The directors present their report and the unaudited financial statements for the year ended 31 March 2025.

Purpose and aims

The primary objective of Hive Cancer Support is to provide support to those who have been affected by cancer.

How our charity activities deliver public benefit

The public benefits which flow from our charitable activities are as follows:

- the improvement of the lives of people who have been affected directly or indirectly by cancer.
- the promotion of early detection and advice on cancer prevention methods to help save lives.
- the provision of a welcome drop in and safe space where people can come for immediate support and advice without having to wait until their next medical appointment.
- the improvement of mental, physical and emotional outcomes for cancer sufferers and their families/carers.
- the enablement of individuals/families to connect with their communities and each other, learn and share new skills and experiences and make choices that suit their own lives.

Financial review

The financial performance is summarised in the enclosed accounts.

Structure, governance and management

The company is governed and managed by the board of directors. The directors who served the company during the financial year are shown on page 1.

Recruitment and appointment of management committee

The directors of the company are also charity trustees for the purposes of Charity Law. Under the requirements of the Memorandum and Articles of Association directors are elected at an Annual General Meeting from amongst those persons nominated by the Ordinary Members. The directors have the power at any time to appoint any person to be a director, either to fill a casual vacancy or as an addition to the existing directors. Any director so appointed serves only until the next Annual General Meeting at which directors are to be elected and are then eligible for re-election. A retiring director is eligible for re-election.

Reserves Policy

**Hive Cancer Support
Company limited by guarantee**

**Directors' report
for the year ended 31 March 2025**

..... continued

The Board of Directors has examined the charity's requirements for reserves in light of the main risks to the organisation. It has established a policy whereby the unrestricted funds not committed or invested in tangible fixed assets held by the charity should be at least 6 months of core costs. The reserves are needed to meet the working capital requirements of the charity and the directors are confident that at this level they would be able to continue the current activities of the charity in the event of a significant drop in funding. The present level of unrestricted reserves available to the charity is £81631 and the board are confident of achieving their target in the next year. The board are satisfied that the current reserves held are adequate and will continue to monitor and review the funds held to ensure that the existing and future charitable activities of the organisation can be funded from its resources.

Directors Responsibilities In Relation To The Financial Statements

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of the affairs of the charitable company and of the profit or loss of the charity company for that year. In preparing these the directors are required to:

- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- observe methods and principles in the charities SORP 2019 (FRS 102);
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

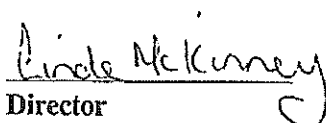

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

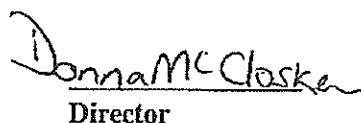

The report is prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies and in accordance with SORP 2019 (FRS102).

Independent Examiner

A resolution will be proposed at the Annual General Meeting that McGroarty McCafferty & Company Ltd be reappointed as independent examiners for the ensuing year.

The financial statements were approved and authorised for issue by the board on 17 October 2025 and signed on its behalf by;

**Independent examiner's report on the unaudited financial statements to the directors of
Hive Cancer Support**

We report on the accounts of the company for the year ended 31 March 2025, which are set out on pages 5 - 14.

Respective responsibilities of charity directors and examiner;

As the charity directors you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006. Having satisfied ourselves that the charity is not subject to audit under company law, and is eligible for independent examination, it is our responsibility to;

- examine the accounts under section 65 of the Charities Act 2008;
- follow the procedures laid down in the general directions given by the Charity Commission for Northern Ireland under section 65(9)(b) of the Charities Act 2008.
- state whether particular matters have come to our attention.

Basis of independent examiner's report

We have examined your charity accounts as required under section 65 of the Charities Act and our examination was carried out in accordance with the general directions given by the Charity Commission for Northern Ireland under Section 65(9)(b) of the Charities Act. The examination included a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also included a consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as charity directors concerning any such matters.

Our role is to state whether any material matters have come to our attention giving us cause to believe:

- that accounting records were not kept in accordance with section 386 of the Companies Act 2006;
- that the accounts do not accord with those accounting records;
- that the accounts do not comply with the accounting requirements of the Section 396 of the Companies Act 2006 and the methods and principles of the Charities Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland;
- that there is further information needed for proper understanding.

Independent examiner's statement

We can confirm we are qualified to undertake the examination and are regulated and a member of Chartered Accountants Ireland, which is one of the listed bodies.

We have completed our examination and have no concerns in respect of the matters listed above and, in connection with the following directions of the Charity Commission for Northern Ireland, we have found no matters that require drawing to your attention.

**Notes to the financial statements
for the year ended 31 March 2025**

1. Accounting policies

The charity is a private limited company by guarantee, registered in Northern Ireland and a registered charity in Northern Ireland. The registered office is 128 Lecky Road, Brandywell, Derry, BT48 6NP.

1.1. Accounting convention

The principal accounting policies adopted in the preparation of the financial statements are set out below and have remained unchanged from the previous year, and also have been consistently applied within the same accounts.

The charity constitutes a public benefit entity as defined by FRS102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland Charities SORP 2019 (FRS 102) and the Companies Act 2006.

The financial statements are prepared on a going concern basis under the historical cost convention modified to include the certain items at fair value. The financial statements are presented in sterling which is the functional currency of the charity.

The directors consider that there are no material uncertainties about the charity's ability to continue as a going concern.

The charity has taken advantage of the exemption in FRS 102 from the requirement to produce a cash flow statement as the company qualifies as a small company.

1.2. Incoming resources

All incoming resources are included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

Voluntary income is received by way of grants, donations and gifts and is included in full in the statement of financial activities when receivable. Grants where entitlement is not conditional on the delivery of a specific performance by the charity are recognised when the charity becomes unconditionally entitled to the grant.

Donated services and facilities are included at the value to the charity where this can be quantified. The value of the services provided by the volunteers has not been included.

Gifts donated for resale are included as incoming resources within the activities for generating funds when they are sold.

Grants, including grants for the purchase of fixed assets, are recognised in full in the statement of financial activities in the year in which they are receivable.

Income from investments is included in the year in which it is receivable.

**Hive Cancer Support
Company limited by guarantee**

**Notes to the financial statements
for the year ended 31 March 2025**

..... continued

1.3. Resources expended

Expenditure is recognised on an accrual basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates.

Costs of generating funds comprise the costs associated with attracting voluntary income and the costs of trading for fundraising purposes.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

1.4. Grants

Revenue grants are credited to income on the earlier date of when they are received or when they are receivable, unless they relate to a specific future period, in which case they are deferred.

Grants for the purpose of capital expenditure are credited to restricted income when receivable, transferred to restricted funds on the purchase of the asset and then released to unrestricted funds over the related asset's useful lives.

1.5 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation.

Depreciation is provided at rates calculated to write off the cost less residual value of each asset over its expected useful life, as follows:

Motor Vehicles	-	20% Straight Line
Fixtures, fittings and equipment	-	20% Straight Line

**Independent examiner's report on the unaudited financial statements to the directors of
Hive Cancer Support**

We report on the accounts of the company for the year ended 31 March 2024, which are set out on pages 5 - 14.

Respective responsibilities of charity directors and examiner;

As the charity directors you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006. Having satisfied ourselves that the charity is not subject to audit under company law, and is eligible for independent examination, it is our responsibility to;

- examine the accounts under section 65 of the Charities Act 2008;
- follow the procedures laid down in the general directions given by the Charity Commission for Northern Ireland under section 65(9)(b) of the Charities Act 2008.
- state whether particular matters have come to our attention.

Basis of independent examiner's report

We have examined your charity accounts as required under section 65 of the Charities Act and our examination was carried out in accordance with the general directions given by the Charity Commission for Northern Ireland under Section 65(9)(b) of the Charities Act. The examination included a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also included a consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as charity directors concerning any such matters.

Our role is to state whether any material matters have come to our attention giving us cause to believe:

- that accounting records were not kept in accordance with section 386 of the Companies Act 2006;
- that the accounts do not accord with those accounting records;
- that the accounts do not comply with the accounting requirements of the Section 396 of the Companies Act 2006 and the methods and principles of the Charities Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland;
- that there is further information needed for proper understanding.

Independent examiner's statement

We can confirm we are qualified to undertake the examination and are regulated and a member of Chartered Accountants Ireland, which is one of the listed bodies.

We have completed our examination and have no concerns in respect of the matters listed above and, in connection with the following directions of the Charity Commission for Northern Ireland, we have found no matters that require drawing to your attention.

1. Accounting policies

The charity is a private limited company by guarantee, registered in Northern Ireland and a registered charity in Northern Ireland. The registered office is 128 Lecky Road, Brandywell, Derry, BT48 6NP.

1.1. Accounting convention

The principal accounting policies adopted in the preparation of the financial statements are set out below and have remained unchanged from the previous year, and also have been consistently applied within the same accounts.

The charity constitutes a public benefit entity as defined by FRS102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland Charities SORP 2019 (FRS 102) and the Companies Act 2006.

The financial statements are prepared on a going concern basis under the historical cost convention modified to include the certain items at fair value. The financial statements are presented in sterling which is the functional currency of the charity.

The directors consider that there are no material uncertainties about the charity's ability to continue as a going concern.

The charity has taken advantage of the exemption in FRS 102 from the requirement to produce a cash flow statement as the company qualifies as a small company.

1.2. Incoming resources

All incoming resources are included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

Voluntary income is received by way of grants, donations and gifts and is included in full in the statement of financial activities when receivable. Grants where entitlement is not conditional on the delivery of a specific performance by the charity are recognised when the charity becomes unconditionally entitled to the grant.

Donated services and facilities are included at the value to the charity where this can be quantified. The value of the services provided by the volunteers has not been included.

Gifts donated for resale are included as incoming resources within the activities for generating funds when they are sold.

Grants, including grants for the purchase of fixed assets, are recognised in full in the statement of financial activities in the year in which they are receivable.

Income from investments is included in the year in which it is receivable.

**Hive Cancer Support
Company limited by guarantee**

**Notes to the financial statements
for the year ended 31 March 2024**

1.3. Resources expended

Expenditure is recognised on an accrual basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates.

Costs of generating funds comprise the costs associated with attracting voluntary income and the costs of trading for fundraising purposes.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

1.4. Grants

Revenue grants are credited to income on the earlier date of when they are received or when they are receivable, unless they relate to a specific future period, in which case they are deferred.

Grants for the purpose of capital expenditure are credited to restricted income when receivable, transferred to restricted funds on the purchase of the asset and then released to unrestricted funds over the related asset's useful lives.

1.5 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation.

Depreciation is provided at rates calculated to write off the cost less residual value of each asset over its expected useful life, as follows:

Motor Vehicles	-	20% Straight Line
Fixtures, fittings and equipment	-	20% Straight Line

**Directors' report
for the year ended 31 March 2023**

The directors present their report and the audited financial statements for the year ended 31 March 2023.

Our objectives and activities

Purpose and aims

The primary objective of Hive Cancer Support is to provide support to those who have been affected by cancer.

How our charity activities deliver public benefit

The public benefits which flow from our charitable activities are as follows:

- the improvement of the lives of people who have been affected directly or indirectly by cancer.
- the promotion of early detection and advice on cancer prevention methods to help save lives.
- the provision of a welcome drop in and safe space where people can come for immediate support and advice without having to wait until their next medical appointment.
- the improvement of mental, physical and emotional outcomes for cancer sufferers and their families/carers.
- the enablement of individuals/families to connect with their communities and each other, learn and share new skills and experiences and make choices that suit their own lives.

Name change

The charity changed name from The Pink Ladies Cancer Support Group to Hive Cancer Support on 13th June 2023.

Financial review

The financial performance is summarised in the enclosed accounts.

Structure, governance and management

The company is governed and managed by the board of directors. The directors who served the company during the financial year are shown on page 1.

Recruitment and appointment of management committee

The directors of the company are also charity trustees for the purposes of Charity Law. Under the requirements of the Memorandum and Articles of Association directors are elected at an Annual General Meeting from amongst those persons nominated by the Ordinary Members. The directors have the power at any time to appoint any person to be a director, either to fill a casual vacancy or as an addition to the existing directors. Any director so appointed serves only until the next Annual General Meeting at which directors are to be elected and are then eligible for re-election. A retiring director is eligible for re-election.

Reserves Policy

The Board of Directors has examined the charity's requirements for reserves in light of the main risks to the organisation. It has established a policy whereby the unrestricted funds not committed or invested in tangible fixed assets held by the charity should be at least 6 months of core costs. The reserves are needed to meet the working capital requirements of the charity and the directors are confident that at this level they would be able to continue the current activities of the charity in the event of a significant drop in funding. The present level of unrestricted reserves available to the charity is £41,972 and the board are confident of achieving their target in the next year. The board are satisfied that the current reserves held are adequate and will continue to monitor and review the funds held to ensure that the existing and future charitable activities of the organisation can be funded from its resources.

Directors Responsibilities In Relation To The Financial Statements

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of the affairs of the charitable company and of the profit or loss of the charity company for that year. In preparing these the directors are required to:

- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- observe methods and principles in the charities SORP 2019 (FRS 102);
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

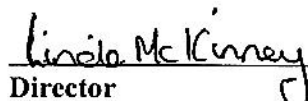

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

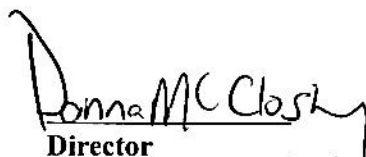

The report is prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies and in accordance with SORP 2019 (FRS102).

Independent Examiner

A resolution will be proposed at the Annual General Meeting that McGroarty McCafferty & Company Ltd be reappointed as independent examiners for the ensuing year.

1. Accounting policies

The charity is a private limited company by guarantee, registered in Northern Ireland and a registered charity in Northern Ireland. The registered office is 128 Lecky Road, Brandywell, Derry, BT48 6NP.

1.1. Accounting convention

The principal accounting policies adopted in the preparation of the financial statements are set out below and have remained unchanged from the previous year, and also have been consistently applied within the same accounts.

The charity constitutes a public benefit entity as defined by FRS102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland Charities SORP 2019 (FRS 102) and the Companies Act 2006.

The financial statements are prepared on a going concern basis under the historical cost convention modified to include the certain items at fair value. The financial statements are presented in sterling which is the functional currency of the charity.

The directors consider that there are no material uncertainties about the charity's ability to continue as a going concern.

The charity has taken advantage of the exemption in FRS 102 from the requirement to produce a cash flow statement as the company qualifies as a small company.

1.2. Incoming resources

All incoming resources are included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

Voluntary income is received by way of grants, donations and gifts and is included in full in the statement of financial activities when receivable. Grants where entitlement is not conditional on the delivery of a specific performance by the charity are recognised when the charity becomes unconditionally entitled to the grant.

Donated services and facilities are included at the value to the charity where this can be quantified. The value of the services provided by the volunteers has not been included.

Gifts donated for resale are included as incoming resources within the activities for generating funds when they are sold.

Grants, including grants for the purchase of fixed assets, are recognised in full in the statement of financial activities in the year in which they are receivable.

Income from investments is included in the year in which it is receivable.

1.3. Resources expended

Expenditure is recognised on an accrual basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates.

Costs of generating funds comprise the costs associated with attracting voluntary income and the costs of trading for fundraising purposes.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

1.4. Grants

Revenue grants are credited to income on the earlier date of when they are received or when they are receivable, unless they relate to a specific future period, in which case they are deferred.

Grants for the purpose of capital expenditure are credited to restricted income when receivable, transferred to restricted funds on the purchase of the asset and then released to unrestricted funds over the related asset's useful lives.

1.5 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation.

Depreciation is provided at rates calculated to write off the cost less residual value of each asset over its expected useful life, as follows:

Directors' report
for the year ended 31 March 2024

The directors present their report and the unaudited financial statements for the year ended 31 March 2024.

Our objectives and activities

Purpose and aims

The primary objective of Hive Cancer Support is to provide support to those who have been affected by cancer.

How our charity activities deliver public benefit

The public benefits which flow from our charitable activities are as follows:

- the improvement of the lives of people who have been affected directly or indirectly by cancer.
- the promotion of early detection and advice on cancer prevention methods to help save lives.
- the provision of a welcome drop in and safe space where people can come for immediate support and advice without having to wait until their next medical appointment.
- the improvement of mental, physical and emotional outcomes for cancer sufferers and their families/carers.
- the enablement of individuals/families to connect with their communities and each other, learn and share new skills and experiences and make choices that suit their own lives.

Name change

The charity changed name from The Pink Ladies Cancer Support Group to Hive Cancer Support on 25th July 2023.

Financial review

The financial performance is summarised in the enclosed accounts.

Structure, governance and management

The company is governed and managed by the board of directors. The directors who served the company during the financial year are shown on page 1.

Recruitment and appointment of management committee

The directors of the company are also charity trustees for the purposes of Charity Law. Under the requirements of the Memorandum and Articles of Association directors are elected at an Annual General Meeting from amongst those persons nominated by the Ordinary Members. The directors have the power at any time to appoint any person to be a director, either to fill a casual vacancy or as an addition to the existing directors. Any director so appointed serves only until the next Annual General Meeting at which directors are to be elected and are then eligible for re-election. A retiring director is eligible for re-election.

Reserves Policy

The Board of Directors has examined the charity's requirements for reserves in light of the main risks to the organisation. It has established a policy whereby the unrestricted funds not committed or invested in tangible fixed assets held by the charity should be at least 6 months of core costs. The reserves are needed to meet the working capital requirements of the charity and the directors are confident that at this level they would be able to continue the current activities of the charity in the event of a significant drop in funding. The present level of unrestricted reserves available to the charity is £59,270 and the board are confident of achieving their target in the next year. The board are satisfied that the current reserves held are adequate and will continue to monitor and review the funds held to ensure that the existing and future charitable activities of the organisation can be funded from its resources.

Directors Responsibilities In Relation To The Financial Statements

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of the affairs of the charitable company and of the profit or loss of the charity company for that year. In preparing these the directors are required to:

- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- observe methods and principles in the charities SORP 2019 (FRS 102);
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

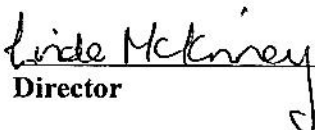

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The report is prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies and in accordance with SORP 2019 (FRS102).

Independent Examiner

A resolution will be proposed at the Annual General Meeting that McGroarty McCafferty & Company Ltd be reappointed as independent examiners for the ensuing year.

The financial statements were approved and authorised for issue by the board on 13 September 2024 and signed on its behalf by;

Independent examiner's report on the unaudited financial statements to the directors of
Hive Cancer Support

We report on the accounts of the company for the year ended 31 March 2024, which are set out on pages 5 - 14.

Respective responsibilities of charity directors and examiner;

As the charity directors you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006. Having satisfied ourselves that the charity is not subject to audit under company law, and is eligible for independent examination, it is our responsibility to;

- examine the accounts under section 65 of the Charities Act 2008;
- follow the procedures laid down in the general directions given by the Charity Commission for Northern Ireland under section 65(9)(b) of the Charities Act 2008.
- state whether particular matters have come to our attention.

Basis of independent examiner's report

We have examined your charity accounts as required under section 65 of the Charities Act and our examination was carried out in accordance with the general directions given by the Charity Commission for Northern Ireland under Section 65(9)(b) of the Charities Act. The examination included a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also included a consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as charity directors concerning any such matters.

Our role is to state whether any material matters have come to our attention giving us cause to believe:

- that accounting records were not kept in accordance with section 386 of the Companies Act 2006;
- that the accounts do not accord with those accounting records;
- that the accounts do not comply with the accounting requirements of the Section 396 of the Companies Act 2006 and the methods and principles of the Charities Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland;
- that there is further information needed for proper understanding.

Independent examiner's statement

We can confirm we are qualified to undertake the examination and are regulated and a member of Chartered Accountants Ireland, which is one of the listed bodies.

We have completed our examination and have no concerns in respect of the matters listed above and, in connection with the following directions of the Charity Commission for Northern Ireland, we have found no matters that require drawing to your attention.

The directors present their report and the audited financial statements for the year ended 31 March 2023.

Our objectives and activities

Purpose and aims

The primary objective of Hive Cancer Support is to provide support to those who have been affected by cancer.

How our charity activities deliver public benefit

The public benefits which flow from our charitable activities are as follows:

- the improvement of the lives of people who have been affected directly or indirectly by cancer.
- the promotion of early detection and advice on cancer prevention methods to help save lives.
- the provision of a welcome drop in and safe space where people can come for immediate support and advice without having to wait until their next medical appointment.
- the improvement of mental, physical and emotional outcomes for cancer sufferers and their families/carers.
- the enablement of individuals/families to connect with their communities and each other, learn and share new skills and experiences and make choices that suit their own lives.

Name change

The charity changed name from The Pink Ladies Cancer Support Group to Hive Cancer Support on 13th June 2023.

Financial review

The financial performance is summarised in the enclosed accounts.

Structure, governance and management

The company is governed and managed by the board of directors. The directors who served the company during the financial year are shown on page 1.

Recruitment and appointment of management committee

The directors of the company are also charity trustees for the purposes of Charity Law. Under the requirements of the Memorandum and Articles of Association directors are elected at an Annual General Meeting from amongst those persons nominated by the Ordinary Members. The directors have the power at any time to appoint any person to be a director, either to fill a casual vacancy or as an addition to the existing directors. Any director so appointed serves only until the next Annual General Meeting at which directors are to be elected and are then eligible for re-election. A retiring director is eligible for re-election.

Reserves Policy

The Board of Directors has examined the charity's requirements for reserves in light of the main risks to the organisation. It has established a policy whereby the unrestricted funds not committed or invested in tangible fixed assets held by the charity should be at least 6 months of core costs. The reserves are needed to meet the working capital requirements of the charity and the directors are confident that at this level they would be able to continue the current activities of the charity in the event of a significant drop in funding. The present level of unrestricted reserves available to the charity is £41,972 and the board are confident of achieving their target in the next year. The board are satisfied that the current reserves held are adequate and will continue to monitor and review the funds held to ensure that the existing and future charitable activities of the organisation can be funded from its resources.

Directors Responsibilities In Relation To The Financial Statements

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of the affairs of the charitable company and of the profit or loss of the charity company for that year. In preparing these the directors are required to:

- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- observe methods and principles in the charities SORP 2019 (FRS 102);
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

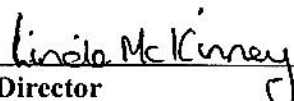

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The report is prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies and in accordance with SORP 2019 (FRS102).

Independent Examiner

A resolution will be proposed at the Annual General Meeting that McGroarty McCafferty & Company Ltd be reappointed as independent examiners for the ensuing year.

The financial statements were approved and authorised for issue by the board on 27 October 2023 and signed on its behalf by;

Director

**Independent examiner's report on the unaudited financial statements to the directors of
The Pink Ladies Cancer Support Group**

We report on the accounts of the company for the year ended 31 March 2023, which are set out on pages 5 - 14.

Respective responsibilities of charity directors and examiner;

As the charity directors you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006. Having satisfied ourselves that the charity is not subject to audit under company law, and is eligible for independent examination, it is our responsibility to;

- examine the accounts under section 65 of the Charities Act 2008;
- follow the procedures laid down in the general directions given by the Charity Commission for Northern Ireland under section 65(9)(b) of the Charities Act 2008.
- state whether particular matters have come to our attention.

Basis of independent examiner's report

We have examined your charity accounts as required under section 65 of the Charities Act and our examination was carried out in accordance with the general directions given by the Charity Commission for Northern Ireland under Section 65(9)(b) of the Charities Act. The examination included a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also included a consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as charity directors concerning any such matters.

Our role is to state whether any material matters have come to our attention giving us cause to believe:

- that accounting records were not kept in accordance with section 386 of the Companies Act 2006;
- that the accounts do not accord with those accounting records;
- that the accounts do not comply with the accounting requirements of the Section 396 of the Companies Act 2006 and the methods and principles of the Charities Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland;
- that there is further information needed for proper understanding.

Independent examiner's statement

We can confirm we are qualified to undertake the examination and are regulated and a member of Chartered Accountants Ireland, which is one of the listed bodies.

We have completed our examination and have no concerns in respect of the matters listed above and, in connection with the following directions of the Charity Commission for Northern Ireland, we have found no matters that require drawing to your attention.

1. Accounting policies

The charity is a private limited company by guarantee, registered in Northern Ireland and a registered charity in Northern Ireland. The registered office is 128 Lecky Road, Brandywell, Derry, BT48 6NP.

1.1. Accounting convention

The principal accounting policies adopted in the preparation of the financial statements are set out below and have remained unchanged from the previous year, and also have been consistently applied within the same accounts.

The charity constitutes a public benefit entity as defined by FRS102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland Charities SORP 2019 (FRS 102) and the Companies Act 2006.

The financial statements are prepared on a going concern basis under the historical cost convention modified to include the certain items at fair value. The financial statements are presented in sterling which is the functional currency of the charity.

The directors consider that there are no material uncertainties about the charity's ability to continue as a going concern.

The charity has taken advantage of the exemption in FRS 102 from the requirement to produce a cash flow statement as the company qualifies as a small company.

1.2. Incoming resources

All incoming resources are included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

Voluntary income is received by way of grants, donations and gifts and is included in full in the statement of financial activities when receivable. Grants where entitlement is not conditional on the delivery of a specific performance by the charity are recognised when the charity becomes unconditionally entitled to the grant.

Donated services and facilities are included at the value to the charity where this can be quantified. The value of the services provided by the volunteers has not been included.

Gifts donated for resale are included as incoming resources within the activities for generating funds when they are sold.

Grants, including grants for the purchase of fixed assets, are recognised in full in the statement of financial activities in the year in which they are receivable.

Income from investments is included in the year in which it is receivable.

**Hive Cancer Support
Company limited by guarantee**

**Notes to the financial statements
for the year ended 31 March 2023**

1.3. Resources expended

Expenditure is recognised on an accrual basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates.

Costs of generating funds comprise the costs associated with attracting voluntary income and the costs of trading for fundraising purposes.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

1.4. Grants

Revenue grants are credited to income on the earlier date of when they are received or when they are receivable, unless they relate to a specific future period, in which case they are deferred.

Grants for the purpose of capital expenditure are credited to restricted income when receivable, transferred to restricted funds on the purchase of the asset and then released to unrestricted funds over the related asset's useful lives.

1.5 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation.

Depreciation is provided at rates calculated to write off the cost less residual value of each asset over its expected useful life, as follows:

Motor Vehicles	-	20% Straight Line
Fixtures, fittings and equipment	-	20% Straight Line

The public benefits which flow from our charitable activities are as follows:

- the improvement of the lives of people who have been affected directly or indirectly by cancer.
- the promotion of early detection and advice on cancer prevention methods to help save lives.
- the provision of a welcome drop in and safe space where people can come for immediate support and advice without having to wait until their next medical appointment.
- the improvement of mental, physical and emotional outcomes for cancer sufferers and their families/carers.
- the enablement of individuals/families to connect with their communities and each other, learn and share new skills and experiences and make choices that suit their own lives.

Name change

The charity changed name from The Pink Ladies Cancer Support Group to Hive Cancer Support on 13th June 2023.

Financial review

The financial performance is summarised in the enclosed accounts.

Structure, governance and management

The company is governed and managed by the board of directors. The directors who served the company during the financial year are shown on page 1.

Recruitment and appointment of management committee

The directors of the company are also charity trustees for the purposes of Charity Law. Under the requirements of the Memorandum and Articles of Association directors are elected at an Annual General Meeting from amongst those persons nominated by the Ordinary Members. The directors have the power at any time to appoint any person to be a director, either to fill a casual vacancy or as an addition to the existing directors. Any director so appointed serves only until the next Annual General Meeting at which directors are to be elected and are then eligible for re-election. A retiring director is eligible for re-election.

Reserves Policy

The Board of Directors has examined the charity's requirements for reserves in light of the main risks to the organisation. It has established a policy whereby the unrestricted funds not committed or invested in tangible fixed assets held by the charity should be at least 6 months of core costs. The reserves are needed to meet the working capital requirements of the charity and the directors are confident that at this level they would be able to continue the current activities of the charity in the event of a significant drop in funding. The present level of unrestricted reserves available to the charity is £41,972 and the board are confident of achieving their target in the next year. The board are satisfied that the current reserves held are adequate and will continue to monitor and review the funds held to ensure that the existing and future charitable activities of the organisation can be funded from its resources.

Directors Responsibilities In Relation To The Financial Statements

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of the affairs of the charitable company and of the profit or loss of the charity company for that year. In preparing these the directors are required to:

- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- observe methods and principles in the charities SORP 2019 (FRS 102);
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

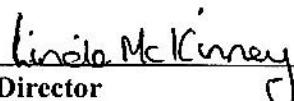

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The report is prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies and in accordance with SORP 2019 (FRS102).

Independent Examiner

A resolution will be proposed at the Annual General Meeting that McGroarty McCafferty & Company Ltd be reappointed as independent examiners for the ensuing year.

**Independent examiner's report on the unaudited financial statements to the directors of
The Pink Ladies Cancer Support Group**

We report on the accounts of the company for the year ended 31 March 2023, which are set out on pages 5 - 14.

Respective responsibilities of charity directors and examiner;

As the charity directors you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006. Having satisfied ourselves that the charity is not subject to audit under company law, and is eligible for independent examination, it is our responsibility to;

- examine the accounts under section 65 of the Charities Act 2008;
- follow the procedures laid down in the general directions given by the Charity Commission for Northern Ireland under section 65(9)(b) of the Charities Act 2008.
- state whether particular matters have come to our attention.

Basis of independent examiner's report

We have examined your charity accounts as required under section 65 of the Charities Act and our examination was carried out in accordance with the general directions given by the Charity Commission for Northern Ireland under Section 65(9)(b) of the Charities Act. The examination included a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also included a consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as charity directors concerning any such matters.

Our role is to state whether any material matters have come to our attention giving us cause to believe:

- that accounting records were not kept in accordance with section 386 of the Companies Act 2006;
- that the accounts do not accord with those accounting records;
- that the accounts do not comply with the accounting requirements of the Section 396 of the Companies Act 2006 and the methods and principles of the Charities Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland;
- that there is further information needed for proper understanding.

Independent examiner's statement

We can confirm we are qualified to undertake the examination and are regulated and a member of Chartered Accountants Ireland, which is one of the listed bodies.

We have completed our examination and have no concerns in respect of the matters listed above and, in connection with the following directions of the Charity Commission for Northern Ireland, we have found no matters that require drawing to your attention.

1. Accounting policies

The charity is a private limited company by guarantee, registered in Northern Ireland and a registered charity in Northern Ireland. The registered office is 128 Lecky Road, Brandywell, Derry, BT48 6NP.

1.1. Accounting convention

The principal accounting policies adopted in the preparation of the financial statements are set out below and have remained unchanged from the previous year, and also have been consistently applied within the same accounts.

The charity constitutes a public benefit entity as defined by FRS102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland Charities SORP 2019 (FRS 102) and the Companies Act 2006.

The financial statements are prepared on a going concern basis under the historical cost convention modified to include the certain items at fair value. The financial statements are presented in sterling which is the functional currency of the charity.

The directors consider that there are no material uncertainties about the charity's ability to continue as a going concern.

The charity has taken advantage of the exemption in FRS 102 from the requirement to produce a cash flow statement as the company qualifies as a small company.

1.2. Incoming resources

All incoming resources are included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

Voluntary income is received by way of grants, donations and gifts and is included in full in the statement of financial activities when receivable. Grants where entitlement is not conditional on the delivery of a specific performance by the charity are recognised when the charity becomes unconditionally entitled to the grant.

Donated services and facilities are included at the value to the charity where this can be quantified. The value of the services provided by the volunteers has not been included.

Gifts donated for resale are included as incoming resources within the activities for generating funds when they are sold.

Grants, including grants for the purchase of fixed assets, are recognised in full in the statement of financial activities in the year in which they are receivable.

Income from investments is included in the year in which it is receivable.

**Hive Cancer Support
Company limited by guarantee**

**Notes to the financial statements
for the year ended 31 March 2023**

1.3. Resources expended

Expenditure is recognised on an accrual basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates.

Costs of generating funds comprise the costs associated with attracting voluntary income and the costs of trading for fundraising purposes.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

1.4. Grants

Revenue grants are credited to income on the earlier date of when they are received or when they are receivable, unless they relate to a specific future period, in which case they are deferred.

Grants for the purpose of capital expenditure are credited to restricted income when receivable, transferred to restricted funds on the purchase of the asset and then released to unrestricted funds over the related asset's useful lives.

1.5 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation.

Depreciation is provided at rates calculated to write off the cost less residual value of each asset over its expected useful life, as follows:

Motor Vehicles	-	20% Straight Line
Fixtures, fittings and equipment	-	20% Straight Line

1. Accounting policies

The charity is a private limited company by guarantee, registered in Northern Ireland and a registered charity in Northern Ireland. The registered office is 128 Lecky Road, Brandywell, Derry, BT48 6NP.

1.1. Accounting convention

The principal accounting policies adopted in the preparation of the financial statements are set out below and have remained unchanged from the previous year, and also have been consistently applied within the same accounts.

The charity constitutes a public benefit entity as defined by FRS102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland Charities SORP 2019 (FRS 102) and the Companies Act 2006.

The financial statements are prepared on a going concern basis under the historical cost convention modified to include the certain items at fair value. The financial statements are presented in sterling which is the functional currency of the charity.

The directors consider that there are no material uncertainties about the charity's ability to continue as a going concern.

The charity has taken advantage of the exemption in FRS 102 from the requirement to produce a cash flow statement as the company qualifies as a small company.

1.2. Incoming resources

All incoming resources are included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

Voluntary income is received by way of grants, donations and gifts and is included in full in the statement of financial activities when receivable. Grants where entitlement is not conditional on the delivery of a specific performance by the charity are recognised when the charity becomes unconditionally entitled to the grant.

Donated services and facilities are included at the value to the charity where this can be quantified. The value of the services provided by the volunteers has not been included.

Gifts donated for resale are included as incoming resources within the activities for generating funds when they are sold.

Grants, including grants for the purchase of fixed assets, are recognised in full in the statement of financial activities in the year in which they are receivable.

Income from investments is included in the year in which it is receivable.

Company limited by guarantee**

**Notes to the financial statements
for the year ended 31 March 2023**

1.3. Resources expended

Expenditure is recognised on an accrual basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates.

Costs of generating funds comprise the costs associated with attracting voluntary income and the costs of trading for fundraising purposes.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

1.4. Grants

Revenue grants are credited to income on the earlier date of when they are received or when they are receivable, unless they relate to a specific future period, in which case they are deferred.

Grants for the purpose of capital expenditure are credited to restricted income when receivable, transferred to restricted funds on the purchase of the asset and then released to unrestricted funds over the related asset's useful lives.

1.5 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation.

Depreciation is provided at rates calculated to write off the cost less residual value of each asset over its expected useful life, as follows:

Motor Vehicles	-	20% Straight Line
Fixtures, fittings and equipment	-	20% Straight Line
