A summary of the Charity's main activities to further its purposes for the public benefit and the main achievements in the year

Overall we had 37 active girls taking part in our unit from 1st September 2019 – 31st August 2020, as a unit we completed many group activities and badge work to learn new skills, and develop the girls confidence and self expression. There was numerous Girl Guiding UK Badges completed including 'Take Action' and 'Have Adventure'. Unit events also included shared activity evenings with other units, craft activities, Games nights, Shopping Trips, a district Carol Service and Italian themed fun night. We stopped meeting face to face in March of 2020 due to the world Covid 19 pandemic.

There was no harm flowing from the Charities purposes and there was no private gain from any 1st Mountnorris Girl Guides activities and events.

A statement that the Trustees have had regard to the Commission's Public Benefit requirement statutory guidance

When planning out the agenda for the year the Trustees consider how planned activities will contribute to the aims and objectives we have set

- The Excellence strategic strand aims to maximise the benefit to each individual member in guiding.
- The Access strategic strand aims to maximise the number of girls who benefit from the Girlguiding programme.
- The Voice strategic strand aims to give our young members the opportunity to be the change in our organisation, in their communities and in the wider world.
- The Capacity strategic strand aims to improve the structure, processes and decision making across the organisation.

These strategic aims along with the very important mission set by Girlguiding UK are at the heart of 1st Mountnorris Girls Guides. We endeavour that through fun, friendship, challenge and adventure we empower girls to find their voice, inspiring them to discover the best in themselves and to make a positive difference in their community.

All trustees for 1st Mountnorris Girl Guides are aware of the Public Benefit Requirement.
