Financial Year report relates to

1 April 2022 – 31st March 2023

Friends of Tor Bank Trustees

Ms Claire Breen

Mrs Julie Jordan

Mrs Beverley Todd

Mrs Jackie McCandless

Dr Noel Purdy

Mrs Gillian Carson

Mrs Dorothy Irwin

Mr Peter McCreadie

The purpose of the Charity

The purpose of Friends of Tor Bank shall be:

- To extend education opportunities for children and young people with complex needs.
- To develop more effective relationships between staff, parents and partnerships associated within the school.
- To support pupil engagement in activities or provide facilities/equipment which support the school and advance the education of the pupils.

How the Charity is Constituted – Governing Document

1. We raise funds to enable the purchase of learning aids and equipment that is not available within the normal school Article 60 budget.
2. We raise funds for transport for our pupils:-
 - a. To visits at a range of education centres e.g. BMC, Priory College
 - b. To attend special events/educational visits
 - c. To attend work placements

We raise funds for our family support centre where:-

- Families are signposted to gain the necessary and appropriate support throughout the journey of their child's life.
- Parents are able to access support networks available to them e.g. Parent Coffee mornings, Bereavement support group, drop-in clinics.
- Training opportunities are available for parents so that they can gain more knowledge about their child's needs.
- Staff act in the role of counsellor for parents giving them an outlet to voice their concerns and support them through the difficult times in their child's life.

The public Benefit

The public benefit flowing from the first purpose will entail improvement to the quality of the life of the pupils by:-

- Giving pupils access to the latest technologies such as iPads, iPods, Eye Gaze and a multisensory learning environment.
- The purchase and maintenance of a school minibus and people carrier that enables our pupils to play an active role in the local community and beyond.

The public benefit flowing from the second purpose will entail improvement to the quality of the life of our pupils by:-

- Pupils are able to engage in a wide range of educational visits such as career visits and visits to other schools within our shared education partnerships/area learning community.
- Sensory needs are explored by enabling access for our pupils to visit Riding for the Disabled and swimming sessions.
- Increased opportunities for pupils to attend work placements.
-

The public benefit flowing from the third purpose will entail improvement for the quality of the life of our pupils and their families by:

- A family support centre is open for parents to drop in for advice and support.
- The centre is used by Tor Bank Tots where parents of pre-school children have access to specialised support at a particularly vulnerable time in their lives.

There will be no harm flowing from any of the purposes. The beneficiaries of the purposes are the pupils of Tor Bank School and their families from the improvements to the lives of the pupils attending Tor Bank and their families.

- Friends of Tor Bank engage with all parties involved in the school. The pupils and school have benefitted through the increase in availability of and access to additional equipment, transport and resources purchased by the charity.

The Charity Activities

This is the first year that we have held our Annual School Fair since 'lockdown'. Whilst it was run differently in that there were no stall holders, the 'Mingle and Jingle' event was a huge success with the majority of funds raised on the night through Santa visits and Tombola. We also raised much needed funds by holding our annual Christmas raffle.

Income for 2022-2023

Ballot sales

Donations from parents

Just Giving donations

Amazon Smile donations

Expenditure for 2022-2023

Printing of raffle tickets

Costs associated with school fair

Pathways Christmas event

Leaver's hoodies

Easter Eggs

Plastic storage shed for Primary playground

Funds Materially in Deficit

As at 31st March 2022 the Charity had no funds in material deficit

The Charity Commission Public Benefit requirement statutory guidance

In setting our objectives and planning our activities for the year 2022/2023 the trustees have given careful consideration to the Charity Commission for Northern Ireland's guidance on public benefit to ensure that the activities have helped to achieve the charity's purposes and provide a benefit to the beneficiaries.

Signed:

Chair of Charity Beverly K. Todd.

Treasurer Aimee Carson
