

Report to the Board of Trustees for Brookfield School PSA NIC107377

The year ending 31 March 2023 was another quieter year of fundraising for the PSA. We have not been able to hold all our usual fundraising events but have still succeeded to raise money in other ways.

Amazon smile has continued to raise money via the parents and staff shopping online. [easyfundraising.com](https://www.amazon.co.uk/?ref=ain_smile) needs promoted more this year as it has usually always brought in donations but nothing in this current year. This is something we can promote further this coming year with new and existing parents, families and staff members.

Our main sources of income this year was from Tesco Groundworks and the Co-Op - these were both excellent sources of income as the parents were able to take a step back as they were all carried out by the stores customers. We also gained a Charities Trust/Movement for Good award as we were nominated for this online by a few of our parents.

We were able to pay for activities for the children in school in the form of an ice cream van, Paris Bubbles, Amazon Jungle and Fitness Freddy. These are all enjoyed greatly by our children and much appreciated by our parents and school staff so hopefully we can continue to provide these for the forthcoming years.

For the next year we will continue to apply for grants and ask parents to help us in any way they can.
