Trustees' Annual Report for the year ended 31 December 2024

The Trustees present the Annual Report and Statements of Receipts and Payments for Hope Community Church Craigavon for the year ended 31 December 2024

Objectives and Activities

Hope Community Church (CMC) is an Anglican Congregation in the Diocese of Down and Dromore.

Our aim is to be a growing, living Church of Christian people in the Craigavon area who live and worship in such a way that those in our community, who are not yet committed to Christ or are unconvinced by the Christian faith, will come and join us, reaching out to each consecutive generation and drawing them into the Kingdom of God. We want to express the Love and Power of God the Father, Son and Holy Spirit as we experience forgiveness and healing and are equipped and trained for the work of the Kingdom. In this, we desire to work and pray towards renewal in the Church and revival in Craigavon. We believe that this is facilitated through Sunday Services and mid-week home groups, youth and children's activities as well as through other events which can encourage the Church actively to give away what God has given us, thus benefitting the community around us.

Achievements, Performance & Public Benefit

Below you will find a summary of the main activities undertaken by the Parish to carry out its charitable purposes for the public benefit and the main achievements during the year. This will include its purposes, achievements, beneficiaries, etc.

Hope CC is located in central Craigavon, which is an urban mixed-use area consisting of residential developments, retail and governmental, civic and judicial buildings. The Church can provide a focal point for local residents and community groups as community space is limited in the area. We hope to open up our buildings to establish relations with local community groups.

The local area has both an established community and a transient one. Nearby to Hope CC, we have Craigavon Area Hospital, Rushmere Shopping Centre, Craigavon Civic and Conference Centre and Craigavon Court House. We have a large number of people passing by each day and young families make up a significant proportion of the population. Most of the congregation live within the Craigavon Area, including the neighbouring towns of Lurgan, Portadown and the surrounding countryside.

Trustees' Annual Report for the year ended 31 December 2024 (continued)

Public Worship –

We held one service each Sunday throughout the year starting at 10:30 preceded by prayer at 10:00

An online service also broadcasts live each Sunday.

The first Sunday of every month includes Holy Communion.

We have benefited from a high standard of teaching and preaching from Clergy and visiting preachers alike. The overall style is challenging, thoughtful and evangelical; we are committed to encouraging Church Members towards whole life discipleship.

Our Church family reflects a wide age-range, from the very young to the more elderly with the age of those present ranging from newborns to 80+. We have been encouraged by seeing an increase in the number of teenagers and those in the 18-30 age-range, and are praying for more local families to join us in Hope.

At Hope we encourage every Member of the congregation to use the gifts God has given them to serve in whatever capacity they feel led, remembering it's not only serving people, it's loving them 'Serve one another humbly in love' Galatians 5:13. We have been blessed to see many people step forward and use these gifts in administration, finance teams, children and youth leaders, safeguarding trust co-ordinators, welcome and hospitality teams, catering teams, cleaning team, gardening teams, audio and video technicians, website and social media co-ordinators and worship teams.

Strengths at present include the involvement of many people across the many areas of ministry in the Church, increasing attendance at services, new membership and the growth in the number of children and youth. This has resulted in continued financial commitment that will be essential as we move out into the community. The feeling of welcome expressed by newcomers is also encouraging. Hope home groups are providing discipleship and seeing growth in giftings and confidence in the members.

The target audience is cross-generational with new younger people expressing their pleasure at the range of age groups in the congregation and seeing the value of the all-age character of the Church. The Rector has addressed this very well through careful Bible teaching on areas such as prophecy, healing and the gifts of the Spirit have allowed people to listen to God in a safe environment and be taught and trained to grow in discipleship. A Church website, weekly newsletter, YouTube channel and Facebook page reach out to the community to inform and encourage people to come to Sunday worship and other Church activities.

Community Outreach

- **Hope Kids**

Our outreach and ministry to primary school aged children and their families is key to us. The team of approximately 25 people, organised on a rota basis, following an online programme, an excellent resource that helps us explore the Bible creatively. Up to 35 children join us each Sunday and through games, storytelling, song and craft are taught about their Heavenly Father and are encouraged to enter into a personal relationship with Him.

Our children in Hope Kids are valued and are a vital part of the Church and its ministry to others. We have been involved in services during the year including our Nativity and Easter services. In August we ran a Holiday Bible Club which was well attended both by children of Church Members and by other children from the local community

- **Hope Youth**

We have a healthy number of actively engaged young people aged 11-18. Under the new leadership of our Youth and Communities Pastor we aim to grow this area of ministry to ensure that our strength in number and provision for children can be sustained throughout their journey into teenage years and beyond. The young people meet every Sunday evening where they enjoy fellowship with each other, space to seek and connect with God, and time to consider the impact of faith on their daily lives.

We offer opportunities for our young people to join up with Hope Men and Hope Ladies for social events and away-days. Our young people are encouraged to partake in and lead special services.

- **Hope Home Groups**

Our home groups meet once every two weeks and have around twelve members in each group.

Hope Home Groups provide an opportunity to study the Bible, discuss Christian discipleship and pray for one another, as well as developing friendships in a safe and confidential setting where questions can be asked and problems discussed. The aim is to help people grow in their faith and in their confidence in God's desire to use them to minister to others.

- **Men and Women's Ministry**

Both Ladies' and Men's groups have been meeting at a social level: be it ten-pin bowling, football, meals, grass cutting, movie nights or walks.

Trustees' Annual Report for the year ended 31 December 2023

The Trustees present the Annual Report and Statements of Receipts and Payments for Hope Community Church Craigavon for the year ended 31 December 2023

Objectives and Activities

Hope Community Church (CMC) is an Anglican Congregation in the Diocese of Down and Dromore.

Our aim is to be a growing, living Church of Christian people in the Craigavon area who live and worship in such a way that those in our community, who are not yet committed to Christ or are unconvinced by the Christian faith, will come and join us, reaching out to each consecutive generation and drawing them into the Kingdom of God. We want to express the Love and Power of God the Father, Son and Holy Spirit as we experience forgiveness and healing and are equipped and trained for the work of the Kingdom. In this, we desire to work and pray towards renewal in the Church and revival in Craigavon. We believe that this is facilitated through Sunday Services and mid-week home groups, youth and children's activities as well as through other events which can encourage the Church actively to give away what God has given us, thus benefitting the community around us.

Achievements, Performance & Public Benefit

Below you will find a summary of the main activities undertaken by the Parish to carry out its charitable purposes for the public benefit and the main achievements during the year. This will include its purposes, achievements, beneficiaries, etc.

Hope CC is located in central Craigavon, which is an urban mixed-use area consisting of residential developments, retail and governmental, civic and judicial buildings. The Church can provide a focal point for local residents and community groups as community space is limited in the area. We hope to open up our buildings to establish relations with local community groups.

The local area has both an established community and a transient one. Nearby to Hope CC, we have Craigavon Area Hospital, Rushmere Shopping Centre, Craigavon Civic and Conference Centre and Craigavon Court House. We have a large number of people passing by each day and young families make up a significant proportion of the population. Most of the congregation live within the Craigavon Area, including the neighbouring towns of Lurgan, Portadown and the surrounding countryside.

Trustees' Annual Report for the year ended 31 December 2023 (continued)

Public Worship –

We held one service each Sunday throughout the year starting at 10:30 preceded by prayer at 10:00

An online service also broadcasts live each Sunday.

The first Sunday of every month includes Holy Communion.

We have benefited from a high standard of teaching and preaching from Clergy and visiting preachers alike. The overall style is challenging, thoughtful and evangelical; we are committed to encouraging Church Members towards whole life discipleship.

Our Church family reflects a wide age-range, from the very young to the more elderly with the age of those present ranging from newborns to 80+. We have been encouraged by seeing an increase in the number of teenagers and those in the 18-30 age-range, and are praying for more local families to join us in Hope.

At Hope we encourage every Member of the congregation to use the gifts God has given them to serve in whatever capacity they feel led, remembering it's not only serving people, it's loving them 'Serve one another humbly in love' Galatians 5:13. We have been blessed to see many people step forward and use these gifts in administration, finance teams, children and youth leaders, safeguarding trust co-ordinators, welcome and hospitality teams, catering teams, cleaning team, gardening teams, audio and video technicians, website and social media co-ordinators and worship teams.

Strengths at present include the involvement of many people across the many areas of ministry in the Church, increasing attendance at services, new membership and the growth in the number of children and youth. This has resulted in continued financial commitment that will be essential as we move out into the community. The feeling of welcome expressed by newcomers is also encouraging. Hope home groups are providing discipleship and seeing growth in giftings and confidence in the members.

The target audience is cross-generational with new younger people expressing their pleasure at the range of age groups in the congregation and seeing the value of the all-age character of the Church. The Rector has addressed this very well through careful Bible teaching on areas such as prophecy, healing and the gifts of the Spirit have allowed people to listen to God in a safe environment and be taught and trained to grow in discipleship. A Church website, weekly newsletter, YouTube channel and Facebook page reach out to the community to inform and encourage people to come to Sunday worship and other Church activities.

Changes to staff

In September 2023 the Trustees we delighted to recommend a change in title of our current 'Connections Pastor' Jamie Bambrick to become our 'Associate Pastor'. This decision was approved by the Church Management Team.

In September 2023 we also welcomed out new full time Youth and Community Pastor Laurence Bellew along with his wife Millie. Laurence joins Hope CC bringing with him a wealth of experience in Youth Work.

Community Outreach

- **Hope Kids**

Our outreach and ministry to primary school aged children and their families is key to us. The team of approximately 25 people, organised on a rota basis, following an online programme, an excellent resource that helps us explore the Bible creatively. Up to 35 children join us each Sunday and through games, storytelling, song and craft are taught about their Heavenly Father and are encouraged to enter into a personal relationship with Him.

Our children in Hope Kids are valued and are a vital part of the Church and its ministry to others. We have been involved in services during the year including our Nativity and Easter services. In August we ran a Holiday Bible Club which was well attended both by children of Church Members and by other children from the local community

In December we held our annual family Party at 'The Rink'. Alongside skating with Santa, we were able to enjoy the bouncy castles, photo booth and Christmas treats

- **Hope Youth**

We have a healthy number of actively engaged young people aged 11-18. Under the new leadership of our Youth and Communities Pastor we aim to grow this area of ministry to ensure that our strength in number and provision for children can be sustained throughout their journey into teenage years and beyond. The young people meet every Sunday evening where they enjoy fellowship with each other, space to seek and connect with God, and time to consider the impact of faith on their daily lives.

We offer opportunities for our young people to join up with Hope Men and Hope Ladies for social events and away-days. Our young people are encouraged to partake in and lead special services.

- **Hope Home Groups**

Our home groups meet once every two weeks and have around twelve members in each group.

Hope Home Groups provide an opportunity to study the Bible, discuss Christian discipleship and pray for one another, as well as developing friendships in a safe and confidential setting where questions can be asked and problems discussed. The aim is to help people grow in their faith and in their confidence in God's desire to use them to minister to others.

- **Men and Women's Ministry**

Both Ladies' and Men's groups have been meeting at a social level: be it ten-pin bowling, football, meals, grass cutting, movie nights or walks.

Trustees' Annual Report for the year ended 31 December 2023 (continued)

Trustees' Annual Report for the year ended 31 December 2020

The Trustees present the Annual Report and Statements of Receipts and Payments for Hope Community Church Craigavon for the year ended 31 December 2020

Objectives and Activities

Hope Community Church (CMC) is an Anglican Congregation in the Diocese of Down and Dromore.

Our aim is to be a growing, living Church of Christian people in the Craigavon area who live and worship in such a way that those in our community, who are not yet committed to Christ or are unconvinced by the Christian faith, will come and join us, reaching out to each consecutive generation and drawing them into the Kingdom of God. We want to express the Love and Power of God the Father, Son and Holy Spirit as we experience forgiveness and healing and are equipped and trained for the work of the Kingdom. In this, we desire to work and pray towards renewal in the Church and revival in Craigavon. We believe that this is facilitated through Sunday Services and mid-week home groups, youth and children's activities as well as through other events which can encourage the Church actively to give away what God has given us, thus benefitting the community around us.

Achievements, Performance & Public Benefit

Below you will find a summary of the main activities undertaken by the Parish to carry out its charitable purposes for the public benefit and the main achievements during the year. This will include its purposes, achievements, beneficiaries, etc.

Hope CC is located in central Craigavon, which is an urban mixed-use area consisting of residential developments, retail and governmental, civic and judicial buildings. The Church can provide a focal point for local residents and community groups as community space is limited in the area. We hope to open up our buildings to establish relations with local community groups.

The local area has both an established community and a transient one. Nearby to Hope CC, we have Craigavon Area Hospital, Rushmere Shopping Centre, Craigavon Civic and Conference Centre and Craigavon Court House. We have a large number of people passing by each day and young families make up a significant proportion of the population. Most of the congregation live within the Craigavon Area, including the neighbouring towns of Lurgan, Portadown and the surrounding countryside.

Public Worship –

We currently have two services every Sunday. The current service pattern is as follows :

09:30 Morning Worship 1st Service (preceded by prayer at 09:15)

11:30 Morning Worship 2nd Service (Preceded by Prayer at 11:15)

The first Sunday of every month includes Holy Communion.

These services were restricted during times of lock down from March to December 2020. An online service was available each Sunday.

Trustees' Annual Report for the year ended 31 December 2020 (continued)

We have benefited from a high standard of teaching and preaching from Clergy, Lay Readers and Members of the congregation alike. The overall style is challenging, thoughtful and evangelical; we are committed to encouraging Church Members towards whole life discipleship.

Our Church family reflects a wide age-range, from the very young to the more elderly with the age of those present ranging from 3 weeks to 80+. We would love to see an increase in the number of teenagers and those in the 18-30 age-range, and are praying for more local families to join us in Hope.

At Hope we encourage every Member of the congregation to use the gifts God has given them to serve in whatever capacity they feel led, remembering it's not only serving people, it's loving them 'Serve one another humbly in love' Galatians 5:13. We have been blessed to see many people step forward and use these gifts in administration, finance teams, children and youth leaders, safeguarding trust co-ordinators, welcome and hospitality teams, catering teams, cleaning team, gardening teams, audio and video technicians, website and social media co-ordinators and worship teams.

There is also Prayer Ministry at the end of each service and Urgent Prayer Teams for prayer needs that arise throughout the week. Prayer ministry was suspended due to Covid 19 but the Urgent Prayer teams were maintained and were busy during the latter part of 2020.

Strengths at present include the involvement of many people across the many areas of ministry in the Church, increasing attendance at services, new membership and the growth in the number of children. This has resulted in increased financial commitment that will be essential as we move out into the community. The feeling of welcome expressed by newcomers is also encouraging. Hope home groups are providing discipleship and seeing growth in giftings and confidence in the members.

The target audience is cross-generational with new younger people expressing their pleasure at the range of age groups in the congregation and seeing the value of the all-age character of the Church. The new Rector has addressed this very well through careful Bible teaching on areas such as prophecy, healing and the gifts of the Spirit. have allowed people to listen to God in a safe environment and be taught and trained to grow in discipleship. A Church website and facebook page reach out to the community to inform and encourage people to come to Sunday worship and other Church activities.

Community Outreach

- **Hope Kids – Update by Hannah**

Our outreach and ministry to primary school aged children and their families is key to us. The team of approximately 15 people, organised on a rota basis, follows the Diocesan 'Jigsaw' programme, an excellent resource that helps us explore the Bible creatively. Up to 25 children join us each Sunday after worship and through games, storytelling, song and craft are taught about their Heavenly Father and are encouraged to enter into a personal relationship with Him.

Our children in Hope Kids are valued and are a vital part of the Church and its ministry to others. We have been involved in services during the year including our Nativity and Easter services and, take note, one where they got to soak the Minister with water pistols. In June we held our 'Ice-cream Sunday' to celebrate the beginning of the summer break when over 120 members of the Church spent the afternoon enjoying a hog roast, bouncy castle, garden games, face painting and a visit from the ice-cream van.

Trustees' Annual Report for the year ended 31 December 2020 (continued)

- **Hope Youth – Update by Hannah**

We have a smaller number of actively engaged young people aged 11-18. We aim to grow this area of ministry to ensure that our strength in number and provision for children can be sustained throughout their journey into teenage years and beyond. The young people meet every other Sunday after worship where they enjoy fellowship with each other, space to seek and connect with God, and time to consider the impact of faith on their daily lives.

Hope Youth have attended DYCC 'Saturday Night Live' events and have been greatly encouraged by them and the opportunity to meet up with other young people in the Dioceses.

We offer opportunities for our young people to join up with Hope Men and Hope Ladies for social events and away-days. Our young people are encouraged to partake in and lead special services.

Both Hope Kids and Hope Youth remain with the congregation for Holy Communion.

- **Hope Home Groups – only met until March of 2020**

These small groups meet once every two weeks and have around twelve members in each group. At the start of 2020 there were four groups with a view to starting at least one more in the near future. There are two leaders in each group. In home meetings of these groups were suspended after March 2020 due to lock down.

Hope Home Groups provide an opportunity to study the Bible, discuss Christian discipleship and pray for one another, as well as developing friendships in a safe and confidential setting where questions can be asked and problems discussed. The aim is to help people grow in their faith and in their confidence in God's desire to use them to minister to others.

- **Men and Women's Ministry**

Both Ladies' and Men's groups have been meeting at a social level: be it ten-pin bowling, football, meals, grass cutting, movie nights or walks.

A ladies breakfast with worship and speaker was held in January 2020 and was well attended.

Public Benefit

The charitable purpose of Hope Community Church is the advancement of religion.

This is achieved through Christian witness and outreach, and delivered through the provision of public worship and our ongoing outreach programme as described above.

Annual report

Trustees' Annual Report for the year ended 31 December 2020

The Trustees present the Annual Report and Statements of Receipts and Payments for Hope Community Church Craigavon for the year ended 31 December 2020

Objectives and Activities

Hope Community Church (CMC) is an Anglican Congregation in the Diocese of Down and Dromore.

Our aim is to be a growing, living Church of Christian people in the Craigavon area who live and worship in such a way that those in our community, who are not yet committed to Christ or are unconvinced by the Christian faith, will come and join us, reaching out to each consecutive generation and drawing them into the Kingdom of God. We want to express the Love and Power of God the Father, Son and Holy Spirit as we experience forgiveness and healing and are equipped and trained for the work of the Kingdom. In this, we desire to work and pray towards renewal in the Church and revival in Craigavon. We believe that this is facilitated through Sunday Services and mid-week home groups, youth and children's activities as well as through other events which can encourage the Church actively to give away what God has given us, thus benefitting the community around us.

Achievements, Performance & Public Benefit

Below you will find a summary of the main activities undertaken by the Parish to carry out its charitable purposes for the public benefit and the main achievements during the year. This will include its purposes, achievements, beneficiaries, etc.

Hope CC is located in central Craigavon, which is an urban mixed-use area consisting of residential developments, retail and governmental, civic and judicial buildings. The Church can provide a focal point for local residents and community groups as community space is limited in the area. We hope to open up our buildings to establish relations with local community groups.

The local area has both an established community and a transient one. Nearby to Hope CC, we have Craigavon Area Hospital, Rushmere Shopping Centre, Craigavon Civic and Conference Centre and Craigavon Court House. We have a large number of people passing by each day and young families make up a significant proportion of the population. Most of the congregation live within the Craigavon Area, including the neighbouring towns of Lurgan, Portadown and the surrounding countryside.

Public Worship –

We currently have two services every Sunday. The current service pattern is as follows :

09:30 Morning Worship 1st Service (preceded by prayer at 09:15)

11:30 Morning Worship 2nd Service (Preceded by Prayer at 11:15)

The first Sunday of every month includes Holy Communion.

These services were restricted during times of lock down from March to December 2020. An online service was available each Sunday.

Trustees' Annual Report for the year ended 31 December 2020 (continued)

We have benefited from a high standard of teaching and preaching from Clergy, Lay Readers and Members of the congregation alike. The overall style is challenging, thoughtful and evangelical; we are committed to encouraging Church Members towards whole life discipleship.

Our Church family reflects a wide age-range, from the very young to the more elderly with the age of those present ranging from 3 weeks to 80+. We would love to see an increase in the number of teenagers and those in the 18-30 age-range, and are praying for more local families to join us in Hope.

At Hope we encourage every Member of the congregation to use the gifts God has given them to serve in whatever capacity they feel led, remembering it's not only serving people, it's loving them 'Serve one another humbly in love' Galatians 5:13. We have been blessed to see many people step forward and use these gifts in administration, finance teams, children and youth leaders, safeguarding trust co-ordinators, welcome and hospitality teams, catering teams, cleaning team, gardening teams, audio and video technicians, website and social media co-ordinators and worship teams.

There is also Prayer Ministry at the end of each service and Urgent Prayer Teams for prayer needs that arise throughout the week. Prayer ministry was suspended due to Covid 19 but the Urgent Prayer teams were maintained and were busy during the latter part of 2020.

Strengths at present include the involvement of many people across the many areas of ministry in the Church, increasing attendance at services, new membership and the growth in the number of children. This has resulted in increased financial commitment that will be essential as we move out into the community. The feeling of welcome expressed by newcomers is also encouraging. Hope home groups are providing discipleship and seeing growth in giftings and confidence in the members.

The target audience is cross-generational with new younger people expressing their pleasure at the range of age groups in the congregation and seeing the value of the all-age character of the Church. The new Rector has addressed this very well through careful Bible teaching on areas such as prophecy, healing and the gifts of the Spirit. have allowed people to listen to God in a safe environment and be taught and trained to grow in discipleship. A Church website and facebook page reach out to the community to inform and encourage people to come to Sunday worship and other Church activities.

Community Outreach

- **Hope Kids – Update by Hannah**

Our outreach and ministry to primary school aged children and their families is key to us. The team of approximately 15 people, organised on a rota basis, follows the Diocesan 'Jigsaw' programme, an excellent resource that helps us explore the Bible creatively. Up to 25 children join us each Sunday after worship and through games, storytelling, song and craft are taught about their Heavenly Father and are encouraged to enter into a personal relationship with Him.

Our children in Hope Kids are valued and are a vital part of the Church and its ministry to others. We have been involved in services during the year including our Nativity and Easter services and, take note, one where they got to soak the Minister with water pistols. In June we held our 'Ice-cream Sunday' to celebrate the beginning of the summer break when over 120 members of the Church spent the afternoon enjoying a hog roast, bouncy castle, garden games, face painting and a visit from the ice-cream van.

Trustees' Annual Report for the year ended 31 December 2020 (continued)

- **Hope Youth – Update by Hannah**

We have a smaller number of actively engaged young people aged 11-18. We aim to grow this area of ministry to ensure that our strength in number and provision for children can be sustained throughout their journey into teenage years and beyond. The young people meet every other Sunday after worship where they enjoy fellowship with each other, space to seek and connect with God, and time to consider the impact of faith on their daily lives.

Hope Youth have attended DYCC 'Saturday Night Live' events and have been greatly encouraged by them and the opportunity to meet up with other young people in the Dioceses.

We offer opportunities for our young people to join up with Hope Men and Hope Ladies for social events and away-days. Our young people are encouraged to partake in and lead special services.

Both Hope Kids and Hope Youth remain with the congregation for Holy Communion.

- **Hope Home Groups – only met until March of 2020**

These small groups meet once every two weeks and have around twelve members in each group. At the start of 2020 there were four groups with a view to starting at least one more in the near future. There are two leaders in each group. In home meetings of these groups were suspended after March 2020 due to lock down.

Hope Home Groups provide an opportunity to study the Bible, discuss Christian discipleship and pray for one another, as well as developing friendships in a safe and confidential setting where questions can be asked and problems discussed. The aim is to help people grow in their faith and in their confidence in God's desire to use them to minister to others.

- **Men and Women's Ministry**

Both Ladies' and Men's groups have been meeting at a social level: be it ten-pin bowling, football, meals, grass cutting, movie nights or walks.

A ladies breakfast with worship and speaker was held in January 2020 and was well attended.

Public Benefit

The charitable purpose of Hope Community Church is the advancement of religion.

This is achieved through Christian witness and outreach, and delivered through the provision of public worship and our ongoing outreach programme as described above.
