### **Objectives**

During the period 2023/24 the charities aims and objectives have remained the same as those initially set out in the charity's Constitution back in 2010. These are to rescue and re-home as many animals as possible, both through private surrenders, strays and abandoned.

To promote animal welfare and best practice in animal management throughout Northern Ireland.

### **Performance and Achievements**

This year yet again has proven to be another challenging one due to the current economic down turn. The cost of living has risen substantially and therefor has had an effect on the incoming donations. The number of stray or unwanted dogs have increased compared to the previous year but the re-homing rates remain static.

The charity continues to run a shop at 32 Main Street in Ballymoney which is steadily growing in popularity and income.

### **Financial Review**

For the year, income is £161,794 (2023; £145,362), a increase of £16,432.

Total expenditure for the year is £147,612 (2023; £145,098), an increase of £2,514.

The charity remains financially solvent due to past and continued generous support. We are encouraged by the support received through our charity shop in Ballymoney and we are indebted to anyone who helps in any way.

At the end of the year the charity held unrestricted funds of £211,846(2023; £197,666)

Restricted funds comprise (a) income from endowments which is to be expended only on the restricted purposes intended by the donor and (b) revenue donations or grants for a specific charity activity intended by the donor. Where these funds have unspent balances, interest on their pooled investment is apportioned to the individual funds on an average balance basis.

Unrestricted funds are income funds which are to be spent on the charity general purposes.

Designated funds are general funds set aside by the charity for use in the future.

### INCOMING RESOURCES

(i) Recognition of incoming resources

These are included in the Statement of Financial Activities (SOFA) when;

The charity becomes entitled to the resources;

The trustees are virtually certain they will receive the resources and

The monetary value can be measured with sufficient reliability.

(ii) Incoming resources with related expenditure

Where incoming resources have related expenditure (as with fundraising income) the incoming resources and related expenditure are reported gross in the SOFA.

(ii) Tax reclaims on donations and gifts

Incoming resources from tax reclaims are included in the SOFA at the same time as the gift to which they relate.

## **Trustees' Report for the Year ended 31st March 2023 (continued)**

### **Objectives**

During the period 2022/23 the charities aims and objectives have remained the same as those initially set out in the charity's Constitution back in 2010. These are to rescue and re-home as many animals as possible, both through private surrenders, strays and abandoned.

To promote animal welfare and best practice in animal management throughout Northern Ireland.

### **Performance and Achievements**

This year yet again has proven to be another challenging one due to the current economic down turn. The cost of living has risen substantially and therefor has had an effect on the incoming donations. The number of stray or unwanted dogs have increased compared to the previous year but the re-homing rates remain static.

The charity continues to run a shop at 32 Main Street in Ballymoney which is steadily growing in popularity and income.

### **Financial Review**

For the year, income is £145,362 (2022; £136,216), a increase of £9,146.

Total expenditure for the year is £145,090 (2022; £117,580), an increase of £27,510.

The charity remains financially solvent due to past and continued generous support. We are encouraged by the support received through our charity shop in Ballymoney and we are indebted to anyone who helps in any way.

At the end of the year the charity held unrestricted funds of £197,666 (2022; £197,394)

**Trustees' Report for the Year ended 31st March 2023 (continued)**

**Recruitment and Appointment of Trustees**

We meet 4 times a year as trustees but each trustee plays their part as volunteering in the life and work of the Charity. When a need has been identified to recruit trustees the principle trustees will manage the process. This Will include the Chair and at least one other trustee together with any other people deemed appropriate by the trustees. These trustees will have responsibility for ensuring that the remainder of the recruitment and induction process is carried out. Responsibility for recruiting trustees will not be delegated to employees although employees may be given specific administrative tasks by the principle trustees.

**Summary of Responsibility**

The trustees are responsible for preparing the annual Trustees' Report and Financial statements in accordance with the Financial Reporting Standards in the UK and Republic of Ireland (FRS 102) and applicable law and Regulations. This law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of those resources for that period. In preparing these statements, the trustees are required to;

- Select suitable accounting policies and then apply them consistently.
- Observe the methods and principles in the Charities SORP (FRS 102).
- Make judgements and estimates that are reasonable and prudent.
- State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements.
- Prepare the financial statements on the going concern basis unless it is appropriate to presume that the charity will continue its business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the

## **Trustees' Report for the Year ended 31st March 2023 (continued)**

### **Objectives**

During the period 2022/23 the charities aims and objectives have remained the same as those initially set out in the charity's Constitution back in 2010. These are to rescue and re-home as many animals as possible, both through private surrenders, strays and abandoned.

To promote animal welfare and best practice in animal management throughout Northern Ireland.

### **Performance and Achievements**

This year yet again has proven to be another challenging one due to the current economic down turn. The cost of living has risen substantially and therefor has had an effect on the incoming donations. The number of stray or unwanted dogs have increased compared to the previous year but the re-homing rates remain static.

The charity continues to run a shop at 32 Main Street in Ballymoney which is steadily growing in popularity and income.

### **Financial Review**

For the year, income is £145,362 (2022; £136,216), a increase of £9,146.

Total expenditure for the year is £145,090 (2022; £117,580), an increase of £27,510.

The charity remains financially solvent due to past and continued generous support. We are encouraged by the support received through our charity shop in Ballymoney and we are indebted to anyone who helps in any way.

At the end of the year the charity held unrestricted funds of £197,666 (2022; £197,394)

**Trustees' Report for the Year ended 31st March 2023 (continued)**

**Recruitment and Appointment of Trustees**

We meet 4 times a year as trustees but each trustee plays their part as volunteering in the life and work of the Charity. When a need has been identified to recruit trustees the principle trustees will manage the process. This Will include the Chair and at least one other trustee together with any other people deemed appropriate by the trustees. These trustees will have responsibility for ensuring that the remainder of the recruitment and induction process is carried out. Responsibility for recruiting trustees will not be delegated to employees although employees may be given specific administrative tasks by the principle trustees.

**Summary of Responsibility**

The trustees are responsible for preparing the annual Trustees' Report and Financial statements in accordance with the Financial Reporting Standards in the UK and Republic of Ireland (FRS 102) and applicable law and Regulations. This law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of those resources for that period. In preparing these statements, the trustees are required to;

- Select suitable accounting policies and then apply them consistently.
- Observe the methods and principles in the Charities SORP (FRS 102).
- Make judgements and estimates that are reasonable and prudent.
- State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements.
- Prepare the financial statements on the going concern basis unless it is appropriate to presume that the charity will continue its business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the

## Notes to the Accounts

### Accounting Policies

#### Basis of Financial Statements

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with Financial Reporting Standard applicable in the UK and Ireland (FRS102) (effective 1 January 2015).

The financial statements have been prepared under the historical cost convention except for investment assets, which are shown at market value. The financial statements include all transactions, assets and liabilities for which the charity is responsible in law.

#### Fund Accounting

Endowment funds are funds, the capital of which must be retained either permanently or at the charity's discretion; the income derived from the endowment is to be used either as restricted or unrestricted income funds depending upon the purpose for which the endowment was established in the first place.

Restricted funds comprise (a) income from endowments which is to be expended only on the restricted purposes intended by the donor and (b) revenue donations or grants for a specific charity activity intended by the donor. Where these funds have unspent balances, interest on their pooled investment is apportioned to the individual funds on an average balance basis.

Unrestricted funds are income funds which are to be spent on the charity general purposes.

Designated funds are general funds set aside by the charity for use in the future.

### INCOMING RESOURCES

(i) Recognition of incoming resources

These are included in the Statement of Financial Activities (SOFA) when;

The charity becomes entitled to the resources;

The trustees are virtually certain they will receive the resources and

The monetary value can be measured with sufficient reliability.

(ii) Incoming resources with related expenditure

Where incoming resources have related expenditure (as with fundraising income) the incoming resources and related expenditure are reported gross in the SOFA.

(ii) Tax reclaims on donations and gifts

Incoming resources from tax reclaims are included in the SOFA at the same time as the gift to which they relate.

### ASSETS

#### Tangible Fixed Assets

Tangible fixed assets for use by the charity are capitalised if they can be used for more than one year.

Depreciation is recorded on all tangible fixed assets, at rates calculated to write off the cost of each asset over its expected useful life as follows:

Vans 20% reducing balance

Capital Improvement Expenditure 5% straight line

Plant & Machinery 20% reducing balance
