Reference and Administrative Information

Public Benefit

The organisation has consistently operated within its Public Benefit statement throughout 2024.

It has promoted the celebration and public worship of the Christian religion and sought to promote moral improvement on Christian lines for a section of the community. Bible studies and Sunday services continue to operate, encourage and inform those who attend.

Children's clubs from age 3 years to 11years also continue to function and are well attended. These clubs also provide a safe place for parents to leave their children from 1830hrs to 1945hrs each Friday evening. The clubs take the form of childrens' games and simple bible stories. Twice a year the Church holds two special services for the children to enable their parents to come to church and to inform them of what the children have been doing throughout the year.

The Church continues to operate a Mums and Toddlers group each Monday morning where Mums and their children come to meet and enjoy each other's company while their children are playing and supervised by the church volunteers.

We also continue to operate a Friendship Club on Tuesday afternoon where adults meet take part in board games, craft and a short Christian talk. They also enjoy a meal at the end of the afternoon.

In addition to this the core leadership have attended training sessions over two years with other charities to enhance their operational effectiveness.

All organisations continue to be run in accordance with Biblical principles and FMC guidelines.

The Trustees have regarded the Commission's Public Benefit requirement statutory guidance.
