Group leader Report

2021 – 2022 was our first full scouting year since the Covid 19 pandemic. Our Beavers, Cubs and Scout sections had a full year of activities providing an in person programme for all our scouts.

Our membership has recovered with a number of new adults and kids joining since the end of the pandemic with a long waiting list.

All sections use the Scout Method for delivery of the programme and make best use of the Association's Plan, do and review regime. All continue to participate at county, provincial and national levels (where Covid allows) and all maintain close relationships with other Scout Groups in the County, all of which enhances the youth membership's scouting experience.

The Group is fortunate to benefit from the dedication and commitment of our 20 volunteer Leaders and Secretary, all of whom either work and/or attend university full time. I wish to thank them for their hard

work and the effort they put in to provide the high quality programme being delivered and I continue to ask our parents for their support as we try to provide a great scouting experience for their children.

Treasurer's Statement

I have supervised the recording of the transactions in the financial records of the Group and to the best of my belief and knowledge the transactions recorded are complete and accurately recorded in the books of the Group.

I have prepared these accounts, as Treasurer of the Scouting Ireland 23rd Antrim Derriaghy Scout Group, from the transactions recorded in the books of the Group and the information provided to me by the Scouters within the Group and, as far as I am aware and believe, the accounts are a true reflection of the Group's financial transactions during the year and of the Group's financial position the at year-end.
