Notes to the Financial Statements
For the year ended 31 December 2024

1. Accounting policies

Set out below are the principal accounting policies which have been adopted in the compilation of the Receipts and Payments Account and the Statement of Assets and Liabilities.

(a) Receipts and Payments Account

All items of income and expenditure included within the Receipts and Payments Account have been accounted for on a cash receipts basis.

(b) Statement of Assets and Liabilities

(i) Assets for the parish's own use

The assets of the Parish, retained for its own use comprise:

Church building and graveyard

Parish Hall

Glebe House

The church building and graveyard are deemed to be heritage assets as defined by the Charities SORP (FRS102). These heritage assets are not included in the statement of assets and liabilities as information on the cost or valuation is not available and such information cannot be obtained as a cost commensurate with the benefit to the users of the accounts and to the parish.

The parish hall was built in 1960. There are no reliable records of the cost of this construction and valuation approach for such a building lacks sufficient reliability. As a result this building is not recognised in the parish statement of assets and liabilities.

The Glebe House was purchased in 2021 and is recognised in the parish statement of assets and liabilities at cost.

(ii) Investments

Investments in RCB/CIT Unit Trusts are initially recorded at cost and are then subsequently stated at fair value at each year end date.

Notes to the Financial Statements
For the year ended 31 December 2023

1. Accounting policies

Set out below are the principal accounting policies which have been adopted in the compilation of the Receipts and Payments Account and the Statement of Assets and Liabilities.

(a) Receipts and Payments Account

All items of income and expenditure included within the Receipts and Payments Account have been accounted for on a cash receipts basis.

(b) Statement of Assets and Liabilities

(i) Assets for the parish's own use

The assets of the Parish, retained for its own use comprise:

Church building and graveyard
Parish Hall
Glebe House

The church building and graveyard are deemed to be heritage assets as defined by the Charities SORP (FRS102). These heritage assets are not included in the statement of assets and liabilities as information on the cost or valuation is not available and such information cannot be obtained as a cost commensurate with the benefit to the users of the accounts and to the parish.

The parish hall was built in 1960. There are no reliable records of the cost of this construction and valuation approach for such a building lacks sufficient reliability. As a result this building is not recognised in the parish statement of assets and liabilities.

The Glebe House was purchased in 2021 and is recognised in the parish statement of assets and liabilities at cost.

(ii) Investments

Investments in RCB/CIT Unit Trusts are initially recorded at cost and are then subsequently stated at fair value at each year end date.

Notes to the Financial Statements
For the year ended 31 December 2022

1. Accounting policies

Set out below are the principal accounting policies which have been adopted in the compilation of the Receipts and Payments Account and the Statement of Assets and Liabilities.

(a) Receipts and Payments Account

All items of income and expenditure included within the Receipts and Payments Account have been accounted for on a cash receipts basis.

(b) Statement of Assets and Liabilities

(i) Assets for the parish's own use

The assets of the Parish, retained for its own use comprise:

Church building and graveyard

Parish Hall

Glebe House

The church building and graveyard are deemed to be heritage assets as defined by the Charities SORP (FRS102). These heritage assets are not included in the statement of assets and liabilities as information on the cost or valuation is not available and such information cannot be obtained as a cost commensurate with the benefit to the users of the accounts and to the parish.

The parish hall was built in 1960. There are no reliable records of the cost of this construction and valuation approach for such a building lacks sufficient reliability. As a result this building is not recognised in the parish statement of assets and liabilities.

The Glebe House was purchased in 2021 and is recognised in the parish statement of assets and liabilities at cost.

(ii) Investments

Investments in RCB/CIT Unit Trusts are initially recorded at cost and are then subsequently stated at fair value at each year end date.

Achievements, Performance & Public Benefit

During the year the parish provided the advancement of religion through the provision of weekly public worship, a community barbeque, Sunday school for children and other activities through which Christian witness and outreach were delivered. All Sunday school teachers have been appropriately trained under Safeguarding Trust regulations and the parish has an elected Safeguarding Trust panel.

Financial Review

The parish's financial position at the year end was satisfactory. The parish has achieved an operating surplus in the period which has increased reserves. The trustees' are going to focus on additional fundraising for the coming year with the aim to continue operating at a surplus and avoid having to deplete reserves when carrying our repair works to the rectory, church and hall in the coming periods.

Going Concern

The trustees have reviewed the budgets for the year ahead and are satisfied that there are adequate funds in place to ensure that the Parish can continue its activities and the financial statements for the year ended 31 December 2022 can be signed off as a going concern.

Structure, Governance and Management

Governing Document and Constitution of the Charity

Chapter III of the Constitution of the Church of Ireland governs Parishes and Parochial Organisation. The Select Vestry members are the Charity Trustees.

Recruitment and Appointment of Select Vestry (Trustees)

All members of the Church of Ireland who are over the age of 18 and are either resident within the parish or live elsewhere but have been accustomed members of the congregation for at least three months, may register as members of the general vestry of the parish, allowing them to attend and vote at meetings of the general vestry and to stand for election to the select vestry. Meetings of the general vestry are held at least once a year. The Select Vestry is elected as part of this General Vestry meeting. The Select Vestry will hold their positions for a period of one year. Select Vestry members may be re-elected annually and there is no limit on the number of terms which may be served.

Organisational Structure

The select vestry is responsible for the day to day management of the parish. The select vestry consists of the member of the clergy serving in the parish, any curate assistant ("the curate"), the churchwardens, the glebe wardens and generally not more than twelve other members of the general vestry elected at the General Vestry.

The select vestry is chaired by the incumbent or other member of the clergy officiating in the parish. Select vestry members are responsible for making decisions on matters of general concern and importance to the parish including deciding how parish funds are to be applied.

The select vestry meets at times fixed by the members. Special meetings may be convened at any time by the chairperson or the churchwardens. In 2022 the Select Vestry met 9 times during the year and the average attendance was 84%.

Compliance with Public Benefit

The Parish has given careful consideration to the Charity Commission for Northern Ireland's guidance on public benefit to ensure that the actives entered into during the year have helped to achieve the Parish's objectives and activities, as well as providing public benefit.
