STRUCTURE AND MANAGEMENT

Presbytery

Under the Presbyterian Church in Ireland form of governance the corporate oversight of a congregation is the responsibility of a Presbytery which superintends generally the spiritual and temporal affairs of the congregations assigned to it by the General Assembly of the Presbyterian Church in Ireland. The following congregations of the Presbyterian Church have been assigned to The Tyrone Presbytery of the Presbyterian Church in Ireland.

Albany	Eglis
Ballygoney	Knockloughrim

Brigh	Maghera

A Presbytery makes arrangements for the election of ministers in congregation, ordains licentiates and installs or inducts and appoints ministers in the congregations assigned to it. They also ordain or install and appoint elders, commission and appoint deaconesses, senior lecturers, auxiliary ministers, lay agents and missionaries who have been called by an authorised body in the Church. A Presbytery has a role in seeing that ministers preach the Word faithfully to their congregations, regularly visit the families under their charge, visit the sick, promote peace and temperance and see that the duties of the eldership are properly discharged. Presbyteries oversee the resignation and retirements of ministers and elders.

Presbyteries provide advice to Kirk Sessions and Congregational Committees when required and have a role in approving matters in relation to congregational property. They report

annually to the General Assembly and have the right to make a nomination for the office of Moderator of the General Assembly.

The membership of the Presbytery consists mainly of the active ministers of congregations assigned to it by the General Assembly, ministers who have retired from active duty and an elder appointed by the Kirk Session of the congregation. This provides an important link between the congregations and the wider structures of the church

Stated meetings of Presbytery are held on the first Tuesday in September, October, February, and March, and on the third Tuesday in November and May.

All members are entitled to propose, speak and exercise equal votes at meetings, except that the Moderator, the ministers in active duty in the congregation, has no deliberative but only a casting vote.

The General Assembly

The General Assembly is the supreme court of the Church, representing in one body the whole Church and acting as its supreme legislative, administration and judicial authority, in dealing with all matters brought before it. The General Assembly is normally constituted during the first week in June for worship and to conduct its business. At the end of business it is dissolved. The membership of the General Assembly consists mainly of the active ministers of each congregation, retired ministers and a representative elder appointed by the Kirk Session of each congregation.

DESCRIPTION AND PURPOSE

The charitable purpose of the presbytery is the advancement of religion.

The Tyrone Presbytery is a presbytery of the Presbyterian Church in Ireland. The Presbyterian Church in Ireland, as a Reformed Church within the wider body of Christ is grounded in the Scriptures, and exists to love and honour God through faith in His Son and by the power of His Spirit, and to enable her members to play their part in fulfilling God's mission to our world.

ACTIVITIES AND OBJECTIVES

The presbytery meets on the first Tuesday of every month apart from [November, December, January, April, May, June, July, August] and on other occasions as required. All meetings commence with a time of worship and are opened and closed with prayer.

The presbytery carries out the following activities

- Supports those candidating for the Ministry
- Installs Ordained ministers
- Provides pastoral support for ministers and their families
- Holds a number of events such as [list events]
- PW Link is an initiative of Presbyterian Women intended to improve communications and build relationships between Presbyterian Women. PW links include a representative from each congregations and run of events to support the mission and outreach of Presbytery.

PUBLIC BENEFIT STATEMENT

The Presbyterian Church in Ireland meets the public benefit requirement by providing benefit to its members and the general public by making known the Christian Gospel of the Lord Jesus Christ through the advancement of religion. The direct benefits which flow from the purposes of the Church include the gaining of an understanding in Christian beliefs as set out in the Bible and in the Church's subordinate standards (the Westminster Confession of Faith and the Shorter and Larger Catechisms) leading to spiritual and moral development and opportunities for response to Bible teaching. In turn, this framework leads to practical expressions of Christian beliefs and standards in the local community such as through the care of those in need (including the sick, disabled and bereaved). Generally the above benefits are delivered locally by congregational churches and members, or are facilitated through presbyteries or are organised and delivered centrally. Local delivery is facilitated by central resources in almost all cases. Public access is made known through the use of notice boards, printed material, press advertisement, websites, and social media or in other ways. The benefits are demonstrated through regular evaluation of the services and informal and ad-hoc feedback from members, their families, and members of the public. The purpose does not lead to harm. The charities beneficiaries are its members, their families, other individuals that the Presbyterian Church in Ireland is in direct and indirect contact with, the community in which pastoral services are provided and other communities throughout Northern Ireland, the Republic of Ireland, and worldwide which benefit from our engagement with and support for both Christian and other secular organisations, charities and individual members of the public. The only private benefit flowing from our purpose is related to Ministers, Missionaries, Deaconesses, Irish Mission workers and Lay Agents who receive benefits as a result of their holding office or employment. However, this is incidental and necessary in order to further our charitable purpose. There are no other private benefits.

The presbytery has had regard to the Charity Commissions Public benefit requirement statutory guidance.

FINANCIAL REVIEW

The presbyteries main source of income is an assessment that is levied on the congregations assigned to it and £13,502 was received in the current year (£10,234 in previous year, 2023)

Total expenditure increased from £12,061 to £13,577. This includes a payment made to the Clerk of Presbytery for the responsibilities of that position.

STATEMENT OF TRUSTEE RESPONSIBILITIES

The Trustees are responsible for preparing the annual report and the financial statements of the presbytery in accordance with applicable law and generally accepted accounting practice.

As the presbytery's total income does not exceed £250,000, the Trustees have elected under Section 64(3) of the Charities Act (Northern Ireland) 208 to prepare a receipts and payment account and a statement of assets and liabilities.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the presbytery's transactions and disclose with reasonable accuracy at any time its financial position. They are also responsible for safeguarding the assets of the presbytery and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

NOTES TO THE ACCOUNTS

1. ACCOUNTING POLICIES

BASIS OF FINANCIAL STATEMENTS

As the total income of the presbytery is less than £250,000 the presbytery has elected in accordance with the provisions in The Charities (Accounts and Reports Regulations (Northern Ireland) 2015 to prepare its accounts on a receipts and payments basis. These accounts do not incorporate the accounts of the congregations assigned to the Presbytery. These have a separate legal identity and are individually registered with the Charity Commission for Northern Ireland.

FUND ACCOUNTING

Endowment funds are funds, the capital of which must be retained either permanently or at the presbytery's discretion; the income derived from the endowment is to be used either as restricted or unrestricted income funds depending upon the purpose for which the endowment was established in the first place.

Restricted funds comprise (a) income from endowments which is to be expended only on the restricted purposes intended by the donor and (b) revenue donations or grants for a specific presbytery activity intended by the donor. Where these funds have unspent balances, interest on their pooled investment is apportioned to the individual funds on an average balance basis.

Unrestricted funds are income funds which are to be spent on the presbytery's general purposes. Designated funds are general funds set aside by the presbytery for use in the future.

The General Assembly is normally constituted during the first week in June for worship and to conduct its business. At the end of business it is dissolved. The membership of the General Assembly consists mainly of the active ministers of each congregation, retired ministers and a representative elder appointed by the Kirk Session of each congregation.

PUBLIC BENEFIT STATEMENT

The Presbyterian Church in Ireland meets the public benefit requirement by providing benefit to its members and the general public by making known the Christian Gospel of the Lord Jesus Christ through the advancement of religion. The direct benefits which flow from the purposes of the Church include the gaining of an understanding in Christian beliefs as set out in the Bible and in the Church's subordinate standards (the Westminster Confession of Faith and the Shorter and Larger Catechisms) leading to spiritual and moral development and opportunities for response to Bible teaching. In turn, this framework leads to practical expressions of Christian beliefs and standards in the local community such as through the care of those in need (including the sick, disabled and bereaved). Generally the above benefits are delivered locally by congregational churches and members, or are facilitated through presbyteries or are organised and delivered centrally. Local delivery is facilitated by central resources in almost all cases. Public access is made known through the use of notice boards, printed material, press advertisement, websites, and social media or in other ways. The benefits are demonstrated through regular evaluation of the services and informal and ad-hoc feedback from members, their families, and members of the public. The purpose does not lead to harm. The charities beneficiaries are its members, their families, other individuals that the Presbyterian Church in Ireland is in direct and indirect contact with, the community in which pastoral services are provided and other communities throughout Northern Ireland, the Republic of Ireland, and worldwide which benefit from our engagement with and support for both Christian and other secular organisations, charities and individual members of the public. The only private benefit flowing from our purpose is related to Ministers, Missionaries, Deaconesses, Irish Mission workers and Lay Agents who receive benefits as a result of their holding office or employment. However, this is incidental and necessary in order to further our charitable purpose. There are no other private benefits.

The presbytery has had regard to the Charity Commissions Public benefit requirement statutory guidance.

1. ACCOUNTING POLICIES

BASIS OF FINANCIAL STATEMENTS

As the total income of the presbytery is less than £250,000 the presbytery has elected in accordance with the provisions in The Charities (Accounts and Reports Regulations (Northern Ireland) 2015 to prepare its accounts on a receipts and payments basis. These accounts do not incorporate the accounts of the congregations assigned to the Presbytery. These have a separate legal identity and are individually registered with the Charity Commission for Northern Ireland.

FUND ACCOUNTING

Endowment funds are funds, the capital of which must be retained either permanently or at the presbytery's discretion; the income derived from the endowment is to be used either as restricted or unrestricted income funds depending upon the purpose for which the endowment was established in the first place.

Restricted funds comprise (a) income from endowments which is to be expended only on the restricted purposes intended by the donor and (b) revenue donations or grants for a specific presbytery activity intended by the donor. Where these funds have unspent balances, interest on their pooled investment is apportioned to the individual funds on an average balance basis.

Unrestricted funds are income funds which are to be spent on the presbytery's general purposes. Designated funds are general funds set aside by the presbytery for use in the future.

STRUCTURE AND MANAGEMENT

Presbytery

Under the Presbyterian Church in Ireland form of governance the corporate oversight of a congregation is the responsibility of a Presbytery which superintends generally the spiritual and temporal affairs of the congregations assigned to it by the General Assembly of the Presbyterian Church in Ireland. The following congregations of the Presbyterian Church have been assigned to The Tyrone Presbytery of the Presbyterian Church in Ireland.

A Presbytery makes arrangements for the election of ministers in congregation, ordains licentiates and installs or inducts and appoints ministers in the congregations assigned to it. They also ordain or install and appoint elders, commission and appoint deaconesses, senior lecturers, auxiliary ministers, lay agents and missionaries who have been called by an authorised body in the Church. A Presbytery has a role in seeing that ministers preach the Word faithfully to their congregations, regularly visit the families under their charge, visit the sick, promote peace and temperance and see that the duties of the eldership are properly discharged. Presbyteries oversee the resignation and retirements of ministers and elders.

Presbyteries provide advice to Kirk Sessions and Congregational Committees when required and have a role in approving matters in relation to congregational property. They report

annually to the General Assembly and have the right to make a nomination for the office of Moderator of the General Assembly.

The membership of the Presbytery consists mainly of the active ministers of congregations assigned to it by the General Assembly, ministers who have retired from active duty and an elder appointed by the Kirk Session of the congregation. This provides an important link between the congregations and the wider structures of the church

Stated meetings of Presbytery are held on the first Tuesday in September, October, February, and March, and on the third Tuesday in November and May.

All members are entitled to propose, speak and exercise equal votes at meetings, except that the Moderator, the ministers in active duty in the congregation, has no deliberative but only a casting vote.

The General Assembly

The General Assembly is the supreme court of the Church, representing in one body the whole Church and acting as its supreme legislative, administration and judicial authority, in dealing with all matters brought before it. The General Assembly is normally constituted during the first week in June for worship and to conduct its business. At the end of business it is dissolved. The membership of the General Assembly consists mainly of the active ministers of each congregation, retired ministers and a representative elder appointed by the Kirk Session of each congregation.

PUBLIC BENEFIT STATEMENT

The Presbyterian Church in Ireland meets the public benefit requirement by providing benefit to its members and the general public by making known the Christian Gospel of the Lord Jesus Christ through the advancement of religion. The direct benefits which flow from the purposes of the Church include the gaining of an understanding in Christian beliefs as set out in the Bible and in the Church's subordinate standards (the Westminster Confession of Faith and the Shorter and Larger Catechisms) leading to spiritual and moral development and opportunities for response to Bible teaching. In turn, this framework leads to practical expressions of Christian beliefs and standards in the local community such as through the care of those in need (including the sick, disabled and bereaved). Generally the above benefits are delivered locally by congregational churches and members, or are facilitated through presbyteries or are organised and delivered centrally. Local delivery is facilitated by central resources in almost all cases. Public access is made known through the use of notice boards, printed material, press advertisement, websites, and social media or in other ways. The benefits are demonstrated through regular evaluation of the services and informal and ad-hoc feedback from members, their families, and members of the public. The purpose does not lead to harm. The charities beneficiaries are its members, their families, other individuals that the Presbyterian Church in Ireland is in direct and indirect contact with, the community in which pastoral services are provided and other communities throughout Northern Ireland, the Republic of Ireland, and worldwide which benefit from our engagement with and support for both Christian and other secular organisations, charities and individual members of the public. The only private benefit flowing from our purpose is related to Ministers, Missionaries, Deaconesses, Irish Mission workers and Lay Agents who receive benefits as a result of their holding office or employment. However, this is incidental and necessary in order to further our charitable purpose. There are no other private benefits.

NOTES TO THE ACCOUNTS

31 December 2022

1. ACCOUNTING POLICIES

BASIS OF FINANCIAL STATEMENTS

As the total income of the presbytery is less than £250,000 the presbytery has elected in accordance with the provisions in The Charities (Accounts and Reports Regulations (Northern Ireland) 2015 to prepare its accounts on a receipts and payments basis. These accounts do not incorporate the accounts of the congregations assigned to the Presbytery. These have a separate legal identity and are individually registered with the Charity Commission for Northern Ireland.

FUND ACCOUNTING

Endowment funds are funds, the capital of which must be retained either permanently or at the presbytery's discretion; the income derived from the endowment is to be used either as restricted or unrestricted income funds depending upon the purpose for which the endowment was established in the first place.

Restricted funds comprise (a) income from endowments which is to be expended only on the restricted purposes intended by the donor and (b) revenue donations or grants for a specific presbytery activity intended by the donor. Where these funds have unspent balances, interest on their pooled investment is apportioned to the individual funds on an average balance basis.

Unrestricted funds are income funds which are to be spent on the presbytery's general purposes. Designated funds are general funds set aside by the presbytery for use in the future.
