Responsibilities of the Trustees

The Trustees, who are also the directors for the purposes of company law, are responsible for preparing the Trustees Report and the Financial statements in accordance with the applicable law and regulations

Company Law requires the directors to prepare financial statements for each financial year. The trustees present their report and the financial statements of the charity for the year ended 31st March 2025. The Trustees confirm that they comply with the requirements of the Charities Act (Northern Ireland) 2008 and the Accounting and Reporting by Charities: Statement of recommended Practice which applies to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in UK and Republic of Ireland (FRS 102) effective 1st January 2015.

Under company law the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the surplus or deficit of the company for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP (FRS 102)
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
