Annual report

Truth Revealed Ministries NI (Charity Number NIC107017)
Chairman's Report for April 2024

Over the last year we have increased our presence in the local community as we aim to help more people in need. The board decided during the year to help fund free counselling for local people who could either not afford private counselling or were placed on a very long NHS waiting list, which only served to increase their anxiety etc. This offer of free counselling has been regularly used by those, locally, in need.

We continued to also reach out and help those in extreme need with practical help including purchasing essential household items (washing machine, fridge etc.), to those who had young families and were struggling financially to provide these basic needs. We were able to help others through a number of channels including, working with other charities and key people in the community who were aware of the communities needs.

Over the coming year we aim to not only continue our current activities but look to see how we can increase our presence in local communities.

Trustees Annual Report Financial Year End 5th April 2023

The Charity is based at 12, The Cedars, Antrim.

The Charity was established as a Christian response to relieve, extreme, local (Northern Ireland) poverty and the financial hardship of people who are in conditions of urgent need by the provision of financial assistance and by any other charitable means as the trustees shall consider appropriate. The finances needed to achieve this come from two main sources, donations and fundraising.

We receive donations from various people who know of our charity.

Money was spent on supporting individuals both directly and indirectly through organisations, including Christians Against Poverty (CAP) and Safe Families.

Some examples of how we helped this year - we paid for oil for families who were struggling to heat their homes through a harsh winter, we also paid for the repair of a boiler for a family who had been going without heat during a very cold spell as they could not afford to repair the boiler. We also

helped pay for the cost of a funeral as the family could not afford to pay as they had several deaths in the family in quick succession.
