STRUCTURE AND MANAGEMENT

The Kirk Session

The charity trustees of the congregation are the members of its Kirk Session. Under the congregation's governing document, The Code, the book of the constitution and government of the Presbyterian Church in Ireland, the Kirk Session seeks to watch over and promote the spiritual interest of the congregation and of persons not connected with any congregation who are within its bounds. It ensures pastoral care is in place in the congregation and seeks to further the contribution of the Church to Christian witness and service in the local community. The Kirk Session has delegated to its Congregational Committee the temporal affairs of the congregation including administering all funds and property belonging to the congregation. Members of the Kirk Session are ex-officio members of the Congregational Committee.

The Kirk Session consists of the ordained minister and the ruling elders of the congregations. All members are entitled to propose, speak and exercise equal votes at meetings, except that the Moderator, the ministers in active duty in the congregation, has no deliberative but only a casting vote.

Stated meetings of the Kirk session are held at least twice in each year or as appropriate.

To be chosen for the office of the eldership in the congregation a person must be a voting member and a regular attendant on its ordinances. The selection of those proposed to be called to the office can be either by the congregation or by the Kirk Session. Members are elected if they obtain two-thirds of those who vote.

Presbytery

Under the Presbyterian Church in Ireland form of governance the corporate oversight of a congregation is the responsibility of a Presbytery which superintends generally the spiritual and temporal affairs of the congregations assigned to it by the General Assembly of the Presbyterian Church in Ireland. Glendermott Presbyterian Church has been assigned to the Derry & Donegal Presbytery of the Presbyterian Church in Ireland. The membership of the Presbytery consists mainly of the active ministers of congregations assigned to it by the General Assembly, ministers who have retired from active duty and an elder appointed by the Kirk Session of each congregation.

The General Assembly

The General Assembly is the supreme court of the Church, representing in one body the whole Church and acting as its supreme legislative, administration and judicial authority, in dealing with all matters brought before it. The General Assembly is normally constituted during the first week in June for worship and to conduct its business. At the end of business it is dissolved. The membership of the General Assembly consists mainly of the active ministers of each congregation, retired ministers and a representative elder appointed by the Kirk Session of each congregation.

DESCRIPTION AND PURPOSE

Glendermott Presbyterian Church is a congregation of the Presbyterian Church in Ireland. The Presbyterian Church in Ireland, as a Reformed Church within the wider body of Christ is grounded in the Scriptures, and exists to love and honour God through faith in His Son and by the power of His Spirit, and to enable her members to play their part in fulfilling God's mission to our world.

The charitable purpose of the congregation is the advancement of religion.

The congregation's mission purposes is by the grace of God, to help people of all ages become fully devoted followers of Jesus Christ. Our vision is, by the grace of God, to be an inclusive, welcoming community of Christ's people of all ages, which:

- is increasingly characterised by love for God, and love and concern for others;
- is committed to the historic Christian gospel as revealed in the Bible;
- is relevant to people of this time and place.

The congregation aims to live out its Mission and Vision as a family of God's people by being:

- A Covenant Community: where our relationships are rooted in the promises of God by living faithfully toward him and toward one another
- An Intergenerational Community: where adults intentionally take the lead to engage with, encourage and nurture younger members to maturity in Christ.
- An Outward looking Community: where we want the blessings of God that belong to us in the gospel to become blessings for others beyond the bounds of our community.
- As a congregation of the Presbyterian Church in Ireland, we believe that the Bible is the supreme authority over all we do, and that the Westminster Confession of Faith, along with the Larger and Shorter Catechisms set out what we understand the Bible teaches on key matters of Christian faith and practice.

ACHIEVEMENTS AND PERFORMANCE

Worship and prayer

The congregation normally meets for worship each Sunday at 11.30am. On Wednesday evenings the Bible Study provides an opportunity for members to meet together for fellowship, to study the scriptures and for a time of prayer.

As well as our regular services during the year we acknowledged God's gift of new life at four Sacraments of Baptism, we conducted one marriage service and gave thanks for faithful services and sought to comfort those who had been bereaved during the year.

At 31 December 2024 there were 545 communicant members and 465 of families connected with the congregation.

The average week attendance at morning worship during the year was 180.

Pastoral care

Members of the congregation who are unable to attend church due to sickness or age are visited on a regular basis by the minister, or elders.

TRUSTEES ANNUAL REPORT (cont'd)

Mission and outreach

At a local level the congregation continues to share the truth of God's word to all and support home and overseas mission by means of the United Appeal with each contributing family being furnished with envelopes.

The congregation supports the United Appeal for Mission which is a central fund of the Presbyterian Church in Ireland. This fund enables congregations to support the wider mission of the denomination and to do mission and outreach on denominational basis beyond what the congregation could do on its own. The United Appeal Fund provides financial support for mission personnel at home and overseas, assists congregations with the deployment of locally based staff, enables church planting, provides grant support for the upkeep of church premises, assist with the running costs of Union Theological College, the Church's training college for ministry students, and financially supports congregation in the areas of worship, discipleship, global mission, outreach, leadership and pastoral care.

The congregation also contributes to the denominations annual World Development Appeal, Sunday Schools' project and any other special appeals.

Presbytery

The congregation was represented at the regular meetings of Presbytery by our minister and one of the elders. This provides an important link between the congregations and the wider structures of the church.

General Assembly

The minister and one of our elders were nominated to attend the meeting of the General Assembly of the Presbyterian Church in Ireland held in Assembly Buildings, Belfast, in June.

Property

Major refurbishment works on the Church building commenced in late 2019 and completed with a handover of the Church by the contractor in December 2020. The overall costs of the project were finalised during 2024.

Organisations

Parent and Toddler's meet on a Wednesday from 10am to 11.30am. They have an average attendance of 30 children with their parent/ carer. The children enjoyed the fun of playing with the toys, arts and crafts and a sing song along while the parent/ carer enjoyed a well, earned cup of tea.

The Boys Brigade met during 2023/2024 from September to March. A total of 65 boys registered. Anchor Boy enrolment was 24. Junior section enrolment was 18 and Senior Section enrolment was 23. Thank you to the 14 officers and helpers who give their time freely every Thursday evening and attend meetings to ensure a full programme is provided. The boys met on Thursday evenings between 6.15pm and 9.30pm with an overlap of each section. They all enjoyed fellowship together with our Scripture readings and stories. We have been very fortunate to have secured funding from the Education Authority for which we are very grateful. This funding was used to help with the running costs. We as leaders are very proud of all the boys in each section, with six boys achieving their Presidents badge after completing the 'building your skills' residentials – 30 hours helping members of the local community, 30 hours service within the Company and Church, and finishing off with learning a new skill. Senior section ran a charity car wash and entered three Battalion competitions –

dodgeball, bowling and cricket. Junior section entered four Battalion competitions – dodgeball, marching, cross country and football. Anchor Boys entered the Creative competition. We now look forward to our company display to show our Congregation how **“Sure and Steadfast”** our boys really are.

Girls Brigade, met on a Monday night from 6.30pm to 8pm from September to March covering all four sections. Thankfully our numbers have increased this year with the return of some of our girls and a few new ones starting. We started off with approximately 80 and have been increasing. As GB continued we were able to cover all elements of our badgework, scripture, crafts, baking, quizzes, circuits and games. We were also able to partake in District events GB Carol Service, District games then finishing off with our District parade. We will finish this session with our annual display and prize giving. Our prayer for the next session will be the safety of all our members over the summer period and that we will welcome new members in the new session whilst we continue to uphold our motto to **Seek, Serve and Follow Christ**.

Bowls usually meet on a Wednesday night from 7pm to 10pm from September to April. All participants enjoyed the experience of participating in the indoor bowls.

Youth club meet on a Friday night from 7.30pm to 10pm with an average attendance of 25. Fun and games is enjoyed by all and there is an opportunity each night for leaders to share an epilogue with the young people present.

Sunday School, meet every Sunday morning from 10.15am to 11.15am from September to June. They are split into 3 sections based on age. The primary Sunday school has an average attendance of 23, Junior Sunday School 25 and Senior Sunday school 22.

The Presbyterian Women’s (PW) Group at Glendermott Presbyterian Church plays a vital role in fostering community, spiritual growth, and service within the Congregation. Meeting on the first Monday of each month from September to April, this group of approximately 40 women provides a supportive environment where women can come together to share their faith, engage in meaningful discussions, and participate in various church activities. The group’s significance extends beyond fellowship; it actively contributes to the church’s mission by organizing events, supporting charitable causes, and offering assistance to those in need. Through their dedication and involvement, the Presbyterian Women’s Group enhances the spiritual life of the Church and strengthens the bonds within the Congregation, making it an indispensable part of Glendermott Presbyterian Church.

Craft class was held on the second and fourth Tuesday of each month with an average attendance of 15 ladies who enjoyed completing their individual projects along with some refreshments.

The Kurling club meets on a Wednesday morning from 11am to 12 noon with an average attendance of 5. Good fun and much needed exercise was enjoyed by all throughout the year.

The Midweek Bible Study Group, meet every Wednesday night for bible study and prayer from 7pm to 8.30pm. They have an average attendance of 30.

The Trustees wish to acknowledge their deep appreciation of those who give freely of their time by serving on committees and helping with organisations and other church activities.

PUBLIC BENEFIT STATEMENT

The Presbyterian Church in Ireland meets the public benefit requirement by providing benefit to its members and the general public by making known the Christian Gospel of the Lord Jesus Christ through the advancement of religion.

The direct benefits which flow from the purposes of the Church include the gaining of an understanding in Christian beliefs as set out in the Bible and in the Church's subordinate standards (the Westminster Confession of Faith and the Shorter and Larger Catechisms) leading to spiritual and moral development and opportunities for response to Bible teaching. In turn, this framework leads to practical expressions of Christian beliefs and standards in the local community such as through the care of those in need (including the sick, disabled and bereaved).

Generally the above benefits are delivered locally by congregations and their members, or are facilitated through presbyteries or are organised and delivered centrally. Local delivery is facilitated by central resources in almost all cases. Public access is made known through the use of noticeboards, printed material, press advertisement, websites, and social media or in other ways.

The benefits are demonstrated through regular evaluation of the services and informal and ad-hoc feedback from members, their families, and members of the public.

The purpose does not lead to harm. The only private benefit flowing from our purpose is related to Ministers, Missionaries, Deaconesses, Irish Mission workers and Lay Agents who receive benefits as a result of their holding office or employment. However, this is incidental and necessary in order to further our charitable purpose. There are no other private benefits. The beneficiaries of this purpose are members, their families, other individuals that the Presbyterian Church in Ireland is in direct and indirect contact with, the community in which pastoral services are provided and other communities throughout Northern Ireland, the Republic of Ireland, and worldwide which benefit from our engagement with and support for both Christian and other secular organisations, charities and individual members of the public.

The Kirk Session has had regard to the Charity Commissions public benefit requirement statutory guidance.

FINANCIAL REVIEW

The congregation's main source of income is members' contributions through the Weekly Freewill Offering. There were 374 contributors during the year (365 in previous year, 2023) donating a total of £89,876 (£88,824 in previous year, 2023)

Total Income of the congregation during the year was £259,578, compared to £268,587 in the previous year.

Total expenditure decreased from £285k in 2023 to £281k in 2024.

RESPONSIBILITIES IN RESPECT OF THE FINANCIAL STATEMENTS

The Trustees are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice.

The Trustees are required to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the congregations and the financial activities for that year. In preparing the financial statements the Trustees are required to:

- select suitable accounting policies and then apply them consistently
- make judgements and estimates that are reasonable and prudent
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Funds will continue in operation.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the funds transactions and disclose with reasonable accuracy at any time the financial position of the congregations and enable them to ensure that the financial statements comply with the Statement of Recommended Practice "Accounting and Reporting by Charities (1 January 2015)". They are also responsible for safeguarding the assets of the congregation and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

THE PRESBYTERIAN CHURCH IN IRELAND

ANNUAL REPORT

For the year ended 31 December 2024

GOING CONCERN

The activities of the congregation are dependent on ongoing contributions from its members. The Trustees are of the opinion that the congregation has sufficient resources at the date of approval of these financial statements to meet commitments which will arise in the year from the date of signing this report and subject to the continuing support from members to fund on an ongoing basis the congregation's current activities and other financial commitments.

RESERVES POLICY

The Trustees have considered the level of unrestricted reserves that it is appropriate to hold taking account of current and ongoing commitments. It is the policy of the Trustees to hold at least three month's normal expenditure. At the year-end unrestricted reserves were £121,912 (cash balance) which represents a higher level of reserves. The Trustees however, consider it prudent to hold reserves at this level as the funding of its present activities is dependent of the ongoing financial support of members.

RISK REVIEW

A review of major risks has been undertaken by the Trustees and systems and procedures implemented to manage identified risks. The principal risks are in relation to the likelihood of reputational damage and financial risks associated with the expectation of ongoing financial support from members. These risks are mitigated by the Trustees, and the Congregational Committee, regularly monitoring the various activities of the congregation at stated meetings and by encouraging members in their regular giving.

Restricted funds comprise (a) income from endowments which is to be expended only on the restricted purposes intended by the donor and (b) revenue donations or grants for a specific congregational activity intended by the donor. Where these funds have unspent balances, interest on their pooled investment is apportioned to the individual funds on an average balance basis.

11. PENSION COSTS

The minister of the congregation is a member of the Presbyterian Church in Ireland Pension Scheme (2009). This is a scheme operated by the Presbyterian Church in Ireland, a separate registered charity. The congregation pays an assessment to the Presbyterian Church in Ireland equivalent to the employer’s pension contribution for the Scheme and based on the stipend paid to the minister. The Presbyterian Church in Ireland Pension Scheme (2009) is a funded Scheme of the defined benefit type, providing defined benefits based on career average revalued salary. The Scheme has assets held in a separately administered fund managed by a board of trustees. The Presbyterian Church and the Scheme Trustees have agreed a funding plan to ensure the Scheme is sufficiently funded to meet current and future obligations. A formal schedule of contributions was drawn up during 2024 whereby the Presbyterian Church agreed to pay from 1 January 2025 contributions of 17.5% (24% - 2024) of pensionable salaries to cover the accrual of benefits for future service, expenses, the cost of insuring death in service benefits and funding the scheme deficit.

STRUCTURE AND MANAGEMENT

The Kirk Session

The charity trustees of the congregation are the members of its Kirk Session. Under the congregation's governing document, The Code, the book of the constitution and government of the Presbyterian Church in Ireland, the Kirk Session seeks to watch over and promote the spiritual interest of the congregation and of persons not connected with any congregation who are within its bounds. It ensures pastoral care is in place in the congregation and seeks to further the contribution of the Church to Christian witness and service in the local community. The Kirk Sessions has delegated to its Congregational Committee the temporal affairs of the congregation including administering all funds and property belonging to the congregation. Members of the Kirk Session are ex-officio members of the Congregational Committee.

The Kirk Session consists of the ordained minister and the ruling elders of the congregations. All members are entitled to propose, speak and exercise equal votes at meetings, except that the Moderator, the ministers in active duty in the congregation, has no deliberative but only a casting vote.

Stated meetings of the Kirk session are held at least twice in each year or as appropriate.

To be chosen for the office of the eldership in the congregation a person must be a voting member and a regular attendant on its ordinances. The selection of those proposed to be called to the office can be either by the congregation or by the Kirk Session. Members are elected if they obtain two-thirds of those who vote.

Presbytery

Under the Presbyterian Church in Ireland form of governance the corporate oversight of a congregation is the responsibility of a Presbytery which superintends generally the spiritual and temporal affairs of the congregations assigned to it by the General Assembly of the Presbyterian Church in Ireland. Glendermott Presbyterian Church has been assigned to the Derry & Donegal Presbytery of the Presbyterian Church in Ireland. The membership of the Presbytery consists mainly of the active ministers of congregations assigned to it by the General Assembly, ministers who have retired from active duty and an elder appointed by the Kirk Session of each congregation.

The General Assembly

The General Assembly is the supreme court of the Church, representing in one body the whole Church and acting as its supreme legislative, administration and judicial authority, in dealing with all matters brought before it. The General Assembly is normally constituted during the first week in June for worship and to conduct its business. At the end of business it is dissolved. The membership of the General Assembly consists mainly of the active ministers of each congregation, retired ministers and a representative elder appointed by the Kirk Session of each congregation.

TRUSTEES ANNUAL REPORT (cont'd)

DESCRIPTION AND PURPOSE

Glendermott Presbyterian Church is a congregation of the Presbyterian Church in Ireland. The Presbyterian Church in Ireland, as a Reformed Church within the wider body of Christ is grounded in the Scriptures, and exists to love and honour God through faith in His Son and by the power of His Spirit, and to enable her members to play their part in fulfilling God's mission to our world.

The charitable purpose of the congregation is the advancement of religion.

The congregation's mission purposes is by the grace of God, to help people of all ages become fully devoted followers of Jesus Christ. Our vision is, by the grace of God, to be an inclusive, welcoming community of Christ's people of all ages, which:

- is increasingly characterised by love for God, and love and concern for others;
- is committed to the historic Christian gospel as revealed in the Bible;
- is relevant to people of this time and place.

The congregation aims to live out its Mission and Vision as a family of God's people by being:

- A Covenant Community: where our relationships are rooted in the promises of God by living faithfully toward him and toward one another
- An Intergenerational Community: where adults intentionally take the lead to engage with, encourage and nurture younger members to maturity in Christ.
- An Outward looking Community: where we want the blessings of God that belong to us in the gospel to become blessings for others beyond the bounds of our community.
- As a congregation of the Presbyterian Church in Ireland, we believe that the Bible is the supreme authority over all we do, and that the Westminster Confession of Faith, along with the Larger and Shorter Catechisms set out what we understand the Bible teaches on key matters of Christian faith and practice.

TRUSTEES ANNUAL REPORT (cont'd)

ACHIEVEMENTS AND PERFORMANCE

Worship and prayer

The congregation normally meets for worship each Sunday at 11.30am. On Wednesday evenings the Bible Study provides an opportunity for members to meet together for fellowship, to study the scriptures and for a time of prayer.

As well as our regular services during the year we acknowledged God's gift of new life at four Sacraments of Baptism, we conducted one marriage service and gave thanks for faithful services and sought to comfort those who had been bereaved during the year.

At 31 December 2023 there were 600 communicant members and 448 of families connected with the congregation.

The average week attendance at morning worship during the year was 150.

TRUSTEES ANNUAL REPORT (cont'd)

Mission and outreach

At a local level the congregation continues to share the truth of God's word to all and support home and overseas mission by means of the United Appeal with each contributing family being furnished with envelopes.

The congregation supports the United Appeal for Mission which is a central fund of the Presbyterian Church in Ireland. This fund enables congregations to support the wider mission of the denomination and to do mission and outreach on denominational basis beyond what the congregation could do on its own. The United Appeal Fund provides financial support for mission personnel at home and overseas, assists congregations with the deployment of locally based staff, enables church planting, provides grant support for the upkeep of church premises, assist with the running costs of Union Theological College, the Church's training college for ministry students, and financially supports congregation in the areas of worship, discipleship, global mission, outreach, leadership and pastoral care.

The congregation also contributes to the denominations annual World Development Appeal, Sunday Schools' project and any other special appeals.

Presbytery

The congregation was represented at the regular meetings of Presbytery by our minister and one of the elders. This provides an important link between the congregations and the wider structures of the church.

General Assembly

The minister and one of our elders were nominated to attend the meeting of the General Assembly of the Presbyterian Church in Ireland held in Assembly Buildings, Belfast, in June.

Property

Major refurbishment works on the Church building commenced in late 2019 and completed with a handover of the Church by the contractor in December 2020. The overall costs of the project have yet to be finalised.

Organisations

All organisations re-opened from October 2021 when restrictions were eased after the global pandemic.

Mothers and Toddlers meet on a Wednesday from 10am to 11.30am. They have an average attendance of 30 children with their parent/ carer. The children enjoyed the fun of playing with the toys, arts and crafts and a sing song along while the parent/ carer enjoyed a well, earned cup of tea.

The Boys Brigade met during 2023/2024 from September to March. There are three sections the Anchor Boys, the Junior section and the Senior Section. Thank you to the officers and helpers who gave their time to make this happen. The boys met on Thursday evenings between 6.15pm and 10.00pm with an overlap of each section. They all enjoyed fellowship together with our Scripture readings and stories. We have been very fortunate to have secured additional funding from three different grants which enabled us to purchase a large screen and additional sporting equipment and clothes for the boys. We also used this funding to help with the running costs. We as leaders are very proud of all the boys in each section. We believe all the boys enjoy the Boys Brigade and this is reflective in the numbers attending. We now look forward to our Company Display to show our Congregation how **"Sure and Steadfast"** our boys really are.

Girls Brigade, met on a Monday night from 6.30pm to 8pm from September to March covering all four sections. We were able to cover all elements of our badgework, scripture, crafts, baking, quizzes, circuits and games. We were also able to partake in District events GB Carol Service, District games then finishing off with our District parade. We will finish this session with our annual display and prize giving. Our prayer for the next session will be the safety of all our members over the summer period and that we will welcome new members in the new session whilst we continue to uphold our motto to **Seek, Serve and Follow Christ**.

Bowls usually meet on a Wednesday night from 7pm to 10pm from September to April. All participants enjoyed the experience of participating in the indoor bowls.

Youth club meet on a Friday night from 7.30pm to 10pm with an average attendance of 18. Fun and games is enjoyed by all and there is an opportunity each night for leaders to share an epilogue with the young people present.

Sunday School, meet every Sunday morning from 10.15am to 11.15am from September to June. They are split into 3 sections based on age. The primary Sunday school has an average attendance of 20, Junior Sunday School 25 and Senior Sunday school 22 of which four are in a Membership class from March 2024.

The PW meets on the first Monday of each month from September to April, with a range of guest speakers. There was an average attendance of 36 each night.

Craft class was held on the third Thursday of each month with an average attendance of 18 ladies who enjoyed completing their individual projects along with some refreshments.

The Curling club meets on a Wednesday morning from 10am to 12 noon with an average attendance of 5. Good fun and much needed exercise was enjoyed by all throughout the year.

TRUSTEES ANNUAL REPORT (cont'd)

PUBLIC BENEFIT STATEMENT

The Presbyterian Church in Ireland meets the public benefit requirement by providing benefit to its members and the general public by making known the Christian Gospel of the Lord Jesus Christ through the advancement of religion.

The direct benefits which flow from the purposes of the Church include the gaining of an understanding in Christian beliefs as set out in the Bible and in the Church's subordinate standards (the Westminster Confession of Faith and the Shorter and Larger Catechisms) leading to spiritual and moral development and opportunities for response to Bible teaching. In turn, this framework leads to practical expressions of Christian beliefs and standards in the local community such as through the care of those in need (including the sick, disabled and bereaved).

Generally the above benefits are delivered locally by congregations and their members, or are facilitated through presbyteries or are organised and delivered centrally. Local delivery is facilitated by central resources in almost all cases. Public access is made known through the use of noticeboards, printed material, press advertisement, websites, and social media or in other ways.

The benefits are demonstrated through regular evaluation of the services and informal and ad-hoc feedback from members, their families, and members of the public.

The purpose does not lead to harm. The only private benefit flowing from our purpose is related to Ministers, Missionaries, Deaconesses, Irish Mission workers and Lay Agents who receive benefits as a result of their holding office or employment. However, this is incidental and necessary in order to further our charitable purpose. There are no other private benefits. The beneficiaries of this purpose are members, their families, other individuals that the Presbyterian Church in Ireland is in direct and indirect contact with, the community in which pastoral services are provided and other communities throughout Northern Ireland, the Republic of Ireland, and worldwide which benefit from our engagement with and support for both Christian and other secular organisations, charities and individual members of the public.

The Kirk Session has had regard to the Charity Commissions public benefit requirement statutory guidance.

TRUSTEES ANNUAL REPORT (cont'd)

FINANCIAL REVIEW

The congregation's main source of income is members' contributions through the Weekly Freewill Offering. There were 365 contributors during the year (360 in previous year, 2022) donating a total of £88,824 (£78,760 in previous year, 2022)

Total Income of the congregation during the year was £268,587, compared to £240,410 in the previous year.

Total expenditure increased from £253k in 2022 to £285k in 2023. The main reason for the increase was due to an increase in the Congregational running expenses from £145k in 2022 to £166k in 2023 reflecting the increases in utility bills in year.

RESPONSIBILITIES IN RESPECT OF THE FINANCIAL STATEMENTS

The Trustees are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice.

The Trustees are required to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the congregations and the financial activities for that year. In preparing the financial statements the Trustees are required to:

- select suitable accounting policies and then apply them consistently
- make judgements and estimates that are reasonable and prudent
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Funds will continue in operation.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the funds transactions and disclose with reasonable accuracy at any time the financial position of the congregations and enable them to ensure that the financial statements comply with the Statement of Recommended Practice "Accounting and Reporting by Charities (1 January 2015)". They are also responsible for safeguarding the assets of the congregation and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

THE PRESBYTERIAN CHURCH IN IRELAND

ANNUAL REPORT

For the year ended 31 December 2023

GOING CONCERN

The activities of the congregation are dependent on ongoing contributions from its members. The Trustees are of the opinion that the congregation has sufficient resources at the date of approval of these financial statements to meet commitments which will arise in the year from the date of signing this report and subject to the continuing support from members to fund on an ongoing basis the congregation's current activities and other financial commitments.

RESERVES POLICY

The Trustees have considered the level of unrestricted reserves that it is appropriate to hold taking account of current and ongoing commitments. It is the policy of the Trustees to hold at least three month's normal expenditure. At the year end unrestricted reserves were £129,667 (cash balance) which represents a higher level of reserves. The Trustees however, consider it prudent to hold reserves at this level as the funding of its present activities is dependent of the ongoing financial support of members.

RISK REVIEW

A review of major risks has been undertaken by the Trustees and systems and procedures implemented to manage identified risks. The principal risks are in relation to the likelihood of reputational damage and financial risks associated with the expectation of ongoing financial support from members. These risks are mitigated by the Trustees, and the Congregational Committee, regularly monitoring the various activities of the congregation at stated meetings and by encouraging members in their regular giving.

NOTES TO THE ACCOUNTS

31 December 2023

1. ACCOUNTING POLICIES

BASIS OF FINANCIAL STATEMENTS

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with Financial Reporting Standard applicable in the UK and Ireland (FRS102) (effective 1 January 2015).

The financial statements have been prepared under the historical cost convention except for investment assets, which are shown at market value. The financial statements include all transactions, assets and liabilities for which the congregation is responsible in law. They do not include the accounts of church groups that owe their affiliation to another body, nor those that are informal gatherings of church members.

FUND ACCOUNTING

Endowment funds are funds, the capital of which must be retained either permanently or at the congregation's discretion; the income derived from the endowment is to be used either as restricted or unrestricted income funds depending upon the purpose for which the endowment was established in the first place.

Restricted funds comprise (a) income from endowments which is to be expended only on the restricted purposes intended by the donor and (b) revenue donations or grants for a specific congregational activity intended by the donor. Where these funds have unspent balances, interest on their pooled investment is apportioned to the individual funds on an average balance basis.

Unrestricted funds are income funds which are to be spent on the congregation's general purposes. Designated funds are general funds set aside by the congregation for use in the future.

1. ACCOUNTING POLICIES(cont'd)

INCOMING RESOURCES

(i) Recognition of incoming resources

These are included in the Statement of Financial Activities (SoFA) when:

- the congregation becomes entitled to the resources;
- the trustees are virtually certain they will receive the resources; and
- the monetary value can be measured with sufficient reliability.

(ii) Incoming resources with related expenditure

Where incoming resources have related expenditure (as with fundraising income) the incoming resources and related expenditure are reported gross in the SoFA.

(iii) Grants and donations

Grants and donations are only included in the SoFA when the congregation has unconditional entitlement to the resources.

(iv) Tax reclaims on donations and gifts

Incoming resources from tax reclaims are included in the SoFA at the same time as the gift to which they relate.

(v) Gifts in kind

Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised. Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity. Gifts in kind for use by the charity are included in the SoFA as incoming resources when receivable.

(vi) Volunteer help

The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.

(vii) Investment income

This is included in the accounts when receivable.

(viii) Investment gains and losses

This includes any gain or loss on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

1. ACCOUNTING POLICIES (cont'd)

EXPENDITURE AND LIABILITIES

(ix) Liability recognition

Liabilities are recognised as soon as there is a legal or constructive obligation committing the congregation to pay out resources.

(x) Governance costs

These are shown within charitable activities and include the costs of preparation and examination of accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters.

ASSETS

(xi) Tangible Fixed Assets

Tangible fixed assets for use by charity are capitalised if they can be used for more than one year, and cost at least £2,500. They are valued at cost or, if gifted, at the value to the charity on receipt.

Depreciation is recorded on all tangible fixed assets other than freehold land, at rates calculated to write of the cost, less estimated residual value, of each asset over its expected useful life as follows

Buildings: - over 50 years

Fixtures, fittings and equipment - over 10 years

(xii) Investments

Investments quoted on a recognised stock exchange are valued at market value at the year end. Other investment assets are included at trustees' best estimate of market value.

11. PENSION COSTS

The minister of the congregation is a member of the Presbyterian Church in Ireland Pension Scheme (2009). This is a scheme operated by the Presbyterian Church in Ireland, a separate registered charity. The congregation pays an assessment to the Presbyterian Church in Ireland equivalent to the employer's pension contribution for the Scheme and based on the stipend paid to the minister. The Presbyterian Church in Ireland Pension Scheme (2009) is a funded Scheme of the defined benefit type, providing defined benefits based on career average revalued salary. The Scheme has assets held in a separately administered fund managed by a board of trustees. The Presbyterian Church and the Scheme Trustees have agreed a funding plan to ensure the Scheme is sufficiently funded to meet current and future obligations. A formal schedule of contributions was drawn up on 2 March 2022 whereby the Presbyterian Church agreed to pay from 31 December 2023 contributions of 24% of pensionable salaries to cover the accrual of benefits for future service, expenses, the cost of insuring death in service benefits and funding the scheme deficit.

STRUCTURE AND MANAGEMENT

The Kirk Session

The charity trustees of the congregation are the members of its Kirk Session. Under the congregation's governing document, The Code, the book of the constitution and government of the Presbyterian Church in Ireland, the Kirk Session seeks to watch over and promote the spiritual interest of the congregation and of persons not connected with any congregation who are within its bounds. It ensures pastoral care is in place in the congregation and seeks to further the contribution of the Church to Christian witness and service in the local community. The Kirk Sessions has delegated to its Congregational Committee the temporal affairs of the congregation including administering all funds and property belonging to the congregation. Members of the Kirk Session are ex-officio members of the Congregational Committee.

The Kirk Session consists of the ordained minister and the ruling elders of the congregations. All members are entitled to propose, speak and exercise equal votes at meetings, except that the Moderator, the ministers in active duty in the congregation, has no deliberative but only a casting vote.

Stated meetings of the Kirk session are held at least twice in each year or as appropriate.

To be chosen for the office of the eldership in the congregation a person must be a voting member and a regular attendant on its ordinances. The selection of those proposed to be called to the office can be either by the congregation or by the Kirk Session. Members are elected if they obtain two-thirds of those who vote.

Presbytery

Under the Presbyterian Church in Ireland form of governance the corporate oversight of a congregation is the responsibility of a Presbytery which superintends generally the spiritual and temporal affairs of the congregations assigned to it by the General Assembly of the Presbyterian Church in Ireland. Glendermott Presbyterian Church has been assigned to the Derry & Donegal Presbytery of the Presbyterian Church in Ireland. The membership of the Presbytery consists mainly of the active ministers of congregations assigned to it by the General Assembly, ministers who have retired from active duty and an elder appointed by the Kirk Session of each congregation.

The General Assembly

The General Assembly is the supreme court of the Church, representing in one body the whole Church and acting as its supreme legislative, administration and judicial authority, in dealing with all matters brought before it. The General Assembly is normally constituted during the first week in June for worship and to conduct its business. At the end of business it is dissolved. The membership of the General Assembly consists mainly of the active ministers of each congregation, retired ministers and a representative elder appointed by the Kirk Session of each congregation.

DESCRIPTION AND PURPOSE

Glendermott Presbyterian Church is a congregation of the Presbyterian Church in Ireland. The Presbyterian Church in Ireland, as a Reformed Church within the wider body of Christ is grounded in the Scriptures, and exists to love and honour God through faith in His Son and by the power of His Spirit, and to enable her members to play their part in fulfilling God's mission to our world.

The charitable purpose of the congregation is the advancement of religion.

The congregation's mission purposes is by the grace of God, to help people of all ages become fully devoted followers of Jesus Christ. Our vision is, by the grace of God, to be an inclusive, welcoming community of Christ's people of all ages, which:

- is increasingly characterised by love for God, and love and concern for others;
- is committed to the historic Christian gospel as revealed in the Bible;
- is relevant to people of this time and place.

The congregation aims to live out its Mission and Vision as a family of God's people by being:

- A Covenant Community: where our relationships are rooted in the promises of God by living faithfully toward him and toward one another
- An Intergenerational Community: where adults intentionally take the lead to engage with, encourage and nurture younger members to maturity in Christ.
- An Outward looking Community: where we want the blessings of God that belong to us in the gospel to become blessings for others beyond the bounds of our community.
- As a congregation of the Presbyterian Church in Ireland, we believe that the Bible is the supreme authority over all we do, and that the Westminster Confession of Faith, along with the Larger and Shorter Catechisms set out what we understand the Bible teaches on key matters of Christian faith and practice.

The congregation holds regular bible study meetings and has a wide range of organisations including

- Sunday School
- Youth Club
- Mothers and Toddlers
- Bowling Club
- Boys Brigade
- Girls Brigade
- Curling Club
- Midweek Bible Study
- Praise Band

ACHIEVEMENTS AND PERFORMANCE

Worship and prayer

The congregation normally meets for worship each Sunday at 11.30am. On Wednesday evenings the Bible Study provides an opportunity for members to meet together for fellowship, to study the scriptures and for a time of prayer.

As well as our regular services during the year we acknowledged God's gift of new life at four Sacraments of Baptism, we conducted one marriage service and gave thanks for faithful services and sought to comfort those who had been bereaved during the year.

At 31 December 2023 there were 600 communicant members and 448 of families connected with the congregation.

The average week attendance at morning worship during the year was 150.

TRUSTEES ANNUAL REPORT (cont'd)

Mission and outreach

At a local level the congregation continues to share the truth of God's word to all and support home and overseas mission by means of the United Appeal with each contributing family being furnished with envelopes.

The congregation supports the United Appeal for Mission which is a central fund of the Presbyterian Church in Ireland. This fund enables congregations to support the wider mission of the denomination and to do mission and outreach on denominational basis beyond what the congregation could do on its own. The United Appeal Fund provides financial support for mission personnel at home and overseas, assists congregations with the deployment of locally based staff, enables church planting, provides grant support for the upkeep of church premises, assist with the running costs of Union Theological College, the Church's training college for ministry students, and financially supports congregation in the areas of worship, discipleship, global mission, outreach, leadership and pastoral care.

The congregation also contributes to the denominations annual World Development Appeal, Sunday Schools' project and any other special appeals.

Presbytery

The congregation was represented at the regular meetings of Presbytery by our minister and one of the elders. This provides an important link between the congregations and the wider structures of the church.

General Assembly

The minister and one of our elders were nominated to attend the meeting of the General Assembly of the Presbyterian Church in Ireland held in Assembly Buildings, Belfast, in June.

Property

Major refurbishment works on the Church building commenced in late 2019 and completed with a handover of the Church by the contractor in December 2020. The overall costs of the project have yet to be finalised.

Organisations

All organisations re-opened from October 2021 when restrictions were eased after the global pandemic.

Mothers and Toddlers meet on a Wednesday from 10am to 11.30am. They have an average attendance of 30 children with their parent/ carer. The children enjoyed the fun of playing with the toys, arts and crafts and a sing song along while the parent/ carer enjoyed a well, earned cup of tea.

The Boys Brigade met during 2023/2024 from September to March. There are three sections the Anchor Boys, the Junior section and the Senior Section. Thank you to the officers and helpers who gave their time to make this happen. The boys met on Thursday evenings between 6.15pm and 10.00pm with an overlap of each section. They all enjoyed fellowship together with our Scripture readings and stories. We have been very fortunate to have secured additional funding from three different grants which enabled us to purchase a large screen and additional sporting equipment and clothes for the boys. We also used this funding to help with the running costs. We as leaders are very proud of all the boys in each section. We believe all the boys enjoy the Boys Brigade and this is reflective in the numbers attending. We now look forward to our Company Display to show our Congregation how **"Sure and Steadfast"** our boys really are.

Girls Brigade, met on a Monday night from 6.30pm to 8pm from September to March covering all four sections. We were able to cover all elements of our badgework, scripture, crafts, baking, quizzes, circuits and games. We were also able to partake in District events GB Carol Service, District games then finishing off with our District parade. We will finish this session with our annual display and prize giving. Our prayer for the next session will be the safety of all our members over the summer period and that we will welcome new members in the new session whilst we continue to uphold our motto to **Seek, Serve and Follow Christ**.

Bowls usually meet on a Wednesday night from 7pm to 10pm from September to April. All participants enjoyed the experience of participating in the indoor bowls.

Youth club meet on a Friday night from 7.30pm to 10pm with an average attendance of 18. Fun and games is enjoyed by all and there is an opportunity each night for leaders to share an epilogue with the young people present.

Sunday School, meet every Sunday morning from 10.15am to 11.15am from September to June. They are split into 3 sections based on age. The primary Sunday school has an average attendance of 20, Junior Sunday School 25 and Senior Sunday school 22 of which four are in a Membership class from March 2024.

The PW meets on the first Monday of each month from September to April, with a range of guest speakers. There was an average attendance of 36 each night.

Craft class was held on the third Thursday of each month with an average attendance of 18 ladies who enjoyed completing their individual projects along with some refreshments.

The Curling club meets on a Wednesday morning from 10am to 12 noon with an average attendance of 5. Good fun and much needed exercise was enjoyed by all throughout the year.

PUBLIC BENEFIT STATEMENT

The Presbyterian Church in Ireland meets the public benefit requirement by providing benefit to its members and the general public by making known the Christian Gospel of the Lord Jesus Christ through the advancement of religion.

The direct benefits which flow from the purposes of the Church include the gaining of an understanding in Christian beliefs as set out in the Bible and in the Church's subordinate standards (the Westminster Confession of Faith and the Shorter and Larger Catechisms) leading to spiritual and moral development and opportunities for response to Bible teaching. In turn, this framework leads to practical expressions of Christian beliefs and standards in the local community such as through the care of those in need (including the sick, disabled and bereaved).

Generally the above benefits are delivered locally by congregations and their members, or are facilitated through presbyteries or are organised and delivered centrally. Local delivery is facilitated by central resources in almost all cases. Public access is made known through the use of noticeboards, printed material, press advertisement, websites, and social media or in other ways.

The benefits are demonstrated through regular evaluation of the services and informal and ad-hoc feedback from members, their families, and members of the public.

The purpose does not lead to harm. The only private benefit flowing from our purpose is related to Ministers, Missionaries, Deaconesses, Irish Mission workers and Lay Agents who receive benefits as a result of their holding office or employment. However, this is incidental and necessary in order to further our charitable purpose. There are no other private benefits. The beneficiaries of this purpose are members, their families, other individuals that the Presbyterian Church in Ireland is in direct and indirect contact with, the community in which pastoral services are provided and other communities throughout Northern Ireland, the Republic of Ireland, and worldwide which benefit from our engagement with and support for both Christian and other secular organisations, charities and individual members of the public.

The Kirk Session has had regard to the Charity Commissions public benefit requirement statutory guidance.

FINANCIAL REVIEW

The congregation's main source of income is members' contributions through the Weekly Freewill Offering. There were 365 contributors during the year (360 in previous year, 2022) donating a total of £88,824 (£78,760 in previous year, 2022)

Total Income of the congregation during the year was £268,587, compared to £240,410 in the previous year.

Total expenditure increased from £253k in 2022 to £285k in 2023. The main reason for the increase was due to an increase in the Congregational running expenses from £145k in 2022 to £166k in 2023 reflecting the increases in utility bills in year.

RESPONSIBILITIES IN RESPECT OF THE FINANCIAL STATEMENTS

The Trustees are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice.

The Trustees are required to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the congregations and the financial activities for that year. In preparing the financial statements the Trustees are required to:

- select suitable accounting policies and then apply them consistently
- make judgements and estimates that are reasonable and prudent
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Funds will continue in operation.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the funds transactions and disclose with reasonable accuracy at any time the financial position of the congregations and enable them to ensure that the financial statements comply with the Statement of Recommended Practice "Accounting and Reporting by Charities (1 January 2015)". They are also responsible for safeguarding the assets of the congregation and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

THE PRESBYTERIAN CHURCH IN IRELAND

ANNUAL REPORT

For the year ended 31 December 2023

GOING CONCERN

The activities of the congregation are dependent on ongoing contributions from its members. The Trustees are of the opinion that the congregation has sufficient resources at the date of approval of these financial statements to meet commitments which will arise in the year from the date of signing this report and subject to the continuing support from members to fund on an ongoing basis the congregation's current activities and other financial commitments.

RESERVES POLICY

The Trustees have considered the level of unrestricted reserves that it is appropriate to hold taking account of current and ongoing commitments. It is the policy of the Trustees to hold at least three month's normal expenditure. At the year end unrestricted reserves were £129,667 (cash balance) which represents a higher level of reserves. The Trustees however, consider it prudent to hold reserves at this level as the funding of its present activities is dependent of the ongoing financial support of members.

RISK REVIEW

A review of major risks has been undertaken by the Trustees and systems and procedures implemented to manage identified risks. The principal risks are in relation to the likelihood of reputational damage and financial risks associated with the expectation of ongoing financial support from members. These risks are mitigated by the Trustees, and the Congregational Committee, regularly monitoring the various activities of the congregation at stated meetings and by encouraging members in their regular giving.

1. ACCOUNTING POLICIES

BASIS OF FINANCIAL STATEMENTS

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with Financial Reporting Standard applicable in the UK and Ireland (FRS102) (effective 1 January 2015).

The financial statements have been prepared under the historical cost convention except for investment assets, which are shown at market value. The financial statements include all transactions, assets and liabilities for which the congregation is responsible in law. They do not include the accounts of church groups that owe their affiliation to another body, nor those that are informal gatherings of church members.

FUND ACCOUNTING

Endowment funds are funds, the capital of which must be retained either permanently or at the congregation's discretion; the income derived from the endowment is to be used either as restricted or unrestricted income funds depending upon the purpose for which the endowment was established in the first place.

Restricted funds comprise (a) income from endowments which is to be expended only on the restricted purposes intended by the donor and (b) revenue donations or grants for a specific congregational activity intended by the donor. Where these funds have unspent balances, interest on their pooled investment is apportioned to the individual funds on an average balance basis.

Unrestricted funds are income funds which are to be spent on the congregation's general purposes. Designated funds are general funds set aside by the congregation for use in the future.

11. PENSION COSTS

The minister of the congregation is a member of the Presbyterian Church in Ireland Pension Scheme (2009). This is a scheme operated by the Presbyterian Church in Ireland, a separate registered charity. The congregation pays an assessment to the Presbyterian Church in Ireland equivalent to the employer's pension contribution for the Scheme and based on the stipend paid to the minister. The Presbyterian Church in Ireland Pension Scheme (2009) is a funded Scheme of the defined benefit type, providing defined benefits based on career average revalued salary. The Scheme has assets held in a separately administered fund managed by a board of trustees. The Presbyterian Church and the Scheme Trustees have agreed a funding plan to ensure the Scheme is sufficiently funded to meet current and future obligations. A formal schedule of contributions was drawn up on 2 March 2022 whereby the Presbyterian Church agreed to pay from 31 December 2023 contributions of 24% of pensionable salaries to cover the accrual of benefits for future service, expenses, the cost of insuring death in service benefits and funding the scheme deficit.

The contributions made by the congregation during the year were

NOTES TO THE ACCOUNTS
31 December 2022

1. ACCOUNTING POLICIES

BASIS OF FINANCIAL STATEMENTS

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with Financial Reporting Standard applicable in the UK and Ireland (FRS102) (effective 1 January 2015).

The financial statements have been prepared under the historical cost convention except for investment assets, which are shown at market value. The financial statements include all transactions, assets and liabilities for which the congregation is responsible in law. They do not include the accounts of church groups that owe their affiliation to another body, nor those that are informal gatherings of church members.

FUND ACCOUNTING

Endowment funds are funds, the capital of which must be retained either permanently or at the congregation's discretion; the income derived from the endowment is to be used either as restricted or unrestricted income funds depending upon the purpose for which the endowment was established in the first place.

Restricted funds comprise (a) income from endowments which is to be expended only on the restricted purposes intended by the donor and (b) revenue donations or grants for a specific congregational activity intended by the donor. Where these funds have unspent balances, interest on their pooled investment is apportioned to the individual funds on an average balance basis.

Unrestricted funds are income funds which are to be spent on the congregation's general purposes. Designated funds are general funds set aside by the congregation for use in the future.

1. ACCOUNTING POLICIES(cont'd)

INCOMING RESOURCES

(i) Recognition of incoming resources

These are included in the Statement of Financial Activities (SoFA) when:

- the congregation becomes entitled to the resources;
- the trustees are virtually certain they will receive the resources; and
- the monetary value can be measured with sufficient reliability.

(ii) Incoming resources with related expenditure

Where incoming resources have related expenditure (as with fundraising income) the incoming resources and related expenditure are reported gross in the SoFA.

(iii) Grants and donations

Grants and donations are only included in the SoFA when the congregation has unconditional entitlement to the resources.

(iv) Tax reclaims on donations and gifts

Incoming resources from tax reclaims are included in the SoFA at the same time as the gift to which they relate.

(v) Gifts in kind

Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised. Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity. Gifts in kind for use by the charity are included in the SoFA as incoming resources when receivable.

(vi) Volunteer help

The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.

(vii) Investment income

This is included in the accounts when receivable.

(viii) Investment gains and losses

This includes any gain or loss on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

11. PENSION COSTS

The minister of the congregation is a member of the Presbyterian Church in Ireland Pension Scheme (2009). This is a scheme operated by the Presbyterian Church in Ireland, a separate registered charity. The congregation pays an assessment to the Presbyterian Church in Ireland equivalent to the employer's pension contribution for the Scheme and based on the stipend paid to the minister. The Presbyterian Church in Ireland Pension Scheme (2009) is a funded Scheme of the defined benefit type, providing defined benefits based on career average revalued salary. The Scheme has assets held in a separately administered fund managed by a board of trustees. The Presbyterian Church and the Scheme Trustees have agreed a funding plan to ensure the Scheme is sufficiently funded to meet current and future obligations. A formal schedule of contributions was drawn up on 2 March 2022 whereby the Presbyterian Church agreed to pay from 31 December 2023 contributions of 24% of pensionable salaries to cover the accrual of benefits for future service, expenses, the cost of insuring death in service benefits and funding the scheme deficit.

STRUCTURE AND MANAGEMENT

The Kirk Session

The charity trustees of the congregation are the members of its Kirk Session. Under the congregation's governing document, The Code, the book of the constitution and government of the Presbyterian Church in Ireland, the Kirk Session seeks to watch over and promote the spiritual interest of the congregation and of persons not connected with any congregation who are within its bounds. It ensures pastoral care is in place in the congregation and seeks to further the contribution of the Church to Christian witness and service in the local community. The Kirk Sessions has delegated to its Congregational Committee the temporal affairs of the congregation including administering all funds and property belonging to the congregation. Members of the Kirk Session are ex-officio members of the Congregational Committee.

The Kirk Session consists of the ordained minister and the ruling elders of the congregations. All members are entitled to propose, speak and exercise equal votes at meetings, except that the Moderator, the ministers in active duty in the congregation, has no deliberative but only a casting vote.

Stated meetings of the Kirk session are held at least twice in each year or as appropriate.

To be chosen for the office of the eldership in the congregation a person must be a voting member and a regular attendant on its ordinances. The selection of those proposed to be called to the office can be either by the congregation or by the Kirk Session. Members are elected if they obtain two-thirds of those who vote.

Presbytery

Under the Presbyterian Church in Ireland form of governance the corporate oversight of a congregation is the responsibility of a Presbytery which superintends generally the spiritual and temporal affairs of the congregations assigned to it by the General Assembly of the Presbyterian Church in Ireland. Glendermott Presbyterian Church has been assigned to the Derry & Donegal Presbytery of the Presbyterian Church in Ireland. The membership of the Presbytery consists mainly of the active ministers of congregations assigned to it by the General Assembly, ministers who have retired from active duty and an elder appointed by the Kirk Session of each congregation.

The General Assembly

The General Assembly is the supreme court of the Church, representing in one body the whole Church and acting as its supreme legislative, administration and judicial authority, in dealing with all matters brought before it. The General Assembly is normally constituted during the first week in June for worship and to conduct its business. At the end of business it is dissolved. The membership of the General Assembly consists mainly of the active ministers of each congregation, retired ministers and a representative elder appointed by the Kirk Session of each congregation.

TRUSTEES ANNUAL REPORT (cont'd)

DESCRIPTION AND PURPOSE

Glendermott Presbyterian Church is a congregation of the Presbyterian Church in Ireland. The Presbyterian Church in Ireland, as a Reformed Church within the wider body of Christ is grounded in the Scriptures, and exists to love and honour God through faith in His Son and by the power of His Spirit, and to enable her members to play their part in fulfilling God's mission to our world.

The charitable purpose of the congregation is the advancement of religion.

The congregation's mission purposes is by the grace of God, to help people of all ages become fully devoted followers of Jesus Christ. Our vision is, by the grace of God, to be an inclusive, welcoming community of Christ's people of all ages, which:

- is increasingly characterised by love for God, and love and concern for others;
- is committed to the historic Christian gospel as revealed in the Bible;
- is relevant to people of this time and place.

The congregation aims to live out its Mission and Vision as a family of God's people by being:

- A Covenant Community: where our relationships are rooted in the promises of God by living faithfully toward him and toward one another
- An Intergenerational Community: where adults intentionally take the lead to engage with, encourage and nurture younger members to maturity in Christ.
- An Outward looking Community: where we want the blessings of God that belong to us in the gospel to become blessings for others beyond the bounds of our community.
- As a congregation of the Presbyterian Church in Ireland, we believe that the Bible is the supreme authority over all we do, and that the Westminster Confession of Faith, along with the Larger and Shorter Catechisms set out what we understand the Bible teaches on key matters of Christian faith and practice.

TRUSTEES ANNUAL REPORT (cont'd)

- Sunday School
- Youth Club
- Mothers and Toddlers
- Bowling Club
- Boys Brigade
- Girls Brigade
- Curling Club

- Praise Band

ACHIEVEMENTS AND PERFORMANCE

Worship and prayer

The congregation normally meets for worship each Sunday at 11.30am. On Wednesday evenings the Bible Study provides an opportunity for members to meet together for fellowship, to study the scriptures and for a time of prayer.

As well as our regular services during the year we acknowledged God's gift of new life at four Sacraments of Baptism, we conducted one marriage service and gave thanks for faithful services and sought to comfort those who had been bereaved during the year.

At 31 December 2022 there were 600 communicant members and 448 of families connected with the congregation.

The average week attendance at morning worship during the year was 150.

Pastoral care

Members of the congregation who are unable to attend church due to sickness or age are visited on a regular basis by the minister, or elders.

TRUSTEES ANNUAL REPORT (cont'd)

Mission and outreach

At a local level the congregation continues to share the truth of God's word to all and support home and overseas mission by means of the United Appeal with each contributing family being furnished with envelopes.

The congregation supports the United Appeal for Mission which is a central fund of the Presbyterian Church in Ireland. This fund enables congregations to support the wider mission of the denomination and to do mission and outreach on denominational basis beyond what the congregation could do on its own. The United Appeal Fund provides financial support for mission personnel at home and overseas, assists congregations with the deployment of locally based staff, enables church planting, provides grant support for the upkeep of church premises, assist with the running costs of Union Theological College, the Church's training college for ministry students, and financially supports congregation in the areas of worship, discipleship, global mission, outreach, leadership and pastoral care.

The congregation also contributes to the denominations annual World Development Appeal, Sunday Schools' project and any other special appeals.

Presbytery

The congregation was represented at the regular meetings of Presbytery by our minister and one of the elders. This provides an important link between the congregations and the wider structures of the church.

General Assembly

The minister and one of our elders were nominated to attend the meeting of the General Assembly of the Presbyterian Church in Ireland held in Assembly Buildings, Belfast, in June.

Property

Major refurbishment works on the Church building commenced in late 2019 and completed with a handover of the Church by the contractor in December 2020. The overall costs of the project have yet to be finalised.

Organisations

All organisations re-opened from October 2021 when restrictions were eased after the global pandemic.

Mothers and Toddlers meet on a Wednesday from 10am to 11.30am. They have an average attendance of 30 children with their parent/ carer. The children enjoyed the fun of playing with the toys, arts and crafts and a sing song along while the parent/ carer enjoyed a well, earned cup of tea.

The Boys Brigade met during 2022/2023 from September to March. Anchor Boy enrolment was 31. Junior section enrolment was 12 and Senior Section Enrolment was 23. This was a total of 66 boys. Thank you to the 13 officers and helpers who gave their time to make this happen. The boys met on Thursday evenings between 6.15pm and 10.00pm with an overlap of each section. They all enjoyed fellowship together with our Scripture readings and stories. We have been very fortunate to have secured additional funding from four different grants which enabled us to purchase embroidered Softshell Jackets and additional sports equipment for the boys. We also used this funding to help with the running costs. We as leaders are very proud of all the boys in each section, with eight boys achieving their Presidents badge, two completing their Queens Award and Junior section achieving first place in two competitions this year. We believe all the boys enjoy the Boys Brigade and

this is reflective in the numbers attending. We now look forward to our Company Display to show our Congregation how **“Sure and Steadfast”** our boys really are.

Girls Brigade, met on a Monday night from 6.30pm to 8pm from September to March covering all four sections. Unfortunately our numbers have dropped this year. However we hope that they will increase next year. We started off with approximately 60 but this has dropped throughout the year. As GB continued we were able to cover all elements of our badgework, scripture, crafts, baking, quizzes, circuits and games. We were also able to partake in District events GB Carol Service, District games then finishing off with our District parade. We will finish this session with our annual display and prize giving. Our prayer for the next session will be the safety of all our members over the summer period and that we will welcome new members in the new session whilst we continue to uphold our motto to **Seek, Serve and Follow Christ**.

Bowls usually meet on a Wednesday night from 7pm to 10pm from September to April. All participants enjoyed the experience of participating in the indoor bowls.

Youth club meet on a Friday night from 7.30pm to 10pm with an average attendance of 18. Fun and games is enjoyed by all and there is an opportunity each night for leaders to share an epilogue with the young people present.

Sunday School, meet every Sunday morning from 10.15am to 11.15am from September to June. They are split into 3 sections based on age. The primary Sunday school has an average attendance of 20, Junior Sunday School 25 and Senior Sunday school 22 of which six are in a Membership class from March 2023.

The PW meets on the first Monday of each month from September to April, with a range of guest speakers. There was an average attendance of 36 each night.

Craft class was held on the third Thursday of each month with an average attendance of 18 ladies who enjoyed completing their individual projects along with some refreshments.

The Curling club meets on a Wednesday morning from 10am to 12 noon with an average attendance of 5. Good fun and much needed exercise was enjoyed by all throughout the year.

PUBLIC BENEFIT STATEMENT

The Presbyterian Church in Ireland meets the public benefit requirement by providing benefit to its members and the general public by making known the Christian Gospel of the Lord Jesus Christ through the advancement of religion.

The direct benefits which flow from the purposes of the Church include the gaining of an understanding in Christian beliefs as set out in the Bible and in the Church's subordinate standards (the Westminster Confession of Faith and the Shorter and Larger Catechisms) leading to spiritual and moral development and opportunities for response to Bible teaching. In turn, this framework leads to practical expressions of Christian beliefs and standards in the local community such as through the care of those in need (including the sick, disabled and bereaved).

Generally the above benefits are delivered locally by congregations and their members, or are facilitated through presbyteries or are organised and delivered centrally. Local delivery is facilitated by central resources in almost all cases. Public access is made known through the use of noticeboards, printed material, press advertisement, websites, and social media or in other ways.

The benefits are demonstrated through regular evaluation of the services and informal and ad-hoc feedback from members, their families, and members of the public.

The purpose does not lead to harm. The only private benefit flowing from our purpose is related to Ministers, Missionaries, Deaconesses, Irish Mission workers and Lay Agents who receive benefits as a result of their holding office or employment. However, this is incidental and necessary in order to further our charitable purpose. There are no other private benefits. The beneficiaries of this purpose are members, their families, other individuals that the Presbyterian Church in Ireland is in direct and indirect contact with, the community in which pastoral services are provided and other communities throughout Northern Ireland, the Republic of Ireland, and worldwide which benefit from our engagement with and support for both Christian and other secular organisations, charities and individual members of the public.

The Kirk Session has had regard to the Charity Commissions public benefit requirement statutory guidance.

TRUSTEES ANNUAL REPORT (cont'd)

FINANCIAL REVIEW

The congregation's main source of income is members' contributions through the Weekly Freewill Offering. There were 360 contributors during the year (333 in previous year, 2021) donating a total of £78,760 (£80,230 in previous year, 2021)

Total Income of the congregation during the year was £240,410, compared to £232,864 in the previous year.

Total expenditure increased from £220k in 2021 to £253k in 2022. The main reason for the increase was due to an increase in the Congregational running expenses from £120k in 2021 to £145k in 2022 reflecting the increases in utility bills in year.

RESPONSIBILITIES IN RESPECT OF THE FINANCIAL STATEMENTS

The Trustees are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice.

The Trustees are required to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the congregations and the financial activities for that year. In preparing the financial statements the Trustees are required to:

- select suitable accounting policies and then apply them consistently
- make judgements and estimates that are reasonable and prudent
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Funds will continue in operation.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the funds transactions and disclose with reasonable accuracy at any time the financial position of the congregations and enable them to ensure that the financial statements comply with the Statement of Recommended Practice "Accounting and Reporting by Charities (1 January 2015)". They are also responsible for safeguarding the assets of the congregation and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

THE PRESBYTERIAN CHURCH IN IRELAND

ANNUAL REPORT

For the year ended 31 December 2022

GOING CONCERN

The activities of the congregation are dependent on ongoing contributions from its members. The Trustees are of the opinion that the congregation has sufficient resources at the date of approval of these financial statements to meet commitments which will arise in the year from the date of signing this report and subject to the continuing support from members to fund on an ongoing basis the congregation's current activities and other financial commitments.

RESERVES POLICY

The Trustees have considered the level of unrestricted reserves that it is appropriate to hold taking account of current and ongoing commitments. It is the policy of the Trustees to hold at least three month's normal expenditure. At the year end unrestricted reserves were £70,068 (cash balance) which represents a higher level of reserves. The Trustees however, consider it prudent to hold reserves at this level as the funding of its present activities is dependent of the ongoing financial support of members.

RISK REVIEW

A review of major risks has been undertaken by the Trustees and systems and procedures implemented to manage identified risks. The principal risks are in relation to the likelihood of reputational damage and financial risks associated with the expectation of ongoing financial support from members. These risks are mitigated by the Trustees, and the Congregational Committee, regularly monitoring the various activities of the congregation at stated meetings and by encouraging members in their regular giving.
