Purposes of Charity, in summary:

Donacloney PSPTA exists to further enrich the school life of the pupils at the school, aid in providing facilities within year groups and helping build morale throughout the school in general.

Through the employment of fundraising strategies, careful management/distribution of funds and arranging events the PTA achieve their objectives during the course of the school year.

Supplementing the educational provision positively adds to the educational experience for both staff and pupils.

The charity trustees (4) listed at the time of this report:

Caroline Ogle, Elinor Hamill, Lynsey Strange, Laura Bond.

Details of how the charity is constituted and it's governing document

Donacloney Primary School Parent Teachers' Association is constituted of three committee members. Currently they are:

Chair: Lynsey Strange
Secretary: Laura Bond
Treasurer: Larissa Orr

A copy of our governing document is attached as appendix 1.

The appointment of any other trustee takes place automatically from within the members of the committee when a trustee has left the PTA. The addition of any further trustees would be voted on by standard committee meeting practice.

Summary of PTA's Actions

During the school year 2022/23 we raised funds both alongside the school and independently within the school.

Endeavours alongside the school include providing tea/coffee at the schools Harvest and Christmas services, tuck shop provision at the production of the school pantomime.

Tea and coffee facilities brought in £241.13 after costs of £18.26 for cups/spoons/milk etc.

The tuck shop and raffle provisions at the pantomime took place over two nights and we raised £519.46 after costs of £240.69.

Fundraising independently to the school took the form of two events plus two smaller fundraisers:

An anagram quiz sheet brought in £143 after costs and a Lego challenge raised £149.50.

We held an in-school Christmas Party, with snacks and DJ, bringing in £245.27 and our annual Family Fun Night in June raised £919.89 after costs of £649.60.

In total our fundraising (after costs) resulted in £2218.25 during the school year or 2022/23.

As mentioned previously, we exist to add to and enrich the school and we were only too happy to donate within the school.

Our donations during the year included:

Paying a portion of the P7 leavers hoodies, paying for the lighting associated with the school-run pantomime, providing snacks for the students during the pantomime and Dominos pizza for the wrap party.

Ice-cream van arrived on sports day and each child got an ice-cream courtesy of the PTA. Also, each teacher had a fund from which they could purchase items for their class instead of dipping into their own pocket. This supplied end-of-term class parties or class decor etc.

Our local community held an event to celebrate the Coronation in the village and the PTA had a stand to help us advertise and market ourselves. Local children could make crowns and decorate biscuits.

£219.81	Teachers Fund
£225.00	P7 leavers hoodies
£065.96	Coronation Day
£240.00	Sports Day Ice Cream
£600.00	Panto Lighting
£107.75	Wrap party

Our total donations, that we paid out, came to £1458.52

We also have to take into consideration a £7 theft from a pupil within the school.

Funds in total:	2218.25
Funds out total:	<u>1465.52</u>
Funds balance:	£752.73

Maintaining a presence at school events, holding our own events and attending locally arranged events keeps the PTA in the public's eye. This results in people seeing we are active and working to help give back in positive ways.

The highlight of the school year is the fun night in June that culminates a year's worth of effort from student, staff, parent and PTA member alike. We also find the smaller activities are now 'expected' by parents, such as the provision of tea/coffee at larger school assembly, yearly fireside quiz or the icecream on sports day.

Trustee's Statement with Regard to the Commission's Public Benefit Requirement Statutory Guidance:

The PTA has attained positive partnerships with the school and wider community and continues to engage parental support (beneficiaries are their children within the school). Possible collaborations with other official bodies within the Donaghcloney community would consolidate relationships and resources beyond the parental.

Parents readily support our fundraising endeavours but active participation in the PTA or at the events would be appreciated by the current members.

Resources and activities which are not available through direct school funding, provided directly with funds raised by the PTA are in use by the children and staff of the primary school

End of Year Financial Position Review

The figures in this report are consistent with those in the accounts document:

Starting balance Sept 2022:	413.30
Funds balance during school year:	<u>752.73</u>
Finishing balance June 2023:	£1166.03

We are thankful that we no funds in deficit but that they are actually in surplus in readiness for supporting our school next year.

Laura Bond

MODEL CONSTITUTION

NOTES

Please read these notes before using this model constitution.

- Guidance notes are available throughout this document to help explain certain points.
- A glossary of terms is contained under clause 13. All terms referenced in the glossary are highlighted in bold.
- Please complete sections 11 and 12 on page 2 using BLOCK CAPITALS. Once you have completed this form, sign and date it on page 8.
- The register for charities in Northern Ireland opened in December 2013 and the Charity Commission for Northern Ireland (CCNI) is initially inviting charities to register. Once invited, your charity will need to complete an online application form (www.charitycommissionni.org.uk) and submit digitally the necessary supporting documentation including a copy of this constitution once adopted. PTA UK is available to support you through this process.
- Your association will require an online account with CCNI to apply for registration. Once set up, an application can be worked on over a period of time, saved and amended before being submitted to make this easier.
- The PTA UK model constitution can only be used for charity registration without amendment. If you wish to use your own form of governing document, independent legal advice may be required to achieve registration.
- CCNI states that charity registration can take anything up to three months once an application is submitted. However, using a model constitution is likely to mean charitable status is easier and quicker to achieve.
- The charity created by this constitution is an unincorporated association and as such the Committee, who are trustees of the charity, are personally liable for the acts and defaults of the charity.
- While it might be unusual, if a PTA is taking on loans, building works or other liabilities, employing staff or giving advice to the public, PTA UK recommends establishing the charity as a company limited by guarantee in order to obtain the protection of limited liability for the Committee. Please see the model memorandum and articles of association for charity companies (GDI) available from www.charitycommissionni.org.uk.

1. ASSOCIATION DETAILS

1.1 Type of association

The type of association depends on its Membership. Please see the guidance under clause 4 for further information.

1.2 Name

We suggest A School PTA or The PTA of X School

If the suggested name of your association is too similar to another charity already listed on the CCR Register of Charities and might cause confusion, CCR may ask for it to be changed. Check the Register of Charities before choosing a name, available at www.charitycommission.gov.uk. It may also be necessary to refer to the list of charities recognised by HM Revenue and Customs (HMRC).

School

Please complete the full name and address of the school

1.3 The Committee

It is normal for the size of the Committee to vary. It is usual to have a named Chair, Treasurer and Secretary and then a number of other or ordinary committee members. The minimum number with which it is possible to continue operating is three. There is no restriction on the maximum number of committee members. However, be careful that this does not become too large. In our experience the average PTA Committee has between 5 and 10 committee members. An AGM is only quorate if the number of Members present is at least two times the number of committee members in office at the start of the meeting (clause 5.3).

Once the Committee has been elected you can then calculate the maximum number of co-opted committee members; up to 50% of the total number of elected committee members (clause 6.5). For example, a Committee with eight elected committee members would be able to co-opt four further committee members (6.5).

2. PURPOSES

The Purposes of the association must be exclusively charitable as established in the Charities Act (Northern Ireland) 2008 or it will not be a charity and registration will be refused by the CCR. The Purposes included in this Model constitution have been verified as exclusively charitable. However, your Association should make sure that they reflect the true Purposes of the Association.

3. POWERS

The Powers are the legal means by which the Purposes (Clause 2) can be achieved. All powers and procedures must be in compliance with charity and other applicable law. The powers must only be for charitable Purposes. Your association must be careful that any use of its funds or other resources is reasonable, cost efficient and the best use of the assets available.

3.4 The Committee should understand any legal restrictions on the fundraising activities the charity wants to undertake. Substantial permanent trading for the purpose of raising funds is not allowed. HMRC can advise on the limits for small scale trading. Where an association will be relying on trading to raise funds it is recommended that a separate, non-charitable trading company should be used for the purpose and specialist legal or accountancy advice sought.

3.7 This Clause enables the Committee to allocate funds for particular purposes, or as reserves. It is suggested that an association maintain reserves to cover planned
