To Whom it may concern,

I Yvonne Milligan am a trustee for a charity unit in small rural village local in the area of Ballymagorry, Co. Tyrone. The unit has only two trustees, Elizabeth McGerrile and me. I Yvonne Milligan have been holding the main responsibility for financial matters for both Units. Both units are financially managed using only one bank account. All income and expenditures are carried out through the Ulster Bank account and all receipts and statements can be provided on request. Both units are solely dependent on fundraising that is carried out throughout the term. The Unit does not receive any government funding.

The unit consists of two individual groups. Children are categorised by age as to which group they attend. The Rainbows are age 4 to age 6, and the Brownies are Age 7 to age 10. Both groups follow a program designed to help children learn, develop and grow in a fun filled safe environment. Through the term each child will aim to achieve badges gained through encouraged learning and development of social skills.

Please contact if any other information is required.

Kind Regards,

Yvonne Milligan
