## TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) FOR THE YEAR ENDED 31 MARCH 2025

---

The Trustees present their annual report together with the financial statements of Precept Ministries Ireland Ltd (PMI Ltd) for the year ended 31 March 2025.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's Memorandum and Articles of Association, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019).

### **Objectives and activities**

#### ***Our Mission and Vision***

The mission of Precept Ministries International and Precept Ministries Ireland is, 'Engaging people in relationship with God through knowing His Word' throughout the Island of Ireland. The vision is "Every believer in Christ living out God's Word everyday".

The objects of the company are to advance the Christian religion. This is achieved through:

- equipping people with Inductive Bible Study skills to help them to study and understand the Bible for themselves.
- providing various levels of study resources and leader training
- making training and resources available to all.

#### ***Public benefit***

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

### **Achievements and performance**

#### **Introduction**

The year 2024/25 provided Precept Ireland with opportunities to visit churches and provide encouragement to Bible study leaders as well as employ an intern.

#### **1. Staff**

The staff team consists of a National Director (full time), Finance Manager (part-time) and Administrative Assistant (part-time). Precept Ireland were able to offer a paid internship programme for which an intern was appointed to work from 1st October 2024 to 31st August 2025. This created a broader staff team and gave Precept an opportunity to invest in a young person. The focus was digital marketing and so Precept was able to develop more digital content and increase their reach via social platforms.

Both the National Director and intern undertook training provided by Belfast Metropolitan College in association with the Skill Up initiative, and were both awarded an OCN Level 4 Award in Social Media and Digital Marketing.

#### **2. Leader Training & Support**

During the year 2024/2025, Precept Ireland has continued to support and encourage leaders.

The administration staff in the office are also trained Bible study leaders and are equipped to advise and encourage leaders who contact the office. These conversations have played a key role in making leaders feel connected to the ministry and given them confidence as to where to find help and support. Precept also delivered a number of leaders' events and leader training to encourage those who wish to start their own class.

### 3. All Ireland Strategy

Precept Ireland was able to visit churches throughout the year and speak about inductive study through Sunday sermons and workshops. These churches were from a variety of denominations and included Scrabo Hall (County Down), Magherafelt First Presbyterian Church (County Londonderry), St. Aidan's Parish Belfast (County Antrim) and Carrickmacross Baptist (County Monaghan).

During the year Precept was able to visit Youghal Baptist Church in County Cork twice (May 2024, March 2025), spending time with the church leadership and speaking to the church about inductive Bible study.

Precept Ireland hosts an all-Ireland study group online each month which has been attended by students from across the island. This has been beneficial for encouraging students from different parts of Ireland.

Precept was also able to exhibit at an Irish Christian conference called Kinfire in August 2024 where they made many new connections with churches across Ireland.

Precept also had meetings with several church leaders from different denominations which may lead to further speaking engagements.

### 4. Social Media

Precept Ireland have a presence on Facebook, Instagram and Twitter with an average of 4-5 posts per week. Over the year engagement has increased on all platforms. The digital intern was also able to expand the network by launching a TikTok account where videos and content can be shared with a younger demographic.

### 5. Classes & Training

During the year we were able to deliver six leader training events, with twenty students trained to be leaders, six of whom were trained in the Precept Upon Precept material.

The National Director was also involved in the delivery of two Precept Leader Academies. This was done in partnership with Precept UK and focused on the New Inductive Study Series (April 2024) and the Precept Upon Precept Study Series (November 2024).

### 6. Bible Study Resources

The Administrative Assistant has produced several free resources throughout the year that have been made freely available. There has been regular encouragement following these and so it is planned to continue producing them.

Resources have been provided by Precept International (Chattanooga, USA) while on demand printing has been provided by Print NI (Mallusk, Northern Ireland).

Precept has continued to provide free resources to Ukrainian refugees living across Ireland when requested.

### 7. New Initiatives

Following the success of a partnership with Bible Society Northern Ireland in 2023/24, Precept ran a joint seminar with the other charity at New Horizon, August 2024, and contributed to a new Podcast series in November 2024.

Precept also partnered with Prison Fellowship NI during the autumn 2024 to provide free study resources for newly released male prisoners.

The benefit that the charity provides can be demonstrated in the following statistics for the 2024 - 2025 year:

- The average number of Bible study students (excl. July/Aug) 498
- Number of Students March 2025 550
- The average number of classes (excl. July/Aug) 41
- Number of classes March 2024 46
- The number of Bible study leaders active 59

These statistics indicate a slight decrease in the total monthly users of Precept material, but also show an increase in classes, which suggests groups are smaller in size.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2025

---

### 1 Accounting policies

#### Charity information

Precept Ministries Ireland Ltd is a private company limited by guarantee incorporated in Northern Ireland. The registered office is Unit 9A, NCM House, 218 York Street, Belfast, BT15 1GY.

#### 1.1 Basis of preparation

The financial statements have been prepared in accordance with the charity's Memorandum and Articles of Association, the Companies Act 2006, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019). The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

#### 1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

#### 1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors or grantors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

#### 1.4 Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

### 1 Accounting policies (Continued)

#### 1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

#### 1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Fixtures and fittings	25% straight line
-----------------------	-------------------

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the statement of financial activities.

#### 1.7 Stocks

Stocks are stated at the lower of cost and estimated selling price less costs to complete and sell. Cost comprises direct materials and, where applicable, direct labour costs and those overheads that have been incurred in bringing the stocks to their present location and condition. Items held for distribution at no or nominal consideration are measured the lower of replacement cost and cost.

Net realisable value is the estimated selling price less all estimated costs of completion and costs to be incurred in marketing, selling and distribution.

#### 1.8 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

#### 1.9 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

#### *Basic financial assets*

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

#### *Basic financial liabilities*

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

#### 1.11 Retirement benefits

Payments to defined contribution retirement benefit schemes are charged as an expense as they fall due.
