A summary of the Charity's main activities to further its purposes for the public benefit and the main achievements in the year

We started the year with 6 girls and in September our numbers increased. During the year they participated in UMAs from the new programme, including Take Action, Express Myself and Be Well plus associated Skillbuilders. Early in the year the girls participated in an Escape Room event and at the end of the year there was a residential break in Dunluce House where the girls enjoyed some outdoor activities on the River Bann with Xplore activities.

There is no harm flowing from the purpose. There is no private benefit flowing from the purpose.
