1 Accounting Policies

These financial statements are prepared on the going concern basis under the historical cost convention and in accordance with applicable accounting standards including the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities" issued in March 2005. The principal accounting policies which have been applied consistently are set out below.

Tangible Fixed Assets

Tangible fixed assets are stated at historic cost less accumulated depreciation. The cost of tangible fixed assets is their purchase cost, together with any incidental costs of acquisition. Depreciation is calculated so as to write off the cost of tangible fixed assets, less their estimated residual values, on a straight line basis over the expected useful economic lives of the assets concerned.

The cost of land is not depreciated.

Incoming Resources

Incoming resources are received by way of donations and gifts and are included in full in the statement of financial activities on receipt.

Grants Receivable

Income from grants, including capital grants is included in incoming resources when these are receivable, except as follows :

- When donors specify that donations and grants given to the charity must be used in future accounting periods, the income is deferred until those periods.
- When donors impose conditions which have to be fulfilled before the charity becomes entitled to use such income, the income is deferred and not included in incoming resources until the pre-conditions for use have been met.
- When donors specify that donations and grants, including capital grants, are for particular restricted purposes, which do not amount to pre-conditions regarding entitlement, this income is included in incoming resources of restricted funds when receivable.

Resources Expended

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category.

Fund Accounting

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the charity for particular purposes. The cost of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements, if applicable.

Annual return

Independent Examiner's Report.

Omagh RDA Ltd.

Charity No. 107047

AR23.

Prepared by Jennifer Becker LIB(Hons). HM Inspector of Taxes (Retd.)

I have substantial training and experience in the examination of business and individual accounts and financial documents, most recently as an Assistant Director in HMRC with responsibility as Senior Investigating officer for the oversight and management of the teams conducting criminal investigation and prosecution of complex tax evasion in Scotland and Eastern England.

I have examined, without conducting an audit, the accounts and returns of Omagh RDA Ltd for the year ended 31/03/2024 and discussed them with two of the directors.

I am satisfied to the best of my knowledge and belief that the nil accounts are correct. Throughout the relevant period the business of providing RDA services in Omagh was conducted by Omagh Group Riding for the Disabled (104750) and all income, expenditure, assets and liabilities relating to the business were reflected in the accounts of that entity and consequently Omagh RDA Ltd had no income, expenditure, assets or liabilities and conducted no business or trade.

It is my understanding that following this period of account the business of Omagh Group Riding for the Disabled together with all assets and liabilities and rights to and responsibility for income and expenditure has been transferred to Omagh RDA Ltd and accounts from 12/07/24 will reflect this.

The consequence of this transfer is that the period from 1/04/24 to 11/07/24 will also be properly represented by nil accounts for Omagh RDA Ltd.

Financial Review

Results

The results for the year are set out in the Income and Expenditure Account on page 5. No Activity took place during the Accounting Period.

Risk Management

The Trustees have actively reviewed the major risks to which the charity is exposed, in particular those relating to child protection policies and health and safety issues. In order to counteract this, all instructors are taught first aid and attend regular regional training courses.

Volunteers

The Charity continues to be extremely grateful for the unstinting efforts of its volunteers, who have been involved in ensuring the safety of both the horses and the centre itself. These same volunteers have also fundraised and sought grant support to secure the future of the Charity.

At this time it is not possible to accurately quantify these volunteer efforts, except to say that this work has secured the future of the Charity going forward, and for this the Trustees are profoundly grateful.

Taxation

The association is a registered charity, and as such is entitled to certain tax exemptions on income and profits from investments, and surpluses on any trading activities carried on in furtherance of the Charity's primary objectives, if these profits and surpluses are applied solely for charitable purposes.

Statement of the Trustees Responsibilities

The trustees are responsible for preparing the Trustees' Report and the Financial Statements in accordance with applicable laws and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The Law applicable to charities in Northern Ireland requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources including the income and expenditure of the charity for that year. In preparing those financial statements, the trustees are required to :

- a) select suitable accounting policies and then apply them consistently,
- b) observe the methods and principles in the Charities SORP,
- c) make judgments and estimates that are reasonable and prudent,
- d) state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements, and,
- e) prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act (Northern Ireland) 2008. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Annual return

Independent Examiner's Report.

Omagh RDA Ltd.

Charity No. 107047

AR22.

Prepared by Jennifer Becker LIB(Hons). HM Inspector of Taxes (Retd.)

I have substantial training and experience in the examination of business and individual accounts and financial documents, most recently as an Assistant Director in HMRC with responsibility as Senior Investigating officer for the oversight and management of the teams conducting criminal investigation and prosecution of complex tax evasion in Scotland and Eastern England.

I have examined, without conducting an audit, the accounts and returns of Omagh RDA Ltd for the year ended 31/03/2023 and discussed them with two of the directors.

I am satisfied to the best of my knowledge and belief that the nil accounts are correct. Throughout the relevant period the business of providing RDA services in Omagh was conducted by Omagh Group Riding for the Disabled (104750) and all income, expenditure, assets and liabilities relating to the business were reflected in the accounts of that entity and consequently Omagh RDA Ltd had no income, expenditure, assets or liabilities and conducted no business or trade.
