A summary of the Charity's main activities to further its purposes for the public benefit and the main achievements in the year

Membership for the year was 13 girls. These girls had the opportunity to make decisions on the programme content for the year. Activities included craft, games, cooking, singing and simple team building activities. They participated in cultural theme activities and a social action project to help Macmillan Cancer Care. The girls had visits to the local parks and The Play Shack at the local leisure centre.

The Rainbows have fun in a girl-only space and we strive to help them reach their full potential.

There was no harm flowing from the Charities purposes and there was no private benefit.
