**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2025**

1. NATURE OF COMPANY

L'Arche Belfast is a private company limited by guarantee with charitable status incorporated in Northern Ireland. The charity's registered number and registered office address can be found in the Company Information on page 1. The members of the company are the trustees also detailed on page 1. In the event of the charity being wound up, the liability in respect of the guarantee is limited to £1 per member of the charity.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

The charity constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared on the going concern basis under the historical cost convention and in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and the Republic of Ireland (FRS 102) (effective 1 January 2019) and the Companies Act 2006.

The following is a summary of the significant accounting policies adopted by the charitable company in the preparation of the financial statements.

Incoming Resources

All incoming resources have been included in the Statement of Financial Activities and have been recognised where there is entitlement to the income, certainty of receipt and it can be measured reliably. For legacies, the entitlement is the earlier of the charity being notified of an impending distribution or the legacy being received.

Income from government and other grants whether capital grants or revenue grants are recognised when the charity has entitlement to the funds, any performance conditions allocated to the grants have been met, it is probable the income will be received and the amount can be measured reliably and is not deferred.

Expenditure

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category.

- Costs of raising funds are those costs incurred in attracting voluntary income, and those incurred in trading activities that raise funds.
- Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.
- Governance costs are the costs associated with the governance arrangements of the charity and are primarily associated with constitutional and statutory requirements.
- All costs are allocated between the expenditure categories of the SOFA on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly, others are apportioned on an appropriate basis e.g. floor areas or per capita, staff costs by the time spent and other costs by their estimated usage.

**NOTES TO THE FINANCIAL STATEMENTS - continued
FOR THE YEAR ENDED 31 MARCH 2025**

2. ACCOUNTING POLICIES - continued

Fund Accounting

The company has various types of funds for which it is responsible and which require separate disclosure. These are as follows:

(i) Restricted funds

Grants or donations received which are designated by the donor for specific purposes. Such purposes are within the overall aim of the charity.

(i) Unrestricted funds – Undesignated Reserves

Funds which are expendable at the discretion of the company in the furtherance of the objectives of the charity.

(i) Unrestricted funds – Designated Reserves

Funds which have been set aside by the company to act as a contingency to ensure continuity of service. Designated funds continue to count as part of the unrestricted funds of the charity.

Irrecoverable VAT

All resources expended are classified under activity headings that aggregate all costs related to the category. Irrecoverable VAT is charged against the category of resources expended for which it was incurred.

Tangible fixed assets

Tangible assets are stated at cost less accumulated depreciation and any accumulated impairment losses. Cost includes expenditure that is directly attributable to the acquisition of the assets.

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Improvements to property	- 15% on reducing balance
Fixtures, fittings and equipment	- 15% on reducing balance
Motor Vehicles	- 25% on reducing balance
Computer Equipment	- 33% on cost

Pension costs

The charitable company operates a defined contribution pension scheme. Contributions payable to the charitable company's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.

Holiday pay accrual

A liability is recognised to the extent of any unused holiday pay entitlement which has accrued at the balance sheet date and is available to carry forward to future periods. This is measured at the undiscounted salary cost of the future holiday entitlement so accrued at the balance sheet date.

Taxation

There is no liability to taxation due to the charitable status.

Operating Leases

L'Arche classifies the lease of office equipment, motor vehicles and premises as operating leases. The title to the equipment, vehicles and premises remains with the lessor. Rental charges are charged on a straight line basis over the term of the lease.

Debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid of the transaction price.

Creditors

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors are normally recognised at their settlement amount after allowing for any trade discounts due.

2. ACCOUNTING POLICIES - continued

Financial Instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. These are initially recognised at transaction value and subsequently measured at their settlement value.

Judgements and key sources of estimation uncertainty

The following judgements including those involving estimates have been made in the process of applying the above accounting policies that have had the most significant effect on the amounts recognised in the financial statements and that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year:

- (i) Depreciation method and asset useful lives

The estimates and assumptions are reviewed on an ongoing basis considering the current and future market conditions.

The deficit on L'Arche Village is a result of direct payment income being allocated to unrestricted funds. Therefore, a transfer of £475,799 has been made from Unrestricted to L'Arche Village to correct.

At the year end the designated element of unrestricted funds is for a contingency and continuity or service reserve.

Restricted funds:

Core members represents funds received from NIHE Supporting People programme.

The L'Arche Village project will comprise the development of an inclusive multi-purpose facility, designed for leisure and skill development activities among adults with and without learning disabilities.

Developing Long-Term Sustainability represents funds received from The National Lottery Community Fund, Dormant accounts fund NI to assist L'Arche Belfast in becoming more resilient and prepared for the future. This is achieved by enabling the Director of Services to focus on strategic development and strategic discussions.

Wolfson Transport Project represents funds received from The Wolfson Foundation for the purchase of two minibuses to transport adults with learning disabilities to access horticultural and food preparation skills training.

Ember Summer House Project represents funds received from The Will Charitable Trust towards a summer house and outdoor furniture at the supported living service.

REPORT OF THE DIRECTORS FOR THE YEAR ENDED 31 MARCH 2024

Report of the Trustees (incorporating the directors' report) For the year ended 31st March 2024

The directors of the charitable company submit their annual report and the audited financial statements for the year ended 31 March 2024. The financial statements have been prepared in accordance with the Financial Reporting Standard applicable in the UK and the Republic of Ireland (FRS 102) (effective 1 January 2019) – Charities SORP (FRS 102), the Financial Reporting Standard applicable in the UK and the Republic of Ireland (FRS 102) and the Companies Act 2006.

REFERENCE AND ADMINISTRATIVE DETAILS

L'Arche Belfast is a registered charity (105755 with Charity Commission NI and XR 51980 with HM Revenue and Customs) and a company limited by guarantee (NI 40702). Its registered office is 54 Knockbreda Road, Belfast, BT6 0JB.

The directors of the company are its trustees for the purpose of charity law and throughout this report are collectively referred to as the directors. The present directors and any past directors who served during the year are given on page four. The external advisors are set out on page one.

STRUCTURE, GOVERNANCE AND MANAGEMENT

L'Arche Belfast is governed by its Memorandum and Articles of Association adopted on 9 July 2002. In the event of the company being wound up members are required to contribute an amount not exceeding £1.

The Board of Directors are responsible for the overall governance of the company. They are recruited and appointed for the skills and experience that they can bring to the management of the charity and for their commitment to the ethos and mission of L'Arche. There are sub-committees covering development, fundraising, finance and audit. They report regularly to the Board, so that all decisions made are ratified by the full board in due course.

A Director of Services is appointed by the Board to manage the day-to-day operations of the charity and for implementing the policies agreed by the Board of Directors.

OBJECTIVES AND ACTIVITIES OF THE CHARITY

The principal objective of the charity is to develop a loving and supportive community in Belfast which aims to advance the education and personal skills development of people with learning disabilities and to nurture their personal interests, employment and work opportunities, and their cultural, faith, or religious traditions. L'Arche Belfast is a faith-based organisation which is rooted in Christianity, and is open to persons of any faith background, and to those with no religious affiliation. It is founded on the principle that systems of belief—be they secular or religious - make the world a better place when they promote the dignity of all human beings, inspiring us to be open to people of different intellectual capacities, social origins, races, religions, genders, and cultures.

The Charity contributes to the quality of life of its members by expanding their horizons through the provision of specialist care and support, and by using a person-centred approach to help them take part in their own care and support planning, make a contribution to their local neighbourhood, and to work towards achievable and meaningful goals.

The L'Arche Belfast community consists of four houses on the Ormeau Road, which continue to be home for fourteen core members/clients who share their lives with each other and assist with paid staff and unpaid volunteers who have chosen L'Arche as a way of life. The community also extends itself as a place of belonging to other people with intellectual disabilities who live locally, by providing opportunities for them to get involved in social activities, or to participate in one or more of our work projects.

PUBLIC BENEFIT

The directors confirm that they have had due regard for the guidance produced on Public Benefit by the Charity Commission for Northern Ireland, and are pleased to report that during 2022/23 they have continued to meet the Public Benefit requirement as follows.

L'ARCHE BELFAST

REPORT OF THE DIRECTORS FOR THE YEAR ENDED 31 MARCH 2024

ACHIEVEMENTS AND PERFORMANCE

L'Arche Belfast continues to provide a service of care and support to fourteen people who have learning disabilities (core members). This service is provided at 481, 547 and 563 Ormeau Road, properties owned and jointly managed by Choice Housing, and 1A St. John's Avenue, which is rented from a private landlord. The Belfast Trust and South Eastern Trusts have both indicated that they would like to see our supported living service develop further, as we have a growing waiting list for these services and there is a high demand for supported living in the Belfast area.

The organisation continues to run and further develop an outreach programme throughout the greater Belfast area based at the "L'Arche Village" site on Manse Road, Belfast, which provides a wide range of work, leisure, and social activities for people with learning disabilities in a community context. The outreach programme also organises events such as discos, pub quizzes and nights out for people with learning disabilities, and includes the provision of bespoke respite services to a small number of individuals who require 1:1 support to engage in activities in their local communities.

Our day opportunities programmes (previously referred to as work projects) continue to operate from our "L'Arche Village" site. At present we offer opportunities for participants to engage in: horticulture, assisting with site maintenance, joinery and woodworking, cooking and nutrition, arts and crafts, music and dance/movement, and external trips to various places of interest in the local area. At present we offer placements to over 100 persons with a learning disability on a weekly basis, and some of our sessions are open to persons without a learning disability who are experiencing some form of isolation or difficulty in their lives – asylum seekers, pensioners, people with a mental health condition, and at-risk young people. We have also been able to provide volunteering opportunities to corporate groups, and to a group of A-Level students from Lagan College, which is adjacent to the Village site. We are currently exploring ways in which the site can generate additional income, e.g. by selling our garden produce and woodwork products, and operating a "pop up" charity shop and café.

We also offer day opportunity programmes in venues in the local community, most notably horticulture/woodworking sessions at Colin Glen in West Belfast, and cookery/ activity sessions based in local church halls. Due to the interest in and demand for the services provided at the Village, we anticipate further growth in both activities and participant numbers in the coming year.

PLANS FOR FUTURE PERIODS

L'Arche Belfast is fortunate in that to date we have been able to maintain all of our contracts with the Health and Social Care Trusts, both for domiciliary care provision and day opportunities, and were awarded additional funding to provide daytime support to our residential core members who do not attend statutory day services.

RELATED PARTIES

The charity is affiliated to L'Arche Ireland and is part of the Federation of L'Arche International. There were no transactions with related parties as set out in note 18 to the financial statements.

RISK MANAGEMENT

All those involved with the caring of the core members are vetted by the authorities and receive ongoing training in all areas of care to vulnerable adults. Risk assessments are carried out for all aspects of our work, and individual risk management plans are put in place for each core member who receives a service of care and support from us. An organisational risk register is in place, which is reviewed on a quarterly basis by the Board of Directors.

L'ARCHE BELFAST

REPORT OF THE DIRECTORS FOR THE YEAR ENDED 31 MARCH 2024

FINANCIAL REVIEW

The charity's income for the 12 month period ending 31 March 2024 was £1,729,951 increasing from the previous financial year (£1,674,770 in 2023). Total resources expended of £1,739,736 increased when compared to the previous financial year (£1,525,055 in 2023) with net expenditure for the year amounting to £9,785 (2023: net income £149,715). Total net assets amounted to £575,725 as at 31 March 2024 (2023: £585,510).

RESERVES POLICY

The directors are obliged to ensure that sufficient reserves are available to allow the organisation to continue its work in the foreseeable future. The principal funding sources of the charity were Government Bodies, i.e. The Northern Ireland Housing Executive, the Belfast Health and Social Care Trust and other Social Security Departments. Funding was also obtained from the Independent Living Fund. Other monies are received from private donors and by way of fundraising events. The directors endeavour to have between 3 and six months' running costs in Reserves. This is to ensure that continuity of service to our core members in the event of an emergency, and to provide for adequate contingency planning. There is a balance in Reserves relating to the charity's Unrestricted Funds of £518,403, approximately 17 weeks running costs for the organisation, of which £339,615 has been designated specifically for a contingency and continuity of service reserve.

DIRECTORS AND THEIR INTERESTS

The directors are shown below and, other than as noted, have held office to the report approval date:

Mr M Sheil
Ms M Campbell
Ms M Devlin
Mr K McMahon
Mr M McDowell
Ms J Buchanan
Mr C Daly
Mr P Tynan
Ms A McCaffrey
Mr M Lee

STATEMENT OF DIRECTOR'S RESPONSIBILITIES

The directors are responsible for preparing the Report of the Directors and financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

L'ARCHE BELFAST

**REPORT OF THE DIRECTORS
FOR THE YEAR ENDED 31 MARCH 2024**

STATEMENT AS TO DISCLOSURE OF INFORMATION TO AUDITORS

So far as the directors are aware, there is no relevant audit information (as defined by Section 418 of the Companies Act 2006) of which the company's auditors are unaware, and each director has taken all the steps that they ought to have taken as a director in order to make themselves aware of any relevant audit information and to establish that the company's auditors are aware of that information.

AUDITORS

The auditors, Baker Tilly Mooney Moore, have indicated their willingness to continue in office, and a resolution concerning their re-appointment will be proposed at the Annual General Meeting.

The above report has been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies.

ON BEHALF OF THE BOARD:

Paul Tynan

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF L'ARCHE BELFAST

Opinion

We have audited the financial statements of L'Arche Belfast (the 'charitable company') for the year ended 31 March 2024 which comprise the Statement of Financial Activities, Balance Sheet, Statement of Cashflows and notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 March 2024 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the report of the directors, other than the financial statements and our auditors' report thereon. The directors are responsible for the other information contained within the report of the directors. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the report of the directors for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the report of the directors has been prepared in accordance with applicable legal requirements.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF L'ARCHE BELFAST

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the report of the directors.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of director's remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to prepare the financial statements in accordance with the small companies' regime and take advantage of the small companies' exemption from the requirement to prepare a strategic report.

Responsibilities of directors

As explained more fully in the statement of directors responsibilities set out on page four, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Auditor responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below.

We considered the opportunities and incentives that may exist within the organisation for fraud and identified the greatest potential for fraud in relation to revenue recognition. In common with all audits under ISAs (UK), we are also required to perform specific procedures to respond to the risk of management override.

We also obtained an understanding of the legal and regulatory frameworks that the charitable company operates in, focusing on provisions of those laws and regulations that had a direct effect on the determination of material amounts and disclosures in the financial statements. The key laws and regulations we considered in this context included the UK Companies Act.

In addition, we considered provisions of other laws and regulations that do not have a direct effect on the financial statements but compliance with which may be fundamental to the charitable company's ability to operate or to avoid a material penalty.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF L'ARCHE BELFAST

Our procedures to respond to risks identified included the following:

- reviewing the financial statement disclosures and testing to supporting documentation to assess compliance with provisions of relevant laws and regulations described as having a direct effect on the financial statements;
- enquiring of management and external legal counsel concerning actual and potential litigation and claims;
- performing analytical procedures to identify any unusual or unexpected relationships that may indicate risks of material misstatement due to fraud;
- in addressing the risk of fraud through management override of controls, testing the appropriateness of journal entries and other adjustments; assessing whether the judgements made in making accounting estimates are indicative of a potential bias; and evaluating the business rationale of any significant transactions that are unusual or outside the normal course of business.

We also communicated relevant identified laws and regulations and potential fraud risks to all engagement team members and remained alert to any indications of fraud or noncompliance with laws and regulations throughout the audit.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

A further description of our responsibilities is available on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditors' report.

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

The notes form part of these financial statements

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2024**

1. NATURE OF COMPANY

L'Arche Belfast is a private company limited by guarantee with charitable status incorporated in Northern Ireland. The charity's registered number and registered office address can be found in the Company Information on page 1. The members of the company are the trustees also detailed on page 1. In the event of the charity being wound up, the liability in respect of the guarantee is limited to £1 per member of the charity.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

The charity constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared on the going concern basis under the historical cost convention and in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and the Republic of Ireland (FRS 102) (effective 1 January 2019) and the Companies Act 2006.

The following is a summary of the significant accounting policies adopted by the charitable company in the preparation of the financial statements.

Incoming Resources

All incoming resources have been included in the Statement of Financial Activities and have been recognised where there is entitlement to the income, certainty of receipt and it can be measured reliably. For legacies, the entitlement is the earlier of the charity being notified of an impending distribution or the legacy being received.

Income from government and other grants whether capital grants or revenue grants are recognised when the charity has entitlement to the funds, any performance conditions allocated to the grants have been met, it is probable the income will be received and the amount can be measured reliably and is not deferred.

Expenditure

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category.

- Costs of raising funds are those costs incurred in attracting voluntary income, and those incurred in trading activities that raise funds.
- Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.
- Governance costs are the costs associated with the governance arrangements of the charity and are primarily associated with constitutional and statutory requirements.
- All costs are allocated between the expenditure categories of the SOFA on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly, others are apportioned on an appropriate basis e.g. floor areas or per capita, staff costs by the time spent and other costs by their estimated usage.

**NOTES TO THE FINANCIAL STATEMENTS - continued
FOR THE YEAR ENDED 31 MARCH 2024**

2. ACCOUNTING POLICIES - continued

Fund Accounting

The company has various types of funds for which it is responsible and which require separate disclosure. These are as follows:

(i) Restricted funds

Grants or donations received which are designated by the donor for specific purposes. Such purposes are within the overall aim of the charity.

(i) Unrestricted funds – Undesignated Reserves

Funds which are expendable at the discretion of the company in the furtherance of the objectives of the charity.

(i) Unrestricted funds – Designated Reserves

Funds which have been set aside by the company to act as a contingency to ensure continuity of service. Designated funds continue to count as part of the unrestricted funds of the charity.

Irrecoverable VAT

All resources expended are classified under activity headings that aggregate all costs related to the category. Irrecoverable VAT is charged against the category of resources expended for which it was incurred.

Tangible fixed assets

Tangible assets are stated at cost less accumulated depreciation and any accumulated impairment losses. Cost includes expenditure that is directly attributable to the acquisition of the assets.

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Improvements to property	- 15% on reducing balance
Fixtures, fittings and equipment	- 15% on reducing balance
Motor Vehicles	- 25% on reducing balance
Computer Equipment	- 33% on cost

Pension costs

The charitable company operates a defined contribution pension scheme. Contributions payable to the charitable company's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.

Holiday pay accrual

A liability is recognised to the extent of any unused holiday pay entitlement which has accrued at the balance sheet date and is available to carry forward to future periods. This is measured at the undiscounted salary cost of the future holiday entitlement so accrued at the balance sheet date.

Taxation

There is no liability to taxation due to the charitable status.

Operating Leases

L'Arche classifies the lease of office equipment, motor vehicles and premises as operating leases. The title to the equipment, vehicles and premises remains with the lessor. Rental charges are charged on a straight line basis over the term of the lease.

Debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid of the transaction price.

Creditors

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors are normally recognised at their settlement amount after allowing for any trade discounts due.

NOTES TO THE FINANCIAL STATEMENTS - continued
FOR THE YEAR ENDED 31 MARCH 2024

2. ACCOUNTING POLICIES - continued

Financial Instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. These are initially recognised at transaction value and subsequently measured at their settlement value.

Judgements and key sources of estimation uncertainty

The following judgements including those involving estimates have been made in the process of applying the above accounting policies that have had the most significant effect on the amounts recognised in the financial statements and that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year:

- (i) Depreciation method and asset useful lives

The estimates and assumptions are reviewed on an ongoing basis considering the current and future market conditions.

Total Funds	<u>585,510</u>	<u>1,729,951</u>	<u>(1,739,736)</u>	<u>-</u>	<u>575,725</u>

The deficit on L'Arche Village is a result of direct payment income being allocated to unrestricted funds. Therefore, a transfer of £401,322 has been made from Unrestricted to L'Arche Village to correct.

At the year end the designated element of unrestricted funds is for a contingency and continuity or service reserve.

L'ARCHE BELFAST

REPORT OF THE DIRECTORS FOR THE YEAR ENDED 31 MARCH 2024

Report of the Trustees (incorporating the directors' report) For the year ended 31st March 2024

The directors of the charitable company submit their annual report and the audited financial statements for the year ended 31 March 2024. The financial statements have been prepared in accordance with the Financial Reporting Standard applicable in the UK and the Republic of Ireland (FRS 102) (effective 1 January 2019) – Charities SORP (FRS 102), the Financial Reporting Standard applicable in the UK and the Republic of Ireland (FRS 102) and the Companies Act 2006.

REFERENCE AND ADMINISTRATIVE DETAILS

L'Arche Belfast is a registered charity (105755 with Charity Commission NI and XR 51980 with HM Revenue and Customs) and a company limited by guarantee (NI 40702). Its registered office is 54 Knockbreds Road, Belfast, BT6 0JB.

The directors of the company are its trustees for the purpose of charity law and throughout this report are collectively referred to as the directors. The present directors and any past directors who served during the year are given on page four. The external advisors are set out on page one.

STRUCTURE, GOVERNANCE AND MANAGEMENT

L'Arche Belfast is governed by its Memorandum and Articles of Association adopted on 9 July 2002. In the event of the company being wound up members are required to contribute an amount not exceeding £1.

The Board of Directors are responsible for the overall governance of the company. They are recruited and appointed for the skills and experience that they can bring to the management of the charity and for their commitment to the ethos and mission of L'Arche. There are sub-committees covering development, fundraising, finance and audit. They report regularly to the Board, so that all decisions made are ratified by the full board in due course.

A Director of Services is appointed by the Board to manage the day-to-day operations of the charity and for implementing the policies agreed by the Board of Directors.

OBJECTIVES AND ACTIVITIES OF THE CHARITY

The principal objective of the charity is to develop a loving and supportive community in Belfast which aims to advance the education and personal skills development of people with learning disabilities and to nurture their personal interests, employment and work opportunities, and their cultural, faith, or religious traditions. L'Arche Belfast is a faith-based organisation which is rooted in Christianity, and is open to persons of any faith background, and to those with no religious affiliation. It is founded on the principle that systems of belief—be they secular or religious - make the world a better place when they promote the dignity of all human beings, inspiring us to be open to people of different intellectual capacities, social origins, races, religions, genders, and cultures.

The Charity contributes to the quality of life of its members by expanding their horizons through the provision of specialist care and support, and by using a person-centred approach to help them take part in their own care and support planning, make a contribution to their local neighbourhood, and to work towards achievable and meaningful goals.

The L'Arche Belfast community consists of four houses on the Ormeau Road, which continue to be home for fourteen core members/clients who share their lives with each other and assist with paid staff and unpaid volunteers who have chosen L'Arche as a way of life. The community also extends itself as a place of belonging to other people with intellectual disabilities who live locally, by providing opportunities for them to get involved in social activities, or to participate in one or more of our work projects.

PUBLIC BENEFIT

The directors confirm that they have had due regard for the guidance produced on Public Benefit by the Charity Commission for Northern Ireland, and are pleased to report that during 2022/23 they have continued to meet the Public Benefit requirement as follows.

L'ARCHE BELFAST

REPORT OF THE DIRECTORS FOR THE YEAR ENDED 31 MARCH 2024

ACHIEVEMENTS AND PERFORMANCE

L'Arche Belfast continues to provide a service of care and support to fourteen people who have learning disabilities (core members). This service is provided at 481, 547 and 563 Ormeau Road, properties owned and jointly managed by Choice Housing, and 1A St. John's Avenue, which is rented from a private landlord. The Belfast Trust and South Eastern Trusts have both indicated that they would like to see our supported living service develop further, as we have a growing waiting list for these services and there is a high demand for supported living in the Belfast area.

The organisation continues to run and further develop an outreach programme throughout the greater Belfast area based at the "L'Arche Village" site on Manse Road, Belfast, which provides a wide range of work, leisure, and social activities for people with learning disabilities in a community context. The outreach programme also organises events such as discos, pub quizzes and nights out for people with learning disabilities, and includes the provision of bespoke respite services to a small number of individuals who require 1:1 support to engage in activities in their local communities.

Our day opportunities programmes (previously referred to as work projects) continue to operate from our "L'Arche Village" site. At present we offer opportunities for participants to engage in: horticulture, assisting with site maintenance, joinery and woodworking, cooking and nutrition, arts and crafts, music and dance/movement, and external trips to various places of interest in the local area. At present we offer placements to over 100 persons with a learning disability on a weekly basis, and some of our sessions are open to persons without a learning disability who are experiencing some form of isolation or difficulty in their lives – asylum seekers, pensioners, people with a mental health condition, and at-risk young people. We have also been able to provide volunteering opportunities to corporate groups, and to a group of A-Level students from Lagan College, which is adjacent to the Village site. We are currently exploring ways in which the site can generate additional income, e.g. by selling our garden produce and woodwork products, and operating a "pop up" charity shop and café.

We also offer day opportunity programmes in venues in the local community, most notably horticulture/woodworking sessions at Colin Glen in West Belfast, and cookery/ activity sessions based in local church halls. Due to the interest in and demand for the services provided at the Village, we anticipate further growth in both activities and participant numbers in the coming year.

PLANS FOR FUTURE PERIODS

L'Arche Belfast is fortunate in that to date we have been able to maintain all of our contracts with the Health and Social Care Trusts, both for domiciliary care provision and day opportunities, and were awarded additional funding to provide daytime support to our residential core members who do not attend statutory day services.

RELATED PARTIES

The charity is affiliated to L'Arche Ireland and is part of the Federation of L'Arche International. There were no transactions with related parties as set out in note 18 to the financial statements.

RISK MANAGEMENT

All those involved with the caring of the core members are vetted by the authorities and receive ongoing training in all areas of care to vulnerable adults. Risk assessments are carried out for all aspects of our work, and individual risk management plans are put in place for each core member who receives a service of care and support from us. An organisational risk register is in place, which is reviewed on a quarterly basis by the Board of Directors.

L'ARCHE BELFAST

REPORT OF THE DIRECTORS FOR THE YEAR ENDED 31 MARCH 2024

FINANCIAL REVIEW

The charity's income for the 12 month period ending 31 March 2024 was £1,729,951 increasing from the previous financial year (£1,674,770 in 2023). Total resources expended of £1,739,736 increased when compared to the previous financial year (£1,525,055 in 2023) with net expenditure for the year amounting to £9,785 (2023: net income £149,715). Total net assets amounted to £575,725 as at 31 March 2024 (2023: £585,510).

RESERVES POLICY

The directors are obliged to ensure that sufficient reserves are available to allow the organisation to continue its work in the foreseeable future. The principal funding sources of the charity were Government Bodies, i.e. The Northern Ireland Housing Executive, the Belfast Health and Social Care Trust and other Social Security Departments. Funding was also obtained from the Independent Living Fund. Other monies are received from private donors and by way of fundraising events. The directors endeavour to have between 3 and six months' running costs in Reserves. This is to ensure that continuity of service to our core members in the event of an emergency, and to provide for adequate contingency planning. There is a balance in Reserves relating to the charity's Unrestricted Funds of £518,403, approximately 17 weeks running costs for the organisation, of which £339,615 has been designated specifically for a contingency and continuity of service reserve.

DIRECTORS AND THEIR INTERESTS

The directors are shown below and, other than as noted, have held office to the report approval date:

Mr M Sheil
Ms M Campbell
Ms M Devlin
Mr K McMahon
Mr M McDowell
Ms J Buchanan
Mr C Daly
Mr P Tynan
Ms A McCaffrey
Mr M Lee

STATEMENT OF DIRECTOR'S RESPONSIBILITIES

The directors are responsible for preparing the Report of the Directors and financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

L'ARCHE BELFAST

**REPORT OF THE DIRECTORS
FOR THE YEAR ENDED 31 MARCH 2024**

STATEMENT AS TO DISCLOSURE OF INFORMATION TO AUDITORS

So far as the directors are aware, there is no relevant audit information (as defined by Section 418 of the Companies Act 2006) of which the company's auditors are unaware, and each director has taken all the steps that they ought to have taken as a director in order to make themselves aware of any relevant audit information and to establish that the company's auditors are aware of that information.

AUDITORS

The auditors, Baker Tilly Mooney Moore, have indicated their willingness to continue in office, and a resolution concerning their re-appointment will be proposed at the Annual General Meeting.

The above report has been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies.

ON BEHALF OF THE BOARD:

Paul Tynan

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF L'ARCHE BELFAST

Opinion

We have audited the financial statements of L'Arche Belfast (the 'charitable company') for the year ended 31 March 2024 which comprise the Statement of Financial Activities, Balance Sheet, Statement of Cashflows and notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 March 2024 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the report of the directors, other than the financial statements and our auditors' report thereon. The directors are responsible for the other information contained within the report of the directors. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the report of the directors for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the report of the directors has been prepared in accordance with applicable legal requirements.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF L'ARCHE BELFAST

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the report of the directors.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of director's remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to prepare the financial statements in accordance with the small companies' regime and take advantage of the small companies' exemption from the requirement to prepare a strategic report.

Responsibilities of directors

As explained more fully in the statement of directors responsibilities set out on page four, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Auditor responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below.

We considered the opportunities and incentives that may exist within the organisation for fraud and identified the greatest potential for fraud in relation to revenue recognition. In common with all audits under ISAs (UK), we are also required to perform specific procedures to respond to the risk of management override.

We also obtained an understanding of the legal and regulatory frameworks that the charitable company operates in, focusing on provisions of those laws and regulations that had a direct effect on the determination of material amounts and disclosures in the financial statements. The key laws and regulations we considered in this context included the UK Companies Act.

In addition, we considered provisions of other laws and regulations that do not have a direct effect on the financial statements but compliance with which may be fundamental to the charitable company's ability to operate or to avoid a material penalty.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF L'ARCHE BELFAST

Our procedures to respond to risks identified included the following:

- reviewing the financial statement disclosures and testing to supporting documentation to assess compliance with provisions of relevant laws and regulations described as having a direct effect on the financial statements;
- enquiring of management and external legal counsel concerning actual and potential litigation and claims;
- performing analytical procedures to identify any unusual or unexpected relationships that may indicate risks of material misstatement due to fraud;
- in addressing the risk of fraud through management override of controls, testing the appropriateness of journal entries and other adjustments; assessing whether the judgements made in making accounting estimates are indicative of a potential bias; and evaluating the business rationale of any significant transactions that are unusual or outside the normal course of business.

We also communicated relevant identified laws and regulations and potential fraud risks to all engagement team members and remained alert to any indications of fraud or noncompliance with laws and regulations throughout the audit.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

A further description of our responsibilities is available on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditors' report.

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

L'ARCHE BELFAST

REPORT OF THE DIRECTORS FOR THE YEAR ENDED 31 MARCH 2023

Report of the Trustees (incorporating the directors' report) For the year ended 31st March 2023

The directors of the charitable company submit their annual report and the audited financial statements for the year ended 31 March 2023. The financial statements have been prepared in accordance with the Financial Reporting Standard applicable in the UK and the Republic of Ireland (FRS 102) (effective 1 January 2019) – Charities SORP (FRS 102), the Financial Reporting Standard applicable in the UK and the Republic of Ireland (FRS 102) and the Companies Act 2006.

REFERENCE AND ADMINISTRATIVE DETAILS

L'Arche Belfast is a registered charity (105755 with Charity Commission NI and XR 51980 with HM Revenue and Customs) and a company limited by guarantee (NI 40702). Its registered office is 54 Knockbreda Road, Belfast, BT6 0JB.

The directors of the company are its trustees for the purpose of charity law and throughout this report are collectively referred to as the directors. The present directors and any past directors who served during the year are given on page four. The external advisors are set out on page one.

STRUCTURE, GOVERNANCE AND MANAGEMENT

L'Arche Belfast is governed by its Memorandum and Articles of Association adopted on 9 July 2002. In the event of the company being wound up members are required to contribute an amount not exceeding £1.

The Board of Directors are responsible for the overall governance of the company. They are recruited and appointed for the skills and experience that they can bring to the management of the charity and for their commitment to the ethos and mission of L'Arche. There are sub-committees covering development, fundraising, finance and audit. They report regularly to the Board, so that all decisions made are ratified by the full board in due course.

A Director of Services is appointed by the Board to manage the day-to-day operations of the charity and for implementing the policies agreed by the Board of Directors.

OBJECTIVES AND ACTIVITIES OF THE CHARITY

The principal objective of the charity is to develop a loving and supportive community in Belfast which aims to advance the education and personal skills development of people with learning disabilities and to nurture their personal interests, employment and work opportunities, and their cultural, faith, or religious traditions. L'Arche Belfast is a faith-based organisation which is rooted in Christianity, and is open to persons of any faith background, and to those with no religious affiliation. It is founded on the principle that systems of belief—be they secular or religious - make the world a better place when they promote the dignity of all human beings, inspiring us to be open to people of different intellectual capacities, social origins, races, religions, genders, and cultures.

The Charity contributes to the quality of life of its members by expanding their horizons through the provision of specialist care and support, and by using a person-centred approach to help them take part in their own care and support planning, make a contribution to their local neighbourhood, and to work towards achievable and meaningful goals.

The L'Arche Belfast community consists of four houses on the Ormeau Road, which continue to be home for fourteen core members/clients who share their lives with each other and assist with paid staff and unpaid volunteers who have chosen L'Arche as a way of life. The community also extends itself as a place of belonging to other people with intellectual disabilities who live locally, by providing opportunities for them to get involved in social activities, or to participate in one or more of our day opportunities programmes.

PUBLIC BENEFIT

The directors confirm that they have had due regard for the guidance produced on Public Benefit by the Charity Commission for Northern Ireland, and are pleased to report that during 2022/23 they have continued to meet the Public Benefit requirement as follows.

L'ARCHE BELFAST

REPORT OF THE DIRECTORS FOR THE YEAR ENDED 31 MARCH 2023

ACHIEVEMENTS AND PERFORMANCE

L'Arche Belfast continues to provide a service of care and support to fourteen people who have learning disabilities (core members). This service is provided at 481, 547 and 563 Ormeau Road, properties owned and jointly managed by Choice Housing, and 1A St. John's Avenue, which is rented from a private landlord. The Belfast and South Eastern Trusts have both indicated that they would like to see our supported living service develop further, as we have a growing waiting list for these services and there is a high demand for supported living in the Belfast area.

The organisation continues to run and further develop an outreach programme throughout the greater Belfast area with a view to creating contacts and building relationships with other people with special needs, their families and their friends. It is also envisaged that those outreach activities will provide an opportunity for others who have a desire to be a part of a community to participate in a meaningful way. The outreach programme organises events such as discos, pub quizzes and nights out for people with learning disabilities. It also includes the provision of bespoke respite services to a small number of individuals who require 1:1 support to engage in activities in their local communities.

Our day opportunities programmes (previously referred to as work projects) continue to operate from our "L'Arche Village" site at 36B Manse Road, Belfast. The past year saw a reduction in Covid-19 restrictions which allowed us to fully open the site and offer a wider variety of activities to a larger number of participants. At present we offer opportunities for participants to engage in: horticulture, assisting with site maintenance, joinery and woodworking, cooking and nutrition, arts and crafts, music and dance/movement, and external trips to various places of interest in the local area. At present we offer placements to over 100 persons with a learning disability on a weekly basis, and some of our sessions are open to persons without a learning disability who are experiencing some form of isolation or difficulty in their lives – asylum seekers, pensioners, people with a mental health condition, and at-risk young people. We have also been able to provide volunteering opportunities to corporate groups, and to a group of A-Level students from Lagan College, which is adjacent to the Village site. We are currently exploring ways in which the site can generate additional income, e.g. by selling our garden produce and woodwork products, and operating a "pop up" charity shop and café. With the end of Covid restrictions, we have been able to start up some of our day opportunity programmes in venues in the local community again, most notably horticulture/woodworking sessions at Colin Glen in West Belfast, and cookery/activity sessions based in local church halls. Due to the interest in and demand for the services provided at the Village, we anticipate further growth in both activities and participant numbers in the coming year.

PLANS FOR FUTURE PERIODS

The Covid-19 pandemic has had an impact on L'Arche Belfast, as it has on most charitable organisations. In particular, we experienced an increase in staffing costs due to covering the costs of staff who have been required to self-isolate, and due to the fact that we were required to provide additional support to our residents, all of whom were required to stay home during the lockdown period, and have now found that most of their usual day activities had been closed down or curtailed. We also had additional expenses to cover, such as Personal Protective Equipment. Alongside this we experienced a loss of income due to some of our own day projects being forced to close, in particular our kitchen-based programmes and associated catering activities. As we look to the next year we are aware that we will need to change the nature of some of our activities and change the planning of some of our development. We are also taking action to review our financial situation in light of the pandemic, and to take action to ensure our financial sustainability.

L'Arche Belfast is fortunate in that to date we have been able to maintain all of our contracts with the Health and Social Care Trusts, both for domiciliary care provision and day opportunities, and were awarded additional funding to provide daytime support to our residential core members in lieu of their usual statutory day services. Our grant funding from Supporting People has also remained unaffected, and we have been able to apply for additional funding from SP to help cover Covid-related costs. Many of our direct payments clients also continued to pay us during the most recent lockdown, as we were able to continue providing a service remotely via Zoom.

RELATED PARTIES

The charity is affiliated to L'Arche Ireland and is part of the Federation of L'Arche International. There were no transactions with related parties as set out in note 18 to the financial statements.

RISK MANAGEMENT

All those involved with the caring of the core members are vetted by the authorities and receive ongoing training in all areas of care to vulnerable adults. Risk assessments are carried out for all aspects of our work, and individual risk management plans are put in place for each core member who receives a service of care and support from us. An organisational risk register is in place, which is reviewed on a quarterly basis by the Board of Directors.

L'ARCHE BELFAST

REPORT OF THE DIRECTORS FOR THE YEAR ENDED 31 MARCH 2023

FINANCIAL REVIEW

The charity's income for the 12 month period ending 31 March 2023 was £1,674,770 increasing from the previous financial year (£1,492,508 in 2022). Total resources expended of £1,525,055 increased when compared to the previous financial year (£1,420,063 in 2022) with net income for the year amounting to £149,715 (2022: £72,445). Total net assets amounted to £585,510 as at 31 March 2023 (2023: £435,795).

RESERVES POLICY

The directors are obliged to ensure that sufficient reserves are available to allow the organisation to continue its work in the foreseeable future. The principal funding sources of the charity were Government Bodies, i.e. The Northern Ireland Housing Executive, the Belfast Health and Social Care Trust and other Social Security Departments. Funding was also obtained from the Independent Living Fund. Other monies are received from private donors and by way of fundraising events. The directors endeavour to have between 12 and 24 weeks' running costs in Reserves. This is to ensure that continuity of service to our core members in the event of an emergency, and to provide for adequate contingency planning. There is a balance in Reserves relating to the charity's Unrestricted Funds of £579,935, approximately 20 weeks running costs for the organisation, of which £301,145 has been designated specifically for a contingency and continuity of service reserve.

DIRECTORS AND THEIR INTERESTS

The directors are shown below and, other than as noted, have held office to the report approval date:

Mr M Sheil
Ms M Campbell
Ms M Devlin
Mr K McMahon
Mr M McDowell
Ms J Buchanan
Mr C Daly
Mr P Tynan
Ms A McCaffrey
Mr M Lee

STATEMENT OF DIRECTOR'S RESPONSIBILITIES

The directors are responsible for preparing the Report of the Directors and financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

L'ARCHE BELFAST

**REPORT OF THE DIRECTORS
FOR THE YEAR ENDED 31 MARCH 2023**

STATEMENT AS TO DISCLOSURE OF INFORMATION TO AUDITORS

So far as the directors are aware, there is no relevant audit information (as defined by Section 418 of the Companies Act 2006) of which the company's auditors are unaware, and each director has taken all the steps that they ought to have taken as a director in order to make themselves aware of any relevant audit information and to establish that the company's auditors are aware of that information.

AUDITORS

The auditors, Baker Tilly Mooney Moore, have indicated their willingness to continue in office, and a resolution concerning their re-appointment will be proposed at the Annual General Meeting.

The above report has been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies.

ON BEHALF OF THE BOARD:

Paul Tynan (Sep 26, 2023 11:12 GMT+1)

Date:

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF L'ARCHE BELFAST

Opinion

We have audited the financial statements of L'Arche Belfast (the 'charitable company') for the year ended 31 March 2023 which comprise the Statement of Financial Activities, Balance Sheet, Statement of Cashflows and notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 March 2023 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the report of the directors, other than the financial statements and our auditors' report thereon. The directors are responsible for the other information contained within the report of the directors. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the report of the directors for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the report of the directors has been prepared in accordance with applicable legal requirements.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF L'ARCHE BELFAST

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the report of the directors.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of director's remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to prepare the financial statements in accordance with the small companies' regime and take advantage of the small companies' exemption from the requirement to prepare a strategic report.

Responsibilities of directors

As explained more fully in the statement of directors responsibilities set out on page four, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Auditor responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

We considered the opportunities and incentives that may exist within the organisation for fraud and identified the greatest potential for fraud in relation to revenue recognition. In common with all audits under ISAs (UK), we are also required to perform specific procedures to respond to the risk of management override.

We also obtained an understanding of the legal and regulatory frameworks that the charitable company operates in, focusing on provisions of those laws and regulations that had a direct effect on the determination of material amounts and disclosures in the financial statements. The key laws and regulations we considered in this context included the UK Companies Act.

In addition, we considered provisions of other laws and regulations that do not have a direct effect on the financial statements but compliance with which may be fundamental to the charitable company's ability to operate or to avoid a material penalty.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF L'ARCHE BELFAST

Our procedures to respond to risks identified included the following:

- reviewing the financial statement disclosures and testing to supporting documentation to assess compliance with provisions of relevant laws and regulations described as having a direct effect on the financial statements;
- enquiring of management and external legal counsel concerning actual and potential litigation and claims;
- performing analytical procedures to identify any unusual or unexpected relationships that may indicate risks of material misstatement due to fraud;
- in addressing the risk of fraud through management override of controls, testing the appropriateness of journal entries and other adjustments; assessing whether the judgements made in making accounting estimates are indicative of a potential bias; and evaluating the business rationale of any significant transactions that are unusual or outside the normal course of business.

We also communicated relevant identified laws and regulations and potential fraud risks to all engagement team members and remained alert to any indications of fraud or noncompliance with laws and regulations throughout the audit.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

A further description of our responsibilities is available on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditors' report.

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

L'ARCHE BELFAST

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2023

1. NATURE OF COMPANY

L'Arche Belfast is a private company limited by guarantee with charitable status incorporated in Northern Ireland. The charity's registered number and registered office address can be found in the Company Information on page 1. The members of the company are the trustees also detailed on page 1. In the event of the charity being wound up, the liability in respect of the guarantee is limited to £1 per member of the charity.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

The charity constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared on the going concern basis under the historical cost convention and in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and the Republic of Ireland (FRS 102) (effective 1 January 2019) and the Companies Act 2006.

The following is a summary of the significant accounting policies adopted by the charitable company in the preparation of the financial statements.

Incoming Resources

All incoming resources have been included in the Statement of Financial Activities and have been recognised where there is entitlement to the income, certainty of receipt and it can be measured reliably. For legacies, the entitlement is the earlier of the charity being notified of an impending distribution or the legacy being received.

Income from government and other grants whether capital grants or revenue grants are recognised when the charity has entitlement to the funds, any performance conditions allocated to the grants have been met, it is probable the income will be received and the amount can be measured reliably and is not deferred.

Expenditure

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category.

- Costs of raising funds are those costs incurred in attracting voluntary income, and those incurred in trading activities that raise funds.
- Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.
- Governance costs are the costs associated with the governance arrangements of the charity and are primarily associated with constitutional and statutory requirements.
- All costs are allocated between the expenditure categories of the SOFA on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly, others are apportioned on an appropriate basis e.g. floor areas or per capita, staff costs by the time spent and other costs by their estimated usage.

2. ACCOUNTING POLICIES - continued

Fund Accounting

The company has various types of funds for which it is responsible and which require separate disclosure. These are as follows:

(i) Restricted funds

Grants or donations received which are designated by the donor for specific purposes. Such purposes are within the overall aim of the charity.

(i) Unrestricted funds – Undesignated Reserves

Funds which are expendable at the discretion of the company in the furtherance of the objectives of the charity.

(i) Unrestricted funds – Designated Reserves

Funds which have been set aside by the company to act as a contingency to ensure continuity of service. Designated funds continue to count as part of the unrestricted funds of the charity.

Irrecoverable VAT

All resources expended are classified under activity headings that aggregate all costs related to the category. Irrecoverable VAT is charged against the category of resources expended for which it was incurred.

Tangible fixed assets

Tangible assets are stated at cost less accumulated depreciation and any accumulated impairment losses. Cost includes expenditure that is directly attributable to the acquisition of the assets.

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Improvements to property	- 15% on reducing balance
Fixtures, fittings and equipment	- 15% on reducing balance
Motor Vehicles	- 25% on reducing balance
Computer Equipment	- 33% on cost

Pension costs

The charitable company operates a defined contribution pension scheme. Contributions payable to the charitable company's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.

Holiday pay accrual

A liability is recognised to the extent of any unused holiday pay entitlement which has accrued at the balance sheet date and is available to carry forward to future periods. This is measured at the undiscounted salary cost of the future holiday entitlement so accrued at the balance sheet date.

Taxation

There is no liability to taxation due to the charitable status.

Operating Leases

L'Arche classifies the lease of office equipment, motor vehicles and premises as operating leases. The title to the equipment, vehicles and premises remains with the lessor. Rental charges are charged on a straight line basis over the term of the lease.

Debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid of the transaction price.

Creditors

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors are normally recognised at their settlement amount after allowing for any trade discounts due.

NOTES TO THE FINANCIAL STATEMENTS - continued
FOR THE YEAR ENDED 31 MARCH 2023

2. ACCOUNTING POLICIES - continued

Financial Instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. These are initially recognised at transaction value and subsequently measured at their settlement value.

Judgements and key sources of estimation uncertainty

The following judgements including those involving estimates have been made in the process of applying the above accounting policies that have had the most significant effect on the amounts recognised in the financial statements and that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year:

- (i) Depreciation method and asset useful lives

The estimates and assumptions are reviewed on an ongoing basis considering the current and future market conditions.

Restricted funds:

Core members represents funds received from NIHE Supporting People programme.

Green Buds was set up to develop an allotment in Dundonald to encourage the members to grow their own food.

Noah's World is a fund set up to make sure people have homes, clean water and food in Developing countries and also to contribute to Green Buds.

The Root Soup project was set up to provide work and training opportunities for the core members of L'Arche Belfast, and for other persons with disabilities from the wider community.

The In Other Words project provides a safe environment for people to connect and express themselves through art.

Grow Cook Cater represents funds received from Big Lottery Fund to provide young people with the opportunity to plant, tend the plot and harvest crops. They will go on to prepare, cook and serve meals using the produce they have grown. The final stage is the Table Programme which develops their skills to share the food they have grown and cooked.

Transformation and Growth represents funds received towards a capacity building project to include people development, finance, impact measurement and external communications.

Caremongers represents funds received towards a project to provide hot, nutritious meals to those in the local community who encountered difficulties sourcing these in the wake of COVID-19.

The L'Arche Village project will comprise the development of an inclusive multi-purpose facility, designed for leisure and skill development activities among adults with and without learning disabilities.

Developing Long-Term Sustainability represents funds received from The National Lottery Community Fund, Dormant accounts fund NI to assist L'Arche Belfast in becoming more resilient and prepared for the future. This is achieved by enabling the Director of Services to focus on strategic development and strategic discussions.

MAPA Training Project represents funds from the SP Provider Innovation Fund to enable staff to take part and complete MAPA training.

16. TAXATION

The Charity is recognised as such by HM Revenue and Customs and is entitled to certain tax exemptions on income and profits from investments, and surpluses on any trading activities carried on in furtherance of the Charity's primary objectives, if these profits or surpluses are applied solely for charitable purposes.

17. OPERATING LEASE COMMITMENTS

At 31 March 2023 the Charity has total future commitments under non-cancellable operating leases relating to property and motor vehicles as set out below:

	2023 £	2022 £
Within one year	49,596	26,263
In one to five years	148,441	21,804
In more than five years	30,000	-
	<u>228,037</u>	<u>48,067</u>

18. TRANSACTIONS WITH DIRECTORS AND RELATED PARTIES

The Charity was under the control of the Board of Directors throughout the current and previous period. No director emoluments were paid during the year (2022 – Nil). There were no material transactions during the year in which any director or related party had an interest requiring disclosure.

19. LEGAL STATUS OF CHARITY

The charity is a company limited by guarantee, not having share capital. The liability of each of its members is limited to £1.

L'Arche Belfast

Northern Ireland - Charity number 105755

Annual report

L'ARCHE BELFAST

REPORT OF THE DIRECTORS FOR THE YEAR ENDED 31 MARCH 2023

Report of the Trustees (incorporating the directors' report) For the year ended 31st March 2023

The directors of the charitable company submit their annual report and the audited financial statements for the year ended 31 March 2023. The financial statements have been prepared in accordance with the Financial Reporting Standard applicable in the UK and the Republic of Ireland (FRS 102) (effective 1 January 2019) – Charities SORP (FRS 102), the Financial Reporting Standard applicable in the UK and the Republic of Ireland (FRS 102) and the Companies Act 2006.

REFERENCE AND ADMINISTRATIVE DETAILS

L'Arche Belfast is a registered charity (105755 with Charity Commission NI and XR 51980 with HM Revenue and Customs) and a company limited by guarantee (NI 40702). Its registered office is 54 Knockbreda Road, Belfast, BT6 0JB.

The directors of the company are its trustees for the purpose of charity law and throughout this report are collectively referred to as the directors. The present directors and any past directors who served during the year are given on page four. The external advisors are set out on page one.

STRUCTURE, GOVERNANCE AND MANAGEMENT

L'Arche Belfast is governed by its Memorandum and Articles of Association adopted on 9 July 2002. In the event of the company being wound up members are required to contribute an amount not exceeding £1.

The Board of Directors are responsible for the overall governance of the company. They are recruited and appointed for the skills and experience that they can bring to the management of the charity and for their commitment to the ethos and mission of L'Arche. There are sub-committees covering development, fundraising, finance and audit. They report regularly to the Board, so that all decisions made are ratified by the full board in due course.

A Director of Services is appointed by the Board to manage the day-to-day operations of the charity and for implementing the policies agreed by the Board of Directors.

OBJECTIVES AND ACTIVITIES OF THE CHARITY

The principal objective of the charity is to develop a loving and supportive community in Belfast which aims to advance the education and personal skills development of people with learning disabilities and to nurture their personal interests, employment and work opportunities, and their cultural, faith, or religious traditions. L'Arche Belfast is a faith-based organisation which is rooted in Christianity, and is open to persons of any faith background, and to those with no religious affiliation. It is founded on the principle that systems of belief—be they secular or religious - make the world a better place when they promote the dignity of all human beings, inspiring us to be open to people of different intellectual capacities, social origins, races, religions, genders, and cultures.

The Charity contributes to the quality of life of its members by expanding their horizons through the provision of specialist care and support, and by using a person-centred approach to help them take part in their own care and support planning, make a contribution to their local neighbourhood, and to work towards achievable and meaningful goals.

The L'Arche Belfast community consists of four houses on the Ormeau Road, which continue to be home for fourteen core members/clients who share their lives with each other and assist with paid staff and unpaid volunteers who have chosen L'Arche as a way of life. The community also extends itself as a place of belonging to other people with intellectual disabilities who live locally, by providing opportunities for them to get involved in social activities, or to participate in one or more of our day opportunities programmes.

PUBLIC BENEFIT

The directors confirm that they have had due regard for the guidance produced on Public Benefit by the Charity Commission for Northern Ireland, and are pleased to report that during 2022/23 they have continued to meet the Public Benefit requirement as follows.

L'ARCHE BELFAST

REPORT OF THE DIRECTORS FOR THE YEAR ENDED 31 MARCH 2023

ACHIEVEMENTS AND PERFORMANCE

L'Arche Belfast continues to provide a service of care and support to fourteen people who have learning disabilities (core members). This service is provided at 481, 547 and 563 Ormeau Road, properties owned and jointly managed by Choice Housing, and 1A St. John's Avenue, which is rented from a private landlord. The Belfast and South Eastern Trusts have both indicated that they would like to see our supported living service develop further, as we have a growing waiting list for these services and there is a high demand for supported living in the Belfast area.

The organisation continues to run and further develop an outreach programme throughout the greater Belfast area with a view to creating contacts and building relationships with other people with special needs, their families and their friends. It is also envisaged that those outreach activities will provide an opportunity for others who have a desire to be a part of a community to participate in a meaningful way. The outreach programme organises events such as discos, pub quizzes and nights out for people with learning disabilities. It also includes the provision of bespoke respite services to a small number of individuals who require 1:1 support to engage in activities in their local communities.

Our day opportunities programmes (previously referred to as work projects) continue to operate from our "L'Arche Village" site at 36B Manse Road, Belfast. The past year saw a reduction in Covid-19 restrictions which allowed us to fully open the site and offer a wider variety of activities to a larger number of participants. At present we offer opportunities for participants to engage in: horticulture, assisting with site maintenance, joinery and woodworking, cooking and nutrition, arts and crafts, music and dance/movement, and external trips to various places of interest in the local area. At present we offer placements to over 100 persons with a learning disability on a weekly basis, and some of our sessions are open to persons without a learning disability who are experiencing some form of isolation or difficulty in their lives – asylum seekers, pensioners, people with a mental health condition, and at-risk young people. We have also been able to provide volunteering opportunities to corporate groups, and to a group of A-Level students from Lagan College, which is adjacent to the Village site. We are currently exploring ways in which the site can generate additional income, e.g. by selling our garden produce and woodwork products, and operating a "pop up" charity shop and café. With the end of Covid restrictions, we have been able to start up some of our day opportunity programmes in venues in the local community again, most notably horticulture/woodworking sessions at Colin Glen in West Belfast, and cookery/activity sessions based in local church halls. Due to the interest in and demand for the services provided at the Village, we anticipate further growth in both activities and participant numbers in the coming year.

PLANS FOR FUTURE PERIODS

The Covid-19 pandemic has had an impact on L'Arche Belfast, as it has on most charitable organisations. In particular, we experienced an increase in staffing costs due to covering the costs of staff who have been required to self-isolate, and due to the fact that we were required to provide additional support to our residents, all of whom were required to stay home during the lockdown period, and have now found that most of their usual day activities had been closed down or curtailed. We also had additional expenses to cover, such as Personal Protective Equipment. Alongside this we experienced a loss of income due to some of our own day projects being forced to close, in particular our kitchen-based programmes and associated catering activities. As we look to the next year we are aware that we will need to change the nature of some of our activities and change the planning of some of our development. We are also taking action to review our financial situation in light of the pandemic, and to take action to ensure our financial sustainability.

L'Arche Belfast is fortunate in that to date we have been able to maintain all of our contracts with the Health and Social Care Trusts, both for domiciliary care provision and day opportunities, and were awarded additional funding to provide daytime support to our residential core members in lieu of their usual statutory day services. Our grant funding from Supporting People has also remained unaffected, and we have been able to apply for additional funding from SP to help cover Covid-related costs. Many of our direct payments clients also continued to pay us during the most recent lockdown, as we were able to continue providing a service remotely via Zoom.

RELATED PARTIES

The charity is affiliated to L'Arche Ireland and is part of the Federation of L'Arche International. There were no transactions with related parties as set out in note 18 to the financial statements.

RISK MANAGEMENT

All those involved with the caring of the core members are vetted by the authorities and receive ongoing training in all areas of care to vulnerable adults. Risk assessments are carried out for all aspects of our work, and individual risk management plans are put in place for each core member who receives a service of care and support from us. An organisational risk register is in place, which is reviewed on a quarterly basis by the Board of Directors.

L'ARCHE BELFAST

REPORT OF THE DIRECTORS FOR THE YEAR ENDED 31 MARCH 2023

FINANCIAL REVIEW

The charity's income for the 12 month period ending 31 March 2023 was £1,674,770 increasing from the previous financial year (£1,492,508 in 2022). Total resources expended of £1,525,055 increased when compared to the previous financial year (£1,420,063 in 2022) with net income for the year amounting to £149,715 (2022: £72,445). Total net assets amounted to £585,510 as at 31 March 2023 (2023: £435,795).

RESERVES POLICY

The directors are obliged to ensure that sufficient reserves are available to allow the organisation to continue its work in the foreseeable future. The principal funding sources of the charity were Government Bodies, i.e. The Northern Ireland Housing Executive, the Belfast Health and Social Care Trust and other Social Security Departments. Funding was also obtained from the Independent Living Fund. Other monies are received from private donors and by way of fundraising events. The directors endeavour to have between 12 and 24 weeks' running costs in Reserves. This is to ensure that continuity of service to our core members in the event of an emergency, and to provide for adequate contingency planning. There is a balance in Reserves relating to the charity's Unrestricted Funds of £579,935, approximately 20 weeks running costs for the organisation, of which £301,145 has been designated specifically for a contingency and continuity of service reserve.

DIRECTORS AND THEIR INTERESTS

The directors are shown below and, other than as noted, have held office to the report approval date:

Mr M Sheil
Ms M Campbell
Ms M Devlin
Mr K McMahon
Mr M McDowell
Ms J Buchanan
Mr C Daly
Mr P Tynan
Ms A McCaffrey
Mr M Lee

STATEMENT OF DIRECTOR'S RESPONSIBILITIES

The directors are responsible for preparing the Report of the Directors and financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

L'ARCHE BELFAST

**REPORT OF THE DIRECTORS
FOR THE YEAR ENDED 31 MARCH 2023**

STATEMENT AS TO DISCLOSURE OF INFORMATION TO AUDITORS

So far as the directors are aware, there is no relevant audit information (as defined by Section 418 of the Companies Act 2006) of which the company's auditors are unaware, and each director has taken all the steps that they ought to have taken as a director in order to make themselves aware of any relevant audit information and to establish that the company's auditors are aware of that information.

AUDITORS

The auditors, Baker Tilly Mooney Moore, have indicated their willingness to continue in office, and a resolution concerning their re-appointment will be proposed at the Annual General Meeting.

The above report has been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies.

ON BEHALF OF THE BOARD:

Paul Tynan (Sep 26, 2023 11:12 GMT+1)

Annual return

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF L'ARCHE BELFAST

Opinion

We have audited the financial statements of L'Arche Belfast (the 'charitable company') for the year ended 31 March 2023 which comprise the Statement of Financial Activities, Balance Sheet, Statement of Cashflows and notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 March 2023 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the report of the directors, other than the financial statements and our auditors' report thereon. The directors are responsible for the other information contained within the report of the directors. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the report of the directors for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the report of the directors has been prepared in accordance with applicable legal requirements.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF L'ARCHE BELFAST

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the report of the directors.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of director's remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to prepare the financial statements in accordance with the small companies' regime and take advantage of the small companies' exemption from the requirement to prepare a strategic report.

Responsibilities of directors

As explained more fully in the statement of directors responsibilities set out on page four, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Auditor responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

We considered the opportunities and incentives that may exist within the organisation for fraud and identified the greatest potential for fraud in relation to revenue recognition. In common with all audits under ISAs (UK), we are also required to perform specific procedures to respond to the risk of management override.

We also obtained an understanding of the legal and regulatory frameworks that the charitable company operates in, focusing on provisions of those laws and regulations that had a direct effect on the determination of material amounts and disclosures in the financial statements. The key laws and regulations we considered in this context included the UK Companies Act.

In addition, we considered provisions of other laws and regulations that do not have a direct effect on the financial statements but compliance with which may be fundamental to the charitable company's ability to operate or to avoid a material penalty.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF L'ARCHE BELFAST

Our procedures to respond to risks identified included the following:

- reviewing the financial statement disclosures and testing to supporting documentation to assess compliance with provisions of relevant laws and regulations described as having a direct effect on the financial statements;
- enquiring of management and external legal counsel concerning actual and potential litigation and claims;
- performing analytical procedures to identify any unusual or unexpected relationships that may indicate risks of material misstatement due to fraud;
- in addressing the risk of fraud through management override of controls, testing the appropriateness of journal entries and other adjustments; assessing whether the judgements made in making accounting estimates are indicative of a potential bias; and evaluating the business rationale of any significant transactions that are unusual or outside the normal course of business.

We also communicated relevant identified laws and regulations and potential fraud risks to all engagement team members and remained alert to any indications of fraud or noncompliance with laws and regulations throughout the audit.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

A further description of our responsibilities is available on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditors' report.

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.
