MAGHERACULMONEY CHURCH OF IRELAND

TRUSTEES' ANNUAL REPORT FOR THE YEAR ENDED 31 DECEMBER 2024

The trustees present the annual report and accounts for Magheraculmoney Parish for the year ended 31 December 2024.

Objectives and Activities

The charitable purpose of the Church of Ireland is the advancement of the Christian faith.

The principal function of Magheraculmoney Parish is to support the advancement of the Christian religion by promoting, through the work of Magheraculmoney Parish, the whole mission of the Church, pastoral, evangelistic, social and ecumenical. Being open to, and engaging with society as a whole and offering support for those needing help are fundamental to the practical delivery of the benefits of Christianity.

As a result of activity in the pursuit of the advancement of the Christian religion, Magheraculmoney Parish has custody of property and of records, materials and artefacts of significance to the cultural and religious heritage and maintenance of which is undertaken by the Select Vestry of Magheraculmoney Parish.

Achievements, Performance & Public Benefit

The Sunday morning services in the parish church of St. Mary's, aim to nurture, support and develop the Christian faith within the congregation.

Life Groups met again through 2024. The life groups undertake worship, bible study, prayer and fellowship together, encouraging outreach of love and care into the wider community.

The regular activities of the parish are aimed at engaging with all age groups. Children's church for 3-14 years old to seek to provide age-appropriate bible teaching to the children, and a foundation based on Christian values, youth clubs and youth life groups supporting those from 11 years old up. Friends in the Afternoon providing social activities for our senior community and Mothers Union for the ladies seeking similar inclusion. These groups met throughout 2024.

The parish engages with the wider community through its outreach in the Parish Centre, linking in with the Fountain Centre and the Courthouse Kesh Ltd. In the Fountain Centre, the groups using the facility include Scouts, Guides and Rangers and Duke of Edinburgh, The Fountain Youth Club, Youth Life Groups and Badminton Club. All except the latter, are for children or young adults, giving them the opportunity to meet to develop educationally, physically, spiritually and in doing so enable community growth. The Badminton Club is open to all age groups in the community. Within the Fountain Centre are offices for the administration and youth work aspect of parish life where one member of staff is currently based.

Through its link with The Courthouse Kesh Ltd the parish works with its members in a range of services including a foodbank, befriending and self-help for all in the community, financial management in conjunction with Christians Against Poverty, health and well-being services, programs for farming families, facilities for use of local organisations and café drop-in for all requiring snack food.

As the church and parish centre are located some two miles from Kesh, the Fountain and Courthouse centres are more centrally located, more easily accessible and are all well equipped to facilitate outreach. This objective fits well with the parish vision of loving God, loving each other and loving those outside the church.

Financial Review

Through freewill offering the parishioners continue to support the parish financially.

The trustees' policy on reserves is to ensure that all ministry needs are met and reserves are used at the earliest opportunity.

Going Concern

The trustees have reviewed the budgets for the year ahead and are satisfied that there are adequate funds in place to ensure that the Parish can continue its activities and the financial statements for the year end 31 December 2024 can be signed off as a going concern.

Structure, Governance and Management

Governing Document and Constitution of the Charity

Chapter III of the Constitution of the Church of Ireland governs Parishes and Parochial Organisation. The Select Vestry members are the Charity Trustees

Recruitment and Appointment of Select Vestry

All members of the Church of Ireland who are over the age of 18 and are either resident within the parish or live elsewhere but have been accustomed members of the congregation for at least three months, may register as members of the General Vestry of the parish, allowing them to attend and vote at meetings of the General Vestry and to stand for election to the Select Vestry. Meetings of the General Vestry are held at least once a year. The Select Vestry is elected as part of this General Vestry meeting. The Select Vestry will hold their positions for a period of one year. Select Vestry members may be re-elected annually and there is no limit on the number of terms which may be served.

Pay and remuneration

The incumbent (and curate if / when appointed) each receive a stipend in accordance with figures approved by the General Synod of the Church of Ireland and details of office and locomotory allowance.

Organisational Structure

The Select Vestry is responsible for the day-to-day management of the parish. The Select Vestry consists of the member of the clergy serving in the parish, any curate assistant (“the curate”), the church wardens, the glebe wardens and generally not more than twelve other members of the General Vestry elected at the General Vestry.

The Select Vestry is chaired by the incumbent or other member of the clergy officiating in the parish. Select Vestry members are responsible for making decisions on matters of general concern and importance to the parish including deciding how parish funds are to be applied.

The Select Vestry meets at times fixed by the members or by the Diocesan Synod. Special meetings may be convened at any time by the chairperson or the churchwardens. In 2024 the Select Vestry met 8 times during the year. Attendance at 8 of these meetings was in excess of 80%.

Statement of Trustees' Responsibilities

The trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and regulations.

The law applicable to charities in the Northern Ireland requires the trustees to prepare financial statements for each financial year. Under that law the trustees have prepared the financial statements in accordance with Generally Accepted Accounting Practice in the United Kingdom (accounting standards issued by the Financial Reporting Council in the UK, including Charities SORP (FRS 102) “ Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)” and promulgated by the Institute of Chartered Accountants in the United Kingdom and United Kingdom Law) Under that law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of the affairs of the charity and of the statement of financial activities of the charity for that period.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are reasonable and prudent
- state whether the financial statements have been prepared in accordance with applicable Accounting Standards and identify the standards in question, subject to any material departures being disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Parish will continue as a going concern.

The trustees are responsible for keeping accounting records that are sufficient to show and explain the Parish's transactions and disclose with reasonable accuracy at any time the financial position of the Parish and enable them to ensure that the financial statements comply with the Charities Act (Northern Ireland) 2008, the Charity (Accounts and Reports) Regulations (Northern Ireland) 2008 and the provision of the Constitution of the Church of Ireland. They are also responsible for safeguarding the assets of the Parish and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Statement as to disclosure to our independent examiner

In so far as the trustees are aware at the time of approving our trustees' annual report:

- there is no relevant information of which the independent examiner is unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant information and to establish that the independent examiner is aware of that information.

Independent Examiner

The independent examiner, Hassard McClements Limited have indicated their willingness to continue in office, and a resolution concerning their reappointment will be proposed at the Annual Easter Vestry Meeting.

INDEPENDENT EXAMINER'S REPORT TO THE CHARITY TRUSTEES OF MAGHERACULMONEY
CHURCH OF IRELAND

We report on the accounts of Magheraculmoney Church of Ireland for the year ended 31 December 2024, which are set out on pages 6 to 16.

Respective responsibilities of the charity trustees and independent examiner

As the charity's trustees you are responsible for the preparation of the accounts in accordance with the Charities Act (Northern Ireland) 2008, the Charities Act (Northern Ireland) 2013 and the Charities (Accounts and Reports) Regulations (Northern Ireland) 2015. The charity's trustees consider that an audit is not required for this year under section 65(2) of the Charities Act (Northern Ireland) 2008 and that an independent examination is needed. The charity is preparing accrual accounts. It is our responsibility to:

- Examine the accounts under section 65 of the Charities Act (Northern Ireland) 2008;
- Follow the procedures laid down in the general Directions given by the Charity Commission for Northern Ireland under section 65(9)(b) of the Charities Act (Northern Ireland) 2008; and
- State whether particular matters have come to our attention.

Basis of independent examiner's report

We have examined your charity accounts as required under section 65 of the Charities Act (Northern Ireland) 2008 and our examination was carried out in accordance with the general Directions given by the Charity Commission for Northern Ireland under section 65(9)(b) of the Charities Act (Northern Ireland) 2008.

Our examination included a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also included consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as charity trustees concerning any such matters.

Our role is to state whether any material matters have come to our attention giving us cause to believe:

1. That accounting records were not kept in accordance with section 63 of the Charities Act (Northern Ireland) 2008;
2. That the accounts do not accord with those accounting records;
3. That the accounts do not comply with accounting requirements of the Charities Act (Northern Ireland) 2008; and
4. That there is further information needed for a proper understanding of the accounts to be reached.

Independent examiner's statement

We have completed our examination and have no concerns in respect of the matters (1) to (4) listed above and, in connection with following the Directions of the Charity Commission for Northern Ireland, we have found no matters that require drawing to your attention.

MAGHERACULMONEY CHURCH OF IRELAND

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2024

1. Accounting policies

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

a) Basis of preparation

The financial statements have been prepared on a going concern basis in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

The Parish meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost and transaction value unless otherwise stated in the relevant accounting policy note(s).

b) Preparation of accounts on a going concern basis

The parish generally meets its day to day working capital requirements from its annual income. The Trustees have obtained and reviewed cash flow forecasts for the coming year and based on these are satisfied that the Parish has resources to provide a reasonable expectation that it can continue to meet its financial obligations as they fall due for the foreseeable future. Therefore, these financial statements have been prepared on a going concern basis.

c) Income

Plate collections, weekly envelopes and graveyard income are accounted for on a cash receipts basis as the amount is collected.

Income arising from the rental of Parish Centre facilities to third parties is recognised when the parish has entitlement to the funds, any performance conditions attached to the income have been met, it is probable that the income will be received and the amount can be measured reliably.

Income from government and other grants, whether 'capital' grants or 'revenue' grants, is recognised when the charity has entitlement to the funds, any performance conditions attached to the grants have been met, it is probable that the income will be received and the amount can be measured reliably.

Donations and gifts in kind are brought into the accounts at their fair value to the Parish.

d) Expenditure

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

e) Tangible assets

The assets of the Parish comprise:

- Church building and graveyard
- Glebe House
- Parish Centre
- Mullaghfarne Hall
- Fixtures and fittings and equipment

MAGHERACULMONEY CHURCH OF IRELAND

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2024

The Church building and graveyard are deemed to be Heritage assets as defined by the Charities SORP (FRS 102). These Heritage assets are not included on the balance sheet as information on the cost or valuation is not available and such information cannot be obtained at a cost commensurate with the benefit to the users of the accounts and to the parish.

The Glebe House is recognised at insurance value. No depreciation has been provided on the Glebe House as the current estimated residual value is not less than its carrying value and the remaining useful life currently exceeds 50 years.

The Parish Centre is recognised at insurance value. No depreciation has been provided on the Parish Centre as the current estimated residual value is not less than its carrying value and the remaining useful life currently exceeds 50 years.

Mullaghfame Hall is recognised at insurance value. No depreciation has been provided on the Mullaghfame Hall as the current estimated residual value is not less than its carrying value and the remaining useful life currently exceeds 50 years.

Fixtures, fittings and equipment are recognised at cost and are depreciated on a straight line basis over a period of 10 years. The assets' residual values and useful lives are reviewed, and adjusted, if appropriate, at the end of each reporting period. The effect of any change is accounted for prospectively.

Tangible assets are derecognised on disposal or when no future economic benefits are expected. On disposal, the difference between the disposal proceeds and the carrying amount is recognised in the statement of financial activities.

f) Investment Properties

3 Castle Manor has been reclassified from tangible fixed assets during the year as it is held for investment potential. It is recognised at insurance value. No depreciation has been provided as the property is maintained in good repair and the current estimated residual value is not less than its carrying value and the remaining useful life of the building exceeds 50 years.

g) Investments

Fixed asset investments comprising investments in RCB and CIT Unit Trusts are stated at fair value at the balance sheet date. Unrealised gains and losses represent the difference between the fair value at the beginning and end of the financial year.

h) Cash and cash equivalents

Cash and cash equivalents includes cash in hand, deposits held at call with banks and bank overdrafts.

i) Financial instruments

The Parish only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction price and subsequently measured at their settlement value.

j) Funds

Funds are classified as either restricted funds or unrestricted funds, defined as follows.

Restricted funds are funds subject to specific requirements as to their use which may be declared by the donor or with their authority or created through legal processes, but still within the wider objects of the Parish.

Endowment funds are funds which have been given on the condition that the original capital sum is not reduced, but the income there from is used for the purpose defined in accordance with the objects of the Parish.

Unrestricted funds are expendable at the discretion of the trustees in furtherance of the objects of the charity.

MAGHERACULMONEY CHURCH OF IRELAND

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2024

2. Critical accounting judgements and estimation uncertainty

Estimates and judgements made in the process of preparing the financial statements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. The Trustees do not consider that there are any critical judgements made in applying the Parish's accounting policies or that there are any critical accounting estimates or assumptions which may have a significant risk of causing a material adjustment to carrying amounts of assets and liabilities within the next financial year.

Purpose of Endowment

- Doonan Trust: This is a Trust to be used for the maintenance of Mr Doonan's parents' graves.
- McClintock Family Grave Fund: This is a Fund to be used for the upkeep of the McClintock Family Graves.

Purposes of Restricted Funds

- Building Fund: This is a Fund to be used for payment for major church repairs.
- Charity Fund: This is a Fund to be used for donations to charities.

Transfers between Funds

In 2010, the Select Vestry unanimously agreed to provide £192,686 from Parish funds for the completion of the Fountain Centre build (in full alignment with its own charitable aims and objectives).

This was previously recorded as an Investment Fixed Asset in earlier accounts, but following a review of the Parishes assets and minutes in 2023, it was reclassified as a donation. This is borne out by the Select Vestry minutes and is consistent with the treatment of the donation by the beneficiary.

The £192,686 donated to The Fountain (NI) Ltd was released from the Building Fund in the 2023 accounts upon reclassification. However, as the Building Fund is a restricted fund within the Parish for its own buildings, the 2024 accounts reflect the transfer of £192,686 from the unrestricted General Fund to the Building Fund to reinstate the value held in that restricted fund.

18. Collection for Third Parties

No collections were made on behalf of Third Parties.

MAGHERACULMONEY CHURCH OF IRELAND

TRUSTEES' ANNUAL REPORT FOR THE YEAR ENDED 31 DECEMBER 2023

The trustees present the annual report and accounts for Magheraculmoney Parish for the year ended 31 December 2023.

Objectives and Activities

The charitable purpose of the Church of Ireland is the advancement of the Christian faith.

The principal function of Magheraculmoney Parish is to support the advancement of the Christian religion by promoting, through the work of Magheraculmoney Parish, the whole mission of the Church, pastoral, evangelistic, social and ecumenical. Being open to, and engaging with society as a whole and offering support for those needing help are fundamental to the practical delivery of the benefits of Christianity.

As a result of activity in the pursuit of the advancement of the Christian religion, Magheraculmoney Parish has custody of property and of records, materials and artefacts of significance to the cultural and religious heritage and maintenance of which is undertaken by the Select Vestry of Magheraculmoney Parish.

Achievements, Performance & Public Benefit

During the year 2023, activities continued to more closely reflect those before the Covid pandemic, as the year progressed. The Sunday morning services in the parish church of St. Mary's, aim to nurture, support and develop the Christian faith within the congregation.

Life Groups met again through 2023. The life groups undertake worship, bible study, prayer and fellowship together, encouraging outreach of love and care into the wider community.

The regular activities of the parish are aimed at engaging with all age groups. Children's church for 3-14 years old to seek to provide age-appropriate bible teaching to the children, and a foundation based on Christian values, youth clubs and youth life groups supporting those from 11 years old up. Friends in the Afternoon providing social activities for our senior community and Mothers Union for the ladies seeking similar inclusion. These groups met throughout 2023. Our mums and toddlers' group, to support parents in the wider community, has yet to restart since the Covid 19 pandemic.

The parish engages with the wider community through its outreach in the Parish Centre, linking in with the Fountain Centre and the Courthouse Kesh Ltd. In the Fountain Centre, the groups using the facility include Scouts, Guides and Rangers, The Fountain Youth Club, Youth Life Groups and Badminton Club. All except the latter, are for children or young adults, giving them the opportunity to meet to develop educationally, physically, spiritually and in doing so enable community growth. The Badminton Club is open to all age groups in the community. Within the Fountain Centre are offices for the administration and youth work aspect of parish life where one member of staff is currently based.

Through its link with The Courthouse Kesh Ltd the parish works with its members in a range of services including a foodbank, befriending and self-help for all in the community, financial management in conjunction with Christians Against Poverty, health and well-being services, programs for farming families, facilities for use of local organisations and café drop-in for all requiring snack food.

As the church and parish centre are located some two miles from Kesh, the Fountain and Courthouse centres are more centrally located, more easily accessible and are all well equipped to facilitate outreach. This objective fits well with the parish vision of loving God, loving each other and loving those outside the church.

Financial Review

Through freewill offering the parishioners continue to support the parish financially.

The trustees policy on reserves is to ensure that all ministry needs are met and reserves are used at the earliest opportunity.

Going Concern

The trustees have reviewed the budgets for the year ahead and are satisfied that there are adequate funds in place to ensure that the Parish can continue its activities and the financial statements for the year end 31 December 2023 can be signed off as a going concern.

Structure, Governance and Management

Governing Document and Constitution of the Charity

Chapter III of the Constitution of the Church of Ireland governs Parishes and Parochial Organisation. The Select Vestry members are the Charity Trustees

Recruitment and Appointment of Select Vestry

All members of the Church of Ireland who are over the age of 18 and are either resident within the parish or live elsewhere but have been accustomed members of the congregation for at least three months, may register as members of the General Vestry of the parish, allowing them to attend and vote at meetings of the General Vestry and to stand for election to the Select Vestry. Meetings of the General Vestry are held at least once a year. The Select Vestry is elected as part of this General Vestry meeting. The Select Vestry will hold their positions for a period of one year. Select Vestry members may be re-elected annually and there is no limit on the number of terms which may be served.

Pay and remuneration

The incumbent (and curate if / when appointed) each receive a stipend in accordance with figures approved by the General Synod of the Church of Ireland and details of office and locomotory allowance.

Organisational Structure

The Select Vestry is responsible for the day-to-day management of the parish. The Select Vestry consists of the member of the clergy serving in the parish, any curate assistant ("the curate"), the church wardens, the glebe wardens and generally not more than twelve other members of the General Vestry elected at the General Vestry.

The Select Vestry is chaired by the incumbent or other member of the clergy officiating in the parish. Select Vestry members are responsible for making decisions on matters of general concern and importance to the parish including deciding how parish funds are to be applied.

The Select Vestry meets at times fixed by the members or by the Diocesan Synod. Special meetings may be convened at any time by the chairperson or the churchwardens. In 2023 the Select Vestry met 8 times during the year. Attendance at 8 of these meetings was in excess of 85%.

Statement of Trustees' Responsibilities

The trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and regulations.

The law applicable to charities in the Northern Ireland requires the trustees to prepare financial statements for each financial year. Under that law the trustees have prepared the financial statements in accordance with Generally Accepted Accounting Practice in the United Kingdom (accounting standards issued by the Financial Reporting Council in the UK, including Charities SORP (FRS 102) "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" and promulgated by the Institute of Chartered Accountants in the United Kingdom and United Kingdom Law) Under that law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of the affairs of the charity and of the statement of financial activities of the charity for that period.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are reasonable and prudent
- state whether the financial statements have been prepared in accordance with applicable Accounting Standards and identify the standards in question, subject to any material departures being disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Parish will continue as a going concern.

The trustees are responsible for keeping accounting records that are sufficient to show and explain the Parish's transactions and disclose with reasonable accuracy at any time the financial position of the Parish and enable them to ensure that the financial statements comply with the Charities Act (Northern Ireland) 2008, the Charity (Accounts and Reports) Regulations (Northern Ireland) 2008 and the provision of the Constitution of the Church of Ireland. They are also responsible for safeguarding the assets of the Parish and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Statement as to disclosure to our independent examiner

In so far as the trustees are aware at the time of approving our trustees' annual report:

- there is no relevant information of which the independent examiner is unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant information and to establish that the independent examiner is aware of that information.

Independent Examiner

The independent examiner, Hassard McClements Limited have indicated their willingness to continue in office, and a resolution concerning their reappointment will be proposed at the Annual Easter Vestry Meeting.

**INDEPENDENT EXAMINER'S REPORT TO THE CHARITY TRUSTEES OF MAGHERACULMONEY
CHURCH OF IRELAND**

We report on the accounts of Magheraculmoney Church of Ireland for the year ended 31 December 2023, which are set out on pages 6 to 16.

Respective responsibilities of the charity trustees and independent examiner

As the charity's trustees you are responsible for the preparation of the accounts in accordance with the Charities Act (Northern Ireland) 2008, the Charities Act (Northern Ireland) 2013 and the Charities (Accounts and Reports) Regulations (Northern Ireland) 2015. The charity's trustees consider that an audit is not required for this year under section 65(2) of the Charities Act (Northern Ireland) 2008 and that an independent examination is needed. The charity is preparing accrual accounts. It is our responsibility to:

- Examine the accounts under section 65 of the Charities Act (Northern Ireland) 2008;
- Follow the procedures laid down in the general Directions given by the Charity Commission for Northern Ireland under section 65(9)(b) of the Charities Act (Northern Ireland) 2008; and
- State whether particular matters have come to our attention.

Basis of independent examiner's report

We have examined your charity accounts as required under section 65 of the Charities Act (Northern Ireland) 2008 and our examination was carried out in accordance with the general Directions given by the Charity Commission for Northern Ireland under section 65(9)(b) of the Charities Act (Northern Ireland) 2008.

Our examination included a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also included consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as charity trustees concerning any such matters.

Our role is to state whether any material matters have come to our attention giving us cause to believe:

1. That accounting records were not kept in accordance with section 63 of the Charities Act (Northern Ireland) 2008;
2. That the accounts do not accord with those accounting records;
3. That the accounts do not comply with accounting requirements of the Charities Act (Northern Ireland) 2008; and
4. That there is further information needed for a proper understanding of the accounts to be reached.

Independent examiner's statement

We have completed our examination and have no concerns in respect of the matters (1) to (4) listed above and, in connection with following the Directions of the Charity Commission for Northern Ireland, we have found no matters that require drawing to your attention.

MAGHERACULMONEY CHURCH OF IRELAND

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2023

1. Accounting policies

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

a) Basis of preparation

The financial statements have been prepared on a going concern basis in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

The Parish meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost and transaction value unless otherwise stated in the relevant accounting policy note(s).

b) Preparation of accounts on a going concern basis

The parish generally meets its day to day working capital requirements from its annual income. The Trustees have obtained and reviewed cash flow forecasts for the coming year and based on these are satisfied that the Parish has resources to provide a reasonable expectation that it can continue to meet its financial obligations as they fall due for the foreseeable future. Therefore, these financial statements have been prepared on a going concern basis.

c) Income

Plate collections, weekly envelopes and graveyard income are accounted for on a cash receipts basis as the amount is collected.

Income arising from the rental of Parish Centre facilities to third parties is recognised when the parish has entitlement to the funds, any performance conditions attached to the income have been met, it is probable that the income will be received and the amount can be measured reliably.

Income from government and other grants, whether 'capital' grants or 'revenue' grants, is recognised when the charity has entitlement to the funds, any performance conditions attached to the grants have been met, it is probable that the income will be received and the amount can be measured reliably.

Donations and gifts in kind are brought into the accounts at their fair value to the Parish.

d) Expenditure

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

e) Tangible assets

The assets of the Parish comprise:

- Church building and graveyard
- Glebe House
- Parish Centre
- Mullaghfarne Hall
- Fixtures and fittings and equipment

MAGHERACULMONEY CHURCH OF IRELAND

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2023

The Church building and graveyard are deemed to be Heritage assets as defined by the Charities SORP (FRS 102). These Heritage assets are not included on the balance sheet as information on the cost or valuation is not available and such information cannot be obtained at a cost commensurate with the benefit to the users of the accounts and to the parish.

The Glebe House is recognised at insurance value. No depreciation has been provided on the Glebe House as the current estimated residual value is not less than its carrying value and the remaining useful life currently exceeds 50 years.

The Parish Centre is recognised at insurance value. No depreciation has been provided on the Parish Centre as the current estimated residual value is not less than its carrying value and the remaining useful life currently exceeds 50 years.

Mullaghfarne Hall is recognised at insurance value. No depreciation has been provided on the Mullaghfarne Hall as the current estimated residual value is not less than its carrying value and the remaining useful life currently exceeds 50 years.

Fixtures, fittings and equipment are recognised at cost and are depreciated on a straight line basis over a period of 10 years. The assets' residual values and useful lives are reviewed, and adjusted, if appropriate, at the end of each reporting period. The effect of any change is accounted for prospectively.

Tangible assets are derecognised on disposal or when no future economic benefits are expected. On disposal, the difference between the disposal proceeds and the carrying amount is recognised in the statement of financial activities.

f) Investment Properties

3 Castle Manor has been reclassified from tangible fixed assets during the year as it is held for investment potential. It is recognised at insurance value. No depreciation has been provided as the property is maintained in good repair and the current estimated residual value is not less than its carrying value and the remaining useful life of the building exceeds 50 years.

g) Investments

Fixed asset investments comprising investments in RCB and CIT Unit Trusts are stated at fair value at the balance sheet date. Unrealised gains and losses represent the difference between the fair value at the beginning and end of the financial year.

h) Cash and cash equivalents

Cash and cash equivalents includes cash in hand, deposits held at call with banks and bank overdrafts.

i) Financial instruments

The Parish only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction price and subsequently measured at their settlement value.

j) Funds

Funds are classified as either restricted funds or unrestricted funds, defined as follows.

Restricted funds are funds subject to specific requirements as to their use which may be declared by the donor or with their authority or created through legal processes, but still within the wider objects of the Parish.

Endowment funds are funds which have been given on the condition that the original capital sum is not reduced, but the income there from is used for the purpose defined in accordance with the objects of the Parish.

Unrestricted funds are expendable at the discretion of the trustees in furtherance of the objects of the charity.

MAGHERACULMONEY CHURCH OF IRELAND

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2023

2. Critical accounting judgements and estimation uncertainty

Estimates and judgements made in the process of preparing the financial statements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. The Trustees do not consider that there are any critical judgements made in applying the Parish's accounting policies or that there are any critical accounting estimates or assumptions which may have a significant risk of causing a material adjustment to carrying amounts of assets and liabilities within the next financial year.

Annual report

MAGHERACULMONEY CHURCH OF IRELAND

TRUSTEES' ANNUAL REPORT FOR THE YEAR ENDED 31 DECEMBER 2023

The trustees present the annual report and accounts for Magheraculmoney Parish for the year ended 31 December 2023.

Objectives and Activities

The charitable purpose of the Church of Ireland is the advancement of the Christian faith.

The principal function of Magheraculmoney Parish is to support the advancement of the Christian religion by promoting, through the work of Magheraculmoney Parish, the whole mission of the Church, pastoral, evangelistic, social and ecumenical. Being open to, and engaging with society as a whole and offering support for those needing help are fundamental to the practical delivery of the benefits of Christianity.

As a result of activity in the pursuit of the advancement of the Christian religion, Magheraculmoney Parish has custody of property and of records, materials and artefacts of significance to the cultural and religious heritage and maintenance of which is undertaken by the Select Vestry of Magheraculmoney Parish.

Achievements, Performance & Public Benefit

During the year 2023, activities continued to more closely reflect those before the Covid pandemic, as the year progressed. The Sunday morning services in the parish church of St. Mary's, aim to nurture, support and develop the Christian faith within the congregation.

Life Groups met again through 2023. The life groups undertake worship, bible study, prayer and fellowship together, encouraging outreach of love and care into the wider community.

The regular activities of the parish are aimed at engaging with all age groups. Children's church for 3-14 years old to seek to provide age-appropriate bible teaching to the children, and a foundation based on Christian values, youth clubs and youth life groups supporting those from 11 years old up. Friends in the Afternoon providing social activities for our senior community and Mothers Union for the ladies seeking similar inclusion. These groups met throughout 2023. Our mums and toddlers' group, to support parents in the wider community, has yet to restart since the Covid 19 pandemic.

The parish engages with the wider community through its outreach in the Parish Centre, linking in with the Fountain Centre and the Courthouse Kesh Ltd. In the Fountain Centre, the groups using the facility include Scouts, Guides and Rangers, The Fountain Youth Club, Youth Life Groups and Badminton Club. All except the latter, are for children or young adults, giving them the opportunity to meet to develop educationally, physically, spiritually and in doing so enable community growth. The Badminton Club is open to all age groups in the community. Within the Fountain Centre are offices for the administration and youth work aspect of parish life where one member of staff is currently based.

Through its link with The Courthouse Kesh Ltd the parish works with its members in a range of services including a foodbank, befriending and self-help for all in the community, financial management in conjunction with Christians Against Poverty, health and well-being services, programs for farming families, facilities for use of local organisations and café drop-in for all requiring snack food.

As the church and parish centre are located some two miles from Kesh, the Fountain and Courthouse centres are more centrally located, more easily accessible and are all well equipped to facilitate outreach. This objective fits well with the parish vision of loving God, loving each other and loving those outside the church.

Financial Review

Through freewill offering the parishioners continue to support the parish financially.

The trustees policy on reserves is to ensure that all ministry needs are met and reserves are used at the earliest opportunity.

Going Concern

The trustees have reviewed the budgets for the year ahead and are satisfied that there are adequate funds in place to ensure that the Parish can continue its activities and the financial statements for the year end 31 December 2023 can be signed off as a going concern.

Structure, Governance and Management

Governing Document and Constitution of the Charity

Chapter III of the Constitution of the Church of Ireland governs Parishes and Parochial Organisation. The Select Vestry members are the Charity Trustees

Recruitment and Appointment of Select Vestry

All members of the Church of Ireland who are over the age of 18 and are either resident within the parish or live elsewhere but have been accustomed members of the congregation for at least three months, may register as members of the General Vestry of the parish, allowing them to attend and vote at meetings of the General Vestry and to stand for election to the Select Vestry. Meetings of the General Vestry are held at least once a year. The Select Vestry is elected as part of this General Vestry meeting. The Select Vestry will hold their positions for a period of one year. Select Vestry members may be re-elected annually and there is no limit on the number of terms which may be served.

Pay and remuneration

The incumbent (and curate if / when appointed) each receive a stipend in accordance with figures approved by the General Synod of the Church of Ireland and details of office and locomotory allowance.

Organisational Structure

The Select Vestry is responsible for the day-to-day management of the parish. The Select Vestry consists of the member of the clergy serving in the parish, any curate assistant ("the curate"), the church wardens, the glebe wardens and generally not more than twelve other members of the General Vestry elected at the General Vestry.

The Select Vestry is chaired by the incumbent or other member of the clergy officiating in the parish. Select Vestry members are responsible for making decisions on matters of general concern and importance to the parish including deciding how parish funds are to be applied.

The Select Vestry meets at times fixed by the members or by the Diocesan Synod. Special meetings may be convened at any time by the chairperson or the churchwardens. In 2023 the Select Vestry met 8 times during the year. Attendance at 8 of these meetings was in excess of 85%.

Statement of Trustees' Responsibilities

The trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and regulations.

The law applicable to charities in the Northern Ireland requires the trustees to prepare financial statements for each financial year. Under that law the trustees have prepared the financial statements in accordance with Generally Accepted Accounting Practice in the United Kingdom (accounting standards issued by the Financial Reporting Council in the UK, including Charities SORP (FRS 102) "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" and promulgated by the Institute of Chartered Accountants in the United Kingdom and United Kingdom Law) Under that law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of the affairs of the charity and of the statement of financial activities of the charity for that period.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are reasonable and prudent
- state whether the financial statements have been prepared in accordance with applicable Accounting Standards and identify the standards in question, subject to any material departures being disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Parish will continue as a going concern.

The trustees are responsible for keeping accounting records that are sufficient to show and explain the Parish's transactions and disclose with reasonable accuracy at any time the financial position of the Parish and enable them to ensure that the financial statements comply with the Charities Act (Northern Ireland) 2008, the Charity (Accounts and Reports) Regulations (Northern Ireland) 2008 and the provision of the Constitution of the Church of Ireland. They are also responsible for safeguarding the assets of the Parish and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the trustees are aware at the time of approving our trustees' annual report:

- there is no relevant information of which the independent examiner is unaware; and

MAGHERACULMONEY CHURCH OF IRELAND

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2022

1. Accounting policies

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

a) Basis of preparation

The financial statements have been prepared on a going concern basis in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

The Parish meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost and transaction value unless otherwise stated in the relevant accounting policy note(s).

b) Preparation of accounts on a going concern basis

The parish generally meets its day to day working capital requirements from its annual income. The Trustees have obtained and reviewed cash flow forecasts for the coming year and based on these are satisfied that the Parish has resources to provide a reasonable expectation that it can continue to meet its financial obligations as they fall due for the foreseeable future. Therefore, these financial statements have been prepared on a going concern basis.

c) Income

Plate collections, weekly envelopes and graveyard income are accounted for on a cash receipts basis as the amount is collected.

Income arising from the rental of Parish Centre facilities to third parties is recognised when the parish has entitlement to the funds, any performance conditions attached to the income have been met, it is probable that the income will be received and the amount can be measured reliably.

Income from government and other grants, whether 'capital' grants or 'revenue' grants, is recognised when the charity has entitlement to the funds, any performance conditions attached to the grants have been met, it is probable that the income will be received and the amount can be measured reliably.

Donations and gifts in kind are brought into the accounts at their fair value to the Parish.

d) Expenditure

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

MAGHERACULMONEY CHURCH OF IRELAND

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2022

e) Tangible assets

The assets of the Parish comprise:

- Church building and graveyard
- Parish Centre
- 3 Castle Manor
- Fixtures and fittings and equipment

The Church building and graveyard are deemed to be Heritage assets as defined by the Charities SORP (FRS 102). These Heritage assets are not included on the balance sheet as information on the cost or valuation is not available and such information cannot be obtained at a cost commensurate with the benefit to the users of the accounts and to the parish.

The Parish Centre is physically attached to the church and as such is not separable as an individual asset. As such it is deemed to be a Heritage asset and no value is ascribed to it in the balance sheet as information on the cost or valuation is not available and such information cannot be obtained at a cost commensurate with the benefit to the users of the accounts and to the parish.

3 Castle Manor is recognised at cost and is depreciated on a straight line basis over a period of 40 years. The assets' residual values and useful lives are reviewed, and adjusted, if appropriate, at the end of each reporting period. The effect of any change is accounted for prospectively.

Fixtures, fittings and equipment are recognised at cost and are depreciated on a straight line basis over a period of 10 years. The assets' residual values and useful lives are reviewed, and adjusted, if appropriate, at the end of each reporting period. The effect of any change is accounted for prospectively.

Tangible assets are derecognised on disposal or when no future economic benefits are expected. On disposal, the difference between the new disposal proceeds and the carrying amount is recognised in the statement of financial activities and included in 'Other operating (losses)/gains'.

f) Investments

Fixed asset investments are initially recorded at cost at each balance sheet date. Investments in unquoted investments are recorded at cost and are assessed annually for impairment. Unrealised gains and losses represent the difference between the fair value at the beginning and end of the financial year or, if purchased in the year, the difference between cost and fair value at the end of the year.

g) Cash and cash equivalents

Cash and cash equivalents includes cash in hand, deposits held at call with banks and bank overdrafts.

h) Financial instruments

The Parish only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction price and subsequently measured at their settlement value.

MAGHERACULMONEY CHURCH OF IRELAND

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2022

i) Funds

Funds are classified as either restricted funds or unrestricted funds, defined as follows.

Restricted funds are funds subject to specific requirements as to their use which may be declared by the donor or with their authority or created through legal processes, but still within the wider objects of the Parish.

Unrestricted funds are expendable at the discretion of the trustees in furtherance of the objects of the charity.

2. Critical accounting judgements and estimation uncertainty

Estimates and judgements made in the process of preparing the financial statements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. The Trustees do not consider that there are any critical judgements made in applying the Parish's accounting policies or that there are any critical accounting estimates or assumptions which may have a significant risk of causing a material adjustment to carrying amounts of assets and liabilities within the next financial year.

MAGHERACULMONEY CHURCH OF IRELAND

TRUSTEES' ANNUAL REPORT FOR THE YEAR ENDED 31 DECEMBER 2022

The trustees present the annual report and accounts for Magheraculmoney Parish for the year ended 31 December 2022.

Objectives and Activities

The charitable purpose of the Church of Ireland is the advancement of the Christian faith.

The principal function of Magheraculmoney Parish is to support the advancement of the Christian religion by promoting, through the work of Magheraculmoney Parish, the whole mission of the Church, pastoral, evangelistic, social and ecumenical. Being open to, and engaging with society as a whole and offering support for those needing help are fundamental to the practical delivery of the benefits of Christianity.

As a result of activity in the pursuit of the advancement of the Christian religion, Magheraculmoney Parish has custody of property and of records, materials and artefacts of significance to the cultural and religious heritage and maintenance of which is undertaken by the Select Vestry of Magheraculmoney Parish.

Achievements, Performance & Public Benefit

During the year 2022, activities returned, to more closely reflect those before the Covid pandemic, as the year progressed. The Sunday morning services in the parish church of St. Mary's, aim to nurture, support and develop the Christian faith within the congregation.

Life Groups met again through 2022. The life groups undertake worship, bible study, prayer and fellowship together, encouraging outreach of love and care into the wider community.

The regular activities of the parish are aimed at engaging with all age groups. Children's church for 3-14 years old to seek to provide age appropriate bible teaching to the children, and a foundation based on Christian values, youth clubs and youth life groups supporting those from 11 years old up. Friends in the Afternoon providing social activities for our senior community and Mothers Union for the ladies seeking similar inclusion. These groups met throughout 2022. Our mums and toddlers' group, to support parents in the wider community, has yet to restart since the Covid 19 pandemic.

The parish engages with the wider community through its outreach in the Parish Centre, linking in with the Fountain Centre and the Courthouse Kesh Ltd. In the Fountain Centre, the groups using the facility include Scouts, Guides and Rangers, The Fountain Youth Club, Youth Life Groups and Badminton Club. All except the latter, are for children or young adults, giving them the opportunity to meet to develop educationally, physically, spiritually and in doing so enable community growth. The Badminton Club is open to all age groups in the community. Within the Fountain Centre are offices for the administration and youth work aspect of parish life where one member of staff is based.

Through its link with The Courthouse Kesh Ltd the parish works with its members in a range of services including a foodbank, befriending and self-help for all in the community, financial management in conjunction with Christians Against Poverty, health and well-being services twice weekly, programs for farming families, facilities to suit a craft group and local organisations and café drop-in for all requiring snack food. During the periods of closure, support services have continued to be provided, along with the delivery of on-line health and well-being classes.

As the church and parish centre are located some two miles from Kesh, the Fountain and Courthouse centres are more centrally located, more easily accessible and are all well equipped to facilitate outreach. This objective fits well with the parish vision of loving God, loving each other and loving those outside the church.

Financial Review

Through freewill offering the parishioners continue to support the parish financially.

The trustees policy on reserves is to ensure that all ministry needs are met and reserves are used at the earliest opportunity.

Going Concern

The trustees have reviewed the budgets for the year ahead and are satisfied that there are adequate funds in place to ensure that the Parish can continue its activities and the financial statements for the year end 31 December 2022 can be signed off as a going concern.

Structure, Governance and Management

Governing Document and Constitution of the Charity

Chapter III of the Constitution of the Church of Ireland governs Parishes and Parochial Organisation. The Select Vestry members are the Charity Trustees

Recruitment and Appointment of Select Vestry

All members of the Church of Ireland who are over the age of 18 and are either resident within the parish or live elsewhere but have been accustomed members of the congregation for at least three months, may register as members of the General Vestry of the parish, allowing them to attend and vote at meetings of the General Vestry and to stand for election to the Select Vestry. Meetings of the General Vestry are held at least once a year. The Select Vestry is elected as part of this General Vestry meeting. The Select Vestry will hold their positions for a period of one year. Select Vestry members may be re-elected annually and there is no limit on the number of terms which may be served.

Pay and remuneration

The incumbent (and curate if / when appointed) each receive a stipend in accordance with figures approved by the General Synod of the Church of Ireland and details of office and locomotory allowance.

Organisational Structure

The Select Vestry is responsible for the day-to-day management of the parish. The Select Vestry consists of the member of the clergy serving in the parish, any curate assistant ("the curate"), the church wardens, the glebe wardens and generally not more than twelve other members of the General Vestry elected at the General Vestry.

The Select Vestry is chaired by the incumbent or other member of the clergy officiating in the parish. Select Vestry members are responsible for making decisions on matters of general concern and importance to the parish including deciding how parish funds are to be applied.

The Select Vestry meets at times fixed by the members or by the Diocesan Synod. Special meetings may be convened at any time by the chairperson or the churchwardens. In 2022 the Select Vestry met six times during the year. Attendance at five of these meetings was in excess of 85%.

Statement of Trustees' Responsibilities

The trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and regulations.

The law applicable to charities in the Northern Ireland requires the trustees to prepare financial statements for each financial year. Under that law the trustees have prepared the financial statements in accordance with Generally Accepted Accounting Practice in the United Kingdom (accounting standards issued by the Financial Reporting Council in the UK, including Charities SORP (FRS 102) "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" and promulgated by the Institute of Chartered Accountants in the United Kingdom and United Kingdom Law) Under that law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of the affairs of the charity and of the statement of financial activities of the charity for that period.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are reasonable and prudent
- state whether the financial statements have been prepared in accordance with applicable Accounting Standards and identify the standards in question, subject to any material departures being disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Parish will continue as a going concern.

The trustees are responsible for keeping accounting records that are sufficient to show and explain the Parish's transactions and disclose with reasonable accuracy at any time the financial position of the Parish and enable them to ensure that the financial statements comply with the Charities Act (Northern Ireland) 2008, the Charity (Accounts and Reports) Regulations (Northern Ireland) 2008 and the provision of the Constitution of the Church of Ireland. They are also responsible for safeguarding the assets of the Parish and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Statement as to disclosure to our independent examiner

In so far as the trustees are aware at the time of approving our trustees' annual report:

- there is no relevant information of which the independent examiner is unaware; and

**INDEPENDENT EXAMINER'S REPORT TO THE CHARITY TRUSTEES OF
MAGHERACULMONEY CHURCH OF IRELAND**

We report on the accounts of Magheraculmoney Church of Ireland for the year ended 31 December 2022, which are set out on pages 6 to 17.

Respective responsibilities of the charity trustees and independent examiner

As the charity's trustees you are responsible for the preparation of the accounts in accordance with the Charities Act (Northern Ireland) 2008, the Charities Act (Northern Ireland) 2013 and the Charities (Accounts and Reports) Regulations (Northern Ireland) 2015. The charity's trustees consider that an audit is not required for this year under section 65(2) of the Charities Act (Northern Ireland) 2008 and that an independent examination is needed. The charity is preparing accrual accounts. It is our responsibility to:

- Examine the accounts under section 65 of the Charities Act (Northern Ireland) 2008;
- Follow the procedures laid down in the general Directions given by the Charity Commission for Northern Ireland under section 65(9)(b) of the Charities Act (Northern Ireland) 2008; and
- State whether particular matters have come to our attention.

Basis of independent examiner's report

We have examined your charity accounts as required under section 65 of the Charities Act (Northern Ireland) 2008 and our examination was carried out in accordance with the general Directions given by the Charity Commission for Northern Ireland under section 65(9)(b) of the Charities Act (Northern Ireland) 2008.

Our examination included a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also included consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as charity trustees concerning any such matters.

Our role is to state whether any material matters have come to our attention giving us cause to believe:

1. That accounting records were not kept in accordance with section 63 of the Charities Act (Northern Ireland) 2008;
2. That the accounts do not accord with those accounting records;
3. That the accounts do not comply with accounting requirements of the Charities Act (Northern Ireland) 2008; and
4. That there is further information needed for a proper understanding of the accounts to be reached.

Independent examiner's statement

We have completed our examination and have no concerns in respect of the matters (1) to (4) listed above and, in connection with following the Directions of the Charity Commission for Northern Ireland, we have found no matters that require drawing to your attention.

MAGHERACULMONEY CHURCH OF IRELAND

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2022

1. Accounting policies

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

a) Basis of preparation

The financial statements have been prepared on a going concern basis in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

The Parish meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost and transaction value unless otherwise stated in the relevant accounting policy note(s).

b) Preparation of accounts on a going concern basis

The parish generally meets its day to day working capital requirements from its annual income. The Trustees have obtained and reviewed cash flow forecasts for the coming year and based on these are satisfied that the Parish has resources to provide a reasonable expectation that it can continue to meet its financial obligations as they fall due for the foreseeable future. Therefore, these financial statements have been prepared on a going concern basis.

c) Income

Plate collections, weekly envelopes and graveyard income are accounted for on a cash receipts basis as the amount is collected.

Income arising from the rental of Parish Centre facilities to third parties is recognised when the parish has entitlement to the funds, any performance conditions attached to the income have been met, it is probable that the income will be received and the amount can be measured reliably.

Income from government and other grants, whether 'capital' grants or 'revenue' grants, is recognised when the charity has entitlement to the funds, any performance conditions attached to the grants have been met, it is probable that the income will be received and the amount can be measured reliably.

Donations and gifts in kind are brought into the accounts at their fair value to the Parish.

d) Expenditure

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

MAGHERACULMONEY CHURCH OF IRELAND

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2022

e) Tangible assets

The assets of the Parish comprise:

- Church building and graveyard
- Parish Centre
- 3 Castle Manor
- Fixtures and fittings and equipment

The Church building and graveyard are deemed to be Heritage assets as defined by the Charities SORP (FRS 102). These Heritage assets are not included on the balance sheet as information on the cost or valuation is not available and such information cannot be obtained at a cost commensurate with the benefit to the users of the accounts and to the parish.

The Parish Centre is physically attached to the church and as such is not separable as an individual asset. As such it is deemed to be a Heritage asset and no value is ascribed to it in the balance sheet as information on the cost or valuation is not available and such information cannot be obtained at a cost commensurate with the benefit to the users of the accounts and to the parish.

3 Castle Manor is recognised at cost and is depreciated on a straight line basis over a period of 40 years. The assets' residual values and useful lives are reviewed, and adjusted, if appropriate, at the end of each reporting period. The effect of any change is accounted for prospectively.

Fixtures, fittings and equipment are recognised at cost and are depreciated on a straight line basis over a period of 10 years. The assets' residual values and useful lives are reviewed, and adjusted, if appropriate, at the end of each reporting period. The effect of any change is accounted for prospectively.

Tangible assets are derecognised on disposal or when no future economic benefits are expected. On disposal, the difference between the new disposal proceeds and the carrying amount is recognised in the statement of financial activities and included in 'Other operating (losses)/gains'.

f) Investments

Fixed asset investments are initially recorded at cost at each balance sheet date. Investments in unquoted investments are recorded at cost and are assessed annually for impairment. Unrealised gains and losses represent the difference between the fair value at the beginning and end of the financial year or, if purchased in the year, the difference between cost and fair value at the end of the year.

g) Cash and cash equivalents

Cash and cash equivalents includes cash in hand, deposits held at call with banks and bank overdrafts.

h) Financial instruments

The Parish only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction price and subsequently measured at their settlement value.

MAGHERACULMONEY CHURCH OF IRELAND

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2022

i) Funds

Funds are classified as either restricted funds or unrestricted funds, defined as follows.

Restricted funds are funds subject to specific requirements as to their use which may be declared by the donor or with their authority or created through legal processes, but still within the wider objects of the Parish.

Unrestricted funds are expendable at the discretion of the trustees in furtherance of the objects of the charity.

2. Critical accounting judgements and estimation uncertainty

Estimates and judgements made in the process of preparing the financial statements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. The Trustees do not consider that there are any critical judgements made in applying the Parish's accounting policies or that there are any critical accounting estimates or assumptions which may have a significant risk of causing a material adjustment to carrying amounts of assets and liabilities within the next financial year.

MAGHERACULMONEY CHURCH OF IRELAND

TRUSTEES' ANNUAL REPORT FOR THE YEAR ENDED 31 DECEMBER 2022

The trustees present the annual report and accounts for Magheraculmoney Parish for the year ended 31 December 2022.

Objectives and Activities

The charitable purpose of the Church of Ireland is the advancement of the Christian faith.

The principal function of Magheraculmoney Parish is to support the advancement of the Christian religion by promoting, through the work of Magheraculmoney Parish, the whole mission of the Church, pastoral, evangelistic, social and ecumenical. Being open to, and engaging with society as a whole and offering support for those needing help are fundamental to the practical delivery of the benefits of Christianity.

As a result of activity in the pursuit of the advancement of the Christian religion, Magheraculmoney Parish has custody of property and of records, materials and artefacts of significance to the cultural and religious heritage and maintenance of which is undertaken by the Select Vestry of Magheraculmoney Parish.

Achievements, Performance & Public Benefit

During the year 2022, activities returned, to more closely reflect those before the Covid pandemic, as the year progressed. The Sunday morning services in the parish church of St. Mary's, aim to nurture, support and develop the Christian faith within the congregation.

Life Groups met again through 2022. The life groups undertake worship, bible study, prayer and fellowship together, encouraging outreach of love and care into the wider community.

The regular activities of the parish are aimed at engaging with all age groups. Children's church for 3-14 years old to seek to provide age appropriate bible teaching to the children, and a foundation based on Christian values, youth clubs and youth life groups supporting those from 11 years old up. Friends in the Afternoon providing social activities for our senior community and Mothers Union for the ladies seeking similar inclusion. These groups met throughout 2022. Our mums and toddlers' group, to support parents in the wider community, has yet to restart since the Covid 19 pandemic.

The parish engages with the wider community through its outreach in the Parish Centre, linking in with the Fountain Centre and the Courthouse Kesh Ltd. In the Fountain Centre, the groups using the facility include Scouts, Guides and Rangers, The Fountain Youth Club, Youth Life Groups and Badminton Club. All except the latter, are for children or young adults, giving them the opportunity to meet to develop educationally, physically, spiritually and in doing so enable community growth. The Badminton Club is open to all age groups in the community. Within the Fountain Centre are offices for the administration and youth work aspect of parish life where one member of staff is based.

Through its link with The Courthouse Kesh Ltd the parish works with its members in a range of services including a foodbank, befriending and self-help for all in the community, financial management in conjunction with Christians Against Poverty, health and well-being services twice weekly, programs for farming families, facilities to suit a craft group and local organisations and café drop-in for all requiring snack food. During the periods of closure, support services have continued to be provided, along with the delivery of on-line health and well-being classes.

As the church and parish centre are located some two miles from Kesh, the Fountain and Courthouse centres are more centrally located, more easily accessible and are all well equipped to facilitate outreach. This objective fits well with the parish vision of loving God, loving each other and loving those outside the church.

Financial Review

Through freewill offering the parishioners continue to support the parish financially.

The trustees policy on reserves is to ensure that all ministry needs are met and reserves are used at the earliest opportunity.

Going Concern

The trustees have reviewed the budgets for the year ahead and are satisfied that there are adequate funds in place to ensure that the Parish can continue its activities and the financial statements for the year end 31 December 2022 can be signed off as a going concern.

Structure, Governance and Management

Governing Document and Constitution of the Charity

Chapter III of the Constitution of the Church of Ireland governs Parishes and Parochial Organisation. The Select Vestry members are the Charity Trustees

Recruitment and Appointment of Select Vestry

All members of the Church of Ireland who are over the age of 18 and are either resident within the parish or live elsewhere but have been accustomed members of the congregation for at least three months, may register as members of the General Vestry of the parish, allowing them to attend and vote at meetings of the General Vestry and to stand for election to the Select Vestry. Meetings of the General Vestry are held at least once a year. The Select Vestry is elected as part of this General Vestry meeting. The Select Vestry will hold their positions for a period of one year. Select Vestry members may be re-elected annually and there is no limit on the number of terms which may be served.

Pay and remuneration

The incumbent (and curate if / when appointed) each receive a stipend in accordance with figures approved by the General Synod of the Church of Ireland and details of office and locomotory allowance.

Organisational Structure

The Select Vestry is responsible for the day-to-day management of the parish. The Select Vestry consists of the member of the clergy serving in the parish, any curate assistant ("the curate"), the church wardens, the glebe wardens and generally not more than twelve other members of the General Vestry elected at the General Vestry.

The Select Vestry is chaired by the incumbent or other member of the clergy officiating in the parish. Select Vestry members are responsible for making decisions on matters of general concern and importance to the parish including deciding how parish funds are to be applied.

The Select Vestry meets at times fixed by the members or by the Diocesan Synod. Special meetings may be convened at any time by the chairperson or the churchwardens. In 2022 the Select Vestry met six times during the year. Attendance at five of these meetings was in excess of 85%.

Statement of Trustees' Responsibilities

The trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and regulations.

The law applicable to charities in the Northern Ireland requires the trustees to prepare financial statements for each financial year. Under that law the trustees have prepared the financial statements in accordance with Generally Accepted Accounting Practice in the United Kingdom (accounting standards issued by the Financial Reporting Council in the UK, including Charities SORP (FRS 102) "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" and promulgated by the Institute of Chartered Accountants in the United Kingdom and United Kingdom Law) Under that law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of the affairs of the charity and of the statement of financial activities of the charity for that period.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are reasonable and prudent
- state whether the financial statements have been prepared in accordance with applicable Accounting Standards and identify the standards in question, subject to any material departures being disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Parish will continue as a going concern.

The trustees are responsible for keeping accounting records that are sufficient to show and explain the Parish's transactions and disclose with reasonable accuracy at any time the financial position of the Parish and enable them to ensure that the financial statements comply with the Charities Act (Northern Ireland) 2008, the Charity (Accounts and Reports) Regulations (Northern Ireland) 2008 and the provision of the Constitution of the Church of Ireland. They are also responsible for safeguarding the assets of the Parish and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Statement as to disclosure to our independent examiner

In so far as the trustees are aware at the time of approving our trustees' annual report:

- there is no relevant information of which the independent examiner is unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant information and to establish that the independent examiner is aware of that information.

Independent Examiner

The independent examiner, Hassard McClements Limited have indicated their willingness to continue in office, and a resolution concerning their reappointment will be proposed at the Annual Easter Vestry Meeting.

INDEPENDENT EXAMINER'S REPORT TO THE CHARITY TRUSTEES OF
MAGHERACULMONEY CHURCH OF IRELAND

We report on the accounts of Magheraculmoney Church of Ireland for the year ended 31 December 2022, which are set out on pages 6 to 17.

Respective responsibilities of the charity trustees and independent examiner

As the charity's trustees you are responsible for the preparation of the accounts in accordance with the Charities Act (Northern Ireland) 2008, the Charities Act (Northern Ireland) 2013 and the Charities (Accounts and Reports) Regulations (Northern Ireland) 2015. The charity's trustees consider that an audit is not required for this year under section 65(2) of the Charities Act (Northern Ireland) 2008 and that an independent examination is needed. The charity is preparing accrual accounts. It is our responsibility to:

- Examine the accounts under section 65 of the Charities Act (Northern Ireland) 2008;
- Follow the procedures laid down in the general Directions given by the Charity Commission for Northern Ireland under section 65(9)(b) of the Charities Act (Northern Ireland) 2008; and
- State whether particular matters have come to our attention.

Basis of independent examiner's report

We have examined your charity accounts as required under section 65 of the Charities Act (Northern Ireland) 2008 and our examination was carried out in accordance with the general Directions given by the Charity Commission for Northern Ireland under section 65(9)(b) of the Charities Act (Northern Ireland) 2008.

Our examination included a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also included consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as charity trustees concerning any such matters.

Our role is to state whether any material matters have come to our attention giving us cause to believe:

1. That accounting records were not kept in accordance with section 63 of the Charities Act (Northern Ireland) 2008;
2. That the accounts do not accord with those accounting records;
3. That the accounts do not comply with accounting requirements of the Charities Act (Northern Ireland) 2008; and
4. That there is further information needed for a proper understanding of the accounts to be reached.

Independent examiner's statement

We have completed our examination and have no concerns in respect of the matters (1) to (4) listed above and, in connection with following the Directions of the Charity Commission for Northern Ireland, we have found no matters that require drawing to your attention.

MAGHERACULMONEY CHURCH OF IRELAND

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2022

1. Accounting policies

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

a) Basis of preparation

The financial statements have been prepared on a going concern basis in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

The Parish meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost and transaction value unless otherwise stated in the relevant accounting policy note(s).

b) Preparation of accounts on a going concern basis

The parish generally meets its day to day working capital requirements from its annual income. The Trustees have obtained and reviewed cash flow forecasts for the coming year and based on these are satisfied that the Parish has resources to provide a reasonable expectation that it can continue to meet its financial obligations as they fall due for the foreseeable future. Therefore, these financial statements have been prepared on a going concern basis.

c) Income

Plate collections, weekly envelopes and graveyard income are accounted for on a cash receipts basis as the amount is collected.

Income arising from the rental of Parish Centre facilities to third parties is recognised when the parish has entitlement to the funds, any performance conditions attached to the income have been met, it is probable that the income will be received and the amount can be measured reliably.

Income from government and other grants, whether 'capital' grants or 'revenue' grants, is recognised when the charity has entitlement to the funds, any performance conditions attached to the grants have been met, it is probable that the income will be received and the amount can be measured reliably.

Donations and gifts in kind are brought into the accounts at their fair value to the Parish.

d) Expenditure

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

MAGHERACULMONEY CHURCH OF IRELAND

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2022

e) Tangible assets

The assets of the Parish comprise:

- Church building and graveyard
- Parish Centre
- 3 Castle Manor
- Fixtures and fittings and equipment

The Church building and graveyard are deemed to be Heritage assets as defined by the Charities SORP (FRS 102). These Heritage assets are not included on the balance sheet as information on the cost or valuation is not available and such information cannot be obtained at a cost commensurate with the benefit to the users of the accounts and to the parish.

The Parish Centre is physically attached to the church and as such is not separable as an individual asset. As such it is deemed to be a Heritage asset and no value is ascribed to it in the balance sheet as information on the cost or valuation is not available and such information cannot be obtained at a cost commensurate with the benefit to the users of the accounts and to the parish.

3 Castle Manor is recognised at cost and is depreciated on a straight line basis over a period of 40 years. The assets' residual values and useful lives are reviewed, and adjusted, if appropriate, at the end of each reporting period. The effect of any change is accounted for prospectively.

Fixtures, fittings and equipment are recognised at cost and are depreciated on a straight line basis over a period of 10 years. The assets' residual values and useful lives are reviewed, and adjusted, if appropriate, at the end of each reporting period. The effect of any change is accounted for prospectively.

Tangible assets are derecognised on disposal or when no future economic benefits are expected. On disposal, the difference between the new disposal proceeds and the carrying amount is recognised in the statement of financial activities and included in 'Other operating (losses)/gains'.

f) Investments

Fixed asset investments are initially recorded at cost at each balance sheet date. Investments in unquoted investments are recorded at cost and are assessed annually for impairment. Unrealised gains and losses represent the difference between the fair value at the beginning and end of the financial year or, if purchased in the year, the difference between cost and fair value at the end of the year.

g) Cash and cash equivalents

Cash and cash equivalents includes cash in hand, deposits held at call with banks and bank overdrafts.

h) Financial instruments

The Parish only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction price and subsequently measured at their settlement value.

MAGHERACULMONEY CHURCH OF IRELAND

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2022

i) Funds

Funds are classified as either restricted funds or unrestricted funds, defined as follows.

Restricted funds are funds subject to specific requirements as to their use which may be declared by the donor or with their authority or created through legal processes, but still within the wider objects of the Parish.

Unrestricted funds are expendable at the discretion of the trustees in furtherance of the objects of the charity.

2. Critical accounting judgements and estimation uncertainty

Estimates and judgements made in the process of preparing the financial statements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. The Trustees do not consider that there are any critical judgements made in applying the Parish's accounting policies or that there are any critical accounting estimates or assumptions which may have a significant risk of causing a material adjustment to carrying amounts of assets and liabilities within the next financial year.

3. Donations and legacies
