning before church.

As well as our regular services during the year we acknowledged God's gift of new life at five Sacraments of Baptism and gave thanks for faithful services and sought to comfort those who had been bereaved during the year. There were five weddings held during the year.

At 31 December 2023 there were 320 communicant members and 335 families connected with the congregation.

Pastoral care

Members of the congregation who are unable to attend church due to sickness or age are visited on a regular basis by the minister, elders or by one of the congregation's pastoral visitors. They are also provided with CDs each week to enable them to listen to the services in their own homes. All morning services are live streamed and available online.

Mission and outreach

At a local level the congregation continues to support several charities and is involved in community outreach. The main local projects supported included Christian Family Centre, Christians Against Poverty, Evangelical Alliance, Graham McClellan, International Meeting Point, Jackie Burke, Lisburn Food Bank and Youth for Christ Ballysillan.

Our Annual car night in June 2023 raised funds for our Africa projects in Burkina Faso and South Africa. The church also ran local summer outreach in a neighbouring village (Ravernet).

Assisted by our part-time evangelist, Mr Graham McClellan, the church also holds a number of outreach and teaching courses throughout the year. These provide a wide range of people from different backgrounds with an opportunity to learn about the good news of Jesus Christ in an informal environment.

The congregation supports the United Appeal for Mission which is a central fund of the Presbyterian Church in Ireland. This fund enables congregations to support the wider mission of the denomination and to do mission and outreach on a denominational basis beyond what the congregation could do on its own. The United Appeal Fund provides financial support for mission personnel at home and overseas, assists congregations with the deployment of locally based staff, enables church planting, provides grant support for the upkeep of church premises, assist with the running costs of Union Theological College, the Church's training college for ministry students, and financially supports congregations in the areas of worship, discipleship, global mission, outreach, leadership and pastoral care.

Mission and outreach (cont'd)

The congregation supported international projects including the work of Brian and Maria Liggett and Impande Yotshani NPC in South Africa, the Morales family in Peru, Tearfund, Overseas Missionary Fellowship and the transport of medical equipment overseas. We continue to support water well drilling, schools projects and Bethanie Medical Centre in Burkina Faso, via Transform Burkina and AEAD. Our Annual Harvest appeal in October supported International Meeting Point and raised £5,610.

Throughout 2023 the congregation has been working in partnership with Brian & Maria Liggett and Impande Foundation in KwaZulu Natal, South Africa to support local community projects.

Presbytery

The congregation is normally represented at the regular meetings of Presbytery by our minister and the relevant representative elder. This provides an important link between the congregation and the wider structures of the church.

General Assembly

The minister and one of our elders were nominated to attend the meeting of the General Assembly of the Presbyterian Church in Ireland held in Assembly Buildings, Belfast, in June 2023.

Property

There were no significant refurbishments that took place to the church property during the year. There was £2,100 spent on audio-visual equipment for the church and £19,046 spent on architect and planning fees relating to the Church Manse site. TRUSTEES' ANNUAL REPORT (cont'd)

PUBLIC BENEFIT STATEMENT

The Presbyterian Church in Ireland meets the public benefit requirement by providing benefit to its members and the general public by making known the Christian Gospel of the Lord Jesus Christ through the advancement of religion.

The direct benefits which flow from the purposes of the Church include the gaining of an understanding in Christian beliefs as set out in the Bible and in the Church's subordinate standards (the Westminster Confession of Faith and the Shorter and Larger Catechisms) leading to spiritual and moral development and opportunities for response to Bible teaching. In turn, this framework leads to practical expressions of Christian beliefs and standards in the local community such as through the care of those in need (including the sick, disabled and bereaved).

Generally the above benefits are delivered locally by congregations and their members, or are facilitated through presbyteries or are organised and delivered centrally. Local delivery is facilitated by central resources in almost all cases. Public access is made known through the use of noticeboards, printed material, press advertisement, websites, and social media or in other ways.

The benefits are demonstrated through regular evaluation of the services and informal and ad-hoc feedback from members, their families, and members of the public.

The purpose does not lead to harm. The only private benefit flowing from our purpose is related to Ministers, Missionaries, Deaconesses, Irish Mission workers and Lay Agents who receive benefits as a result of their holding office or employment. However, this is incidental and necessary in order to further our charitable purpose. There are no other private benefits. The beneficiaries of this purpose are members, their families, other individuals that the Presbyterian Church in Ireland is in direct and indirect contact with, the community in which pastoral services are provided and other communities throughout Northern Ireland, the Republic of Ireland, and worldwide which benefit from our engagement with and support for both Christian and other secular organisations, charities and individual members of the public.

The Kirk Session has had regard to the Charity Commission's public benefit requirement statutory guidance.

TRUSTEES' ANNUAL REPORT (cont'd)

FINANCIAL REVIEW

The congregation's main source of income is members' contributions through the weekly freewill offering and collections. There were 226 contributing families during the year (242 in 2022) donating a total of £376,475 (an 18.5% increase on receipts of £317,789 in 2022). There have been several movements within this increase with the main movement being the increase in regular direct giving to the missions funds.

The total income from all sources in 2023 was £411,851, an increase of 17% on 2022 (£351,892) .

Total expenditure of unrestricted funds in 2023 was £142,305 compared with £175,553 in 2022. There have been various small movements in this expenditure. The largest movement was a decrease of £30.5k for ministry and staff costs, the majority of which is due to our Minister retiring in September 2023. The comparative costs for 2022 also included staff costs for the Assistant Minister and Youth Work who left throughout 2022 and were not replaced. The Life and Work decrease is mainly due to there being no church weekend at Castlewellan Castle in 2023. Property and equipment costs increased by £8k in the year - utilities remained similar to 2022 however the main increase was within repairs and equipment which varies each year.

GOING CONCERN

The activities of the congregation are dependent on ongoing contributions from its members. The Trustees are of the opinion that the congregation has sufficient resources at the date of approval of these financial statements to meet commitments which will arise in the year from the date of signing this report and subject to the continuing support from members to fund on an ongoing basis the congregation's current activities and other financial commitments.

RESERVES POLICY

The Trustees have considered the level of unrestricted reserves that it is appropriate to hold taking account of current and ongoing commitments. It is the policy of the Trustees to hold at least six months normal expenditure. At the year end unrestricted reserves were £348,341, which represents a higher level of reserves. The Trustees however, consider it prudent to hold reserves at this level as the funding of its present activities is dependent of the ongoing financial support of members.

RISK REVIEW

A review of major risks has been undertaken by the Trustees and systems and procedures implemented to manage identified risks. The principal risks are in relation to the likelihood of reputational damage and financial risks associated with the expectation of ongoing financial support from members. These risks are mitigated by the Trustees, and the Congregational Committee, regularly monitoring the various activities of the congregation at stated meetings and by encouraging members in their regular giving.

Notes to the Financial Statements
For the year ended 31 December 2023

1 Accounting policies

The principal accounting policies that have been adopted consistently throughout the year and the prior year are summarised below.

1.1 Basis of preparation

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and The Charities (Accounts and Reports) Regulations (Northern Ireland) 2015.

The financial statements have been prepared under the historical cost convention except for investment assets, which are shown at market value. The financial statements include all transactions, assets and liabilities for which the congregation is responsible in law. They do not include the accounts of church groups that owe their affiliation to another body, nor those that are informal gatherings of church

Legacurry Presbyterian Church meets the definition of a public benefit entity under FRS 102.

1.2 Fund accounting

Unrestricted income funds comprise those funds which the trustees are free to use for any purpose in furtherance of the charitable objects. Unrestricted funds are primarily from the receipt of Free Will Offerings and loose collections from the congregation.

Restricted funds comprise (a) restricted income funds and (b) restricted land and buildings fund. These are detailed below.

Restricted income funds are funds which are to be used in accordance with specific restrictions imposed by the donor. Restricted income funds are from the collection of congregational offerings to the Church's property account, the missions and charities account and for the Presbyterian Church in Ireland's (PCI) various appeals. The income received by the various church organisations is also restricted for use in the respective organisations.

Restricted land and buildings fund is the fund created on the initial recognition of the land and buildings owned by the church which have not previously been recorded. The only movement on this fund each year is the expensing of the depreciation on land and buildings and/or any fair value movements in respect of investment properties. Further details can be found at note 15.

1 Accounting policies (continued)

1.3 Income recognition

All income is recognised once the charity has entitlement to the income, it is virtually certain that the income will be received and the amount of income receivable can be measured reliably.

Where income received has related expenditure (as with fundraising income) the income and related expenditure are reported gross in the Statement of Financial Activities.

Regular direct giving

Regular direct giving receipts relate to offerings received from the congregation and are recognised on receipt when the church has unconditional entitlement to the income.

Donation and legacies

Donations and legacies are recognised on receipt unless otherwise notified of a settlement date. The nature of the charity as a church means that donations do not usually have conditions attached which may result in the deferral of recognising income.

Tax reclaims on donations and gifts

Income from Gift Aid (included under Regular direct giving) is included in the Statement of Financial Activities at the same time as the donation or gift to which they relate.

Investments

Interest on funds held on deposit is recognised when receivable and the amount can be measured reliably by the charity.

Gifts in kind

Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised. Gifts in kind for use by the charity are included in the Statement of Financial Activities as income when receivable.

Donated services and facilities

These are only included in income (with the equivalent amount in expenditure) where the benefit to the church is reasonably quantifiable, measurable and material. The value placed on these resources is the

1.4 Expenditure and liabilities recognition

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

All expenditure is accounted for on an accruals basis.

1.5 Irrecoverable VAT

Irrecoverable VAT is charged against the expenditure heading for which it was incurred.

1 Accounting policies (continued)

1.6 Governance costs

These are shown within charitable activities and include the costs of preparation and examination of the accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters.

1.7 Tangible fixed assets

Tangible fixed assets are stated at cost or valuation, net of depreciation and any provision for impairment. Assets for use by the church are capitalised if they can be used for more than one year and cost at least £2,500. They are valued at cost or, if gifted, at the value to the charity on receipt.

Depreciation is provided on all tangible fixed assets other than land at rates calculated to write off the cost or valuation, less estimated residual value, of each asset on a straight-line basis over its expected useful life, as follows:

Land:	No depreciation
Car parks, etc.:	50 years
Buildings:	50 years
Fixtures, fittings & equipment:	5 years
Solar panels:	20 years

1.8 Investment properties

Investment properties for which fair value can be measured reliably without undue cost or effort on an ongoing basis are measured at fair value annually with any gain or loss recognised in the statement of financial activities.

1.9 Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount.

1.10 Employee benefits

The minister of the congregation is a member of the Presbyterian Church in Ireland Pension Scheme (2009). This is a scheme operated by the Presbyterian Church in Ireland, a separate registered charity. The church pays an assessment to the Presbyterian Church in Ireland equivalent to the employer's pension contribution for the Scheme and based on the stipend paid to the minister. The Presbyterian Church in Ireland Pension Scheme (2009) is a funded Scheme of the defined benefit type, providing defined benefits based on career average revalued salary. The Scheme has assets held in a separately administered fund managed by the board of trustees. The Presbyterian Church and the Scheme trustees have agreed a funding plan to ensure the Scheme is sufficiently funded to meet current and future obligations. A formal schedule of contributions was drawn up on 25 November 2015 whereby the Presbyterian Church agreed to pay from 31 December 2015 contributions of 24% of pensionable salaries to cover accrual of benefits for future service, expenses, the cost of insuring death in service benefits and funding the scheme deficit.

The charity recognises a cost equal to their contribution payable for the period in their statement of financial activities.

STRUCTURE AND MANAGEMENT

The Kirk Session

The charity trustees of the congregation are the members of its Kirk Session. Under the congregation's governing document, The Code, the book of the constitution and government of the Presbyterian Church in Ireland, the Kirk Session seeks to watch over and promote the spiritual interest of the congregation and of persons not connected with any congregation who are within its bounds. It ensures pastoral care is in place in the congregation and seeks to further the contribution of the Church to Christian witness and service in the local community. The Kirk Session has delegated to its Congregational Committee the temporal affairs of the congregation including administering all funds and property belonging to the congregation. Members of the Kirk Session are ex-officio members of the Congregational Committee.

The Kirk Session consists of the ordained minister and the ruling elders of the congregation. All members are entitled to propose, speak and exercise equal votes at meetings, except that the Moderator, the minister in active duty in the congregation, has no deliberative but only a casting vote. Stated meetings of the Kirk Session are held at least six times a year.

To be chosen for the office of the eldership in the congregation a person must be a voting member and a regular attendant on its ordinances. The selection of those proposed to be called to the office can be either by the congregation or by the Kirk Session. Members are elected if they obtain two-thirds of those who vote.

Presbytery

Under the Presbyterian Church in Ireland form of governance the corporate oversight of a congregation is the responsibility of a Presbytery which superintends generally the spiritual and temporal affairs of the congregations assigned to it by the General Assembly of the Presbyterian Church in Ireland. Legacurry Presbyterian Church has been assigned to the Dromore Presbytery of the Presbyterian Church in Ireland. The membership of the Presbytery consists mainly of the active ministers of congregations assigned to it by the General Assembly, ministers who have retired from active duty and an elder appointed by the Kirk Session of each congregation.

The General Assembly

The General Assembly is the supreme court of the Church, representing in one body the whole Church and acting as its supreme legislative, administrative and judicial authority, in dealing with all matters brought before it. The General Assembly is normally constituted during the first week in June for worship and to conduct its business. At the end of business it is dissolved. The membership of the General Assembly consists mainly of the active ministers of each congregation, retired ministers and a representative elder appointed by the Kirk Session of each congregation. The General Assembly met in June 2022.

ACHIEVEMENTS AND PERFORMANCE (cont'd)

Worship and prayer

The congregation normally meets for worship each Sunday at 11am, with evening services fortnightly at 6.30pm. Once a fortnight Home Groups provide an opportunity for members to meet together for fellowship, to study the scriptures and for a time of prayer. There is a corporate prayer time every Sunday morning before church.

As well as our regular services during the year we acknowledged God's gift of new life at six Sacraments of Baptism and gave thanks for faithful services and sought to comfort those who had been bereaved during the year. There were six weddings held during the year.

At 31 December 2022 there were 332 communicant members and 337 families connected with the congregation.

Pastoral care

Members of the congregation who are unable to attend church due to sickness or age are visited on a regular basis by the minister, elders or by one of the congregation's pastoral visitors. They are also provided with CDs each week to enable them to listen to the services in their own homes. All morning services are available online also.

Mission and outreach

At a local level the congregation continues to support several charities and is involved in community outreach. The main local projects supported included Youth for Christ Ballysillan, Lisburn Food Bank, Jackie Burke, Evangelical Alliance, Christian Family Centre, Christians Against Poverty, Exodus Trust and Graham McClellan.

Our Annual car night in June 2022 raised £3,600 for NI Air Ambulance. The church also ran local summer outreach in a neighbouring village (Ravernet).

Assisted by our part-time evangelist, Mr Graham McClellan, the church also holds a number of outreach and teaching courses throughout the year. These provide a wide range of people from different backgrounds with an opportunity to learn about the good news of Jesus Christ in an informal

The congregation supports the United Appeal for Mission which is a central fund of the Presbyterian Church in Ireland. This fund enables congregations to support the wider mission of the denomination and to do mission and outreach on a denominational basis beyond what the congregation could do on its own. The United Appeal Fund provides financial support for mission personnel at home and overseas, assists congregations with the deployment of locally based staff, enables church planting, provides grant support for the upkeep of church premises, assist with the running costs of Union Theological College, the Church's training college for ministry students, and financially supports congregations in the areas of worship, discipleship, global mission, outreach, leadership and pastoral care.

Volunteers

The Trustees wish to acknowledge their deep appreciation of those who give freely of their time by serving on committees and helping with organisations and other church activities.

PUBLIC BENEFIT STATEMENT

The Presbyterian Church in Ireland meets the public benefit requirement by providing benefit to its members and the general public by making known the Christian Gospel of the Lord Jesus Christ through the advancement of religion.

The direct benefits which flow from the purposes of the Church include the gaining of an understanding in Christian beliefs as set out in the Bible and in the Church's subordinate standards (the Westminster Confession of Faith and the Shorter and Larger Catechisms) leading to spiritual and moral development and opportunities for response to Bible teaching. In turn, this framework leads to practical expressions of Christian beliefs and standards in the local community such as through the care of those in need (including the sick, disabled and bereaved).

Generally the above benefits are delivered locally by congregations and their members, or are facilitated through presbyteries or are organised and delivered centrally. Local delivery is facilitated by central resources in almost all cases. Public access is made known through the use of noticeboards, printed material, press advertisement, websites, and social media or in other ways.

The benefits are demonstrated through regular evaluation of the services and informal and ad-hoc feedback from members, their families, and members of the public.

The purpose does not lead to harm. The only private benefit flowing from our purpose is related to Ministers, Missionaries, Deaconesses, Irish Mission workers and Lay Agents who receive benefits as a result of their holding office or employment. However, this is incidental and necessary in order to further our charitable purpose. There are no other private benefits. The beneficiaries of this purpose are members, their families, other individuals that the Presbyterian Church in Ireland is in direct and indirect contact with, the community in which pastoral services are provided and other communities throughout Northern Ireland, the Republic of Ireland, and worldwide which benefit from our engagement with and support for both Christian and other secular organisations, charities and individual members of the public.

The Kirk Session has had regard to the Charity Commission's public benefit requirement statutory guidance.

FINANCIAL REVIEW

The congregation's main source of income is members' contributions through the weekly freewill offering and collections. There were 242 contributing families during the year (224 in 2021) donating a total of £317,789 (a 4.6% increase on receipts of £303,945 in 2021). There have been several movements within this increase including a decrease in recorded giving and loose collections of £8k which was offset by a £10k increase in contributions for specific charitable projects, a £9k increase in receipts for special collections and bequests and a £3k increase in Gift Aid.

The total income from all sources in 2022 was £351,892, an increase of 6.4% on 2021 (£330,819) .

Total expenditure of unrestricted funds in 2022 was £175,553 compared with £169,600 in 2021. There have been various movements in this expenditure. The largest movement was a decrease of £17k for ministry and staff costs, the majority of which is due to our Assistant Minister leaving at the end of April and our Youth Worker also finishing in August. Another large movement was an almost £16k increase in Life and Work - this relates mainly to some one off events during 2022 including a church weekend at Castlewellan Castle, congregational meals and a concert featuring New Irish Arts. Other unrestricted costs remain constant however there has been an increase in utilities as expected.

GOING CONCERN

The activities of the congregation are dependent on ongoing contributions from its members. The Trustees are of the opinion that the congregation has sufficient resources at the date of approval of these financial statements to meet commitments which will arise in the year from the date of signing this report and subject to the continuing support from members to fund on an ongoing basis the congregation's current activities and other financial commitments.

RESERVES POLICY

The Trustees have considered the level of unrestricted reserves that it is appropriate to hold taking account of current and ongoing commitments. It is the policy of the Trustees to hold at least six months normal expenditure. At the year end unrestricted reserves were £341,990, which represents a higher level of reserves. The Trustees however, consider it prudent to hold reserves at this level as the funding of its present activities is dependent of the ongoing financial support of members.

RISK REVIEW

A review of major risks has been undertaken by the Trustees and systems and procedures implemented to manage identified risks. The principal risks are in relation to the likelihood of reputational damage and financial risks associated with the expectation of ongoing financial support from members. These risks are mitigated by the Trustees, and the Congregational Committee, regularly monitoring the various activities of the congregation at stated meetings and by encouraging members in their regular giving.

TRUSTEES' ANNUAL REPORT (cont'd)

RESPONSIBILITIES IN RESPECT OF THE FINANCIAL STATEMENTS

The charity trustees (who are known as the members of Kirk Session) are responsible for preparing a trustees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in Northern Ireland requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, of the charity for that period. In preparing the financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act (Northern Ireland) 2008 and The Charities (Accounts and Reports) Regulations (Northern Ireland) 2015. They are also responsible for safeguarding the assets of the charity and taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the charity and financial information included on the charity's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Independent examiner's report to the charity trustees of Legacurry Congregation of the Presbyterian Church in Ireland.

I report on the accounts of Legacurry Congregation of the Presbyterian Church in Ireland for the year ended 31 December 2022, which are set out on pages 14 to 26.

Respective responsibilities of charity trustees and examiner

As the charity's trustees you are responsible for the preparation of the accounts in accordance with the Charities Act (Northern Ireland) 2008.

It is my responsibility to:

1. Examine the accounts under section 65 of the Charities Act
2. Follow the procedures laid down in the general Directions given by the Commission under section 65(9)(b) of the Charities Act
3. State whether particular matters have come to my attention.

Basis of independent examiner's report

I have examined your charity accounts as required under section 65 of the Charities Act and my examination was carried out in accordance with the general Directions given by the Charity Commission for Northern Ireland under section 65(9)(b) of the Charities Act. My examination included a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also included consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as charity trustees concerning any such matters.

My role is to state whether any material matters have come to my attention giving me cause to believe:

1. That accounting records were not kept in accordance with section 63 of the Charities Act
2. That the accounts do not accord with those accounting records
3. That the accounts do not comply with the accounting requirements of the Charities Act
4. That there is further information needed for a proper understanding of the accounts to be reached.

Independent examiner's statement

I have completed my examination and have no concerns in respect of the matters (1) to (4) listed above and, in connection with following the Directions of the Charity Commission for Northern Ireland, I have found no matters that require drawing to your attention.

Notes to the Financial Statements
For the year ended 31 December 2022

1 Accounting policies

The principal accounting policies that have been adopted consistently throughout the year and the prior year are summarised below.

1.1 Basis of preparation

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and The Charities (Accounts and Reports) Regulations (Northern Ireland) 2015.

The financial statements have been prepared under the historical cost convention except for investment assets, which are shown at market value. The financial statements include all transactions, assets and liabilities for which the congregation is responsible in law. They do not include the accounts of church groups that owe their affiliation to another body, nor those that are informal gatherings of church members.

Legacurry Presbyterian Church meets the definition of a public benefit entity under FRS 102.

1.2 Fund accounting

Unrestricted income funds comprise those funds which the trustees are free to use for any purpose in furtherance of the charitable objects. Unrestricted funds are primarily from the receipt of Free Will Offerings and loose collections from the congregation.

Restricted funds comprise (a) restricted income funds and (b) restricted land and buildings fund. These are detailed below.

Restricted income funds are funds which are to be used in accordance with specific restrictions imposed by the donor. Restricted income funds are from the collection of congregational offerings to the Church's property account, the missions and charities account and for the Presbyterian Church in Ireland's (PCI) various appeals. The income received by the various church organisations is also restricted for use in the respective organisations.

Restricted land and buildings fund is the fund created on the initial recognition of the land and buildings owned by the church which have not previously been recorded. The only movement on this fund each year is the expensing of the depreciation on land and buildings and/or any fair value movements in respect of investment properties. Further details can be found at note 15.

1 Accounting policies (continued)

1.3 Income recognition

All income is recognised once the charity has entitlement to the income, it is virtually certain that the income will be received and the amount of income receivable can be measured reliably.

Where income received has related expenditure (as with fundraising income) the income and related expenditure are reported gross in the Statement of Financial Activities.

Regular direct giving

Regular direct giving receipts relate to offerings received from the congregation and are recognised on receipt when the church has unconditional entitlement to the income.

Donation and legacies

Donations and legacies are recognised on receipt unless otherwise notified of a settlement date. The nature of the charity as a church means that donations do not usually have conditions attached which may result in the deferral of recognising income.

Tax reclaims on donations and gifts

Income from Gift Aid (included under Regular direct giving) is included in the Statement of Financial Activities at the same time as the donation or gift to which they relate.

Investments

Interest on funds held on deposit is recognised when receivable and the amount can be measured reliably by the charity.

Gifts in kind

Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised. Gifts in kind for use by the charity are included in the Statement of Financial Activities as income when receivable.

Donated services and facilities

These are only included in income (with the equivalent amount in expenditure) where the benefit to the church is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the church of the service or facility received.

1.4 Expenditure and liabilities recognition

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

All expenditure is accounted for on an accruals basis.

1.5 Irrecoverable VAT

Irrecoverable VAT is charged against the expenditure heading for which it was incurred.

1 Accounting policies (continued)

1.6 Governance costs

These are shown within charitable activities and include the costs of preparation and examination of the accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters.

1.7 Tangible fixed assets

Tangible fixed assets are stated at cost or valuation, net of depreciation and any provision for impairment. Assets for use by the church are capitalised if they can be used for more than one year and cost at least £2,500. They are valued at cost or, if gifted, at the value to the charity on receipt.

Depreciation is provided on all tangible fixed assets other than land at rates calculated to write off the cost or valuation, less estimated residual value, of each asset on a straight-line basis over its expected useful life, as follows:

Land:	No depreciation
Car parks, etc.:	50 years
Buildings:	50 years
Fixtures, fittings & equipment:	5 years
Solar panels:	20 years

1.8 Investment properties

Investment properties for which fair value can be measured reliably without undue cost or effort on an ongoing basis are measured at fair value annually with any gain or loss recognised in the statement of financial activities.

1.9 Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount.

1.10 Employee benefits

The minister of the congregation is a member of the Presbyterian Church in Ireland Pension Scheme (2009). This is a scheme operated by the Presbyterian Church in Ireland, a separate registered charity. The church pays an assessment to the Presbyterian Church in Ireland equivalent to the employer's pension contribution for the Scheme and based on the stipend paid to the minister. The Presbyterian Church in Ireland Pension Scheme (2009) is a funded Scheme of the defined benefit type, providing defined benefits based on career average revalued salary. The Scheme has assets held in a separately administered fund managed by the board of trustees. The Presbyterian Church and the Scheme trustees have agreed a funding plan to ensure the Scheme is sufficiently funded to meet current and future obligations. A formal schedule of contributions was drawn up on 25 November 2015 whereby the Presbyterian Church agreed to pay from 31 December 2015 contributions of 24% of pensionable salaries to cover accrual of benefits for future service, expenses, the cost of insuring death in service benefits and funding the scheme deficit.

The charity recognises a cost equal to their contribution payable for the period in their statement of financial activities.

Land and buildings and other fixed assets have been recognised at the date of transition to FRS 102 and the Charities SORP (FRS 102). The buildings comprise the Church building, church halls, youth hall and the manse and their contents. The buildings which were built or purchased within the past 50 years have been recorded on a historical cost basis with associated accumulated depreciation based on a useful economic life of 50 years. Buildings that are older than 50 years are considered to be fully depreciated.

STRUCTURE AND MANAGEMENT

The Kirk Session

The charity trustees of the congregation are the members of its Kirk Session. Under the congregation's governing document, The Code, the book of the constitution and government of the Presbyterian Church in Ireland, the Kirk Session seeks to watch over and promote the spiritual interest of the congregation and of persons not connected with any congregation who are within its bounds. It ensures pastoral care is in place in the congregation and seeks to further the contribution of the Church to Christian witness and service in the local community. The Kirk Session has delegated to its Congregational Committee the temporal affairs of the congregation including administering all funds and property belonging to the congregation. Members of the Kirk Session are ex-officio members of the Congregational Committee.

The Kirk Session consists of the ordained minister and the ruling elders of the congregation. All members are entitled to propose, speak and exercise equal votes at meetings, except that the Moderator, the minister in active duty in the congregation, has no deliberative but only a casting vote. Stated meetings of the Kirk Session are held at least six times a year.

To be chosen for the office of the eldership in the congregation a person must be a voting member and a regular attendant on its ordinances. The selection of those proposed to be called to the office can be either by the congregation or by the Kirk Session. Members are elected if they obtain two-thirds of those who vote.

Presbytery

Under the Presbyterian Church in Ireland form of governance the corporate oversight of a congregation is the responsibility of a Presbytery which superintends generally the spiritual and temporal affairs of the congregations assigned to it by the General Assembly of the Presbyterian Church in Ireland. Legacurry Presbyterian Church has been assigned to the Dromore Presbytery of the Presbyterian Church in Ireland. The membership of the Presbytery consists mainly of the active ministers of congregations assigned to it by the General Assembly, ministers who have retired from active duty and an elder appointed by the Kirk Session of each congregation.

The General Assembly

The General Assembly is the supreme court of the Church, representing in one body the whole Church and acting as its supreme legislative, administrative and judicial authority, in dealing with all matters brought before it. The General Assembly is normally constituted during the first week in June for worship and to conduct its business. At the end of business it is dissolved. The membership of the General Assembly consists mainly of the active ministers of each congregation, retired ministers and a representative elder appointed by the Kirk Session of each congregation. The General Assembly met in June 2022.

ACHIEVEMENTS AND PERFORMANCE (cont'd)

Worship and prayer

The congregation normally meets for worship each Sunday at 11am, with evening services fortnightly at 6.30pm. Once a fortnight Home Groups provide an opportunity for members to meet together for fellowship, to study the scriptures and for a time of prayer. There is a corporate prayer time every Sunday morning before church.

As well as our regular services during the year we acknowledged God's gift of new life at six Sacraments of Baptism and gave thanks for faithful services and sought to comfort those who had been bereaved during the year. There were six weddings held during the year.

At 31 December 2022 there were 332 communicant members and 337 families connected with the congregation.

Pastoral care

Members of the congregation who are unable to attend church due to sickness or age are visited on a regular basis by the minister, elders or by one of the congregation's pastoral visitors. They are also provided with CDs each week to enable them to listen to the services in their own homes. All morning services are available online also.

Mission and outreach

At a local level the congregation continues to support several charities and is involved in community outreach. The main local projects supported included Youth for Christ Ballysillan, Lisburn Food Bank, Jackie Burke, Evangelical Alliance, Christian Family Centre, Christians Against Poverty, Exodus Trust and Graham McClellan.

Our Annual car night in June 2022 raised £3,600 for NI Air Ambulance. The church also ran local summer outreach in a neighbouring village (Ravernet).

Assisted by our part-time evangelist, Mr Graham McClellan, the church also holds a number of outreach and teaching courses throughout the year. These provide a wide range of people from different backgrounds with an opportunity to learn about the good news of Jesus Christ in an informal

The congregation supports the United Appeal for Mission which is a central fund of the Presbyterian Church in Ireland. This fund enables congregations to support the wider mission of the denomination and to do mission and outreach on a denominational basis beyond what the congregation could do on its own. The United Appeal Fund provides financial support for mission personnel at home and overseas, assists congregations with the deployment of locally based staff, enables church planting, provides grant support for the upkeep of church premises, assist with the running costs of Union Theological College, the Church's training college for ministry students, and financially supports congregations in the areas of worship, discipleship, global mission, outreach, leadership and pastoral care.

Our Annual Harvest appeal in October supported the Bethanie Medical Centre in Ouagadougou, Burkina Faso and raised £12,000.

Throughout 2022 the congregation has been working in partnership with Brian & Maria Liggett and Impande Foundation in South Africa, the Morales family in Peru, Tearfund, Overseas Missionary Fellowship and the transport of medical equipment overseas.

Volunteers

The Trustees wish to acknowledge their deep appreciation of those who give freely of their time by serving on committees and helping with organisations and other church activities.

PUBLIC BENEFIT STATEMENT

The Presbyterian Church in Ireland meets the public benefit requirement by providing benefit to its members and the general public by making known the Christian Gospel of the Lord Jesus Christ through the advancement of religion.

The direct benefits which flow from the purposes of the Church include the gaining of an understanding in Christian beliefs as set out in the Bible and in the Church's subordinate standards (the Westminster Confession of Faith and the Shorter and Larger Catechisms) leading to spiritual and moral development and opportunities for response to Bible teaching. In turn, this framework leads to practical expressions of Christian beliefs and standards in the local community such as through the care of those in need (including the sick, disabled and bereaved).

Generally the above benefits are delivered locally by congregations and their members, or are facilitated through presbyteries or are organised and delivered centrally. Local delivery is facilitated by central resources in almost all cases. Public access is made known through the use of noticeboards, printed material, press advertisement, websites, and social media or in other ways.

The benefits are demonstrated through regular evaluation of the services and informal and ad-hoc feedback from members, their families, and members of the public.

The purpose does not lead to harm. The only private benefit flowing from our purpose is related to Ministers, Missionaries, Deaconesses, Irish Mission workers and Lay Agents who receive benefits as a result of their holding office or employment. However, this is incidental and necessary in order to further our charitable purpose. There are no other private benefits. The beneficiaries of this purpose are members, their families, other individuals that the Presbyterian Church in Ireland is in direct and indirect contact with, the community in which pastoral services are provided and other communities throughout Northern Ireland, the Republic of Ireland, and worldwide which benefit from our engagement with and support for both Christian and other secular organisations, charities and individual members of the public.

The Kirk Session has had regard to the Charity Commission's public benefit requirement statutory guidance.

TRUSTEES' ANNUAL REPORT (cont'd)

FINANCIAL REVIEW

The congregation's main source of income is members' contributions through the weekly freewill offering and collections. There were 242 contributing families during the year (224 in 2021) donating a total of £317,789 (a 4.6% increase on receipts of £303,945 in 2021). There have been several movements within this increase including a decrease in recorded giving and loose collections of £8k which was offset by a £10k increase in contributions for specific charitable projects, a £9k increase in receipts for special collections and bequests and a £3k increase in Gift Aid.

The total income from all sources in 2022 was £351,892, an increase of 6.4% on 2021 (£330,819) .

Total expenditure of unrestricted funds in 2022 was £175,553 compared with £169,600 in 2021. There have been various movements in this expenditure. The largest movement was a decrease of £17k for ministry and staff costs, the majority of which is due to our Assistant Minister leaving at the end of April and our Youth Worker also finishing in August. Another large movement was an almost £16k increase in Life and Work - this relates mainly to some one off events during 2022 including a church weekend at Castlewellan Castle, congregational meals and a concert featuring New Irish Arts. Other unrestricted costs remain constant however there has been an increase in utilities as expected.

GOING CONCERN

The activities of the congregation are dependent on ongoing contributions from its members. The Trustees are of the opinion that the congregation has sufficient resources at the date of approval of these financial statements to meet commitments which will arise in the year from the date of signing this report and subject to the continuing support from members to fund on an ongoing basis the congregation's current activities and other financial commitments.

RESERVES POLICY

The Trustees have considered the level of unrestricted reserves that it is appropriate to hold taking account of current and ongoing commitments. It is the policy of the Trustees to hold at least six months normal expenditure. At the year end unrestricted reserves were £341,990, which represents a higher level of reserves. The Trustees however, consider it prudent to hold reserves at this level as the funding of its present activities is dependent of the ongoing financial support of members.

RISK REVIEW

A review of major risks has been undertaken by the Trustees and systems and procedures implemented to manage identified risks. The principal risks are in relation to the likelihood of reputational damage and financial risks associated with the expectation of ongoing financial support from members. These risks are mitigated by the Trustees, and the Congregational Committee, regularly monitoring the various activities of the congregation at stated meetings and by encouraging members in their regular giving.

Notes to the Financial Statements
For the year ended 31 December 2022

1 Accounting policies

The principal accounting policies that have been adopted consistently throughout the year and the prior year are summarised below.

1.1 Basis of preparation

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and The Charities (Accounts and Reports) Regulations (Northern Ireland) 2015.

The financial statements have been prepared under the historical cost convention except for investment assets, which are shown at market value. The financial statements include all transactions, assets and liabilities for which the congregation is responsible in law. They do not include the accounts of church groups that owe their affiliation to another body, nor those that are informal gatherings of church members.

Legacurry Presbyterian Church meets the definition of a public benefit entity under FRS 102.

1.2 Fund accounting

Unrestricted income funds comprise those funds which the trustees are free to use for any purpose in furtherance of the charitable objects. Unrestricted funds are primarily from the receipt of Free Will Offerings and loose collections from the congregation.

Restricted funds comprise (a) restricted income funds and (b) restricted land and buildings fund. These are detailed below.

Restricted income funds are funds which are to be used in accordance with specific restrictions imposed by the donor. Restricted income funds are from the collection of congregational offerings to the Church's property account, the missions and charities account and for the Presbyterian Church in Ireland's (PCI) various appeals. The income received by the various church organisations is also restricted for use in the respective organisations.

Restricted land and buildings fund is the fund created on the initial recognition of the land and buildings owned by the church which have not previously been recorded. The only movement on this fund each year is the expensing of the depreciation on land and buildings and/or any fair value movements in respect of investment properties. Further details can be found at note 15.

Legacurry Presbyterian Church
Notes to the Financial Statements
For the year ended 31 December 2022

1 Accounting policies (continued)

1.3 Income recognition

All income is recognised once the charity has entitlement to the income, it is virtually certain that the income will be received and the amount of income receivable can be measured reliably.

Where income received has related expenditure (as with fundraising income) the income and related expenditure are reported gross in the Statement of Financial Activities.

Regular direct giving

Regular direct giving receipts relate to offerings received from the congregation and are recognised on receipt when the church has unconditional entitlement to the income.

Donation and legacies

Donations and legacies are recognised on receipt unless otherwise notified of a settlement date. The nature of the charity as a church means that donations do not usually have conditions attached which may result in the deferral of recognising income.

Tax reclaims on donations and gifts

Income from Gift Aid (included under Regular direct giving) is included in the Statement of Financial Activities at the same time as the donation or gift to which they relate.

Investments

Interest on funds held on deposit is recognised when receivable and the amount can be measured reliably by the charity.

Gifts in kind

Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised. Gifts in kind for use by the charity are included in the Statement of Financial Activities as income when receivable.

Donated services and facilities

These are only included in income (with the equivalent amount in expenditure) where the benefit to the church is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the church of the service or facility received.

1.4 Expenditure and liabilities recognition

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

All expenditure is accounted for on an accruals basis.

1.5 Irrecoverable VAT

Irrecoverable VAT is charged against the expenditure heading for which it was incurred.

1 Accounting policies (continued)

1.6 Governance costs

These are shown within charitable activities and include the costs of preparation and examination of the accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters.

1.7 Tangible fixed assets

Tangible fixed assets are stated at cost or valuation, net of depreciation and any provision for impairment. Assets for use by the church are capitalised if they can be used for more than one year and cost at least £2,500. They are valued at cost or, if gifted, at the value to the charity on receipt.

Depreciation is provided on all tangible fixed assets other than land at rates calculated to write off the cost or valuation, less estimated residual value, of each asset on a straight-line basis over its expected useful life, as follows:

Land:	No depreciation
Car parks, etc.:	50 years
Buildings:	50 years
Fixtures, fittings & equipment:	5 years
Solar panels:	20 years

1.8 Investment properties

Investment properties for which fair value can be measured reliably without undue cost or effort on an ongoing basis are measured at fair value annually with any gain or loss recognised in the statement of financial activities.

1.9 Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount.

1.10 Employee benefits

The minister of the congregation is a member of the Presbyterian Church in Ireland Pension Scheme (2009). This is a scheme operated by the Presbyterian Church in Ireland, a separate registered charity. The church pays an assessment to the Presbyterian Church in Ireland equivalent to the employer's pension contribution for the Scheme and based on the stipend paid to the minister. The Presbyterian Church in Ireland Pension Scheme (2009) is a funded Scheme of the defined benefit type, providing defined benefits based on career average revalued salary. The Scheme has assets held in a separately administered fund managed by the board of trustees. The Presbyterian Church and the Scheme trustees have agreed a funding plan to ensure the Scheme is sufficiently funded to meet current and future obligations. A formal schedule of contributions was drawn up on 25 November 2015 whereby the Presbyterian Church agreed to pay from 31 December 2015 contributions of 24% of pensionable salaries to cover accrual of benefits for future service, expenses, the cost of insuring death in service benefits and funding the scheme deficit.

The charity recognises a cost equal to their contribution payable for the period in their statement of financial activities.
