<b>Phone</b>	02827664008
<b>Trustees</b>	Dr Ian Walker Mrs Kerry Evans Mrs Catherine Gault (Chairperson)
<b>Registered body</b>	Northern Trust Health Social Care

The aims of Kidz Club afterschool is to make learning fun through play for all the children from our 4 year olds to our 11year olds.

- We promote social, emotional, physical, creative development.
- We help develop self-esteem and positive attitudes towards others,
- We encourage children to become confident, problem solvers, enthusiastic, independent, curious learners with a positive attitude to learning at their own pace.
- Provide a breadth of learning experiences which help the children to gain a positive image of themselves as resilient learners able to cope with uncertainty, and to learn through trial and error
- We ensure that both their physical and mental health is looked after

Our playworkers provide the children with a rich variety of challenging play activities and other experiences in a stimulating environment.

Our children learn best when

- They feel happy and secure in a safe and stimulating environment that supports their well being
- Adults are sensitive and understanding in their interactions with the children while extending their learning and development
- They have opportunities to investigate and engage in a wide range of activities that are age appropriate, enjoyable, motivating and challenging
- Parents /carers/guardians work together in partnership with Kidz club

All children who attend are from schools in the Ballymoney area. Our main source of income comes from the childcare we provide. All our outgoings are to support the aim of the charity

- Wages
- Rent
- Electricity
- Play resources
- Food

We are very aware of the cost of living crisis so we endeavour to keep the childcare costs as low as we possibly can. So that we can help working parents return to work.
