The Parish has given careful consideration to the Charity Commission for Northern Ireland's guidance on public benefit to ensure that the activities entered into during the year have helped to achieve the Parish's objectives and activities, as well as providing public benefit.

Financial Review

The main sources of income were planned giving and freewill offerings. Various fundraising events were held during the year which raised £5,895. The Financial Statements show a deficit of £653 for the year, which was in part due to significant repairs carried out during the year but insurance monies of £1,800 were received in the previous year.

There was an insurance claim received during the year for a total of £2,770. This was for damage to the Church roof. The total cost of repairs was £3,150.

Trustees' Annual Report for the year ended 31 December 2023

The trustees present the annual report and statements of Receipts and Payments and Assets and Liabilities for the Best Church for the year ended 31 December 2023.

Objectives and Activities

The charitable purpose of the Church of Ireland is the advancement of religion.

The principal function of the Parish of Belleek is to support the advancement of the Christian religion by promoting, through the work of the Parish of Belleek the whole mission of the Church, pastoral, evangelistic, social and ecumenical. Being open to and engaging with society as a whole and offering support for those needing help are fundamental to the practical delivery of the benefits of Christianity.

As a result of activity in the pursuit of the advancement of the Christian religion, the Parish of Belleek has custody of property and of records, materials and artefacts of significance to the cultural and religious heritage and maintenance of which is undertaken by the select vestry of the Parish of Belleek.

Achievements, Performance & Public Benefit

Belleek Parish has been able to fulfil its task of sharing Christ's teaching locally through our Sunday services, mission participation and missionary links.

We host a morning service of worship and prayer for the benefit of the public and advancement of Christian worship at 11.30am on the second and fourth Sunday of each month. During the week we offer pastoral care, help and support for parishioners through home and hospital visits.

The Parish has given careful consideration to the Charity Commission for Northern Ireland's guidance on public benefit to ensure that the actives entered into during the year have helped to achieve the Parish's objectives and activities, as well as providing public benefit.

Financial Review

The main sources of income were planned giving and freewill offerings. The Financial Statements show a surplus of £4,000 for the year.

There was an insurance claim received during the year for a total of £5,050. This was for damage to the Church gates and wall. There is a further £1,800 to be received in 2024. The total cost of repairs was £7,200, which was paid in February 2024.

Going Concern

The activities of the congregation are dependent on the ongoing contributions from its members. The Trustees are of the opinion that the congregation has sufficient resources at the date of approval of these financial statements to meet commitments which will arise in the year from the date of the signing of this report and subject to the continuing support from its members to fund on an ongoing basis the congregation's current activities and other financial commitments.

We host a morning service of worship and prayer for the benefit of the public and advancement of Christian worship at 11.30am on the second and fourth Sunday of each month. During the week we offer pastoral care, help and support for parishioners through home and hospital visits.

We have provided support to mission and outreach work through donations to both local and international programmes and have missionary links through Crosslinks and CMSI.

Our Sunday school is held in Wark hall and gives young children the opportunity to partake in Christian Worship at an appropriate level to enhance their understanding of Christ's teachings.

The Parish has given careful consideration to the Charity Commission for Northern Ireland's guidance on public benefit to ensure that the actives entered into during the year have helped to achieve the Parish's objectives and activities, as well as providing public benefit.

Financial Review
