

ANTRIM COMMUNITY CHURCH

- at the neighbourhood's heart -

TRUSTEES' ANNUAL REPORT 2023-24
BY CHAIRPERSON AND SANCTIONED BY THE BOARD OF TRUSTEES

During this period following the wind-up of Antrim Community Church as a charity decided on 22 September 2023 the focus of business has been to begin to finalise our assets according to Charity Commission regulations.

This has included vacating our Church premises and leaving its contents to the new tenants Truth Revealed Community Church. A gift of £1,000 was also donated to their religious and social service work.

To Lisburn Sea Cadets a donation of £2,000 was made to support the ongoing work with their children and young people.

We have regularised and simplified our many bank accounts by reducing their number to rationalise our accounting at this final phase of our charity.

Our Accountant Mrs Jennifer Gould has continued to assist us not least in examining our accounts whose expertise has been fully appreciated.

Once again my thanks also go to our faithful Trustees for their faithful service during this phase.

Again glory and thanksgiving must be given to Almighty God who has been an inspiration and sustainer throughout.
