**Company Number: NI034114**

**Independent Auditors' Report to the Members of**  
**Northern Ireland Community Development Health Network Ltd**  
(a company limited by guarantee, not having a share capital)

## Opinion

We have audited the financial statements of Northern Ireland Community Development Health Network Ltd (the "company") for the year ended 31 March 2023 which comprises the Statement of Financial Activities (Including the Income and Expenditure Account), the Balance Sheet, the Statement of Changes in Funds, the Statement of Cash Flows and notes to the financial statements. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards including FRS102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Policies).

In our opinion the financial statements:

- have been properly prepared, in all material regards, in accordance with United Kingdom Generally Accepted Accounting Practice applicable to Smaller Entities; and
- have been prepared, in all material respects, in accordance with the requirements of the Companies Act 2006.
- therefore give the presumed true and fair view described in Section 495 (3A) of the Companies Act 2006 of the state of the company's affairs as at 31 March 2023 and of its deficit for the year then ended;

## Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial statements* section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## Conclusions relating to going concern

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period of at least twelve months from the date when the financial statements are authorised for use.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of the report.

## **Northern Ireland Community Development Health Network Ltd**

### **Independent Auditors' Report Continued**

#### **Responsibilities of directors**

As explained more fully in the Trustees' Report, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

#### **Auditors' responsibilities for the audit of the financial statements**

Our objectives are to maintain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but it is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud, is detailed below.

We obtained an understanding of the legal and regulatory framework applicable to the company through enquiry of management, industry research and the application of cumulative audit knowledge. We identified the following principal laws and regulations relevant to the company – Companies Act 2006 and the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

We developed an understanding of the key fraud risks to the entity (including how fraud might occur), the controls in place to help mitigate those risks, and the accounts, balances and disclosures within the financial statements which may be susceptible to management bias. Our understanding was obtained through review of the financial statements for significant accounting estimates, analysis of journal entries, walkthrough of the key controls cycles in place and enquiry of management.

Our procedures to respond to those risks identified included, but were not limited to:

- Enquiry of management, those charged with governance and the entity's solicitors (or in-house legal team) around actual and potential litigation and claims.
- Enquiry of entity staff in tax and compliance functions to identify any instances of non-compliance with laws and regulations
