

CARRICKFERGUS MUSICAL FESTIVAL ASSOCIATION TRUSTEES REPORT OCTOBER 2024.

Carrickfergus Musical Festival Association provides a platform for amateur musicians, who compete for cups, plaques and medals. Each performer receives a mark and adjudication from an expert in each genre –vocal, choral and instrumental. The group of 10 Trustees and committee members under the direction of an administrator/ music secretary facilitate an annual event using the Dobbs Room in the Town Hall as well as local halls to cater for the larger groups in the choir entries. Entry and entrance to sessions fees are set by the Trustees and these help to finance the annual event, which usually takes place March/April depending on the timing of Easter. Two trustees resigned and two new trustees were elected at the AGM on Wed 2nd October, 2024.
