A summary of the Charity's main activities to further its purposes for the public benefit and the main achievements in the year

We always start our year with a Pow Wow to find out what our girls would like to do, within this we talked further about the new Brownie Programme and 're-introduced this. we continued with our skills for the future theme, completing a number of skills builders and earning the first theme badge of the new programme before breaking up for the summer. We started the new guiding year with the mindfulness interest badge, where we learned about meditation, appreciation of others, and how we show gratitude. The girls expressed an interest in learning more about 1st Aid, we had a demonstration evening from one of our qualified 1st aid trainers, we made first aid kits and practiced what we learned.

There was no harm flowing from the Charities purposes and that there was no private benefit.
