County Down Rural Community Network

Strategic Report for the Year Ended 31 March 2025

The trustees, who are directors for the purposes of company law, present their strategic report for the year ended 31 March 2025, in compliance with s414C of the Companies Act 2006. The Trustees have adopted the provisions of the Statement of Recommended Practice (SORP), "Accounting and Reporting by Charities" (FRS102), in preparing their annual report and financial statements.

2025 marks a significant milestone for County Down Rural Community Network (CDRCN) as we celebrate 30 years of service to rural communities.

Formed in 1995 by five local community groups, our organisation has grown into a trusted and influential voice for rural life - now representing and supporting over 400 voluntary and community organisations across County Down, Ards and North Down, and beyond.

Over three decades, CDRCN has helped rural communities to thrive through practical support, advocacy, and partnerships that empower local people to improve health, wellbeing, and opportunity.

This report reflects both our strategic achievements and trustee oversight during the financial year April 2024 - March 2025, marking a year of continued impact, renewal, and resilience.

Our Mission and Purpose

CDRCN exists to promote the wellbeing and sustainability of rural communities. Our charitable objectives are to:

- Advance education, health, and community development for the benefit of rural inhabitants.
- Support voluntary and community organisations through information, training, and capacity building.
- Encourage participation, partnership, and innovation in rural development.

People at the Heart of Our Work

In 2024-2025, our reach and engagement continued to expand:

- 406 member organisations directly supported
- 12 voluntary directors providing strategic leadership
- 16 staff delivering on-the-ground services
- 2 council areas served - Newry, Mourne & Down and Ards and North Down
- From the original five founding groups to today's 406 members, our journey reflects the strength of collective effort and the enduring value of community spirit in rural County Down.

How We Make a Difference

Our approach combines partnership, empowerment, and measurable outcomes:

- 27 training courses delivered, reaching 532 participants
- 60 events held, attracting 5,500 attendees
- 120 agencies worked in partnership
- £900,000 in grant aid secured for 55 voluntary organisations
- 12 e-zines and 260 social media posts keeping communities informed
- 300+ Micro Grants distributed, averaging £1,400 each - with 20% of recipients being first-time applicants, showing that we continue to engage new and emerging groups.

County Down Rural Community Network

Strategic Report for the Year Ended 31 March 2025

Achievements and Performance 2024-2025

1. Rural Community Development Support (DAERA)

Our Rural Development Team continued to deliver the Rural Community Development Support Service funded by DAERA, working across rural North Down, the Ards Peninsula, South and East Down, and South Armagh. Over 300 micro grants were managed, totalling more than £400,000 in support for small organisations. CDRCN also contributed to strategic discussions at Stormont to ensure rural needs are represented in any new joint DAERA/DfC funding model expected from 2026.

2. Health and Community Development Programme (PHA)

Funded by the Public Health Agency (PHA), our Health Team continued to support hundreds of small community groups promoting physical activity, mental wellbeing, and social connection. With funding secured until March 2027, this programme remains central to our mission - empowering people to take control of their own health outcomes and reducing rural isolation.

3. Neighbourhood Renewal (Downpatrick)

Now entering its twentieth and likely final phase, this 20 year initiative continues to transform seven estates in Downpatrick. CDRCN's contribution - £20,000 in training, events, and direct community investment - has strengthened local capacity, including support for Downpatrick Community Allotments, enhancing food security and wellbeing.

4. Social Supermarket Programme

In partnership with Clanrye Group, SERC, and local partners, we provided a wrap-around support service to families in crisis. This model offers food access, financial advice, and wellbeing support, helping residents move from crisis towards stability and self-reliance.

5. Asylum Seekers Fund

With support from DfC and Newry, Mourne & Down District Council, CDRCN managed the Asylum Seekers Fund, welcoming new residents and ensuring access to essentials - including food, schooling, healthcare, and community integration - especially in the Newcastle area.

6. Hardship and Cost-of-Living Support

Through NMDDC, DfC, and Ards and North Down Council, we distributed over £100,000 to families in financial hardship. This immediate relief has been critical in supporting households affected by the ongoing cost-of-living crisis.

7. PeacePlus and Major Projects

A defining highlight of this year was the successful €15 million PeacePlus award from SEUPB in partnership with the GAA County Board for the Ballykinlar Centre of Participation, Wellbeing and Shared Learning. CDRCN will lead community engagement and outreach, ensuring the facility serves as a shared space that connects people across traditions and backgrounds throughout County Down.

8. National Lottery Community Fund

Our Health Team secured a new £500,000 grant from the National Lottery Community Fund to support very small community groups across Ards and Down over the next three years - ensuring that even the smallest voices have access to support and growth.

9. Research and Community Insight

Our 2024 Member Survey received 160 responses, with an overwhelming majority expressing satisfaction with CDRCN's support. The survey also revealed the top two challenges facing rural communities: mental health and poverty - priorities which will shape our work in the coming years.

County Down Rural Community Network

Strategic Report for the Year Ended 31 March 2025

Financial review

CDRCN's income for the year remained stable across multi-annual funding streams. Funds were applied wholly to charitable purposes, and reserves were maintained at responsible levels to safeguard future operations and respond to funding fluctuations.

At the end of the financial year the Charity has assets of £490,931 (2024:£429,545) and liabilities of £115,319 (2023: £55,955) The assets of the Charity have increased by £2,022.

Policy on reserves

The trustees have examined the charity's requirements for reserves in light of the main risks to the organisation. It has established a policy whereby the unrestricted funds not committed or invested in tangible fixed assets held by the charity should be 4 months of annual budgeted expenditure. Budgeted expenditure for 2025/26 is approximately £1m and therefore the target is £333,333 of general unrestricted funds. The reserves are required to meet not only the working capital requirements of the charity enabling the charity to continue with future investments and also ensure that the charity would be able to cover the costs of winding up should the worst happen and the charity need to close.

The actual reserves at 31 March 2025 amounted to £375,612 of which unrestricted reserves totalled £342,970 which is slightly more than the target figure of £333,333 for unrestricted funds. In calculating reserves the net book value of fixed assets held (£180) have been excluded.

The Directors are aware of the events occurring within the financial year and will continue to keep under constant review. It remains the strategy of continuing to build reserves and apply resources to the charity's objectives and mission.

The strategic report was approved by the trustees of the charity on 5 November 2025 and signed on its behalf by:

County Down Rural Community Network

Trustees' Report

The trustees, who are directors for the purposes of company law, present the annual report together with the financial statements and auditors' report of the charitable company for the year ended 31 March 2025.

Public Benefit

The Trustees confirm that CDRCN's activities deliver clear public benefit, in line with the Charity Commission's requirements. Our services are open to all and contribute to:

- Strengthening local voluntary groups and civic participation
- Improving health, wellbeing, and social inclusion
- Building resilience and leadership in rural communities

In 2024-2025, our work directly benefited thousands of residents and hundreds of organisations, ensuring that the impact of charitable investment reached those most in need.

Partnerships and Funders

Our work is made possible through collaboration with an extensive network of funders and partners, including:

- DAERA;
- Public Health Agency;
- CFNI - ARN Foundation;
- The National Lottery Community Fund;
- Dormant Assets NI;
- Newry Mourne and Down District Council;
- Ards and North Down Borough Council;
- PeacePlus; and
- The Healthy Living Centre Alliance.

We also thank the 120 partner agencies and hundreds of community volunteers who make our success possible every day.

Future Plans

As we look beyond our 30th anniversary, CDRCN's focus for 2025-2026 will include:

- Continuing delivery under DAERA and PHA programmes
- Launching engagement for the Ballykinlar PeacePlus shared-space project
- Expanding wellbeing initiatives and small-group support
- Supporting communities through the ongoing cost-of-living challenge
- Strengthening advocacy for rural voices at regional level

Secretary:	Nicholas McCrickard

Structure, governance and management

Nature of governing document

County Down Rural Community Network is a charity registered with the Charity Commission for Northern Ireland and is also registered as a company limited by guarantee.

Organisational structure

CDRCN is governed by a Board of 11 voluntary Trustees, representing the diversity of the rural voluntary and community sector. The Board meets quarterly to review performance, finances, and governance, supported by subcommittees covering finance, programmes, and compliance.

Statement of trustees' responsibilities

The trustees (who are also the directors of County Down Rural Community Network for the purposes of company law) are responsible for preparing the trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

Company law requires the trustees to prepare financial statements for each financial year. Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including its income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards, comprising FRS 102 have been followed, subject to any material departures disclosed and explained in the financial statements; and

County Down Rural Community Network

Trustees' Report

- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records that can disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006 and Charities Act (Northern Ireland) 2008. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Disclosure of information to auditor

Each trustee has taken steps that they ought to have taken as a trustee in order to make themselves aware of any relevant audit information and to establish that the charity's auditor is aware of that information. The trustees confirm that there is no relevant information that they know of and of which they know the auditor is unaware.

The annual report was approved by the trustees of the charity on 5 November 2025 and signed on its behalf by:

County Down Rural Community Network

Independent Auditor's Report to the Members of County Down Rural Community Network

Opinion

We have audited the financial statements of County Down Rural Community Network (the 'charity') for the year ended 31 March 2025, which comprise the Statement of Financial Activities, Balance Sheet, Statement of Cash Flows, and Notes to the Financial Statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is United Kingdom Accounting Standards, comprising Charities SORP - FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and applicable law (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 March 2025 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the original financial statements were authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

County Down Rural Community Network

Independent Auditor's Report to the Members of County Down Rural Community Network

Opinion on other matter prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Strategic Report and Trustees' Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Strategic Report and Trustees' Report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of our knowledge and understanding of the charity and its environment obtained in the course of the audit, we have not identified material misstatements in the Strategic Report and the Trustees' Report.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the Statement of trustees' responsibilities (set out on page 6 and 7), the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Auditor responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Irregularities, including fraud are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud.

In identifying and assessing the risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, we considered the following:

- the nature of the industry, control environment and business performance
- the results of our enquiries of management about their own identification of the risk of irregularities
- any matters we identified have obtained and reviewed the charity's documentation of their policies and procedures; and

County Down Rural Community Network

Independent Auditor's Report to the Members of County Down Rural Community Network

- the matters discussed among the audit engagement team regarding how and where fraud might occur in the financial statements and any indicators of fraud. We also discussed the potential for non-compliance with laws and regulations.

We focused on laws and regulations that could give rise to a potential material misstatement in the financial statements.

Our tests included, but were not limited to:

- Agreement of the financial statement disclosures to underlying supporting documentation;
- In response to the risk of management override of controls, identifying and testing journal entries and other adjustments, in particular any unusual account combinations and journals posted by unexpected users;
- Evaluating the business rationale of any significant transactions that are unusual or outside the normal course of business;
- Making enquiries of management as to where they considered there was susceptibility to fraud, knowledge of actual, suspected and alleged frauds;
- Considering the internal controls in place to mitigate the risk of fraud and non-compliance with laws and regulations; and
- Challenging assumptions and judgements made by management in their significant accounting estimates and judgements.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulations. The risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission and misrepresentation.

As part of an audit in accordance with ISAs (UK), we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the charity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.
- Conclude on the appropriateness of the trustees use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the charity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the charity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

County Down Rural Community Network

Independent Auditor's Report to the Members of County Down Rural Community Network

Use of our report

This report is made solely to the charitable company's trustees, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and its trustees as a body, for our audit work, for this report, or for the opinions we have formed.

County Down Rural Community Network

Notes to the Financial Statements for the Year Ended 31 March 2025

1 Charity status

The charity is limited by guarantee, incorporated in Northern Ireland, and consequently does not have share capital. Each of the trustees is liable to contribute an amount not exceeding £Nil towards the assets of the charity in the event of liquidation.

The address of its registered office is:

Office Unit 2
Ballymote Centre
40 Killough Road
Downpatrick
Co Down
BT30 6PY

These financial statements were authorised for issue by the trustees on 5 November 2025.

2 Accounting policies

Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Statement of compliance

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)) (issued in October 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Basis of preparation

County Down Rural Community Network meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

Going concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern nor any significant areas of uncertainty that affect the carrying value of assets held by the charity.

Judgements

Estimates and judgements made in the process of preparing the financial statements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. The Trustees do not consider that there are any critical judgements made in applying these charity accounting policies or that there are any critical accounting estimates or assumptions which may have a significant risk of causing a material adjustment to carrying amounts of assets and liabilities within the next financial year.

County Down Rural Community Network

Notes to the Financial Statements for the Year Ended 31 March 2025

Income and endowments

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

Charitable activities

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Support costs

Support costs are those that assist the work of the charity but do not directly represent charitable activities and include office costs, governance costs, administrative payroll costs. They are incurred directly in support of expenditure on the objects of the charity. Where support costs cannot be directly attributed to particular headings they have been allocated to cost of raising funds and expenditure on charitable activities on a basis consistent with use of the resources.

Taxation

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Tangible fixed assets

Tangible fixed assets are stated at cost (or deemed cost) or valuation less accumulated depreciation and accumulated impairment losses. Cost includes costs directly attributable to making the asset capable of operating as intended.

Depreciation and amortisation

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

Asset class	Depreciation method and rate
Plant and machinery	15% straight line
Fixtures and fittings	15% straight line

County Down Rural Community Network

Notes to the Financial Statements for the Year Ended 31 March 2025

Trade debtors

Trade debtors are amounts due from customers for merchandise sold or services performed in the ordinary course of business.

Trade debtors are recognised initially at the transaction price. They are subsequently measured at amortised cost using the effective interest method, less provision for impairment. A provision for the impairment of trade debtors is established when there is objective evidence that the charity will not be able to collect all amounts due according to the original terms of the receivables.

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

Trade creditors

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Accounts payable are classified as current liabilities if the charity does not have an unconditional right, at the end of the reporting period, to defer settlement of the creditor for at least twelve months after the reporting date. If there is an unconditional right to defer settlement for at least twelve months after the reporting date, they are presented as non-current liabilities.

Trade creditors are recognised initially at the transaction price and subsequently measured at amortised cost using the effective interest method.

Fund structure

Unrestricted income funds are general funds that are available for use at the trustees discretion in furtherance of the objectives of the charity.

Restricted income funds are those donated for use in a particular area or for specific purposes, the use of which is restricted to that area or purpose.

Pensions and other post retirement obligations

The Charity operates a defined contribution pension scheme. Contributions payable to the pension scheme are charged to the Statement of Financial Activities in the period to which they relate.
