A summary of the Charity's main activities to further its purposes for the public benefit and the main achievements in the year

14 girls took part in the unit. Girls took part in various crafts relating to the seasons. A focus on wellness included spending time thinking about relaxation techniques and ways to combat exam stresses as well as learning basic life saving first aid. For the Spring term we focused on skills for my future and girls also got the opportunity to learn some basic sign language and by the end of the night most girls could spell out their name using British sign language. There was no harm flowing from the Charities purposes and there was no private benefit.
