**A summary of the Charity's main activities to further its purposes for the public benefit and the main achievements in the year**

We have been having problems recruiting girls into the unit, we have tried local Facebook sites and information in the church magazine with little success. We have had bring a friend night which was a partial success. We worked on many Brownie badges, UMA's and skill builders. At Thinking Day as usual we celebrated the diversity of Guiding and our unit attended a Thinking Day event. We completed crafts throughout the year and the girls love cooking and baking, this was not possible in the Leisure Centre, we were denied use of the kitchen and even of the microwave. We have limited storage space so we have been using up some of accumulated craft materials. The unit has girls with various challenges, one child in a wheelchair, one on the autistic spectrum, so we adapt activities to include everyone as much as possible. The girls attended the Crumlin Royal British Legion Remembrance Parade and laid a wreath. As usual we had a BBQ on the last day of the summer sessions, burgers, toasted marshmallows and of course smores.. Christmas crafts and party enjoyed by all.

**A statement that the Trustees have had regard to the Commission's Public Benefit requirement statutory guidance**

All Trustees are aware of this guidance and have adhered to it.

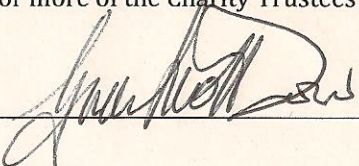

**A review of the charity's financial position at end of year**

The unit had on a met on a Wednesday in Crumlin Community Centre (now Leisure Centre) for approximately 39 Years the Council more than doubled the rent (£22.50 per week), fortunately, from mid February we have met on a Tuesday in a local church hall, we give a donation towards light and heat (we decided on approximately £20 per month). Financially speaking this has made a tremendous difference to the unit but we remain very thrifty.
